

ATTENTION!

Due to the 2019 Special Bargaining Convention, it was necessary to move the dates for the 2019 Financial Officers' Conference to the last week in March.

We are currently working with the Department of Labor to insure no penalties will be levied on locals if they complete their LM filing within the week following the conference.

Locals whose second signature signers are not attending the conference will be able to sign the LM remotely.

We thank you for your understanding, appreciate your cooperation, and look forward to seeing you in Orlando!
