Supporting the American Worker

# This Holiday Season: Buy Union

Our loved ones deserve only the very best. This holiday season, show them how much you care by buying union-made gifts. Union-made goods are high quality; they stand the test of time. The products in this guide are made by the proud members of: United Automobile, Aerospace and Agricultural Implement Workers of America (UAW), UNITE HERE, Boilermakers (IBB), Bakery, Confectionery, Tobacco Workers and Grain Millers (BCTGM), Machinists (IAM), United Steelworkers (USW), Teamsters (IBT), United Food and Commercial Workers (UFCW), the Retail, Wholesale and Department Store Union/UFCW (RWDSU/UFCW), United Farm Workers (UFW), Workers United (SEIU), and the Communications Workers of America (CWA). In a rapidly changing global economy, always be sure to check the origin of the products you purchase.

A close-up photograph of a worn drive shaft. The shaft is dark, possibly black or dark grey, and shows significant signs of wear, including scratches, scuffs, and a rough, pitted surface. The splines are visible, showing a series of curved, parallel ridges. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture and damage of the metal.

These vehicles are made in the United States or Canada by members of the UAW and Canada's Unifor union, formerly the Canadian Auto Workers (CAW). Because of the integration of United States and Canadian vehicle production, all the vehicles listed made in Canada include significant UAW-made content and support the jobs of UAW members.

However, those marked with an asterisk (\*) are produced in the United States and another country. The Chevrolet Cruze and Sonic are manufactured in the United States and Mexico. All Cruze hatchbacks and some sedans are manufactured in Mexico. The diesel version is manufactured in the United States by UAW members. The light-duty, 1500 model versions of the vehicles marked with a double asterisk (\*\*) are manufactured in the United States and Mexico. When purchasing one of these trucks, check the Vehicle Identification Number (VIN). A VIN beginning with "1" or "4" or "5" identifies a U.S.-made vehicle; "2" identifies a Canadian-made vehicle.

**Not all vehicles made in the United States or Canada are built by union-represented workers. Vehicles not listed here, even if produced in the United States or Canada, are not union made.**
