RE: UAW-GM Negotiations

Dear Mr. Sandefur:

In the event the parties are unable to reach a Tentative Agreement today, the Union intends to instruct UAW hourly and salaried workers to report to work tomorrow for their regular shifts, if any, and continue working under the same terms and conditions once the contracts expire.

As you know, the UAW International Executive Board has a meeting scheduled for midnight tonight and the UAW-GM National Council has a meeting scheduled for 10:00 am tomorrow to discuss the status of bargaining and any necessary further actions. I will let you know our intentions at the conclusion of the Council meeting.

Sincerely,

Terry Dittes
Vice President and Director
UAW General Motors Department
