RE: **UAW-GM Negotiations Update #2**

Dear Union Brothers and Sisters:

We have made some progress in this set of Negotiations since I last updated you on Thursday, September 5, 2019. We still have many outstanding issues remaining, including significant differences between the parties on wages, health care benefits, temporary employees, job security and profit sharing. We will be working until tonight's deadline at 11:59 pm to reach a Tentative Agreement.

No decisions or actions will be taken until the IEB meets at midnight and the National Council convenes at 10:00 am on Sunday, September 15, 2019. The agenda will be decided prior to the Council Meeting and shared only with those in attendance.

For tomorrow's Council Meeting, this is a reminder that only Presidents and Chairpersons will gain entry to our meeting. Additionally, any Local Unions delinquent on per capita dues have no vote and will not be allowed access to the National Council Meeting.

In solidarity,

Terry Dittes
Vice President and Director
UAW General Motors Department
