NOTE:

This booklet (Volume I) is being presented to you so that you may know the terms of the agreements negotiated between the UAW and the Company **November 5, 2015**, and certain other information which may be of interest.

Specifically, the following material is presented in the order given:

1. Collective Bargaining Agreement and Appendices A, B, C*, G, H, J, K, M, N, O, P, Q, S, T, U, V and W.
2. Settlement Agreement of May 29, 1949, as amended.
3. Three-Day Transfer Agreement of August 15, 1949.

Portions of the Agreement reproduced here which are new or changed from previous agreements are shown in bold type.

Please note that any gender specific references in the Agreement language shall apply to either sex.

Other agreements and plans reproduced in separate booklets are: Volume II, the Retirement Agreement and Plan and the Insurance Program; Volume III, the Supplemental Unemployment Benefit Agreement and Plan, the Profit Sharing Agreement and Plan, the Tax Efficient Savings Agreement and Plan, and the UAW-Ford Legal Services Plan; Volume IV, the Letters of Understanding; **and Skilled Trades Agreements and Letters of Understanding.**

We hope you will find this booklet helpful.

COLLECTIVE BARGAINING AGREEMENT

On this **5th** day of **November, 2015**, at Dearborn, Michigan, Ford Motor Company, a Delaware corporation, hereinafter designated as the Company, and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America, UAW, an unincorporated voluntary association, hereinafter designated as the Union, hereby agree as follows:

ARTICLE I

RECOGNITION

Section 1. Recognition; "Contract Unit"

- (a) The Company recognizes the Union as the exclusive collective bargaining representative relative to rates of pay, wages, hours of employment, and other conditions of employment, for all employees of the Company in the Contract Unit.
- (b) The term "Contract Unit," as used above and elsewhere in this Agreement, refers collectively to the units of employees at each Company location which were actually covered by the last preceding Agreement between the parties as of the expiration date thereof, except for such changes as may be required as a result of pending actions before the NLRB; plus such additional units of employees as the parties may agree to place under this Agreement pursuant to Section 4 of this Article.
- (c) For the purposes of applying Subsection (b) of this Section to Company locations covered by the last preceding Agreement between the parties as of the expiration date thereof, the term "employees" shall be deemed at each such location to include all categories of employees therein actually covered by such Agreement as of such date, and to exclude all categories of employees therein not actually covered by such Agreement as of such date.

Section 2. New Classification and Departments

When a new classification or department covering work comparable to that done by employees covered by this Agreement is established in a plant or parts depot covered by this Agreement, the Union will be notified and negotiations will take place promptly as to whether such classification or department properly should be in the included or excluded group.

Section 3. Restrictions on Organizing Certain Employees

- (a) The Union shall not organize, or attempt or assist in the organization of, executive employees, supervisory

employees, supervisors and any other individuals having authority in the interest of the Company to hire, transfer, suspend, lay off, recall, promote, discharge, or discipline other employees or responsibly to direct them or to adjust their grievances or effectively to recommend such action; employees engaged in work relating to time study or other Industrial Engineering activities; employees engaged in Human Resources activities; employees having access to confidential information pertaining to employee and labor relations matters; and other representatives of Management.

- (b) Any dispute arising under this Section shall be appealed to the Umpire for decision, and any National Labor Relations Board proceedings to which the decision of the Umpire on such dispute may be relevant shall be postponed by agreement of the parties until the Umpire shall have rendered such decision.
- (c) Appeals under this Section shall be governed by the procedure provided in Article VII, Section 9(b) of this Agreement. Such appeals shall take precedence over all other cases, and shall be decided by the Umpire as promptly as possible.

Section 4. Application of Agreement to New Units

If it shall be determined (by either National Labor Relations Board certification or otherwise) that the Union is the exclusive collective bargaining representative for any unit of Company employees not covered by this Agreement (including a unit of employees in a new Company location), and if such unit comprises employees who are engaged in the production of automobiles or trucks, or the production and distribution of parts thereof, the production of which is not generally regarded as part of a separate industry, this Agreement shall extend automatically to such new unit; otherwise this Agreement shall not extend automatically to new units for which the Union is determined to be the exclusive collective bargaining representative, but the parties shall determine by negotiations whether or not such new unit should be placed under this Agreement or should be covered by separate agreement.

ARTICLE II**UNION SHOP****Section 1. Requirement of Union Membership**

Employees covered by this Agreement at the time it becomes effective and who are members of the Union at that time shall be required as a condition of continued employment to continue membership in the Union for the duration of this Agreement. Employees covered by this Agreement who are not members of the Union at the time this Agreement becomes effective shall be required as a condition of continued employment to become members of the Union on or within ten days after the 30th day following **November 23, 2015**.

Employees hired, rehired, reinstated or transferred into the Bargaining Unit after **November 23, 2015** and covered by this Agreement shall be required as a condition of continued employment to become members of the Union on or within ten days after the 30th day following the beginning of their employment.

An employee who shall tender the initiation fees (if not already a member) and the periodic dues uniformly required as a condition of acquiring or retaining membership shall be deemed to meet this condition.

Section 2. Discharge for Failure to Tender Dues or Initiation Fee

Any employee to whom membership in the Union is denied or whose membership is terminated by the Union by reason of his failure to tender the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership shall not be retained in the Contract Unit. No employee shall be terminated under this Article, however, unless:

1. The Union first has notified him by letter addressed to him at the address last known to the Union concerning his delinquency in not tendering the periodic dues and initiation fees required under this Section, and warning

him that unless such dues and fees are tendered within seven days he will be reported to the Company for termination from employment as provided herein; and

2. The Union has furnished the Company with written proof that the foregoing procedure has been followed but the employee has not complied, and on this basis the Union has requested in writing that he be discharged.

Section 3. State Restrictions

The provisions of Sections 1 and 2 of this Article shall be deemed to be of no force and effect in any state to the extent to which the making or enforcement of such provisions is contrary to statute or constitutional amendment of such state; provided, however, that wherever any such statute or constitutional amendment is declared by the court of last resort having jurisdiction of such questions to be invalid, the provisions of Sections 1 and 2 of this Article immediately thereupon will be deemed to cover the employees directly affected by such declaration of invalidity; and, provided, further, that in any state where the making or enforcement of such provisions is lawful only after compliance with certain conditions precedent, Sections 1 and 2 of this Article shall be deemed to take effect as to the employees concerned immediately after such conditions have been complied with.

Section 4. Agency Shop

In any state in which Sections 1 and 2 of this Article are of no force and effect under the provisions of Section 3 of this Article, at such time as the state's court of last resort having jurisdiction of such questions may hold that employees may be required to pay to the Union as a condition of employment an amount equal to the initiation fee and periodic membership dues in consideration of the Union's expenses in acting as their collective bargaining representative, such payments shall be a condition of employment in the same manner as membership is a condition of employment as provided in Sections 1 and 2 of this Article.

ARTICLE III**DUES AND ASSESSMENTS****Section 1. Check-off of Membership Dues; Employee Authorization; Revocation**

The Company will deduct from the pay of each employee covered by this Agreement, or notify the Trustee under the Supplemental Unemployment Benefit Plan to deduct as provided in the Plan from each such employee's Regular Supplemental Unemployment Benefits, all current Union membership dues, provided that at the time of such deduction there is in the possession of the Company a subsisting written assignment, executed by the employee. In the case of each employee hired into the Contract Unit after January 1, 1974, and for any employee in employment prior to January 1, 1974 who is laid off after January 1, 1974 and authorizes the deduction of dues from his/her Regular Supplemental Unemployment Benefits, the authorization shall be in the form attached as Appendix A.

Assignments currently in effect will continue effective in accordance with their terms; provided, however, that any employee shall have the right to revoke his assignment by written notice, signed by him, of such revocation received by the Company by registered mail, return receipt requested, (1) at any time before the end of the fifth day following the day on which this Agreement goes into effect; or (2) not more than 5 days prior to the stated expiration date of this Agreement set forth in Article XI of this Agreement.

Section 2. Authorization Forms

The Company will explain the check-off arrangements between the Company and the Union at the time of hiring new employees and afford them an opportunity to sign authorization forms in the Employment Office. Previously signed and unrevoked authorizations shall continue to be effective as to employees whose seniority is not broken; previous authorizations of employees rehired shall not be considered to be effective.

Section 3. Pay Periods in Which Deductions to Be Made

The Company will deduct current membership dues (including such initiation fees as may be a part thereof) from the employee's pay for pay periods ending in the calendar month, or will notify the Trustee under the SUB Plan to deduct such dues as provided in the Plan from the employee's Regular Supplemental Unemployment Benefits, in a manner agreed upon with the Union. It is understood that deductions shall not be made from the first pay of a new employee. The initial deduction from the pay of an employee signing a new authorization shall be from the second pay period following the date of his authorization.

Section 4. Collection in Succeeding Months

- (a) Once each month, beginning with the month of January, 1974, the International Union may submit to the Company, not later than the tenth day of the month, tabulating cards (or magnetic tape) containing the employee's name, social security number, local union, amount of Union dues (including initiation fee, if any) to be deducted and the specified month or months (January, 1974 or thereafter) for which the Union certifies that (i) the specified dues were required for such month(s) under the International Union's Constitution and Articles II and III of this Agreement and (ii) such dues were not deducted from wages earned in such month(s) or from Regular Supplemental Unemployment Benefits equivalent to forty (40) hours' pay received in such month(s). An employee's name shall not be submitted in any month unless he is on the active employment rolls at the beginning of such month.
- (b) Union dues in the specified amount shall be deducted from the wages of each such employee, provided he has executed an Assignment and Authorization for Check-Off of Membership Dues for the month or months for which and in which the deduction is made. Such deduction shall be made from the pay for the third pay period ending in the month, provided that the employee has sufficient earnings to cover the Union dues.

The Company shall have no responsibility for the collection of membership dues not deducted pursuant to Sections 3 and 4 of this Article.

Section 5. Deduction of Initiation Fees

For the purposes of applying the check-off provisions, it shall be presumed that reinstated and rehired employees do not owe initiation fees, and collection of any initiation fees from such employees shall be the responsibility of the Local Union. It shall be presumed that employees being hired by the Company for the first time have not previously paid initiation fees, and such fees will be deducted as set forth in Section 3 of this Article.

With respect to a newly hired employee who does not sign an authorization form at the time he is hired, initiation fee will be deducted only if the Local Union subsequently shall furnish an authorization form signed by the employee and advise the Company therewith in writing that the employee owes an initiation fee, in which case such initiation fee will be deemed to become due and payable in the pay period following receipt of such notice.

The Company shall have no responsibility for the collection of initiation fees not deducted pursuant to the foregoing.

Where an initiation fee has been deducted from the pay of a new employee who does not owe such fee, it shall be the responsibility of such employee to obtain appropriate refund from the Local Union.

Section 6. Remittal of Deductions to Local Unions

All sums deducted from pay shall be remitted to the Financial Secretaries of the Local Unions in two payments, the first payment to be made as soon as available but no later than ten (10) days after the first pay period in each month and the second payment, including deductions from the remaining pay periods of the month, to be made not later than the 10th day of the next succeeding month after which such deductions are made, the same to be by them allocated and distributed in accordance with the constitution, laws and regulations of the Union.

Section 7. Record of Deduction for Local Unions

The Company and the Union shall work out a mutually satisfactory arrangement by which the Company will furnish the Financial Secretaries of the Local Unions semi-monthly a record of those for whom deductions have been made, together with the amounts of such deductions. It is permissible for Local Unions and local Management to work out a system of reporting those for whom no deductions are made, rather than those for whom deductions are made, where they mutually desire to do so.

Section 8. Notice to Union of Employee Revocations

The Company will advise the Financial Secretary of the Local Union in writing of receipt by the Company of any written notice from an employee revoking his assignment and authorization to deduct Union membership dues from his pay or Regular Supplemental Unemployment Benefits. Such written advice to the Union shall identify the employee and specify the date notice was received by the Company, and shall be sent to the Union within ten (10) working days of receipt of such notice.

The Union shall have the right to inspect such notice and its mailing envelope within thirty (30) days from the date the Union is sent advice of the receipt thereof, and following the expiration of that time any objections not theretofore made to the Company in writing to the effectiveness of such notice of revocation shall be deemed waived by the Union.

Section 9. Requests for Additional Deductions

Requests to the Company by Local Unions to deduct membership dues (other than initiation fees) in excess of \$1.50 each month, and notices of any increases in initiation fees, shall be effective only upon written assurance to Labor Affairs of the Company from the International Union that such amounts are a part of the membership dues under the Union's constitution, and have been duly approved by the International Union.

Section 10. Notice of Transfer to Excluded Classification

When an employee is transferred to an excluded classification, the Company will give the Union a written notice of such transfer, within ten (10) working days from the date of transfer, said notice to list name and old badge number.

ARTICLE IV**COMPANY RESPONSIBILITY****Section 1. General**

The Company retains the sole right to manage its business, including the rights to decide the number and location of plants, the machine and tool equipment, the products to be manufactured, the method of manufacturing, the schedules of production, the processes of manufacturing or assembling, together with all designing, engineering, and the control of raw materials, semi-manufactured and finished parts which may be incorporated into the products manufactured; to maintain order and efficiency in its plants and operations; to hire, lay off, assign, transfer and promote employees, and to determine the starting and quitting time and the number of hours to be worked; subject only to such regulations and restrictions governing the exercise of these rights as are expressly provided in this Agreement.

Section 2. Promotions and Nonpromotional Job Transfers**(a) Promotions**

Promotions shall be based primarily upon merit and ability, but where these are equal, the employee having the greatest seniority shall receive preference.

With respect to promotions to higher paid jobs the Union shall be notified of the opening as far in advance as possible. Arrangements shall be made locally by mutual agreement to establish appropriate procedures for posting of such openings. By local agreement, other arrangements can be made regarding any job openings.

Complaints that Management has not exercised fairness in judging the qualifications of the available candidates may be processed through the Grievance Procedure.

(b) **Nonpromotional Job Transfers**

It is the policy of the Company to give consideration to seniority employees who wish to transfer from one classification to an equal or lower rated classification within the same seniority unit and plant or facility or from one classification to an equal or lower rated classification within a department on the same shift when a permanent vacancy (which is to be filled) occurs on the classification.

Accordingly, the Company will act on applications for such transfers, without limitation upon the Company's right to transfer or promote employees. With respect to nonpromotional job transfers, the Union shall be notified of the opening as far in advance as possible.

In each plant where this has not been done or where a mutually satisfactory procedure does not already exist, a procedure which gives effect to this policy will be set up and administered by the Company.

An employee who has made application in accordance with such local plant procedures shall be given preference over a recall, rehire and new hire and over an employee who has not applied for the classification for the next vacancy provided the employee is qualified to do the job. In case there is more than one applicant qualified to do the job, the applicant with the longest seniority will be given preference.

An employee who has been offered and does not accept a transfer or who has transferred under the provisions of this Subsection will not be considered for another such job transfer until at least six months have elapsed from the date of the last offer or the effective date of the nonpromotional job transfer.

Any secondary job openings resulting from filling jobs pursuant to this provision may be filled through promotion or through transfer without regard to seniority standing or by new hire.

At any plant where the Local Union notified local Management in writing within 30 days from the effective date of the 1967 Agreement, this Subsection shall not be deemed in effect and local agreements in effect under the Agreement dated November 23, 1964, regarding any job openings will continue in effect.

Section 3. Discipline and Discharge

The Company retains the sole right to discipline and discharge employees for cause, provided that in the exercise of this right it will not act wrongfully or unjustly or in violation of the terms of this Agreement.

In imposing discipline on a current charge, the Company will not take into account any prior infraction which occurred more than 18 months previously. However, in instances where an employee is on a medical leave of absence of 90 days or more during the 18 month time period after a disciplinary action is issued, the 18 month time period will be extended by the amount of time of medical leave occurring within the initial eighteen months to ensure 18 months of active employment from the issuance of the disciplinary action.

Complaints that the Company has violated this paragraph may be taken up through the Grievance Procedure provided in this Agreement.

Section 4. Production Standards

(a) Establishment; Disputes

The right of the Company to establish and enforce production standards is recognized. Such production standards shall be fair and equitable and shall be set on the basis of normal working conditions, the quality of workmanship, and the normal working capacities of normal experienced operators, with due consideration to fatigue and the need for "personal" time.

When a production standard is established and is not disputed, or is disputed and settled, the element times shall remain unchanged and not subject to dispute unless and until the operation is changed as a result of change in

method, layout, tools, equipment, materials or product design.

When a study is to be made for the purpose of establishing a standard the employee on such job shall be notified at the time the study is to be made. When a study is made for purposes other than establishing a standard, the purpose of the study will be made known to a Union representative if he requests it.

The provisions of the strike Settlement Agreement of May 29, 1949, as amended, and the rules for manning moving assembly lines established by the arbitration award of July 8, 1949, shall apply to assembly line operations like those covered by such Settlement Agreement, unless other arrangements have been or are mutually agreed to through local plant negotiations.

The vehicle assembly plants will maintain procedures to provide advance knowledge of mix changes which require compensating adjustments. Management will designate specific offline operations from which manpower will be made available when increased manpower is selected as a means of adjusting for a mix change. Upon request, Management will advise the Union of the arrangements made.

On line operations relief persons will be designated to make relief available at all times and in a ratio to provide each employee with a total of 40 minutes of actual personal relief per 8 hour shift.

In determining the number of relief persons required for this purpose, the Company shall take into account such factors that may be involved in relief assignments as walking unusual distances from station to station, the securing of special tools, clothing or equipment, the necessity of washing up prior to relieving the next operator and the factor of time slippage involved in a tag relief system. Detailed implementation of the general rules stated in the foregoing paragraph is to be worked out locally, with the understanding that:

- (i) where the Local Union so requests, such implementation shall regularly be made on the basis that relief for up to one hour at the start of the shift and up to one-half hour after lunch will not be required except in emergencies;
- (ii) it shall not be deemed to affect any existing arrangements for relief based on environmental factors in addition to that required for personal time;
- (iii) it shall not interfere with any mutually satisfactory local practice or agreement.

It is recognized that disputes on production standards should be resolved at the plant level wherever possible. The Union may designate a qualified person in each Bargaining Unit who, upon his request, in the event of a work standards dispute, will be advised as to the work content which is the basis of the particular production standard.

The Union shall have the right to process grievances on disputed production standards through the procedure provided therefore by Article VII, Section 23 of this Agreement.

(b) Enforcement; Discipline

When a standard is not established, an employee who is following the prescribed method and using the tools provided in the proper manner and performing at a normal pace will not be disciplined for failure to obtain an expected amount of production.

On being assigned to a job for which a production standard has been placed in effect, the employee shall be advised by the Supervisor as to what such standard is. Production standards now in effect and production standards as they are arrived at will be made available for inspection by the Committeeperson.

Continued failure, or refusal, of an employee to produce on the basis of such production standards shall be considered due cause for discipline, including discharge, unless the failure is due to causes beyond his control. Circumstances

affecting the time of performance of a particular job that were not taken into account in establishing a production standard are known as nonstandard conditions. When such nonstandard conditions exist which adversely affect the operation and are brought to the attention of Management, an employee who is following the prescribed method and using the tools provided in the proper manner and performing at a normal pace will not be required to obtain the expected amount of production.

No employee will be disciplined for failure to perform in accordance with production standards unless he has been advised at least four days in advance as to what such production standard is. When the Company contemplates disciplinary action for failure to perform in accordance with production standards, the Committeeperson shall be notified promptly that the employee has been given the first warning and the reasons for such warning.

An employee physically incapable of meeting production standards will be given the opportunity to transfer to an operation he is physically capable of performing, subject to the provisions of Article VIII, Sections 9 through 13 of this Agreement.

An employee shall not be subject to discipline for his activities during his relief period so long as he does not interfere in any way with production, the work of his fellow employees and order in the plant, and does not violate plant rules.

Any complaint that discipline imposed under this Section is improper shall be taken up through the regular Grievance Procedure provided for in this Agreement.

Section 5. Rules and Regulations

The right of the Company to make such reasonable rules and regulations, not in conflict with this Agreement, as it may from time to time deem best for the purposes of maintaining order, safety, and/or effective operation of Company plants, and after advance notice thereof to the Union and the employees, to require compliance therewith by employees,

is recognized. The Union reserves the right to question the reasonableness of the Company's rules or regulations through the Grievance Procedure.

Section 6. Assignment of Overtime Work

When, in the judgment of Management, overtime is required for a given department, the regular employees assigned to the department will work such overtime periods.

All reasonable means will be employed to equalize overtime among shifts.

When in the judgment of Management, overtime is necessary for employees on a given classification within a department, the employees regularly performing the operations involved shall work such overtime periods. Where such overtime is of a continuing nature, Management, insofar as is practicable, will rotate such overtime among qualified employees within the department, it being understood that for this purpose, by local agreement, employees in General Cleaning, Material Handling, and other such classifications, may be considered as if in one department within a Unit by classification. In addition, overtime shall be rotated insofar as is practical between those employees on a given classification who, as a matter of routine assignment, are used interchangeably during the normal workweek.

Local deviations from the foregoing general rules regarding overtime assignments may be made by local agreement approved by the National Ford Department of the UAW and Labor Affairs of the Company.

Except in emergencies or breakdowns, an employee shall be notified of required overtime work not later than the completion of his last hour of work on the day preceding such overtime.

The notice provisions in this Section shall also apply to the resumption of overtime work whenever there is a break in the overtime schedule.

It is the policy of the Company to grant, where practicable, an employee's request to be excused from overtime on a

given day, for good reason, especially during periods of continuing overtime. Such a request should be made as far in advance as possible. The employee will be promptly notified of the disposition of his request. When granted he will not be required to work during the excused time without his consent.

The Company's right to require employees to perform overtime work is subject to the Memorandum of Understanding which is attached hereto as Appendix H.

Section 7. Layoff and Recall -- Deviations from Seniority

The right of the Company to lay off and recall employees is limited by Sections of this Agreement, hereafter provided, covering that subject.

Notwithstanding those provisions, it is recognized that upon certain occasions it is necessary in order to facilitate tooling, plant arrangement, starting of production or other unusual situations, for the Company to retain or to call into work the most capable and efficient employees, out of line of seniority.

When such occasions arise the Union Committeeperson will be advised in advance of the number and classifications of such employees.

The discretion hereby vested in the Company shall not be abused. Complaints that the Company has abused its discretion in this respect may be taken up through the Grievance Procedure provided in this Agreement.

Section 8. Job Security and Outside Contracting

It is the policy of the Company that employees of an outside contractor will not be utilized in a plant or parts and supply depot covered by this Agreement to replace seniority employees on production assembly or manufacturing work, warehousing work, or fabrication of tools, dies, jigs and fixtures, normally and historically performed by them, when performance of such work involves the use of Company-owned machines, tools or equipment maintained by Company employees.

This policy shall not affect the right of the Company to continue arrangements currently in effect; nor shall it limit the fulfillment of warranty obligations by vendors nor limit work which a vendor must perform to prove out equipment.

It is the policy of the Company to fully utilize its seniority employees in the skilled trades (Appendix F) in the performance of maintenance and construction work, in accordance with its letter to the Union of January 20, 1949. It is the Company policy in all cases, except where time and circumstances prevent it, to have advance discussion with Local Union representatives prior to letting such a contract. In this discussion local Management is expected to review its plans or prospects for letting a particular contract. The Local Union should be advised of the nature, scope and approximate dates of the work to be performed and the reasons (equipment, manpower, etc.) why Management is contemplating contracting out the work. At such times, Company representatives are expected to afford the Union an opportunity to comment on the Company's plans and to give appropriate weight to those comments in the light of all attendant circumstances.

In no event shall any seniority employee who customarily performs the work in question be laid off as a direct and immediate result of work being performed by any outside contractor on the plant premises.

It is the policy of the Company that decisions by local Management regarding the utilization of a non-Company source to perform new die machining, fabrication, repair,

tryout and related checking fixture construction work normally performed by seniority journeymen in the tool and die classifications (Appendix F) shall be subject to the limitations set forth in the Company's letter to the Union dated October 4, 1979.

ARTICLE V

STRIKES, STOPPAGES AND LOCKOUTS

Section 1. Fair Day's Work

The Union reaffirms its adherence to the principle of a fair day's work for a fair day's pay, and agrees to use its best efforts towards this end, both as to work and as to conduct in its performance.

Section 2. Intent of Agreement

It is the intent of the parties, in the interests of attaining peaceful, orderly relations and efficient, uninterrupted operations, to set forth in this Agreement the obligations of the Company to the Union and the employees it represents, and to provide the procedures through which the Union and the employees shall resort to secure redress for any grievances arising from this Agreement.

Section 3. Prohibited Activities

The Union will not cause or permit its members to cause, nor will any member of the Union take part in, any sit-down, stay-in, or slowdown in any plant of the Company or any curtailment of work or restriction of production or interference with the operations of the Company.

Section 4. Limitations on Right to Strike

The Union will not cause or permit its members to cause, nor will any member of the Union take part in, any strike of any of the Company's operations, or picketing of any of the Company's plants or premises, except with respect to disputes which are to be referred to the procedure provided for in Article VII, Section 23 of this Agreement, and then only after such procedure has been exhausted.

No strike shall take place until such action has been fully authorized as provided in the constitution of the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America.

Section 5. Discipline for Violations of Sections 3 and 4

The Company shall have the right to discipline (including discharge) any employee who instigates, participates in, or gives leadership to an unauthorized strike in violation of this Agreement.

The Umpire shall have power to review the reasonableness of penalties imposed under this Section.

Section 6. Limitations on Right to Lock Out

The Company will not lock out any employees except with respect to disputes which are to be referred to the procedure provided for in Article VII, Section 23 of this Agreement, and then only after such procedure has been exhausted.

ARTICLE VI

REPRESENTATION

Section 1. Unit Structure

For the purpose of providing representation and operating under this Agreement, the Company shall be divided into Units. Each depot, plant or works shall constitute such a Unit. The Rouge Area shall be subdivided into the following respective Units:

Maintenance, Construction **and** Transportation

Dearborn Truck Plant

Dearborn Engine Plant

Dearborn Stamping Plant

Dearborn Diversified Manufacturing Plant

Tool and Die

Whenever operations in a Unit of the Rouge Area are discontinued or so curtailed as to make its continuance as a separate Unit impractical, the parties shall by mutual agreement eliminate such Unit or combine its remnants with

one of the remaining Units. Where new buildings are placed in operation, or operations are resumed in previously discontinued Units, the parties shall by agreement determine whether a new Unit shall be added or an existing Unit expanded.

Nothing in the foregoing shall be deemed to modify the existing local arrangements at the Cleveland Engine plant.

Section 2. Representation on Company Time

For the purpose of operating under this Agreement, the employees shall be entitled to representatives on Company time in accordance with the following provisions.

Section 3. Units of 1,399 or Less

In Units containing 1,399 or less employees, the Union will be accorded representatives as follows:

(a) Less than 150 (Single Shift Operation)

In a Unit of less than 150 employees with a single shift operating pattern, there shall be one full-time Chairperson. The Chairperson shall have the right to devote his/her full-time to his/her duties, as such, which shall include those functions set forth in Sections 8(c), 9(c), and 10(c) of this Article.

(b) Less than 150 (Multiple Shift Operation)

In a Unit of less than 150 employees with a multiple shift operating pattern, there shall be two Committeepersons, including the Chairperson. The Chairperson shall have the right to devote his/her full time to his/her duties, as such, which shall include those functions set forth in Sections 8(c), 9(c) and 10(c) of this Article, but the remaining Committeepersons shall be on a part-time basis.

(c) 150-199

In a Unit of 150 to 199 employees, there shall be three Committeepersons, including the Chairperson. The Chairperson shall have the right to devote his/her full time to his/her duties, as such, which shall include those functions set forth in Sections 8(c), 9(c) and 10(c) of this Article, but the remaining two Committeepersons shall be on a part-time basis.

(d) **200-399**

In a Unit of 200 to 399 employees, there shall be three Committeepersons including the Chairperson. When the Unit is operating three shifts on production, an additional Committeeperson may be allowed. The Chairperson shall have the right to devote his/her full time to his/her duties, as such, but the remaining Committeepersons shall be on a part-time basis.

(e) **400-599**

In a Unit of 400 to 599 employees, there shall be four Committeepersons including the Chairperson. The Chairperson and one other Committeeperson shall have the right to devote their full time to their duties, as such, but the remaining Committeepersons shall be on a part-time basis.

(f) **600-799**

In a Unit of 600 to 799 employees, there shall be four Committeepersons, including the Chairperson. The Chairperson and two other Committeepersons shall have the right to devote their full time to their duties, as such, but the remaining Committeeperson shall be on a part-time basis.

(g) **800-999**

In a Unit of 800 to 999 employees, there shall be four Committeepersons, including the Chairperson, all of whom shall have the right to devote their full time to their duties, as such.

(h) **1,000-1,199**

In a Unit of 1,000 to 1,199 employees, there shall be five Committeepersons, including the Chairperson, all of whom shall have the right to devote their full time to their duties, as such.

(i) **1,200-1,399**

In a Unit of 1,200 to 1,399 employees, there shall be six Committeepersons, including the Chairperson, all of whom shall have the right to devote their full time to their duties, as such.

Section 4. Units of 1,400 or More (Except Rouge and Michigan Assembly Plant)

In Units containing 1,400 or more employees, the Union will be accorded representatives as follows:

(a) **Number of Full-time Representatives**

Each Unit, according to the number of employees therein, may have the number of full-time representatives, including the Chairperson of the Unit Committee, indicated in the following table:

No. of Employees	No. of Representatives
1,400 to 1,599	7
1,600 to 1,799	8
1,800 to 1,999	9
2,000 to 2,199	10
2,200 to 2,399	11
2,400 to 2,599	12
2,600 to 2,799	13

And so forth with one additional representative for each additional 200 employees.

(b) **Size of Unit Committee; Handling of First Stage Grievances**

Each Unit shall have a Unit Committee of three or four persons, including the Chairperson, plus District Committeepersons to handle grievances in the First Stage.

A Unit Committeeperson may be designated to handle First Stage Grievances within a specified district where necessary to provide adequate representation.

Section 4A. Part-time Representatives — Small Shifts

In a Unit employing 1,001 or more people, an additional Committeeperson on a part-time basis shall be allowed on the No. 1 and No. 3 shift when more than 25 but less than 200 people are working on such shift. In view of special conditions in the Rouge Area, implementation of the principles of the foregoing provision with respect to the Rouge Area will be negotiated between Labor Affairs and the Local Union.

Section 5. Local Agreements on Deviations

Deviations from Sections 3 and 4 of this Article may be negotiated by the local Unit and local Management to meet local conditions, subject to the approval by Labor Affairs of the Company and the National Ford Department of the Union.

In a Unit where a substantial number of employees working on production on necessary continuous seven-day operations creates a demonstrable need, the local Unit (or in the case of the Rouge Area, the Local Union), and local Management will work out by local agreement arrangements for an additional part-time Committeeperson.

Section 6. Rouge and Michigan Assembly Plant

Notwithstanding Sections 3 and 4 of this Article, the Union will be accorded representatives in the Rouge Area and Michigan Assembly Plant on a full-time basis, as follows:

(a) **Size of Unit Committee; Handling of First Stage Grievances**

Each Unit shall have a Unit Committee of three or four persons, including the Chairperson, plus District Committeepersons to handle grievances in the First Stage. A Unit Committeeperson may be designated to handle First Stage Grievances within a specified district where necessary to provide adequate representation.

(b) **Number of Representatives**

The Union shall have one representative for every 200 employees and major fraction thereof working in the Rouge Area and Michigan Assembly Plant, respectively. The apportionment of such representatives among the various Units comprising the Rouge Area shall be in the discretion of the Local Union, subject only to Subsection (a) of this Section.

Section 7. Adjustments for Population Changes

Where, in any Unit, a change in the number of representatives, or from a full-time to a part-time basis of representation or vice versa is required because of deviations in the number of employees working above or

below the number on which its representation structure is based, the requisite changes shall be accomplished within two weeks of the notice to the Local Union of the occurrence of the deviation in employment requiring it; provided, however, that changes in the Rouge Area shall be based upon the employment level in the Area rather than individual Units. Employees on layoff in accordance with Article VIII, Section 21 of this Agreement shall be included in the number working for purposes of this Section.

Section 8. Unit Health and Safety Representative

(a) Number; Appointment

Each Unit of 600 or more employees may have one full-time Health and Safety Representative who shall be appointed by the National Ford Department Director.

(b) Notice to Company

The National Ford Department Director shall advise Labor Affairs in writing of the names of the appointed Health and Safety Representatives and the Unit to which each is assigned. No representative shall function as such until the Company has been so advised.

(c) Functions

The primary function of the Unit Health and Safety Representative is to handle health and safety complaints in accordance with the procedure set out in Article VII, Section 23 (b)(1). In addition, the Unit Health and Safety Representative will:

- (i) accompany International Union Representatives on plant inspection tours; also accompany representatives of the Company's Industrial Hygiene and Safety Sections on regular plant surveys and upon request receive results of such surveys - advance arrangements should be made to permit participation in such surveys;
- (ii) receive advance notice of health and safety inspections by private agency officials, licensed inspectors required by statute, or consultants retained by the Company, and whenever possible, by government officials, including state, city, and county code

enforcement officials, and be afforded an opportunity to accompany such officials or consultants and provide any pertinent information to them. Upon request, copies of reports of such parties, including those of insurance inspectors, will be provided regarding violations of applicable local, state, or federal code or violation(s). The parties recognize that such reports may not accurately or properly characterize issues that relate to employee health and safety matters;

- (iii) receive from the appropriate Management representative a copy of the Unit's OSHA Form 300A (Summary, Occupational Illnesses and Injuries) as it is now constituted and the facility's total man-hours worked for the comparable period;
- (iv) accompany a local Company safety representative to measure noise, air contaminants or air flow when and where conditions in the Unit indicate such measurement is necessary; upon request be provided with copies of photographs taken by Company personnel which relate to health and safety matters in the plant-such photographs shall be for the confidential use of the Unit Health and Safety Representative only and shall not be reproduced, published or distributed in any way; once each week make inspections with the local Company safety representative and make necessary and desirable recommendations regarding the plant working environment; prior to such inspections, be advised by the local Company safety representative of possible problem areas based on an analysis of current OSHA Form 300 accident experience;
- (v) be informed of work-related lost-time accidents as defined by the OSHA Recordkeeping Guidelines for Occupational Injuries and Illnesses and other major accidents which occur in the workplace; review the results of plant safety investigations (Form 1268 or its equivalent) of such accidents and make necessary and desirable recommendations; periodically review

deletions from the OSHA 300 log and the rationale for such deletions, periodically review the listing of workers compensation cases to reconcile with the OSHA 300 log;

- (vi) receive prompt notification of any serious work-related employee injury or fatality as well as significant chemical spills in the workplace;
 - (vii) participate in formal employee job-related safety training or instruction programs, and review and make recommendations to Company representative concerning appropriate content of such programs;
 - (viii) be advised in writing of breathing zone air sample results and known harmful physical agents or chemicals to which employees in the Unit are exposed and protective measures and applicable emergency procedures. In addition, whenever it is determined that an employee has had a personal exposure exceeding the permissible level as set forth in 29 CFR-1910.1000, Air Contaminants or other applicable standards adopted by the Company, the Unit Health and Safety Representative shall be informed in writing of such exposure and the corrective action to be taken;
 - (ix) receive, upon request to the Company notice of significant environmental remediation projects, spills, or releases that are subject to government reporting requirements. The Unit Health and Safety Representative(s) will forward such information to the NJCHS;
 - (x) conduct focused departmental health and safety audits on a weekly basis with area Company leadership. The results of these audits will be reported out at the plant Safety Process Review Board.
- (d) **Representative Training**
- The Company will provide annually the training or instruction it deems necessary to qualify the Unit Health and Safety Representatives to perform their functions satisfactorily. In addition to initial instruction, Unit Health

and Safety Representatives will receive specialized training appropriate to the operations in their respective Units. The National Ford Department will be provided the opportunity to review and participate in such training or instruction programs and make necessary and desirable recommendations.

(e) **Duty to Remain in Unit; Reporting to Supervisor**

A Health and Safety Representative shall remain in his/her respective Unit while on Company time.

A Health and Safety Representative shall report to an employee's Supervisor, provided the Supervisor is in the department, before contacting such employee in pursuance of his/her duties.

(f) **Hours on Company Time**

It is understood that a Unit Health and Safety Representative shall be entitled to be on Company time only for the same number of hours as the employees on the shift to which he/she is assigned are normally scheduled to work.

During periods of temporary layoff as defined by Article VIII, Section 21, a Unit Health and Safety Representative will be considered as a Unit Committeeperson, and his/her entitlement to be on Company time will be determined in accordance with the provisions of Section 13 (d).

Section 9. Unit Benefit Plans Representative

(a) **Number; Appointment**

Each Unit of 600 or more employees may have one full-time Benefit Plans Representative who shall be appointed by the National Ford Department Director.

(b) **Notice to Company**

The National Ford Department Director shall advise Labor Affairs in writing of the names of the appointed Benefit Plans Representatives and the Unit to which each is assigned. No representative shall function as such until the Company has been so advised.

(c) Functions

The functions of the Unit Benefit Plans Representative are limited to matters pertaining to the Retirement Plan, Insurance Program, and the Supplemental Unemployment Benefit Plan. The Unit Benefit Plans Representative will:

Retirement Plan

- (i) Discuss and assist in the resolution of employee, retiree and surviving spouse problems relating to creditable service, benefit eligibility, benefit amount, determination delays and payment delays.
- (ii) Meet with local Company Personnel Benefits Representative or other designated local Management representative as required.

Insurance Program

- (i) Confer with employees, spouses, retirees (excluding retiree healthcare), beneficiaries or insurance carriers regarding coverage eligibility, a denied claim, benefit amounts, and benefit payment delays.
- (ii) Meet with local Company Personnel Benefits Representative or other designated local Management representative as required.

Supplemental Unemployment Benefit Plan

- (i) Confer with employees regarding eligibility for benefits under the SUB Plan, a denied or suspended benefit or questions concerning appeal procedures under the SUB Plan.
 - (ii) Meet with designated local Management representative as required.
 - (iii) Discuss with Company designated representative those instances in which the Company determines benefit payments are not payable.
 - (iv) Participate in Local Supplemental Unemployment Benefit Plan Committee hearings as required.
- (d) Duty to Remain in Unit; Reporting to Supervisor**
- A Benefit Plans Representative shall remain in his/her respective Unit while on Company time.

A Benefit Plans Representative shall report to an employee's Supervisor, provided the Supervisor is in the department, before contacting such employee in pursuance of his/her duties.

(e) **Hours on Company Time**

It is understood that a Unit Benefit Plans Representative shall be entitled to be on Company time only for the same number of hours as the employees on the shift to which he/she is assigned are normally scheduled to work.

During periods of temporary layoff as defined by Article VIII, Section 21, a Unit Benefit Plans Representative will be considered as a Unit Committeeperson, and his/her entitlement to be on Company time will be determined in accordance with the provisions of Section 13(d).

Section 10. Employee Support Services Program Representative

(a) **Number; Appointment**

Each Unit of 600 or more employees may have one full time Employee Support Services Program Representative who shall be appointed by the National Ford Department Director.

(b) **Notice to Company**

The National Ford Department Director shall advise Labor Affairs in writing of the names of the appointed Employee Support Services Program Representatives and the Unit to which each is assigned. No representative shall function as such until the Company has been so advised.

(c) **Functions**

The functions of the Employee Support Services Program Representative are limited to matters pertaining to the Employee Support Services Program. The Employee Support Services Program Representative will:

- (i) assist in the identification, education, referral and follow up of employees with problems which impair job performance relating to alcohol and drug dependency or emotional disorders while assuring requisite confidentiality standards are observed;

- (ii) act as liaison with appropriate members of line supervision, human resources, plant medical, other Union representatives, diagnosis and referral agencies, and with providers of treatment and medical care;
 - (iii) assist in evaluating the effectiveness of various programs, plans and services;
 - (iv) participate in formal employee assistance training or instruction programs, and review and make recommendations to Company representatives concerning program content;
 - (v) assist in coordinating and implementing various local program applications and related services available under the Employee Support Services Program, including development of local proposals and requests for funding to the national Employee Support Services Program Committee;
 - (vi) acquire appropriate certification and satisfy related conditions where required by laws or regulations.
- (d) **Representative Training**
The Education, Development and Training Program will provide training or instruction deemed necessary to qualify the Unit Employee Support Services Program Representatives to satisfactorily perform their functions relating to the Employee Support Services Program.
- (e) **Duty to Remain in Unit; Reporting to Supervisor**
Unit Employee Support Services Program Representatives shall remain in their respective Unit while on Company time.

Unit Employee Support Services Program Representatives shall report to an employee's Supervisor, provided the Supervisor is in the department, before contacting such employee in pursuance of their duties.
- (f) **Hours on Company Time**
It is understood that Unit Employee Support Services Program Representatives shall be entitled to be on Company time only for the same number of hours as the employees on

the shift to which the Representatives assigned are normally scheduled to work.

During periods of temporary layoff as defined by Article VIII, Section 21, Unit Employee Support Services Program Representatives will be considered as Unit Committeepersons, and will be entitled to be on Company time in accordance with the provisions of Section 13 (d).

Section 11. Provisions Applicable to Both Full and Part-time Representatives

(a) Functions of District Committeepersons

The function of a District Committeeperson is to handle grievances in the First Stage, to represent employees at hearings in disciplinary cases when called upon to do so, and to pass necessary information on with respect to grievances appealed. A District Committeeperson also may perform certain other representation functions, including participation in joint programs and related functions, as may be provided for under the Agreement.

(b) Functions of Unit Committee

The function of the Unit Committee is to review and negotiate grievances in the Second Stage, to prepare grievances not settled at this point for further review in the Grievance Procedure, and to negotiate with local Management on negotiable local problems. A Unit Committeeperson may also handle First Stage Grievances in the cases provided for in Sections 3 and 4 of this Article, and represent employees at hearings in disciplinary cases when called upon to do so. A Unit Committeeperson also may perform certain other representation functions, including participation in joint programs and related functions, as may be provided for under the Agreement.

(c) Assignment to Defined Districts

Except where otherwise agreed locally to meet exceptional conditions, each Committeeperson handling First Stage Grievances shall be assigned a definite district.

(d) **Notice to Company**

The Chairperson of each Unit Committee shall promptly advise the Company in writing of the names, positions and assignments of the representatives in his/her plant, and of any changes therein, except that in the Rouge Area it shall be the duty of the President of the Local Union to furnish this information. No representative shall function as such until the Company has been so advised.

(e) **Duty to Remain in Plant and Area; Reporting to Supervisors**

All Committeepersons except the Chairperson of the Unit Committee shall remain in the plant, and, except when their duty requires them elsewhere, in their respective areas, while on Company time.

A Committeeperson shall report to an employee's Supervisor, provided the Supervisor is in the department, before contacting such employee in pursuance of his/her duties.

(f) **Chairperson's Privilege to Leave Plant**

The Company recognizes the privilege of the Chairperson of the Unit Committee to leave the plant in the course of the performance of his/her functions as such, but he/she shall notify the designated Company representative, if he/she is available, when leaving and returning to the plant during working hours.

(g) **Eligibility to Serve as Representative**

Any representative provided for in the foregoing Sections shall be an employee of the Company selected from among the employees he/she represents, and to be eligible to hold such position, shall have been in the regular employ of the Company, or on approved leave of absence, for at least one year immediately preceding his designation to such position unless an employee of at least one year's service is not available; provided, however, that in each Unit, excluding those in the Rouge Area, having 100 or more skilled trades (Appendix F) employees and two or more full-time representatives, including the Chairperson, pursuant to Sections 3, 4 or 6, whichever is applicable, of this Article,

one of these full-time representatives shall be elected from among those skilled trades (Appendix F) employees working in the Unit.

Section 12. Provisions Applicable to Part-time Representatives

The following provisions are applicable to representatives who are on a part-time basis:

(a) Privilege of Leaving Work

Company accords to representatives the privilege of leaving their work for the time necessary to promptly perform their duties as outlined in this Agreement without loss of time, on the understanding that this privilege will not be abused and representatives will continue to work at assigned jobs at all times not required for the performance of such duties.

A representative shall report to his/her Supervisor when it becomes necessary to leave his/her job, and will report to an employee's Supervisor, provided the Supervisor is in the department, before contacting such employee in pursuance of his/her duties.

(b) Retention During Layoffs

A representative shall be permitted to work during layoffs so long as one of his/her constituents is at work and there is work available which he/she can perform, and so long as he/she does not lose his status as a representative through readjustment of the representation structure as provided in Section 7 of this Article, without regard to seniority provisions of this Agreement.

(c) Overtime Work

A representative shall be entitled to work overtime, if he/she so requests, whenever one or more of his constituents is called upon for overtime work, and there is work available which he/she can perform.

His/Her privilege to leave his/her job during overtime hours, however, is limited to the handling of grievances relating to or arising from the work during these hours, in behalf of constituents working during such hours.

The representative shall be notified, if he/she is in the Unit, of the overtime work at the same time as are his/her constituents who are to work.

Section 13. Provisions Applicable to Full-time Representatives

The following provisions are applicable to representatives who are on a full-time basis:

(a) Assignment of Sufficient Areas

Where shifts in employment not affecting the overall employment level of the Unit sufficiently to require a change in the structure of representation take place, it shall be the responsibility of the Chairperson of the Unit Committee to see that representatives are assigned areas in such manner as to justify their devoting full time to their functions, except that in the Rouge Area this principle shall be applied on an area-wide basis and the responsibility shall be upon the President of the Local Union.

(b) Hours on Company Time

It is understood that all representatives shall be entitled to be on Company time only for the same number of hours as the employees in such Unit are normally scheduled to work.

On continuous seven-day operations, the representatives shall be scheduled to cover the operations on rotating schedules in the same manner as other employees on such operations.

When all of the employees in a Unit work overtime, all of the representatives in that Unit may come in overtime to represent them. When part of the employees in a Unit work overtime, the number of representatives in that Unit who may come in overtime to represent them shall be proportionate to the number of employees in that Unit who are called in to work such overtime, subject to the following provisions:

- (1)** The Chairperson shall be entitled to function as such on Company time for up to twelve hours daily, Monday through Friday, excluding holidays, and for eight hours on a Saturday, Sunday, or a holiday, so long as

employees in the Unit are scheduled to work on the Chairperson's shift for such hours on such days.

- (2) Monday through Friday, excluding holidays, all other elected representatives shall be scheduled to represent employees on the basis of their representation functions and a proportionate amount of the overtime worked by the employees in the Unit on such days when less than all are scheduled to work. Such overtime shall be determined and authorized weekly by totaling the Monday through Friday overtime worked in the Unit during the preceding week, excluding holidays and periods when all employees were scheduled to work, and multiplying that total by .01. Appointed representatives will receive overtime hours equivalent to the average hours authorized for elected representatives. The Chairperson will be notified of the Unit's Monday through Friday overtime allocation and will establish the daily work schedule for all representatives and provide it to a designated Company representative. In addition the following provisions will apply to this overtime allocation:
 - (i) Since the weekday allocation converts weekday Unit overtime to an equivalent full-time representation basis, full-time representatives, excluding the Chairperson, will not be scheduled to work overtime as part-time representatives.
 - (ii) Unused hours from the weekday allocation for the Unit may be carried over for use **on weekend shifts and** the following week; however, such hours may not be used during holiday weeks (e.g., Christmas holiday period) and the carryover shall not exceed 200 hours for the Unit.
- (3) Elected representatives, other than the Chairperson, will be entitled to come in to represent employees on overtime by shift on Saturdays, Sundays and holidays based on one full-time representative at the level of 50 employees scheduled, the second full-time representative at the level of 250 employees scheduled,

and thereafter based on a 1 to 150 ratio. Such representatives will be scheduled to work the same number of hours as the employees normally scheduled on that shift. When less than 50 employees are scheduled for overtime on a shift on Saturday, Sunday or holidays, one full-time representative may function part-time. At such times, the provisions applicable to part-time representatives as set forth in Section 12 of this Article shall apply.

Appointed representatives will be allocated the average amount of overtime as that to which elected representatives, excluding the Chairperson, are entitled for Saturdays, Sundays and holidays.

The hours generated by the overtime formula in this Section for elected and appointed representatives may not be increased to provide overtime as a representative for any reason without prior approval of Labor Affairs.

The Unit Chairperson will be notified of and will establish the Unit's Saturday, Sunday or holiday work schedule for representatives and provide it to a designated Company representative.

Time verification procedures will be continued to document entitlement to payments, including any premiums, for hours worked by Union representatives.

For Units where representatives cover wide geographic areas and represent employees in a number of different locations or there are other unusual considerations, special arrangements may be established by written agreement between Labor Affairs of the Company and the National Ford Department of the Union to facilitate the determination of the weekday Unit overtime allocation or address other unique problems.

(c) Temporary Layoffs - District Committeeperson

A District Committeeperson will be entitled to devote his/her full time to his/her duties as such during layoffs as defined in Article VIII, Section 21 of this Agreement, when the number of employees in his/her District is sixty-five (65)

per cent or more of the number of employees **normally scheduled to work** in his/her District at the time the layoff commenced.

When the number of employees in his/**her** District remaining at work during such layoff is less than sixty-five (65) per cent **of the number of employees normally scheduled to work**, the District Committeeperson shall be permitted to come in so long as one of his/**her** constituents is at work and there is work available which he/she can perform; but at such times he/she shall be governed by the provisions applicable to representatives on a part-time basis, as set forth in Section 12 of this Article.

(d) Temporary Layoffs - Unit Committeeperson

During layoffs as defined in Article VIII, Section 21 of this Agreement, the number of Unit Committeepersons entitled to be on Company time as such, in any Unit, will be proportionate to the number of employees working in that Unit during such layoff, subject to the provisions of Subsection (f) this Section. The proportion shall be based on the ratio of employees working in the Unit during the layoff to the total number **normally scheduled to work** in the Unit at the time the layoff commenced.

A Unit Committeeperson not designated to come in as a full-time representative under the terms of this Subsection shall be permitted to come in to work during such layoff if there is a job available which he/**she** can perform; but shall have no right to leave his/**her** work during such time except for the purpose of attending the regularly scheduled Unit Grievance Meetings provided for in Article VII, Section 3(c) of this Agreement.

(e) Overtime and Temporary Layoffs - Chairperson Who Is Sole Full-time Representatives

In a Unit where the Chairperson of the Unit Committee is on a full-time basis, but the remaining Committeepersons are on a part-time basis, the Chairperson shall be entitled to come in during overtime hours or during layoffs as defined in Article VIII, Section 21 of this Agreement, subject to the provisions of Subsections (b) and (f), respectively.

(f) Temporary Layoffs - Less Than 150 Constituents at Work

Whenever, under Subsection (d) or (e) of this Section, one representative only is entitled to come in as such, such representative shall be entitled to devote his/her full time to his/her duties as such if more than 150 of his/her constituents are at work. When 150 or less of his/her constituents are at work, he/she shall be permitted to come in so long as one of his constituents is at work and there is work available which he/she can perform, but at such times he/she shall be governed by the provisions applicable to representatives on a part-time basis, as set forth in Section 12 of this Article.

Section 14. Compensation of Full-time Representatives

(a) General

A full-time representative shall continue to be paid at the rate he was receiving at the time of assuming his duties except that his rate shall be adjusted in accordance with any adjustments made in the rate for the classification he/she then held. He/She shall be deemed to be an active employee of the Company for the purpose of applying the vacation plan.

(b) Promotion/Nonpromotional Opportunities

Notwithstanding the above, full-time elected or appointed representatives shall be entitled to receive consideration for promotional or nonpromotional opportunities under the provisions of Article IV, Section 2(a) or (b) of this Agreement, except promotional opportunities to apprenticeable Appendix F classifications. Local arrangements permitting promotions within apprenticeable Appendix F classifications are permitted.

(c) Incentive Plans

Notwithstanding Subsection (a) of this Section, it is agreed by the parties that if a full-time representative is elected to that position from a job coming under a production bonus

Section 15. Alternate Committeeperson

When a regular Committeeperson is absent from the plant on his/her own time during periods when he/she is entitled to act as such, the Company will recognize an alternate Committeeperson designated by the Chairperson of the Unit Committee.

ARTICLE VII**GRIEVANCE PROCEDURE****Section 1. Introduction**

When an employee, or the Union collectively, has a grievance against the Company, it shall be processed in accordance with the Grievance Procedure hereinafter provided.

The parties shall make a sincere and determined effort to settle meritorious grievances in the voluntary steps of the Grievance Procedure and to keep the procedure free of unmeritorious grievances.

Any grievance that either (a) is not processed or (b) is disposed of in accordance with this Grievance Procedure shall be considered settled, and such settlement shall be final and binding upon the Company, the employee or employees involved, the Union and its members.

Except with respect to the right to present an individual grievance as expressly set forth in Section 2 of this Article, the Union shall, in the redress of alleged violations by the Company of this Agreement or any local or other agreement supplementary hereto, be the exclusive representative of the interests of each employee or group of employees covered by this Agreement, and only the Union shall have the right to assert and press against the Company any claim, proceeding or action asserting a violation of this Agreement.

No employee or former employee shall have any right under this Agreement in any claim, proceeding, action or otherwise on the basis, or by reason, of any claim that the

Union or any Union officer or representative has acted or failed to act relative to presentation, prosecution or settlement of any grievance or other matter as to which the Union or any Union officer or representative has authority or discretion to act or not to act under the terms of this Agreement.

Section 2. First Stage Grievances

Recognizing the value and importance of full discussion in clearing up misunderstandings and preserving harmonious relations, every reasonable effort shall be made to settle problems promptly at this point through discussion.

(a) Initial Oral Discussion

An employee believing he/she has cause for grievance may, at his option, discuss the matter directly with his/her Supervisor or he may take it up with his District Committeeperson and Supervisor.

It shall be the obligation of the Supervisor and the District Committeeperson to make their best efforts to assure that timely and thoughtful consideration is given to every grievance that is discussed within the scope of their ability and authority.

Initial oral discussion with the Supervisor shall be required for further processing of a grievance and failure to honor a request for oral discussion shall be a proper basis for taking the grievance to a second oral discussion step.

In the event oral discussion with the employee's Supervisor does not satisfactorily resolve the grievance, the District Committeeperson shall complete a "Record of Oral Discussion" form which must include the time, date and nature of the complaint, and must be signed by the employee(s) having the complaint. The Supervisor will verify thereon that oral discussion has been held.

(b) Second Oral Discussion

In the event the grievance has not been satisfactorily resolved in the initial oral discussion and the District Committeeperson wishes to appeal the grievance further, the District Committeeperson shall meet with the

Superintendent and another representative designated by the local plant Management to discuss the grievance within two working days after the initial oral discussion. Such Company representative shall verify on the "Record of Oral Discussion" form that the second oral discussion has been held.

It is understood that if a Human Resources Representative is designated as the other Company representative and both Company representatives attend the meeting, then a Unit Committeeperson may also attend.

Local arrangements for weekly meetings in the second oral discussion step may be established where deemed desirable for improving the effectiveness of oral discussion of grievances.

(c) Disposition of Grievances

A settlement in either of the oral discussion steps shall be informal and limited to the particular grievance adjusted. Written dispositions may be requested by either party. The District Committeeperson will be provided a record of a back pay award when such has been granted to settle the employee's grievance.

(d) Referral to Unit Committee

If the grievance is not satisfactorily resolved in the second oral discussion step and the District Committeeperson wishes to appeal the grievance to the Second Stage, he shall so specify on the "Record of Oral Discussion" form and submit three copies of said form to the Company representative who conducted the second oral discussion within two working days following such discussion. The Company representative will enter thereon his report of the second oral discussion and return two copies to the District Committeeperson within two working days following receipt. The District Committeeperson shall enter thereon his complete investigation of the facts and the results of the oral discussions. The District Committeeperson shall submit one copy of the completed form to the Unit Committee and one copy to the designated Company representative within two working days. If the Unit Committee believes the

grievance to be well founded, and is satisfied that the obligation for oral discussion has been met, it may carry it to the Second Stage.

Section 3. Second Stage Grievances

Second Stage Grievances shall be processed in accordance with the following provisions:

(a) Written Grievance

If the matter is not disposed of in the oral discussion steps, and it has been appealed to the Second Stage by the Unit Committee, it shall be reduced to writing on the form known as Employee Grievance, Second Stage; incorporated in this form shall be a "statement" setting forth all the facts relied on and specifying, when possible, the Section or Sections of the Agreement claimed to have been violated.

(b) Presentation to Company

The Unit Committee shall within one week following receipt of the "Record of Oral Discussion" form present the grievance in writing to the designated Company representative for consideration at the Unit Grievance Meeting. The grievance will be presented in triplicate.

(c) Unit Grievance Meetings

A Unit Grievance Meeting shall be held in each Unit at a regularly scheduled time each week (unless a longer interval is agreed upon locally) if there is business to be transacted, and shall continue on consecutive working days, until all business before it has been completed. It shall be attended by not more than four members of the Unit Committee representing the Union and by not more than four Company representatives. If either party wishes to do so, it may record the Unit grievance proceedings at its own expense in such manner as it desires.

(d) Unit Grievance Meeting - Agenda

Unless it has previously been withdrawn or satisfactorily adjusted, the grievance shall be considered at the next Unit Grievance Meeting which starts at least one week after the timely written presentation of the grievance for consideration.

(e) **Withdrawal or Adjustment of Grievance**

The Unit Committee shall have power to withdraw a Second Stage Grievance, and the designated Company representative shall have the power to adjust a Second Stage Grievance.

(f) **Time Limit on Disposition**

The Company shall give its decision in writing to the Unit Chairperson on all grievances considered at the Unit Grievance Meeting not later than one week after the last session of the meeting.

Section 4. Third Stage Grievances

If a satisfactory disposition of the grievance is not made in the Second Stage, the Chairperson of the Unit Committee may, if he/she considers the grievance to be well founded, carry it to the Third Stage. Third Stage Grievances shall be processed in accordance with the following provisions:

(a) **Appeal Procedure**

The Chairperson shall within one week of the written disposition in the Second Stage give written notice to the designated Company representative on triplicate copies of the Third Stage Grievance form that the grievance is appealed to the Plant Review Board. The grievance must specify as provided in Article X, Section 9, whether a claim of discrimination is included in the grievance.

Within one week after notice of appeal has been given by the Chairperson the parties will prepare and exchange a complete and detailed statement of all the facts and circumstances surrounding the grievance.

No grievance shall be considered by the Plant Review Board in the Third Stage until the next meeting after the prescribed statement of facts has been presented on behalf of the Union.

(b) **Statement of Fact and Position**

Each party's statement shall be in detail sufficient to reasonably apprise the other party of the nature of (i) the grievance and the issues involved, (ii) the contentions made in support of the party's position on the issues, (iii) the basic

facts relied upon in support of such position, and (iv) where a claim of discrimination is included in the grievance, a statement of the facts and circumstances supporting such claim.

Such statements shall fix the nature of the grievance and of the issues for all subsequent consideration of the case in the Grievance Procedure (including the Fourth Stage), and if either party shall attempt to deviate materially from the contents of such statement after furnishing it to the other party, the grievance shall be remanded to the Second Stage for reconsideration unless the other party agrees otherwise.

It is the purpose and intent of this Subsection to assure that there shall be full discussion and consideration of the grievance, on the basis of a full disclosure of the relevant facts, in the voluntary stages of the Grievance Procedure.

(c) Referral to Local Civil Rights Committee

The Bargaining Chairperson or the Chairperson's designated representative, before deciding whether to take a grievance which includes a claim of discrimination under Article X, Section 9 to the Plant Review Board, may refer the grievance to the Chairperson of the Civil Rights Committee of the Local Union for a factual investigation and report. Such report must be completed and the grievance returned not later than one week following referral, provided that such period may be extended by mutual agreement. Upon return, the grievance will be taken up at the next scheduled meeting of the Review Board.

(d) Review Boards

A Review Board shall be established for each Unit provided for in Article VI, Section 1 of this Agreement.

The Review Board for each Unit in a multi-plant area shall be composed of three persons representing the Union and three persons representing the Company. The Union representatives shall be an International Representative designated by the Regional Director of the area, who will be the ranking Union representative on the Review Board, a

representative of the Local Union concerned, and the Chairperson of the Unit. The Company representatives shall include at least one member of line Management.

The Review Boards for all other plants shall be composed of two persons representing the Union and two persons representing the Company. The Union representatives shall be an International Representative designated by the Regional Director of the area, who shall be the ranking Union representative, and the Chairperson of the Unit. The Company representatives shall include one member of line Management.

(e) Review Boards - Schedule of Meetings

The Plant Review Board shall meet at a regularly scheduled time every other week if there is business to be transacted, and shall continue on consecutive working days until all business before it has been completed, unless a different schedule is agreed upon locally.

(f) Review Boards - Agenda

Grievances shall be heard, unless previously withdrawn or satisfactorily adjusted, at the first regular session of the Review Board scheduled not less than 15 calendar days after timely written appeal thereof to the Board, unless a shorter period is agreed upon locally.

(g) Review Boards - Record of Proceedings; Dispositions

If either party wishes to do so, it may record the Plant Review Board proceedings at its own expense in such manner as it desires.

After the grievance has been discussed at the Plant Review Board session the Company shall furnish a copy of its decision in writing and a copy of a summary of the minutes of the meeting to the Union representatives on the Review Board within one week after the close of the session.

(h) Power to Withdraw or Adjust Grievances

The Union Review Board Committee shall have power to withdraw a Third Stage Grievance, and the designated Company representatives shall have the power to adjust a Third Stage Grievance.

(i) **Authority of Regional Director**

The Regional Director or his/her designated representative shall have the power to settle or withdraw on behalf of the Union any case or cases appealed to his level of the procedure, either before or after the Third Stage disposition by the Company is received, that in his judgment does not merit appeal to the next step.

Section 5. Disciplinary Cases

(a) **Notice of Action Taken**

When an employee is given a disciplinary discharge or layoff, or a reprimand and warning, which is affixed to the employee's personal record, the employee's District Committeeperson, if available, or if not, one of the employee's Unit Committeepersons, will be promptly notified in writing of the action taken. When disciplinary action is taken against an employee who is absent, the Unit Committee will be notified.

(b) **Waiver of Representation**

The Company will inform the employee of representation rights. When an employee signifies not wanting to have the employee's Committeeperson present at a disciplinary hearing or during an investigatory interview, the employee shall sign a waiver to that effect.

(c) **Time Limit on Grievances**

Such disciplinary action will be deemed final and automatically closed unless a written grievance is filed within three (3) working days from the time of presentation of written notice provided for in Subsection (a) of this Section. For the purpose of this Section, the phrase "working days" shall not include regularly scheduled days of rest for employees on necessary continuous 7-day operations.

(d) **Stage at Which Grievance Initiated**

Where such disciplinary action is taken following a hearing at which the employee's Committeeperson has been present, or is taken by a Company representative other than the employee's Supervisor, any grievance protesting such action shall be initiated at the Second Stage of the Grievance

Procedure, subject to the three-day time limit and the requirement that the employee sign the grievance, except that this latter requirement shall not be applicable where disciplinary action is taken against an employee in absentia.

A grievance expressly subject to the Grievance Procedure under Article VI, Section 6 of the Retirement Plan shall be initiated at the Second Stage.

Section 6. General Grievances

General grievances affecting the employees in a Unit as a whole may be initiated by the Unit Committee directly at the Second Stage.

Section 7. Postponement of Action on Grievances

At any Unit Grievance Meeting or meeting of a Review Board, a grievance may be reserved by mutual consent for further investigation and consideration at a subsequent meeting, in which event the applicable time limits shall be measured from the close of such subsequent meeting.

Section 8. Fourth Stage - Appeal to Umpire

If a satisfactory disposition is not made of a grievance by the Review Board and if the grievance is the type of case upon which the Umpire is empowered to rule, the case may be appealed by the National Ford Department of the International Union to the impartial Umpire hereinafter provided for, in accordance with the following provisions:

(a) Time for Appeal

Notice of appeal shall be given within four weeks from the date of the decision of the Review Board.

(b) Notice of Appeal - To Whom Given

Such notice shall be given by the National Ford Director to Labor Affairs at Dearborn, Michigan, and to the Umpire, with a copy to the designated Company representative in the plant where the grievance arose.

(c) Notice of Appeal - Content

The notice of appeal shall specify the issue raised by the grievance and shall include a statement of the nature of the grievance, together with the award requested.

Section 9. Special Submissions to Umpire**(a) Initiation of Issues; Right to Appeal to Umpire**

Any issue involving the interpretation and/or the application of any term of this Agreement or supplement thereto may be initiated by either party directly with the other party.

Upon failure of the parties to agree with respect to the correct interpretation or application of the Agreement to the issue, it may be appealed directly to the Umpire if it is an issue upon which he/she is empowered to rule.

(b) Appeal Procedure

In cases appealed under Subsection (a) of this Section, a written notice setting forth the specific issue shall be filed with the Umpire by the appealing party, and copy shall be simultaneously given to the other party.

When the Union is the appealing party, the National Ford Department shall file such notice, and the copy will be given to the Labor Affairs of the Company in Dearborn. When the Company is the appealing party, Labor Affairs of the Company will file such notice, and the copy shall be given to the National Ford Department.

Thereafter, the procedure set forth in Section 11 and following of this Article shall be followed.

Section 10. Withdrawal or Settlement after Appeal

The National Ford Department is authorized to withdraw or settle with the Company any grievance appealed by the Union to the Umpire at any time before it is heard by the Umpire.

After a case upon which the Umpire is empowered to rule has been heard by him/her, it may not be withdrawn by either party without the consent of the other.

Section 11. Briefs and Stipulations**(a) Briefs in Umpire Cases**

In special submissions, either party may file a brief with the Umpire at the time of the hearing or at any time prior thereto. Either party may file a reply brief not later than five days after the hearing.

In all other cases, either party may file a brief with the Umpire ten days prior to the time of the hearing, and may also file a reply brief not later than five days after the hearing, provided that notice of intent to file a reply brief has been given at least ten days prior to the time of hearing.

A copy of any brief filed with the Umpire shall be filed concurrently with the opposing party.

The Umpire, for good cause shown, shall have the power to extend the time for filing of briefs.

(b) Stipulations of Facts and Issues

Upon issuance of the agenda by the Office of the Umpire, the parties may agree upon written stipulations concerning the facts and issues in the cases scheduled for hearing. Agreed-upon stipulations shall be submitted to the Umpire and shall be final and binding upon the parties and the Umpire in the proceedings in the instant case. The Umpire will not permit the introduction of testimony or evidence on matters which have been stipulated.

Section 12. Umpire Office - Filing of Notices and Briefs

The Umpire shall maintain an office where all notices and briefs required to be filed with him may be delivered.

Section 13. Umpire Proceedings

(a) Hearing Schedules; List of Pending Fourth Stage Appeals; Agenda

The parties shall establish a schedule of Umpire hearings which assures that all Units with pending cases are accorded equality of opportunity in having cases heard by the Umpire. A list of pending Umpire cases will be published for each Unit four months in advance of the scheduled Umpire hearing to facilitate review of the pending cases by Company and local and regional Union representatives. Thirty days prior to the date of the hearing the Office of the Umpire shall issue the agenda for the hearing. It will list unresolved Fourth Stage appeals in chronological order by date of appeal. Cases will be heard by the Umpire at the hearing in the same order. Notwithstanding the foregoing, procedures governing special submissions, discharge and

similar cases, and further procedures governing hearing schedules, agendas and related matters shall be determined by the designated representatives of the National Ford Department and Labor Affairs of the Company.

(b) Investigations and Hearings by Umpire

The Umpire may make such investigation as he/she may deem proper. The Umpire will hold hearings open to the parties and may examine the witnesses of each party and each party shall have the right to cross-examine all witnesses produced and to make a record of all such proceedings.

Section 14. Time Limits for Umpire Decisions

It shall be the obligation of the Umpire to the Company and the Union to rule on cases heard by him/her within thirty (30) days after the hearing. Priority shall be given to deciding discharge cases. If, for good and proper reasons additional time is required, the Umpire may request an extension of the time limits set forth above by the parties and a reasonable extension thereof shall be granted.

**Section 15. Umpire's Inability to Meet Time Limits;
Temporary Umpires**

Should the grievance case load become so great that the Umpire is unable to comply with the time limit specified in Section 14 of this Article, representatives of the National Ford Department of the Union and Labor Affairs of the Company shall analyze the situation and may select one or more persons to serve as a temporary Umpire. The parties also shall determine, by mutual agreement, what cases are to be submitted to the temporary Umpire.

The temporary Umpire shall follow the same procedure and shall be bound by the same provisions of this Agreement as the regular Umpire, and all provisions of this Agreement applicable to decisions of the regular Umpire shall apply to decisions by a temporary Umpire.

Section 16. Powers of Umpire**(a) Scope of Powers**

It shall be the function of the Umpire, and he/she shall be empowered, except as his/her powers are limited below, after due investigation, to make a decision in cases of alleged violations of the terms of this Agreement or written local or regional agreements supplementary thereto, of grievances expressly subject to the Grievance Procedure under Article VI, Section 6 of the Retirement Plan, of alleged improper classification of employees, of alleged violations of negotiated rates, whether or not the Company has violated its express commitments set forth in Article IV, Section 8, and upon the scope of his powers.

(b) Limitations on Powers

The powers of the Umpire are limited as follows:

(1) Changes in Agreements

He/She shall have no power to add to, or subtract from, or modify any of the terms of any agreement.

(2) Wage Rates

He/She shall have no power to establish wage scales, rates on new jobs or, except as he/she is herein specifically empowered, to change any wage.

(3) Matters within Company Discretion

He/She shall have no power to substitute his/her discretion for the Company's discretion in cases where the Company is given discretion by this Agreement or by any supplementary agreement, except that where he/she finds a disciplinary layoff or discharge is in violation of the standards set up in this Agreement, he/she may make appropriate modifications of the penalty.

(4) Negotiable Matters

He/She shall not have the power to provide agreement for the parties in those cases where they have in their contract agreed that further negotiations shall or may

provide for certain contingencies to cover certain subjects.

(5) Health and Safety

He/She shall have no power to rule on cases arising under Article X, Section 4 of this Agreement.

(6) Production Standards; Management Responsibility

He/She shall have no power to rule on any dispute arising under Article IV, Section 4(a) of this Agreement, or to decide any question which, under this Agreement, it is within the responsibility of Management to decide.

In rendering decisions, the Umpire shall have due regard to the responsibilities of Management and shall so construe the Agreement that there will be no interference with such responsibilities except as they may be specifically conditioned by the Agreement.

(7) Job Security and Outside Contracting

He/She shall have no authority in cases of violations of the Company's express commitments set forth in Article IV, Section 8, except as he/she is herein specifically empowered.

Section 17. Disposition of Cases Beyond Powers of Umpire

In the event that a case is appealed to the Umpire on which he has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

Section 18. Government Approval of Awards Where Required

If any award of the Umpire requires the approval of any governmental agency, the said award will be subject to such approval.

Section 19. Finality of Umpire Awards; Exclusiveness of Remedy

There shall be no appeal from an Umpire's decision. It shall be final and binding on the Union, its members, the employee or employees involved and the Company. The Union will discourage any attempt of its members, and will

not encourage or cooperate with any of its members in any appeal to any Court or Labor Board from a decision of the Umpire.

Neither the Union nor its members will attempt to bring about the settlement of any claim or issue on which the Umpire is empowered to rule by any other means.

Section 20. Umpire Fees and Expenses

The fees and expenses of the Umpire will be shared equally by the Company and the Union.

The expenses of any witness called by the Umpire shall be allocated to the parties by the Umpire, in his/her discretion. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other.

Section 21. Selection and Tenure of Umpire

The impartial Umpire shall be a person jointly selected by the parties and shall continue to serve only so long as he/she continues to be acceptable to both parties.

Section 22. Termination of Umpire

(a) Notice

If at any time either party desires to terminate the service of the Umpire, it shall give notice in writing to that effect, specifying the date of termination, and sending one copy to the Umpire and one copy to the other party.

(b) Disposition of Pending Cases

The party terminating the Umpire's services shall specify in its notice whether or not it is agreeable to have said Umpire render decisions in all cases pending before him/her up to the date of said termination, and if it determines that the Umpire may decide such pending cases, the Umpire shall render decisions thereon not later than thirty (30) days from the date of said notice.

If the party terminating the services of the Umpire elects not to have the cases pending before him/her decided by that Umpire, he/she shall render no further decisions subsequent

to the time fixed in the notice, and all cases then pending before him/her shall be referred to his/her successor or to any other person the parties may agree upon.

Section 23. Special Procedures - Production Standard, Job Security and Outside Contracting, Health and Safety and New Job Rate Grievances

Disputes arising between the parties with respect to Article IV, Section 4(a) (Production Standards) and Article X, Section 4 (Health and Safety) of this Agreement, and with respect to rates on new jobs and cases of violations of the Company's express commitments set forth in Article IV, Section 8 (Job Security and Outside Contracting), on which the Umpire is not empowered to rule, shall be handled in the following manner:

(a) Production Standards; Job Security and Outside Contracting*

(1) First Stage

A dispute involving a production standard shall be handled in the first instance as provided in Section 2 of this Article. If the dispute is not settled satisfactorily, the grievance may be referred in writing to the Unit Committee.

In the event the Unit Committee is dissatisfied with the disposition of the Supervisor, the grievance may be appealed in writing to the Unit Human Resources Office.

Such appeal shall be made within three (3) working days of receipt of the Supervisor's disposition.

* Grievances protesting violations of Article IV, Section 8, may be filed directly in the Second Stage of this procedure.

(2) Second Stage

Within three (3) working days of receipt of the appeal, a meeting between the parties shall be held. Such meeting shall be attended by a committee of no more than five (5) representatives of the Union, which may include International Representatives, and by a committee of no more than five (5) representatives of the Company. This committee shall negotiate on the dispute. However, before a dispute is appealed beyond this stage to the National Ford Department, an International Representative will participate in the negotiations.

At this level of the procedure, and all subsequent levels of this procedure, with respect to a dispute involving a production standard, a representative designated as qualified by the Union shall have the right to examine all the data pertaining to the dispute, and to observe and study the job or jobs in question.

If the dispute is not settled within five (5) working days after the date of the first meeting, the grievance may be appealed by the Union to the National Ford Department as provided in Subsection (d) of this Section (except in cases in the Rouge Area).

(3) Third Stage (Rouge Area Only)

If the dispute is not settled at the Second Stage provided above, the Chairperson of the Unit may refer the grievance to the Third Stage. Such referral shall be made within three (3) working days from the expiration of the negotiation period provided in the Second Stage above.

The Third Stage committee for the Union shall consist of the Unit Chairperson, the local qualified representative, an officer of the Local Union, and a representative of the International Union. The Company shall be represented by four (4) members of Management, two of whom shall not have participated in the preceding stages.

The joint committee provided for in the Third Stage shall have five (5) working days from date of appeal in which to attempt to settle the dispute. If the dispute is not settled during this period of negotiations, the grievance may be appealed by the Union to the National Ford Department, as provided in Subsection (d) of this Section.

(b) Health and Safety

(1) Local Complaint Procedure

In those Units where a Health and Safety Representative has been appointed in accordance with Article VI, Section 8, the following shall apply:

- (i) An employee believing there is cause for complaint that the Company has not made reasonable provision for the employee's health or safety may either discuss the matter directly with the employee's Supervisor or may take it up with the employee's District Committeeperson, who shall discuss the complaint with the employee's Supervisor. Every reasonable effort shall be made to settle complaints promptly at this point through discussion.
- (ii) In the event oral discussion with the employee's Supervisor does not satisfactorily resolve the complaint, the District Committeeperson will complete a "Health and Safety Complaint Form", which will include a statement of all the facts relied on. The District Committeeperson will submit the form in quadruplicate to the employee's Supervisor who will sign and date the form upon receipt and verify the oral discussion has been held. Within one (1) working day after receipt of the form (unless an extension is mutually agreed upon), the Supervisor will provide a disposition.

In the event the complaint has not been satisfactorily resolved under (i) above, and the District Committeeperson wishes to pursue the

complaint further, the District Committeeperson will meet with the Superintendent to discuss the complaint within a reasonable time after the initial oral discussion in (i) above. The Superintendent will within one (1) working day after receipt of the form (unless an extension is mutually agreed upon) verify on the "Health and Safety Complaint Form" this second oral discussion has been held and provide a disposition.

- (iii) If the complaint continues to be unresolved, the District Committeeperson shall submit the form in triplicate to the Unit Health and Safety Representative who will investigate the complaint. If the complaint is deemed to be valid, the Unit Health and Safety Representative will meet with the designated Company safety representative to discuss the matter. The Unit Health and Safety Representative will present the "Health and Safety Complaint Form" in duplicate to the Company safety representative who will sign and date the form upon receipt.
- (iv) The Company safety representative shall within three working days after receipt of the form (unless an extension is mutually agreed upon) provide a written disposition setting forth all the facts relied upon, and return one copy to the Unit Health and Safety Representative.
- (v) If the written disposition is not satisfactory, the Unit Health and Safety Representative may, within three working days from the date of the written disposition, or the expiration of any stated time period required to make necessary adjustments to resolve the complaint, process a written grievance into the First Stage as provided in Subsection (b)(2) of this Section.
- (vi) General complaints affecting the employees in the Unit as a whole may be initiated by the Unit Health and Safety Representative directly with the

Company safety representative by submitting a completed "Health and Safety Complaint Form."

- (vii) At any Company plant where the Local Union shall within 30 days from the date hereof so notify local Management in writing, this Subsection shall not be deemed to be in effect and the contractual situation with respect to resolving health and safety complaints as it existed under the Agreement between the parties dated December 7, 1970, shall be deemed not to have been affected in any way by either the fact that this Subsection has been inserted in this Agreement or that such notice of non-effectiveness has been given.

(2) First Stage

When a grievance on health and safety occurs, the Committeeperson, or the Unit Health and Safety Representative in those Units where one is appointed, will take the matter up with the Supervisor. However, if oral discussion occurred in (b), (1) above, the Committeeperson/Health and Safety Representative will not be required to take the matter up with the Supervisor.

If not settled, the grievance may be referred in writing to the Unit Chairperson who shall notify the Unit Human Resources Office in writing of the existence of the dispute.

(3) Second Stage

The parties will review the matter and attempt to resolve the dispute on the plant level. The Regional Director or his designated representative may participate in such meetings.

If a satisfactory disposition of the grievance is not reached at the plant level, the dispute may be appealed by the National Ford Department under the provisions of Subsection (d) of this Section.

(4) **Rouge Area Procedure**

The local procedure now in effect for handling health and safety grievances on the local plant level in the Rouge Area shall be continued.

(c) **Rates on New Jobs**

(1) **Temporary Rate; Notice to Union**

When a new job has been placed in effect which cannot properly be placed in the existing classification and rate structure, the Company, within thirty days, shall set up a temporary classification and rate covering the job, and notify the Union thereof in writing immediately.

(2) **Local Negotiations**

Negotiations on the rate for the new job shall begin at the local plant level. If a satisfactory settlement is not made at the plant level, the dispute may be appealed by the National Ford Department under the provisions of Subsection (d) of this Section.

(3) **Approval and Effective Date of Negotiated Rate**

All new rates and classifications must be approved by the Company's Labor Affairs and the Union's National Ford Department.

The negotiated rate, if higher than the temporary rate, shall be applied retroactively to the date of the establishment of the temporary classification and rate except as otherwise mutually agreed.

(d) **Grievances Referred to National Ford Department**

(1) **Local Investigation and Meetings**

Upon receipt of appeal from a Local Union, the National Ford Director shall, in an effort to attempt to settle the dispute at the local plant level, send an International Representative to the plant to investigate the grievance.

If after completing his/her investigation the International Representative so requests, a meeting with representatives of the Company shall be held.

Prior to sending an International Representative to make such an investigation, the National Ford Department shall notify Labor Affairs.

(2) **Appeal to Labor Affairs**

If a satisfactory disposition of the dispute is not reached as provided above, it may be appealed by written notice from the National Ford Department to Labor Affairs.

A joint committee composed of three (3) representatives of the Union designated by the National Ford Director, and three (3) representatives of the Company designated by Labor Affairs, will attempt to settle the issue.

This committee shall have five (5) working days from the date of receipt of such written notice of appeal to Labor Affairs to attempt to settle the dispute by direct negotiations or by any other mutually satisfactory manner.

Any notice given under this Subsection shall be cancelled automatically sixty (60) working days from the date of such notice, unless this period is extended by mutual agreement or the notice is previously withdrawn by the Union.

(e) **Right to Strike**

Failing to reach agreement as herein provided, the Union shall have the right to strike over such dispute; provided such strike is properly authorized in accordance with the provisions of the International Union's Constitution and By-Laws.

No strike shall commence subsequent to sixty (60) working days from the date of notice given under Subsection (d)(2) of this Section, or any mutually agreed-to extension of such period.

(f) **Confinement of Issues**

It is expressly understood and agreed that no grievance, complaint, issue, or matter other than the strikeable issue involved will be discussed or negotiated in connection with

disputes to which this Section is applicable, and the Union shall not request or insist upon the discussion or negotiation of any extraneous issues either before the authorization of a strike or after the occurrence of a strike.

Section 24. Back Pay

(a) Limitations on Retroactivity

The Company shall not be required to pay back wages more than two working days beyond the verified date of the initial request for oral discussion as shown on the form "Record of Oral Discussion;," unless the circumstances of the case made it impossible for the employee, or for the Union as the case may be, to know that he/she, or the Union, had grounds for such a claim prior to that date, in which case the claim shall be limited retroactively to a period of sixty (60) days prior to the date the claim was first filed in writing provided, however, that:

- (1) In the case of a pay shortage of which the employee could not have been aware before receiving his/her pay, any adjustments made shall be retroactive to the beginning of the pay period covered by such pay, if the verified date of the initial request for oral discussion is within five working days after receipt of such pay.
- (2) In the case of a grievance protesting disciplinary action filed in accordance with the time limits specified in Section 5(c) of this Article, the two-working-day limitation on Company liability referred to above shall not be applicable.

No decision of the Umpire or of the Company in any one case shall require a retroactive wage adjustment in any other case.

For the purpose of this Section the phrase "working days" shall not include regular scheduled days of rest for employees on necessary continuous 7-day operations.

(b) Time for Payment

Errors resulting in pay shortages shall be corrected within five (5) working days from the filing of the grievance.

Back pay awards shall be paid within thirty days of such award except where the work involved makes it impractical.

(c) **Computation**

All claims for back wages shall be limited to the amount of wages that the employees otherwise would have earned less any unemployment compensation or compensation for personal services that he/she may have received from any source during the period of the back pay; provided, that if the employee is required to return amounts received as unemployment compensation benefits to the state, such amounts shall not be deducted from the back pay, and suitable arrangements will be worked out for the restoration to the state of the money due it; and provided, further, that no award of back pay shall be reduced by reason of the employee's earnings in other employment which he/she had had during his previous employment by the Company, to the extent that he does not increase the hours devoted to such other employment, or by reason of his receipt of income from his/her investment in any business or agricultural enterprise in which he/she had had an interest during his employment by the Company.

Section 25. Extension of and Failure to Meet Time Limits

The time limits at any level of the Grievance Procedure may be extended by mutual agreement of the parties. Any grievance upon which a disposition is not made by the Company within the time limits prescribed in this Article or such extension as may have been agreed to may be referred to the next step in the Grievance Procedure, the time limit to run from the date the time for disposition expired.

Any grievance not carried to the next step by the Union within the time limits prescribed herein, or such extension as may have been agreed to, shall be automatically closed upon the basis of the last disposition.

The term "week" as used in this Article means calendar week.

**Section 26. Notice to Other Party of Grievance
Representatives**

Each party shall promptly notify the other in writing of the representatives it has designated pursuant to this Article, and of any changes therein.

**Section 27. International Representatives - Permission to
Enter Plants**

To facilitate the operations of the Grievance Procedure, representatives of the International Union may enter the Company's plants to investigate grievances in the Third and Fourth Stages, and grievances arising under Section 23 of this Article, when their presence is necessary and appropriate, provided they have secured prior permission of the Company.

In requesting such permission, the Union representative shall designate the grievances he intends to investigate.

The Company representative will grant permission for the Union representative to visit the plant after a mutually agreeable date and time has been set.

ARTICLE VIII**SENIORITY AND RELATED MATTERS****Section 1. Seniority Date****(a) General**

Seniority shall be computed from the date of hiring into or transfer into a plant.

(b) Employees on Layoff From Unit Other Than Basic Unit

Any employee who has basic seniority in one Unit and who, as of May 25, 1959, is on the active employment rolls of another Unit or who subsequently is placed in or transferred to another Unit under circumstances where he/she does not carry his/her seniority with him/her, or who pursuant to Subsection 1(c) of this Article establishes the Transfer Leveling Seniority Date as the employee's plant seniority date at a Unit other than his/her basic Unit shall, at his/her

first layoff thereafter in a reduction in force, have his/her seniority determined by whichever of the following he/she then elects:

- (i) Such employee may irrevocably waive his/her seniority in his basic Unit and retain at the other Unit his/her latest date-of-entry seniority, which will then become his/her basic seniority (it being understood that such waiver will not break the employee's "Company seniority" for purposes of such plans as the vacation, holiday pay, jury duty pay, SUB or retirement plans where Company, rather than plant, seniority is taken into account); or
- (ii) Such employee may elect to return to his/her basic Unit, in which event he/she shall be placed in, or on the recall list of, his/her basic seniority Unit with full credit for seniority accumulated while working in the other Unit to be included in determining his/her seniority in such basic Unit, and he/she shall retain no seniority rights in any other Unit, except as otherwise provided in Article VIII, Section 23(c) with respect to skilled trades seniority.

Any employee who does not elect (i), above, in writing at the place designated by the Company within five calendar days after his/her layoff shall be deemed to have elected (ii).

This Subsection (b) shall not supersede or preclude local or area agreements pertaining to the seniority date of an employee on layoff from a plant other than his/her basic Unit approved by the National Ford Department and Labor Affairs.

(c) Transfer Leveling Seniority Date

Any seniority employee either on the active employment roll or on the inactive employment roll with recall rights on October 29, 1984 will establish a Transfer Leveling Seniority Date of October 29, 1984. Any employee hired or rehired after October 29, 1984 who becomes a seniority employee will establish a Transfer Leveling Seniority Date

of his/her hire or last rehire date, whichever is the later. Any employee who was on the active employment roll as of October 29, 1984, who had not yet established seniority, but who thereafter was continuously employed and acquired seniority, shall have established a Transfer Leveling Seniority Date of October 29, 1984.

The plant seniority date of any such employee who is placed in or transferred to another Unit other than his basic Unit, except employees subject to the provisions of Section 24 of this Article, will be his Transfer Leveling Seniority Date. When two or more such employees establish the same Transfer Leveling Seniority Date as their plant seniority in the new Unit, the employee with the greater Company seniority or, in the case of skilled trades, the greater Company date-of-entry seniority into Appendix F, will be considered the senior employee.

Except as specifically provided, nothing in this Subsection is intended to affect any other seniority provisions of the Agreement or local agreements including those in multi-plant locations.

Section 2. Employees on Rolls June 20, 1941 — Seniority Break Period

For those Local Unions which have not locally negotiated a “seniority break period” for use in computing the seniority status of employees who were on the payroll on June 20, 1941, a four-year break period shall be considered established.

Employees who were receiving Worker’s Compensation on June 20, 1941, will be considered as having been on the payroll and shall have cumulative seniority, provided that they do not have a seniority break as provided for by local agreement between the Company and the Union.

Section 3. Local Seniority Agreements

Seniority agreements, which have been negotiated locally and which are still in effect, shall remain in full force and effect unless changed by local agreement approved by the National Ford Department of the UAW and Labor Affairs of the Company.

Section 4. Acquiring Seniority; Probationary Employees**(a) Acquiring Seniority**

New employees and rehired employees shall be regarded as probationary employees and shall establish seniority after the first three (3) months of continuous employment with the Company, and if retained thereafter shall be placed upon the seniority list in the seniority group in the Unit or plant where they are then working with seniority as of the date of hiring.

In order to become a seniority employee, a probationary employee must have been employed for a total of three (3) months within the year following the date he was hired or last rehired, whichever is the later. For the purposes of this Section, periods during which the employee was laid off, or on leave of absence for any reason, or employed on an excluded classification, shall not be considered as periods of employment.*

Following completion of his probationary period, the employee shall be given seniority as of the date he/she was hired or last rehired, whichever is the later, as set forth in the first paragraph of this Subsection.

- (b) Rights to Transfer and Discharge Probationary Employees** The Company may discharge or transfer employees at any time during the probationary period. However, any claim by a probationary employee that his/her layoff or discharge after 30 days of employment is not for cause, or any claim of discrimination in connection with his/her transfer or discharge may be taken up as a grievance.

(c) Probationary Employees - Layoff and Recall

When possible, the Company shall adhere to a policy of laying off and rehiring probationary employees, within an occupational group, or within the Labor Pool, in accordance with their date of hire, provided that the Company shall retain the sole discretion as to the laying off, transferring and rehiring of probationary employees, except in cases of claimed discrimination.

* For crediting of periods of military service, see Article VIII, Section 33(b) of this Agreement.

When a probationary employee is laid off, his/her employment shall be terminated unless it is anticipated that the layoff will be temporary. If the employee is recalled within a period not exceeding the period he/she was employed continuously by the Company immediately preceding the date of layoff, the Company shall reinstate rather than rehire him/her.

(d) Probationary Employees - Medical Leave

If a probationary employee is absent on medical leave for a period not exceeding the period he was employed continuously by the Company immediately preceding the date such absence commenced, he/she will be reinstated and returned to work if there is work available in his Unit which he/she can perform.

If his period of absence exceeds his/her preceding period of employment, the Company shall be under no obligation to reinstate him/her.

(e) Rights of Probationary Employees

With respect to matters where provision otherwise has not been made, probationary employees are covered by the terms of this Agreement and shall have access to the Grievance Procedure for the enforcement of their rights thereunder.

Section 5. Loss of Seniority

Seniority shall be broken for the following reasons:*

1. (Quit)

If the employee quits.

2. (Discharge)

If the employee is discharged and the discharge is not reversed through Grievance Procedure.

3. (Absent from Work)

If a seniority employee with less than six months' seniority is absent for three (3) working days without

* For expiration of sick leave, see Article VIII, Section 30 of this Agreement.

* For retirement, see Retirement Agreement, Section 4.

* For acceptance of Separation Payment, see SUB Plan, Article IV, Section 3.

properly notifying the Company and giving a satisfactory reason for his absence, unless it is not possible for him to do so.

4. **(Failure to Report)**

If the employee does not, within five (5) working days (excluding Saturdays, Sundays and Holidays) after notice to report has been sent to him/her, either report for work or give a satisfactory reason for his/her absence, unless it is not possible for him/her to comply with either of these requirements; and provided at least ten (10) working days have elapsed since his/her last day worked.

Such notice will not be sent where a medical leave has been issued to cover an employee's disability for a specific extended period of time based upon a medical examination by the plant physician or when an employee on conditional medical leave provides medical evidence found acceptable by the plant physician.

Medical leaves will not be cancelled except in unusual situations such as suspected abuse of the medical leave provision.

In cases where conditional or approved medical leaves of absence have expired, the Company may send a notice to report.

Such notice shall be sent by certified mail with return receipt to the employee's last known address according to the Company's records, and except in cases of recall, the notice shall be substantially in the form set forth in Appendix B, attached. The date on the notice shall be the same date the Post Office receives the notice for mailing.

Disputes as to the Company's failure to observe the procedural requirements of this provision, (e.g., timeliness of notice and transmittal to proper address) and the reasonableness of the employee's failure to respond to a notice where his period of absence can be

justified are subject to the regular Grievance Procedure.

A copy of the notice to report sent an employee will be furnished to the Chairperson of the Unit Committee and to a Unit Committeeperson designated by the local parties concurrent with the mailing of the notice. An attending Physician's report (Form 5166) will be included with the Notice sent upon the expiration of an approved medical leave. However, failure to furnish a copy to the Chairperson of the Unit Committee and to the designated Unit Committeeperson or failure to include a Form 5166 with a Notice will not be the basis for any claim.

5. **(Disability Settlement)**

If a settlement with the employee has been made with the approval of the Union for total disability.

6. **(Continuous Unemployment)**

For employees hired subsequent to June 20, 1941, who are continuously unemployed by the Company for a period of time equal to their Company seniority but in no case less than eighteen (18) months.

For employees who have not broken seniority as of March 1, 1982, the period of time shall be not less than the following: for employees with less than one year seniority, eighteen (18) months; for employees with one year but less than two years seniority, thirty-six (36) months; for employees with two but less than three years seniority, forty-eight (48) months; for employees with three but less than four years seniority, sixty (60) months; for employees with four but less than ten years seniority, for a period of time equal to their Company seniority plus twelve (12) months; and for employees with ten but less than eleven years seniority, not less than one hundred and thirty-two (132) months.

Section 6. Seniority Lists

The Company shall continue to furnish a sufficient number of plant-wide and occupational group seniority lists, in seniority order to each plant and Unit President.

The seniority lists shall include plant and Company seniority dates, and, in the case of skilled trades, their plant date-of-entry seniority into their present Appendix F classification.

Any challenge as to the sequence of the seniority list shall be protested on a form mutually agreed upon by the Company and Union.

Revisions in such seniority lists shall be furnished by the Company to the above-named Union and the Company representatives every thirty (30) days in those locations where lists are not machine prepared. In plants where said lists are machine prepared, complete lists shall be furnished every thirty (30) days.

Section 7. Seniority-Operation Within Occupational Groups

Seniority shall be by interchangeable occupational groups as hereinafter defined and agreed upon; such lists of occupations are referred to hereinafter as Appendix C.*

Section 8. Seniority-Operation Within Seniority Units**(a) Other Than Skilled Groups**

Occupational group seniority shall be plant-wide except in the Rouge Area, where occupational group seniority shall be by separate seniority Units, as now established as Bargaining Units; provided, however, that by mutual agreement, two or more Units may be grouped together for seniority purposes, and provided further, that by mutual agreement designated occupations and/or occupational groups may have seniority on a plant-wide basis.

(b) Skilled Groups

Seniority in the skilled groups (tool and diemakers, patternmakers, jobbing core makers, jobbing molders,

* Such an Appendix is a part of each local seniority grouping agreement, there is no Appendix C attached to this Agreement.

power house, construction and maintenance employees) shall be by interchangeable occupational groups on a plant-wide basis.

Section 9. Procedure for Operating Occupational Group Seniority

It is agreed that the procedure provided in Sections 10 through 15 of this Article shall be used in setting up the occupational groups in each of the seniority Units as now designated as Bargaining Units; provided, however, that the Railroad Seniority Agreement dated February 7, 1945, shall remain in full force and effect, except as amended by mutual agreement.

Section 10. Occupational Groupings - General

Each occupational group shall consist of classifications of similar work and may include classifications requiring varying degrees of skill, training and experience and shall be set up as hereinafter provided.

Section 11. Occupational Groupings - "Designated" Jobs

(a) Jobs Covered

The so-called "skilled" jobs in each occupational group shall be designated and the remaining job classifications in the group shall be undesignated.

(b) Classification Seniority

In the designated jobs, employees, in the first instance, shall have seniority by job classification.

(c) Bracketing

If there are two or more designated job classifications in the same group that are interchangeable, they shall be bracketed together and the employee with the least seniority in the group of interchangeable designated jobs shall be laid off first.

An employee in one designated job classification may not exercise his seniority against any other designated job classification in the occupational group, except as is provided for in this Subsection.

(d) **Bumping into Undesignated Classifications**

An employee in a designated job, if he/she is subject to a layoff, after having exhausted his/her classification seniority, shall then exercise his/her seniority against the employee with the least seniority in the group of undesignated classifications in the occupational group.

(e) **Bumping into Labor Pool**

If an employee in the designated job classification does not have sufficient seniority to displace the employee with the least seniority in the group of undesignated job classifications, he/she then shall exercise his/her seniority, according to his seniority status and rate of pay, in the so-called General Labor Pool, hereinafter described and known as Group No. 1.

The employee with the least seniority in the rate bracket in Group No. 1 affected shall then exercise his seniority against the employee with the least seniority in Group No. 1.

(f) **Return to Designated Job - Demoted Employee**

It is agreed that, in the event of a cut in production, necessitating a reduction in force, the Company, upon an increase in production schedule, shall have the right to recall employees demoted from a designated job, rather than promote an employee with greater seniority.

(g) **Return to Designated Job - Laid-off Employee**

An employee in a designated job classification in a group who is laid off shall not be recalled to his/her former job in a designated classification while there is a seniority employee in an undesignated job classification in the occupational group who can qualify for the designated job classification, under the provision of Section 2, Article IV of this Agreement.

This shall not preclude the Company from moving qualified employees from the Labor Pool to designated jobs.

Section 12. Occupational Groupings "Undesignated" Jobs**(a) Bumping in Undesignated Classifications**

An employee in the undesignated job classifications in the group shall, in the first instance, in the event of a layoff, exercise his/her seniority against the employee with the least seniority in the group of undesignated job classifications in the occupational group.

(b) Bumping into Labor Pool

If an employee in the undesignated group of job classifications in the occupational group does not have sufficient seniority to hold a job within the group of undesignated jobs, he/she shall then exercise his/her seniority against the employee with the least seniority in the so called General Labor Pool hereinafter described and known as Group No. 1.

(c) No Bumping into Designated Classifications

Employees in undesignated job classifications in an occupational group shall not have the right to exercise their seniority against any employee in a designated job classification within the occupational group.

Section 13. Occupational Groupings - General Labor Pool (Group No. 1)**(a) Classifications Included**

All job classifications not specifically included in one of the occupational groups in the seniority Unit shall be included in a General Labor Pool which shall be called Group No. 1, provided that the allocation of new or unlisted classifications shall be negotiated.

(b) Bumping Within Labor Pool

Production employees in Group No. 1, in the event of a reduction in force, shall exhaust their seniority within their classification, within the department, and then exercise their seniority against the employee in Group No. 1 with the least seniority.

Non-production employees in Group No. 1, in the event of a reduction in force, shall exhaust their seniority within their classification, within the Unit, and then exercise their

seniority against the employee in Group No. 1 with the least seniority.

Section 14. Local Occupational Group Agreements - Approval

Agreements between Local Unions and local Managements on changes and additions to Appendix C*, etc., must be approved by the Ford Department of the International Union and Labor Affairs of the Company before becoming effective.

Section 15. Direct Referral of Disputes to Umpire

(a) Groupings of Jobs

Upon failure of the designated representative of the Company and the Union to agree as to the proper grouping of operations, the dispute may be referred directly to the Umpire.

(b) Interpretation of Occupational Group Clauses

It is further agreed that, in the event of a dispute as to the interpretation of any of the provisions of the "occupational group" clauses of this Agreement, either party shall have the right to refer the dispute forthwith to the impartial Umpire.

Section 16. Reduction in Force

(a) Occupational Group Basis

All reductions in force shall be by occupational groups as provided for in Sections 7 through 15 of this Article.

(b) Ten-Year Employees

When employees with ten (10) years of seniority exhausts their seniority within the Unit they may elect to:

- (1) Take available work or take a layoff. If they take available work, they will carry all their seniority to their new classification and Unit and shall retain no seniority in their old Unit, except as otherwise agreed to locally.
- (2) If there is no "available work" in the plant, they may displace probationary employees in any of the Labor

* Such an Appendix is a part of each local seniority grouping agreement, there is no Appendix C attached to this Agreement.

Pools, plant-wide. In such an event they will carry all of their seniority with them and retain no seniority in their former Unit.

(c) **Deviations from Seniority**

The order of layoff and recall shall be governed by first, seniority of employment, and second, ability. The Company shall consult with the Union before deviating from strict seniority except where prior consultation is rendered impracticable because of a sudden interruption or resumption of work. Should there be any dispute involving the application of this clause, it shall be subject to determination through the Grievance Procedure.

(d) **Deviation from Normal Operation of Occupational Group or Unit Seniority**

(1) **Imbalance Among Groups in a Unit**

Recognizing that the normal operation of occupational group seniority may result in the layoff of relatively high seniority employees from one group, including the Labor Pool, and the retention of relatively low seniority employees in another group with the result that a substantial and persistent imbalance in seniority between those working and those laid off from the Unit may exist, the parties are free to agree locally in writing to adopt procedures, to the extent and for the time necessary to meet the particular situation, to provide employment opportunities for higher seniority employees who may be laid off and who are qualified to perform the jobs of junior employees who are working.

(2) **Temporary Agreements (Rouge Area)**

Recognizing that abnormal situations may affect the operation of the seniority provisions of this Agreement in the Rouge Area in a manner resulting in the layoff of relatively high seniority employees in one Unit and the retention of relatively low seniority employees in another Unit, Labor Affairs and the Local Union shall meet and evaluate the situation and by mutual agreement may jointly deviate from the ordinary

application of the seniority provisions of this Agreement to the extent, and for the time, necessary to provide employment opportunities for higher seniority employees who may be laid off, notwithstanding that such action would displace junior employees who would otherwise continue to work under the normal application of the seniority provisions.

- (3) In connection with deviations provided for in Subsections(1) and (2) above, the parties recognize and agree that efficiency and quality in plant operations must not be jeopardized and that so-called leveling of seniority is not a realistic or practical objective.

Section 17. Preparation of Layoff Lists

In the event of a reduction in force other than a temporary layoff, the Company shall, in preparing the list of employees to be affected by the layoff including their classification and seniority date, have prior consultation with the appropriate Union representative where time permits.

After such consultation and the list of employees to be laid off has been agreed upon, the Union shall not contest the accuracy of the list through the Grievance Procedure unless the Company does not within three (3) days make such corrections as might later be suggested by the Union.

In the event of a dispute as to the proper method of conducting the layoff, the Company's method shall be followed and the Union may have recourse to the Grievance Procedure.

Section 18. Recall

For the purpose of recall, the procedure as stated in the above Sections will be followed in reverse order.

Section 19. Layoff and Recall of Union Officers

Notwithstanding their positions on the seniority list, all local building or Unit officers (that is, the President and Vice President) shall have preferential seniority in their respective Units in case of a layoff and subsequent recall, provided that there is work available which they can perform, and provided further that in plants with less than

one hundred (100) employees, deviation from this rule may be negotiated between Management and the International Union.

Section 20. Scheduled Reductions in Working Hours

It is recognized that under normal circumstances, operation of the Company's plants or Units on a forty (40) hour per week schedule is a desirable objective. The Company will make every effort, which in its judgment is feasible, to attain this objective, but both parties recognize that its attainment is not always possible in view of recurring changes in circumstances which may result in overtime being scheduled in some weeks and less than forty (40) hours per week being scheduled in others.

Except under unusual conditions, it is undesirable to operate a Unit at a schedule of employment providing for less than thirty-two (32) hours per week for more than four (4) consecutive weeks.

In applying the above provisions, a week in which the employees involved are not scheduled to work shall not be taken into account and shall not be considered inconsistent with the foregoing objectives. Paid holidays shall be counted as eight (8) scheduled hours of work.

Section 21. Temporary Layoffs

(a) Definition and Applicability

A temporary layoff, on model changes only, is defined as a layoff of not more than thirty (30) working days.

A temporary layoff for any other reason, is defined as a layoff of not more than twelve (12) working days.

The provisions covering temporary layoffs shall apply to all employees, both production and non-production employees, and the so-called "skilled plant-wide" classifications in the Rouge Area. The so-called "skilled plant-wide" classifications, are not subject to the model change layoff provisions of this Agreement.

(b) Right to Deviate from Seniority

In the event of a temporary layoff, the Company shall have the right to lay off employees as their work is completed,

irrespective of their group seniority; provided, however, that no other employee will be used on the jobs of employees who are temporarily laid off.

Upon resumption of work, employees shall be recalled as their jobs open up.

If necessary to retain some employees as members of a skeleton crew in a department during a temporary layoff, seniority employees will be used when practical.

(c) Discussions After 5 Days

After five (5) days have elapsed following a temporary layoff, the Union shall meet with the Company to discuss the practicability of recalling seniority employees to replace junior employees for the remainder of such temporary layoff period; and where the Company agrees that it is practicable to do so, it will make such replacements.

(d) Local Negotiations

Deviations from the terms of Subsections (a), (b) and (c) of this Section may be made by agreement between local Management and the Unit affected for a particular temporary layoff. Any other agreement to deviate from Subsections (a), (b) and (c) shall be subject to written approval of the National Ford Department of the Union and Labor Affairs of the Company.

(e) Inverse Seniority

Upon request of the Local Union, the local parties shall enter into an agreement applying the concept of inverse seniority where: (1) the layoff is for a definite time and limited duration, and (2) all probationary employees have been laid off from the affected group referred to below. The Union agrees that any such local agreement shall give full consideration to and shall not impair plant operating efficiencies, including, but not limited to, those inefficiencies which might occur as a consequence of undesirable bumping or replacement of employees. Consistent with this requirement, it is further agreed that employees shall be laid off and recalled under the terms of this inverse seniority layoff procedure by groups (defined by

classification and department) to be negotiated by the local parties. It is expressly understood that the local parties shall not enter into arrangements which permit employees on inverse seniority layoff to return to work to be replaced on layoff by other employees during the period of limited layoff. Nor will an employee who is laid off pursuant to an inverse seniority arrangement be permitted to return to work as a result of exhaustion of, or disqualification from, State Unemployment Compensation Benefits or Company-provided Supplemental Unemployment Benefits. Nothing in the foregoing shall preclude the Company from recalling any employee prior to the expiration of the limited layoff period. Local Unions which believe that a particular layoff which does not meet the above criteria warrants the application of inverse seniority may make a request to that effect to the National Ford Department. The National Ford Department may take up any such requests which it believes to be meritorious with Labor Affairs.

Solely for the purpose of implementing this provision, a Local Union which includes more than one representation Unit, as defined in Article VI, and local Management may agree that the term local parties shall mean such respective representation Units and the local Management corresponding with such Units. Any such local agreement shall be in writing and subject to approval by the National Ford Department of the UAW and Labor Affairs of the Company.

(f) Limitation on Use

The temporary layoff provisions shall not be used for the purpose of avoiding seniority adjustments by scheduling a series of temporary layoffs to meet planned production needs.

Section 22. Loans

(a) Within Plants

In the event it is necessary to loan employees from one classification to another classification within a Unit, or to loan employees from one Unit to another Unit within a plant, the employees with the least seniority on the

operation, by classification, within the department affected by the loan shall be the employees to be loaned.

When it is necessary to deviate from the above the Committeeperson will be notified, and such notification shall be given in advance when practicable.

(b) Between Plants

Loans from one plant to another plant may be made for a period of thirty (30) days; however, this period may be extended by mutual agreement.

Section 23. Transfers

(a) Within Seniority Group

The Union recognizes the right of the Company, subject to the restrictions of other applicable provisions of this Agreement, to move employees from one occupational classification to another occupational classification within the employees' seniority group. However, no employee shall be moved indiscriminately.

(b) Between Groups or Units Within Plant

When a seniority employee is transferred from one occupational seniority group or Unit to another within a plant, he/she shall carry his full accumulated seniority to the new group or Unit and shall retain no seniority in his/her old group or Unit. (This Subsection does not apply to occupations listed in Appendix D to local seniority grouping agreements.)

(c) Between Plants

Seniority employees who are transferred from one plant to another plant shall be considered seniority employees of the new plant as provided in Section 1(c) of this Article, subject to the provisions of Section 24 of this Article.

Transfers of seniority employees from one plant to another may only be made with the signed consent of the employee and his Committeeperson (the National Ford Department will be advised of these transfers) except where placement is provided under other provisions of this Agreement or Supplementary Agreements.

In the event such transferred employees are affected by a reduction in force in the new plant, they shall be laid off or returned to their original plant according to their election as provided in Article VIII, Section 1(b). Employees with basic non-skilled trades seniority in their original plant who do not acquire skilled trades seniority there but who have acquired skilled trades (Appendix D) seniority in the new plant shall retain such skilled trades seniority in the new plant on return to their original plant and shall be recalled according to such skilled trades seniority. If such employee fails to accept such recall, he/she shall retain no seniority except at his original plant.

Section 24. Transfer of an Operation

(a) Transfers Affecting Rouge Area Only

In the event of a transfer of an operation from one Unit to another within the Rouge Area the employees affected shall be transferred to the new Unit, taking their seniority with them.

On the partial transfer of an operation, the method of transferring the employees shall be subject to local negotiation.

(b) Other Inter-Plant Transfers

In the event of a transfer of an operation from one plant to another plant other than within the Rouge Area, providing both plants are covered by this Agreement, an employee who is offered and accepts a transfer with the operation shall carry the seniority to the new plant which he had at the old plant, regardless of the terms of any local agreement.

The foregoing rule shall also apply in the event of a partial transfer of an operation to a new plant from an old plant which may be closed or continued on a reduced employment basis. It shall not apply, however, to partial transfers of operations incident to adjustments in production schedules or changes in the products at any location.

Section 25. Discontinuance of Work

(a) Classification or Operation Within Unit

In the case of a permanent discontinuance of a classification or of an operation within a seniority Unit, the employees

affected shall be transferred to a similar occupational group on a plant-wide basis within five (5) working days.

(b) Occupational Group Within Unit

In the event of a permanent discontinuance of a group the designated and undesignated classifications within the group shall exercise their seniority according to their seniority status and rate of pay in the Labor Pool, Group No. 1.

(c) Seniority Unit Within Multi-Unit Plant Area

In the case of a permanent discontinuance of a seniority Unit the procedure will be as follows:

(1) If there is a similar group within another Unit the designated classifications within the discontinued group will exercise "designated" seniority as defined in Section 11 of this Article, and the undesignated classifications shall exercise "undesignated" seniority as defined in Section 12 of this Article.

(2) Employees of the Labor Pool in the discontinued Unit shall replace all probationary employees in all remaining Labor Pools plant-wide. If the number of employees in the discontinued Labor Pool exceeds the number of probationary employees in the Labor Pools of other Units, the surplus employees in the Labor Pool in the Unit affected shall be assigned to jobs in Labor Pool groups in other seniority Units, in line with their seniority.

(d) Time Limit on Transfers - Rouge Area

In the Rouge Area, in the event of a permanent discontinuance of a seniority group or seniority Unit, the Company shall transfer the employees affected within five (5) working days.

(e) Employees Laid Off - Placement Consideration at Other Plants

In the event of permanent discontinuance of work in a group, Unit, or plant, laid-off employees shall be given placement consideration at other plants of the Company consistent with the provisions of the Job Security Program,

preferential placement or other applicable placement arrangements.

Section 26. Offers of Work in Other Plants

Any provisions of this Agreement to the contrary notwithstanding, the Company, in order to provide stabilized employment, shall have the right to offer employees who have exhausted their seniority within their seniority Unit any available work within any of the plants covered by this Agreement, if the plants to which employees are offered jobs are located in the same labor market area, as defined by the State Employment Security Commission of the state in which the plants affected are located; provided, however, that those plants presently covered by the Detroit Area Availability List Agreement as amended shall be considered to be the same "labor market area."

If no open jobs are available, such employees may be offered, at the option of the Company, the right to displace probationary employees in any other plant in the same labor market area.

In the event of the discontinuance or partial discontinuance of a classification or of an operation within a seniority Unit, or the discontinuance or partial discontinuance of a seniority Unit, the Company may offer the affected employees the opportunity to transfer to available work or to displace probationary employees in any of the plants covered by this Agreement.

For skilled Tool and Die, Maintenance and Construction, and Power House employees, offers of available work and offers to displace probationary employees shall be limited to Tool Room Departments, Maintenance Departments and Power House Departments, respectively.

Employees who have displaced probationary employees shall not be displaced by probationary employees.

Employees who refuse such offers of available work or displacement of probationary employees shall not, by such refusal, lose their seniority call back rights.

Section 27. Employees With Disabilities

Any employee who has been incapacitated at his regular work by injury or compensable occupational disease while employed by the Company may be employed in other work, in the plant or in any Unit of a multi-unit plant, which he can do, at the discretion of the Company after consultation with the Union without regard to any seniority provisions of this Agreement. Laid-off employees with work-related incapacities will be recalled in line with seniority only as openings occur.

The company will not invoke this provision to retain employees with work related incapacities out-of-line of seniority when a disparity in seniority of more than two years exists.

Section 28. Shift Assignments and Rotation**(a) Assignment of Shifts**

The Company agrees to the principle that seniority employees should be given consideration in assignment of shifts. However, it is recognized that it is impossible to operate the plants efficiently with all the older employees on any one shift and, therefore, seniority alone cannot be the sole determining factor in applying the above principle.

Agreements pertaining to shift preference may be negotiated locally subject to the approval of Labor Affairs and the National Ford Department. Any such agreements shall be consistent with the principle set forth above.

(b) Rotation of Shifts

Rotation of shifts shall be determined by the members of the building or Unit, whichever the case may be, with mutual agreement of Management.

Section 29. Personal Leaves of Absence**(a) Procedure for Obtaining**

An employee requesting leave of absence shall make application to his/her Supervisor on a form to be provided for that purpose and shall then take the signed form to the Employment Office for his/her official leave of absence slip. An approved copy of the official leave of absence slip will

be furnished to the employee before such leave shall become effective.

(b) **Not Over 30 Days**

Leave of absence may be granted for personal reasons for a period not to exceed thirty (30) days upon application of the employee and approval of his Supervisor.

(c) **Over 30 up to 180 Days**

Leave of absence may be granted for personal reasons for a period not to exceed 150 days upon application of the employee and approval of the Management when the services of the employee are not immediately required and there are employees available at the plant capable of doing his/her work; provided that the employee does not work in any occupation for his/her own gain during the leave of absence unless mutually agreed by the Company and the Union. Leave of absence may be granted under the foregoing conditions for a period exceeding 150 days but not to exceed 180 days if required for the purpose of traveling to a foreign country. Any violation of this provision may result in the employee losing his seniority, provided that proof of the violation is furnished by the Union to the Company within fifteen (15) days after date of reinstatement.

(d) **Extension**

Leaves of absence may be extended upon the approval of the Employment Office.

(e) **Copies to Union**

A copy of all approved official leaves of absence forms granted to employees shall be furnished by the Company to the Financial Security of the Local Union involved.

Section 30. Medical Leaves of Absence

An employee who is unable to work because of injury or illness, and who furnishes satisfactory evidence thereof, shall be granted an automatic sick leave of absence covering the period of such disability, subject to the provisions of Section 5 of this At the expiration of such period, the employee will be returned to work which the employee can

perform in accordance with the employee's seniority, except as otherwise provided with respect to probationary employees in Section 4 of this Article.

No sick leave shall extend beyond a period of time equal to the employee's seniority at the time the employee was removed from the active employment rolls of the Company or 18 months, whichever is greater; provided, however, that a sick leave because of compensable injury or occupational disease shall extend for the duration of compensable temporary total disability. Not later than thirty (30) calendar days prior to the expiration of such period of time, the Company will send a letter to the employee's last known address according to the Company's records reminding the employee that seniority is subject to being broken because of the period of time encompassed by the sick leave as provided above. A copy of the letter will be furnished promptly to the Chairperson of the Unit Committee. However, failure through oversight to send the letter to the employee or furnish a copy to the Chairperson of the Unit Committee will not be the basis for any claim.

Section 31. Certain Other Leaves of Absence

(a) Union Leaves of Absence

An employee elected to a Union position or selected by the Union to do work which takes him/her from his/her employment with the Company shall, upon written request from the Union, submitted to the Company at least three days prior to the first day of absence, receive a temporary leave of absence for the period of his service with the Union, and upon his/her return shall be reinstated at work in line with his/her seniority status in the classification in which he/she was engaged last prior to his/her leave of absence; his/her seniority shall accumulate throughout the period of his/her leave of absence and, solely for purposes of Art. IX, Sec. 2(c), full weeks of Union leave of absence shall be credited towards the hiring-in rate progression schedule when the employee is reinstated upon his/her return. Leaves of absence for a period of a year or more shall be renewed yearly.

(b) **Public Office Leaves of Absence**

A seniority employee elected or selected for a full-time public office which takes him/her from his/her employment with the Company shall, upon prior written request, receive a temporary leave of absence for the term of such office or one year, whichever is less, and upon his/her return shall be reinstated at work in line with his/her seniority status in the classification in which he/she was engaged last prior to his/her leave of absence. His/Her seniority shall accumulate throughout the period of his/her leave of absence. Such leaves of absence may be renewed yearly with the approval of the Company.

(c) **Peace Corps Leaves of Absence**

A seniority employee entering the Peace Corps shall, upon prior written request and submission of evidence satisfactory to the Company, receive a leave of absence for the period of his service in the Peace Corps, but not to exceed three (3) years. If the employee returns to work within thirty (30) days after completion of his/her service with the Peace Corps he/she shall be reinstated at work in line with his/her seniority status in the classification in which he/she was engaged last prior to his/her leave of absence. His/Her seniority shall accumulate throughout the period of his/her leave of absence.

(d) **Credit Union Leaves of Absence**

A seniority employee who is elected or appointed to a full-time position with a credit union chartered by the federal or state government and which serves Ford employees primarily shall, upon prior written request from the credit union, receive a temporary leave of absence for the term of his position with the credit union or one (1) year, whichever is less, and upon his/her return shall be reinstated at work in line with his/her seniority status in the classification in which he/she was engaged last prior to his/her leave of absence; his/her seniority shall accumulate throughout the period of his/her leave of absence. Such leaves of absence may be renewed yearly with the approval of the Company.

(e) **Educational Leaves of Absence**

An employee with one (1) or more years of seniority shall, upon written request at least sixty (60) days prior to the beginning date of the leave and subject to the following conditions, receive a leave of absence for up to one (1) year to further the employee's education. When applying for such leave, the employee must present evidence satisfactory to the Company of acceptance as a full-time student at an accredited college, university, or vocational institution; and upon completion of each semester or other school term encompassed by the leave, the employee must present satisfactory evidence of continuous attendance at the educational institution as a full-time student during such term(s). The course of instruction pursued must relate to the employee's employment opportunities with the Company. Such leave of absence may be renewed with the approval of the Company, subject to the same conditions set forth above concerning evidence of acceptance and of continuous attendance at the educational institution as a full-time student.

The employee's seniority shall accumulate throughout the period of the educational leave of absence. If the employee completes or discontinues such educational program prior to the expiration date of the leave and makes application for reinstatement within five (5) calendar days of the date of completion or discontinuation, the employee shall be reinstated at work in line with the employee's seniority status in the classification in which the employee was engaged last prior to the leave of absence.

Section 32. Leaves of Absence - Accumulation of Seniority

Seniority shall accumulate during the period of an approved leave of absence for seniority employees.

Section 33. Military Service; Veterans

(a) **Employees Reinstated Prior to October 4, 1993 - Seniority Credit**

Any employee who, prior to October 4, 1993, has received seniority credit for military training or service subsequent to May 1, 1940, pursuant to provisions of prior agreements

between the parties, shall continue to receive such seniority credit.

(b) **Reinstatement Following Military Service**

Effective November 23, 2015, employees now serving in the Armed Forces of the United States or employees who shall hereafter serve in the Armed Forces of the United States shall be entitled to reinstatement upon the completion of such service to the extent and under the circumstances that reinstatement may be required by the applicable laws of the United States, provided that any employee whose discharge from service is other than dishonorable, shall be accorded the same reinstatement rights as such laws provide in the case of persons honorably discharged. **The leave shall not exceed the term of the initial enlistment and one (1) consecutive reenlistment. In no event will the period of such leave exceed a total of eight (8) years except when additional service is involuntary.**

If the employee is unable to apply for reinstatement by reason of physical disability during the period within which such application is required by law to be made, application must be made within ninety (90) days from the time such disability is ended.

For the purpose of this Section, it is understood that none of the employees covered by this Agreement has been or is employed in a temporary position within the meaning of that term as used in the applicable laws of the United States, and that probationary employees shall be entitled to credit for the period of such service toward the completion of the probationary period as well as the accumulation of seniority thereafter.

(c) **Reinstatement Following Military Service - Effect of Disability**

Any employee reinstated following a period of training or service, who has incurred during such period a disability which prevents him/her from doing the work of the position to which he/she would otherwise be reinstated shall be treated in the first instance only, the same as an employee who has been incapacitated at his regular work by injury or

compensable occupational disease as set forth in Section 27 of this Article.

To be eligible for these benefits set forth in this Subsection, the employee must have furnished to the Employment Office for his/her plant within thirty (30) days of the time he/she applied for reinstatement a statement from the Veteran's Administration, that he/she sustained an injury while in such service.

(d) Leave for Government-Provided Training

Any reinstated veteran who makes application to the Employment Office for his/her plant shall be granted a personal leave of absence in accordance with applicable provisions of this Agreement in order to take full-time institutional training provided by the Government.

The employee granted such leave shall be reinstated with full seniority for the period of the leave if application for reinstatement is made to the Employment Office within thirty (30) days from the time of completion or discontinuance of such training and not later than five (5) days following expiration of such leave of absence.

Section 34. Accumulation of Seniority - Supervisors

A seniority employee in a classification subject to the jurisdiction of the Union, who has been in the past or will be in the future promoted to Assistant Supervisor, Supervisor, or any other supervisory position, and is thereafter transferred or demoted to a classification subject to the jurisdiction of the Union shall accumulate seniority while working in a supervisory position for any period prior to November 24, 1979, and when so transferred or demoted shall commence work in a job generally similar to the one he/she held at the time of his/her promotion with the seniority ranking he/she had at the time of his/her promotion plus the seniority accumulated while he/she was working in the supervisory position, for any period prior to November 24, 1979, in conformity with the seniority rules of plants covered by this Agreement.

Notwithstanding the above, a seniority employee promoted to Assistant Supervisor, Supervisor, or any other supervisory position as a vacation replacement on or after October 22, 1979, shall continue to accumulate seniority for a period not to exceed six (6) months.

No temporary demotions in supervisory positions will be made during temporary layoffs.

Section 35. Accumulation of Seniority - Other Excluded Employees

A seniority employee in a classification subject to the jurisdiction of the Union, who, subsequent to June 20, 1941, is, or has been transferred to a classification excluded from the Contract Unit under Article I, Section 1, of this Agreement other than plant and fire protection classifications, and is thereafter transferred to a classification subject to the jurisdiction of the Union, shall accumulate seniority while working on the excluded classification and when so transferred shall commence work in a job generally similar to the one he/she held at the time of his/her transfer, with the seniority ranking he/she had at the time of his transfer, plus the seniority accumulated in accordance with the provisions of the following paragraph while he/she was working in the excluded classification and in conformity with the seniority rules of plants covered by this Agreement.

A seniority employee who has been transferred to an excluded classification prior to October 22, 1979, shall continue to accumulate seniority while working in an excluded classification. A seniority employee who is transferred to an excluded classification on or after October 22, 1979, will not accumulate seniority while working in an excluded classification.

An employee hired directly to an excluded classification shall acquire no seniority rights under this Agreement.

No temporary transfers to or from excluded classifications will be made during a temporary layoff.

ARTICLE IX**WAGES AND OTHER ECONOMIC MATTERS*****Section 1. Wage Rates - General**

The hourly rates for each classification covered by this Agreement will remain the same as at the expiration of the Agreement between the Company and the Union dated **October 4, 2011**, except as otherwise provided in this Agreement, in the Settlement Agreement between the parties dated **November 5, 2015**, or in any local agreement referred to in Article X, Section 8 which provides for wage rate adjustments.

Section 2. Wage Rate Increases**(a) General Wage Increase**

- (i) **Employees whose straight time hourly wage rate was \$27.825 or more as of the effective date of this agreement shall receive a three percent (3%) increase added to their base wage rate on the Effective Date of this agreement.**
- (ii) **Effective September 17, 2017, employees who were eligible for a base wage increase according to Section 2 (a) (i) shall receive a second base wage increase of three percent (3%) increase added to their base wage rate.**

The General Wage Increase will not be applied to the “increment above” portion of classification pay rates.

(b) Performance Bonus Payments

- (1) **The Performance Bonus provided for in this Subsection recognizes the principle that a continuing improvement in the standard of living of employees depends upon technological progress, better tools, methods processes and equipment, and a cooperative attitude on the part of all parties in such progress. It further recognizes the principle that to produce more with the same amount of human effort is a sound economic and social objective.**

Accordingly, it is agreed that the following Performance Bonus payment shall be made to each eligible employee who was also eligible to receive a general wage increase in accordance with Section 2(a) above in accordance with the following table:

Eligibility Date	Amount	Payable During Week Ending
September 19, 2016	Four Percent (4.0%) of Qualified Earnings	October 16, 2016
September 17, 2018	Four Percent (4.0%) of Qualified Earnings	October 14, 2018

An employee shall become eligible for a Performance Bonus payment as hereinafter defined, provided he/she has seniority as of the designated eligibility date set forth above.

An employee's Performance Bonus will be based on the Qualified Earnings during the 52 consecutive pay periods immediately preceding the pay period in which the designated eligibility date falls.

Qualified Earnings, as used herein, are defined as income received by an eligible employee from the Company during the designated Performance Bonus eligibility year resulting from the following:

Hourly Base Wage^{*1}

Shift Premium*

Crew Premium

Vacation and Excused Absence Allowance

Holiday Pay

^{1*} Including overtime, Saturday, Sunday and Holiday premium payments.

*Skilled Trades, Retirement and Supplemental Unemployment Benefits, Profit Sharing Plan, Tax Efficient Savings Plan and Legal Services Plan are covered by separate agreements between the parties.

Seven-day Operations Bonus

Bereavement Pay

Jury Duty Pay

Apprentice Training Incentive Payment

Call-In Pay

Short Term Military Duty Pay

Back pay awards related to the designated eligibility year

- (2) An eligible employee who retires during the Performance Bonus Eligibility year provided in this Section and who, but for such retirement, would have had seniority as of the designated eligibility date, will qualify for the Performance Bonus as defined in this Section.**
- (3) In the case of an eligible employee who dies during the Performance Bonus eligibility year, a Performance Bonus shall become payable as if they were a seniority employee on the designated eligibility date and calculated based on their Qualified Earnings during the eligibility year as defined in this Section. Such Performance Bonus will be paid to the estate or, if permitted by local law, to the next of kin.**

(c) Apprentice Rates

Provisions for wage adjustments for apprentices is made in Article 9 of the Apprenticeship Standards Agreement, Exhibit 1 of the Skilled Trades Supplemental Agreement.

Section 3. Application of Increases to Spread Rates; Rate Progression Under Merit Increase Agreement:

The amount of the increases provided in Section 2(a) of this Article that are added to the maximum rate for each spread rate classification shall also be added to the minimum rates.

Rate progression in spread rate classifications shall be as provided in the Merit Increase Agreement attached hereto as Appendix G.

The application of spread rates for Appendix F (Skilled Trades) classifications shall be as provided in Section 2 of the Skilled Trades Supplemental Agreement.

Section 4. Inflation Bonus Lump Sum Payment

During the current negotiations, the parties agreed to provide a lump sum payment to each eligible employee represented by the Union in accordance with the following table:

Eligibility Date	Amount	Payable during week ending
May 15, 2016	\$1500	June 12, 2016
May 15, 2017	\$1500	June 11, 2017
May 15, 2018	\$1500	June 10, 2018
May 15, 2019	\$1500	June 9, 2019

Eligible employees are defined as those whose status with the Company as of the eligibility date is one of the following:

- Active with Seniority
- On temporary layoff status
- On leave pursuant to Family and Medical Leave Act
- On leave of absence beginning not earlier than ninety (90) days prior to the eligibility date.

In addition, should the International Union, UAW-Ford Department raise any question of equity in application regarding specific employees, the Company agrees to meet on such cases in order to review the facts.

Section 5. Call-in Pay

Any employee called to work or permitted to come to work without having been properly notified that there will be no work shall receive a minimum of four (4) hours' pay at the regular hourly rate, except in case of labor disputes or other conditions beyond the control of the local Management.

Section 6. Shift Premiums**(a) No. 3 (Afternoon) Shift**

A shift premium of five per cent (5%) of No. 3 shift earnings, including overtime premium, will be paid to employees working on the No. 3 (afternoon) shift.

(b) No. 1 (Midnight) Shift

A shift premium will be paid to employees working on the No. 1 (midnight) shift equal to ten per cent (10%) of No. 1 shift earnings, including overtime premium.

(c) Identification of Shifts

- (1) An employee whose scheduled shift starts on or after 7 P.M. but before 5 A.M. shall be deemed to be working the No. 1 (midnight) shift.
- (2) An employee whose scheduled shift starts on or after 5 A.M. but before 10:30 A.M. shall be deemed to be working the No. 2 (day) shift.
- (3) An employee whose scheduled shift starts on or after 10:30 A.M. but before 7 P.M. shall be deemed to be working the No. 3 (afternoon) shift.

Section 7. Weekly Overtime Premium**(a) Amount**

Time and one-half will be paid for time worked over forty (40) compensated hours per week.

If an employee's work schedule is modified by, or at the request of, the Company, any hours not worked will count as compensated hours for purposes of credit toward the forty (40) hour requirement. For applying this provision, eligible Short Work Week hours are considered compensated hours even though the resultant overtime hours may reduce an employee's Short Work Week benefit.

(b) No. 1 Shift Saturday

Except for employees working on necessary continuous seven-day operations, employees scheduled to work the No. 1 Shift (midnight) Saturday whose shift starts on Friday prior to midnight and who have not worked forty (40) straight-time hours in the workweek due to a contractual paid absence, will have such paid absence hours included in determining the over forty (40) compensated hours in (a) above.¹

Section 8. Identification of Workweek

The workweek shall be deemed to commence with the No. 1 shift Monday and end one hundred sixty-eight (168) hours thereafter.

Section 9. Saturday Premium

Time and one-half will be paid for time worked on Saturdays, provided the employee has worked over forty (40) compensated hours in the workweek, as defined in Section 7 of this Article, except as otherwise provided in Section 12 of this Article, Appendix W, Alternative Work Schedules, and except for employees regularly scheduled to work Saturday or any portion thereof as the normal fifth day worked such as (a) an employee whose shift starts Friday and continues into Saturday, or (b) an employee who is assigned to work on No. 1 Shift (midnight) operations regularly scheduled to start with the No. 1 Shift (midnight) Tuesday. Schedules described in (b) of the preceding sentence shall not be employed subsequent to thirty (30) days after October 18, 1976 except by mutual local agreement. Employees described in (b) above shall receive time and one-half for time worked on the No. 1 Shift (midnight) Monday in lieu of Saturday premium.

Section 10. Sunday Premium

Double time will be paid for work on **the calendar** Sunday, except as otherwise provided in Section 12 of this Article and Appendix W, Alternative Work Schedules.

Section 11. Holiday Premium

Double time shall be paid for work on holidays as enumerated in Section 22 of this Article.

Section 12. Overtime Premiums - Seven-Day Operations

Employees working on necessary continuous seven-day operations whose occupations involve work on Saturdays, Sundays, and holidays, shall be paid overtime for work on these days only for time worked in excess of eight (8) hours per day or in excess of forty (40) hours per week, except as otherwise provided below:

- (1) Time and one-half shall be paid for hours worked on the employee's first scheduled day off in the workweek.
- (2) Double time shall be paid for hours worked on the employee's second regularly scheduled day off in the workweek.

Time and one-quarter (1-1/4) shall be paid for hours worked on Saturday or Sunday that are not payable on an overtime basis. Double time shall be paid for hours worked on any of the designated holidays.

Section 13. Computation of Premium Time; Pyramiding

Premium payments shall not be duplicated for the same hours worked under any of the terms of Sections 7 through 12, inclusive, of this Article.

For purposes of computing daily overtime, a day shall be deemed to commence with the starting time of the employee's shift; provided, however, that daily overtime subsequent to a change in the employee's scheduled starting time, other than daily overtime accrued during the 24-hour period commencing with the prior starting time, shall be computed beginning with the new starting time.

Any hours for which an overtime premium has been paid pursuant to Article IX, Section 7, or a premium has been paid for work on Monday pursuant to Article IX, Section 9, or pursuant to Paragraphs 1 and 2 of Article IX, Section 12, shall be excluded from consideration in determining

whether any premium payment shall be made for any other hour or part thereof.

Section 14. Computation of Working Time

As the machine equipment is installed in the various plants, the method of computing time will be changed from 15-minute (1/4 hour) to 6-minute (1/10 hour) periods.

Section 15. Medical Treatment During Working Hours - Time Allowance

An employee who suffers a work injury or contracts an occupational disease in the course of employment by the Company will be compensated for the working time lost on the day in question when approved by the designated representative of Management, should the employee leave work with permission of supervision and receive medical treatment during working hours. In addition, on the day of the work injury, employees requiring medical treatment beyond their scheduled work hours will be paid for such treatment time up to four hours at their time and one half premium, provided such employees present suitable evidence of the time spent in treatment.

A claim that such approval has been improperly withheld may be processed through the Grievance Procedure.

Section 16. Temporary Assignment to Other Plant - Time and Expense Allowances

If an employee is assigned temporarily to work at a plant other than the one in which he regularly is employed, the following rules shall apply:

- (1) If on a day during which the employee is to perform a temporary assignment at another plant, he is required by the Company to report at his regular plant and proceed from there to his temporary assignment, and/or to report back at his regular plant following the completion of his temporary assignment, he shall be compensated for the resultant time necessarily spent in traveling between the two plants as if it were time worked.

- (2) In any event, if the employee is required by the Company to spend a portion of the time during which he normally is scheduled to work in traveling to or from the plant to which he is temporarily assigned, he shall be compensated for such portion as if it were time worked.
- (3) If the assignment requires inter-city travel (except between cities in the same metropolitan area), the employee's necessary transportation fare shall be borne by the Company.

Nothing in the foregoing shall supersede or cancel any local agreement covering the same subject now in effect.

Section 17. Deduction of Overpayments

The Company will not deduct from an employee's pay amounts by which he may have been overpaid in previous pay periods.

This does not apply, however, to overpayments which are the result of clerical or mechanical errors in calculating an employee's pay, where such error is discovered and the employee and Union are provided a written time stamped notification indicating the amount of the overpayments and the pay ending dates of the overpayments within thirty (30) days of receipt of the erroneous pay. Deductions will be itemized on the employee's paycheck stub, pay envelope or equivalent record.

Section 18. Jury Duty Pay

Any seniority employee who is called to and reports for jury duty (including coroner's juries) will be paid by the Company for each day partially or wholly spent in performing jury duty, if the employee otherwise would have been scheduled to work for the Company and does not work, an amount equal to the difference between (i) the employee's regular straight-time hourly rate, including shift premium and seven-day operations bonus, where applicable, but excluding overtime and any other premiums (or in the case of incentive employees, their average straight-time hourly earnings, including incentive earnings, but excluding

all other premiums, for the last four pay periods worked immediately preceding the week prior to the week in which the employee reports for jury duty; for the number of hours up to eight (8) that the employee otherwise would have been scheduled to work and (ii) the daily jury duty fee paid by the court (not including travel allowances or reimbursement of expenses). To receive payment under this Section, employees must give the Company prior notice that they have been summoned for jury duty and must furnish satisfactory evidence that jury duty was performed on the days for which payment is claimed. The provisions of this Section are not applicable to employees who, without being summoned, volunteer for jury duty.

Employees who are called to and report for an interview or an examination to qualify for selection to a jury will be considered to have performed jury duty and will qualify for jury duty pay if otherwise eligible as provided in the preceding paragraph of this Subsection.

A No. 1 (midnight) or a No. 3 (afternoon) shift employee will be excused from work on either the shift immediately preceding the jury service, or the shift immediately following the completion of the jury service, at the option of the employee. Such employee must notify their immediate supervisor of their election prior to being absent from work. It is understood that any one day of jury service may not be used to excuse the employee for more than one shift.

Employees who are called to and report for jury duty during a work day that is within the employee's scheduled vacation shutdown may request equivalent Excused Absence Allowance (EAA) hours for each day served (8 hours) provided the employee furnishes satisfactory evidence that jury duty was performed. At Alternative Work Schedule locations, the Excused Absence Allowance time may be requested in increments of one regular shift for each regular work day served. It is understood that the vacation shutdown pay received will still be retained by the employee, but the daily jury duty fee paid by the court (not including travel allowances or reimbursement of expenses) will be deducted.

Section 19. Bereavement Pay

When death occurs in an employee's immediate family (i.e., current spouse; parent or stepparent; grandparent or great-grandparent; parent, stepparent or grandparent or great-grandparent of current spouse; child or stepchild; brother, half brother or stepbrother; sister, half sister or stepsister; grandchild) a seniority employee, on request, will be excused for any three (3) regularly scheduled days of work or any five (5) regularly scheduled days of work in the case of the death of an employee's current spouse, parent, child, stepchild, or in the case of multiple deaths of members of the employee's immediate family (or for such fewer days as the employee may be absent) during three (3) days or five (5) days in the case of the death of an employee's current spouse, parent, child, stepchild, or in the case of multiple deaths of members of the employee's immediate family (excluding Saturdays and Sundays, or, in the case of seven-day operations, excluding regular days off) beginning no later than the date of funeral or service provided the employee attends the funeral or service. After making written application therefore, the employee shall receive pay for any scheduled hours of work up to eight (8) per day for which the employee is excused (excluding Saturdays and Sundays, or, in the case of seven-day operations excluding regular days off) provided the employee attends the funeral or service. In the event the body of a member of the employee's immediate family is not buried in Continental North America solely because the death has physically destroyed the body or the body is donated to an accredited North American hospital or medical center for research purposes, the requirement that the employee attend the funeral or service will be waived. Payment shall be made at the employee's regular straight-time hourly rate on the last day worked (or, in the case of incentive employees, the employee's average straight-time hourly earnings, including incentive earnings, for the last four (4) pay periods worked immediately preceding the week prior to the week in which the absence commences) including shift premium and

seven-day operations bonus, where applicable, but excluding overtime and any other premiums.

Section 20. Short-Term Military Duty Pay

An employee with one or more years of seniority who is called to and performs short-term active duty of thirty (30) days or less, including annual active duty for training, as a member of the United States Armed Forces Reserve or National Guard shall be paid by the Company for each day partially or wholly spent in performing such duty, if the employee otherwise would have been scheduled to work for the Company and does not work, an amount equal to the difference, if any, between (i) the employee's regular straight-time hourly rate on the last day worked (or, in the case of an incentive employee, the employee's average straight-time hourly earnings, including incentive earnings, for the last four (4) pay periods worked immediately preceding the week prior to the week in which the employee reports for military duty), including shift premium and seven-day operations bonus, where applicable, but excluding overtime and any other premiums, for the number of hours up to eight (8) that the employee otherwise would have been scheduled to work and (ii) the employee's daily military earnings (including all allowances except for rations, subsistence and travel). The Company's obligation to pay an employee for performance of military duty under this Section is limited to a maximum of **thirty (30)** scheduled working days in any calendar year; except where the days of such active duty are the result of local states of emergency or riot, in which case they shall not be chargeable against the **thirty (30)** scheduled working day maximum.

In order to receive payment under this Section an employee must give the Company prior notice of such military duty and upon return to work must furnish the Company with a statement of the employee's military pay while on such duty.

Section 21. Seven-Day Operations Bonus

The following provisions will apply to employees working on forty (40) hour rotating schedules on necessary continuous seven-day operations:

An employee will be paid a bonus (if any is produced by the method of calculation set forth in this Section) to compensate for being so scheduled during any workweek (including a workweek in which such schedule happens to require an employee to work only Monday through Friday) equal to thirty-five cents (35¢), times the number of hours the employee has worked during such workweek, it being understood that, notwithstanding any other provisions of the Agreement:

- (1) such bonus will be included in computing holiday pay, bereavement pay, jury duty pay, vacation pay, short-term military duty pay, Sunday, or any other overtime premium pay;
- (2) such bonus will not be added to the base rate of any classification, and will not be taken into account in computing afternoon and night shift premiums, any incentive earnings, or in computing any other payment for hours not worked except as noted in (1) above;
- (3) such bonus will not be payable for any hours worked by an employee not working on a necessary continuous seven-day operation and on a forty (40) hour rotating schedule involving work on Saturdays, Sundays and holidays.

Section 22. Paid Holiday Plan**(a) General Eligibility Rules**

Unless otherwise provided herein, employees who meet all of the eligibility rules below will be paid eight (8) hours' pay at their regular straight-time hourly rate including shift premium and seven-day operations bonus but excluding overtime premium for:

November 16, 2015	Veterans Day (Observed),
November 26, 2015	Thanksgiving Day,
November 27, 2015	Day After Thanksgiving,

December 24, 2015	Christmas Holiday Period,
December 25, 2015	Christmas Holiday Period,
December 28, 2015	Christmas Holiday Period,
December 29, 2015	Christmas Holiday Period,
December 30, 2015	Christmas Holiday Period,
December 31, 2015	Christmas Holiday Period,
January 1, 2016	Christmas Holiday Period,
January 18, 2016	Martin Luther King, Jr. Day,
March 25, 2016	Good Friday,
March 28, 2016	Day After Easter
May 30, 2016	Memorial Day,
July 4, 2016	Independence Day,
September 5, 2016	Labor Day,
November 8, 2016	Federal Election Day,
November 11, 2016	Veterans Day,
November 24, 2016	Thanksgiving Day,
November 25, 2016	Day After Thanksgiving,
December 26, 2016	Christmas Holiday Period,
December 27, 2016	Christmas Holiday Period,
December 28, 2016	Christmas Holiday Period,
December 29, 2016	Christmas Holiday Period,
December 30, 2016	Christmas Holiday Period,
January 2, 2017	Christmas Holiday Period,

The parties also agreed that eligible employees shall receive up to two (2) Family Days. Eligibility, scheduling, and payment for Family Days shall be as described in a Letter of Understanding on that subject dated **November 5, 2015**, and signed by the parties.

Employees must meet the following eligibility rules to receive holiday pay:

- (1) The employee has seniority as of the date of the holiday;
- (2) The employee would otherwise have been scheduled to work on such day if it had not been observed as a holiday; and
- (3) The employee must have worked the last scheduled working day prior to, and the next scheduled working day after, such holiday within the employee's

scheduled workweek, except in the case of holidays which fall in the Christmas holiday period.

- (i) In the case of the Christmas holiday period, in **2015**, starting December **24** through the following January **1**, in **2016**, starting December **26** through the following January **2** in **2017**, starting December **25** through the following January 1, in **2018**, starting December 24 through the following January **1**, **2019** a seniority employee absent without excuse on both the last scheduled working day prior to and the next scheduled working day after a Christmas holiday period shall be ineligible for holiday pay for all of the holidays within the Christmas holiday period. A seniority employee absent without excuse on either the last scheduled working day prior to or the next scheduled working day after a Christmas holiday period shall be ineligible for one (1) of the holidays for which he would otherwise be eligible in the Christmas holiday period, but shall, if otherwise eligible, receive pay for the remaining holidays in the Christmas holiday period.
- (ii) Employees will be called in to work only in emergencies on the following days which are not paid holidays under this Agreement:

Saturday, December **26, 2015**

Sunday, December **27, 2015**

Saturday, **January 2, 2016**

Sunday, January **3, 2016**

Saturday, December **24, 2016**

Sunday, December **25, 2016**

Saturday, December **31, 2016**

Sunday, **January 1, 2017**

Saturday, December **23, 2017**

Sunday, December **24, 2017**

Saturday, December **30, 2017**

Sunday, December **31, 2017**

Saturday, December 22, 2018

Sunday, December 23, 2018

Saturday, December 29, 2018

Sunday, December 30, 2018

Employees shall not be disqualified for holiday pay, if otherwise eligible for such pay, if they decline a work assignment on one (1) or more of the above days.

The foregoing provisions shall not apply to (1) employees assigned to seven-day operations; and (2) employees who perform work on Sunday which is a part of the No. 1 shift, Monday.

(b) Sunday Holiday

When any of the above enumerated holidays falls on Sunday and the day following is observed as a holiday by the State or Federal Government, it shall be paid as such holiday.

(c) Saturday Holiday

When a holiday falls on Saturday, eligible employees shall receive holiday pay provided they have worked the last preceding scheduled work day within the week in which that holiday falls.

(d) Employee on Layoff or Sick Leave

Seniority employees who have been laid off in a reduction of force or who have gone on sick leave during the workweek prior to, or during the workweek in which the holiday falls shall receive pay for such holiday. A seniority employee who is laid off during the second workweek prior to a week in which one or more of the holidays in the Christmas holiday period falls, and who worked his last scheduled working day prior to such layoff, shall, if otherwise eligible, receive pay for the holidays falling within the Christmas holiday period. Seniority employees on layoff or sick leave of absence when the holiday(s) occurs who return to work following the holiday(s) but during the week in which the holiday(s) falls shall receive pay for such holiday(s).

A seniority employee who is laid off in a reduction in force and who qualifies for Christmas holiday pay as provided in

this provision, and who also qualifies for Christmas holiday pay as provided in Appendix K Memorandum of Understanding Temporary Part-Time Employees, will be provided the greater of the two Christmas holiday pay entitlements, but not both.

(e) **Employee on Other Leave**

If an otherwise eligible seniority employee is on an approved leave of absence (other than sick leave) of not more than 15 days (total duration, including any extensions) during which a holiday occurs, he shall receive holiday pay for such holiday. A seniority employee on a personal leave of absence which expires during a Christmas holiday period, shall, if otherwise eligible, receive pay for the holidays in the Christmas holiday period which fall (1) after the final day of such leave, or (2) on and after the date he notifies his plant of his availability for work, whichever is later.

(f) **Employee on Vacation**

When one of the above holidays falls within an eligible employee's approved vacation period, and he is absent from work during his regularly scheduled workweek because of such vacation, he shall be paid for such holiday. A seniority employee who requests and is granted a vacation which includes the last scheduled working day prior to a Christmas holiday period and who also requests and is granted a vacation which includes the first scheduled working day after such Christmas holiday period, shall, if otherwise eligible, receive pay for the holidays which fall in such Christmas holiday period, provided the employee works the scheduled working days immediately preceding and following his vacation when such scheduled working days are within the workweeks which include what would have been the employee's last scheduled working day before and first scheduled working day after the Christmas holiday period if he had not been on vacation.

(g) **Seven-Day Operations – Eligibility; Effect of Holiday Work**

Employees working on necessary continuous seven-day operations shall receive holiday pay in the event the holiday

falls on one of their regularly scheduled days off **or regularly scheduled days of work** and they meet the other eligibility requirements of this procedure for paid holiday time.

(h) **Other Operations – Effect of Holiday Work**

Employees not working on seven-day operations who work any of the above holidays shall receive full holiday pay (if otherwise eligible) in addition to the premium payable in accordance with Section 11 of this Article.

(i) **Failure to Perform Holiday Work Assignment**

Employees who have accepted such holiday work assignment and then fail to report for and perform such work, without reasonable cause acceptable to Management, shall not receive pay for the holiday.

(j) **Incentive Employees**

The hourly rate for an employee who is under an incentive plan during the week in which the holiday(s) falls shall be his average straight-time hourly earnings, including incentive earnings and shift premium, but excluding all other premiums for the last four pay periods worked immediately preceding the week prior to the week in which the holiday(s) occurs.

(k) **Effect of Unemployment Compensation**

If, for a week which includes one or more holidays which fall after December 23 but before the following January 3, an employee supplements his holiday pay for such holidays by claiming and receiving an unemployment compensation benefit or by claiming and receiving waiting period credit, to which he otherwise would not have been entitled if such holiday pay had been treated as remuneration and considered disqualifying income for unemployment compensation, a deduction of the lesser of the following amounts will be made from the employee's earnings from the Company:

- (1) An amount equal to the employee's holiday pay for each week in question, or,

- (2) An amount equal to either the unemployment compensation paid to the employee for each week in question or the unemployment compensation which would have been paid to the employee for each week in question if it had not been considered a waiting period.

Section 23. Vacations - Eligibility Dates

Vacation eligibility dates shall be determined as follows:

(a) **15 or More Years' Seniority as of 12-1-50**

The eligibility date for an employee with fifteen or more years of seniority on December 1, 1950, shall be December 1.

(b) **Other Employees**

With respect to employees not covered by Subsection (a) of this Section, the eligibility date for an employee whose hire date falls after June 1, but not after December 1, shall be December 1; the eligibility date for an employee whose hire date falls after December 1, but not after June 1, shall be June 1.

(c) **Identification of "Hire Date"**

The hire dates referred to in this Section shall be those shown by the seniority records.

If an employee's seniority shall be broken and he subsequently shall be rehired, his eligibility date shall be determined on the basis of his rehire date as shown by the seniority records.

Section 24. Vacations - Amount; Eligibility Rules

(a) **General**

The amount of vacation to which an eligible employee shall be entitled shall be based on the employee's seniority and years of enrollment on the active employment rolls as of his eligibility date, and his weeks of enrollment on the active employment rolls and absences from his regularly scheduled work in the year period immediately prior to his eligibility date. Further references in this Section to weeks on the active employment rolls and to absences refer to those during such year period and exclude absences excluded from the absence count by Subsection (h).

(b) One or More Year Employees

(1) An employee with one or more years of seniority on his vacation eligibility date

- (i) who is enrolled on the active employment rolls of the Company for thirty-two (32) or more weeks, and
- (ii) whose absences have not aggregated more than thirty-five (35) days, shall be entitled to a vacation during the vacation period as follows:

Years of Seniority	Years on Active Rolls	Vacation Entitlement
1 but less than 3	One year or more	2 weeks'-and 2 days vacation with 96 hours' pay
3 but less than 5	At some time in each of any 3 years	2-1/2 weeks' vacation with 100 hours' pay
5 but less than 10	At some time in each of any 5 years	3 weeks' vacation with 120 hours' pay
10 but less than 15	At some time in each of any 10 years	3-1/2 weeks' vacation with 140 hours' pay
15 but less than 20	At some time in each of any 15 years	4 weeks' vacation with 160 hours' pay
20 or more	At some time in each of any 20 years	5 weeks' vacation with 200 hours' pay

- (2) With the above rules of this Subsection for vacation eligibility otherwise applicable, an employee who is enrolled on the active employment rolls of the Company less than thirty-two (32) weeks shall receive one-half of the vacation entitlement provided in Subsection (b)(1); except that an employee with one year but less than three years of seniority as of his eligibility date who is enrolled on the active employment rolls of the Company less than thirteen (13) weeks shall be entitled to no vacation.

- (3) An employee who meets all of the other eligibility requirements for a full vacation entitlement but whose absences have aggregated more than thirty-five (35) days shall have his entitlement reduced by one week, or forty (40) hours.
 - (4) An employee with less than five years of seniority who has been enrolled on the active employment rolls of the Company less than thirty-two (32) weeks and has been absent more than thirty-five (35) days shall be entitled to no vacation.
 - (5) An employee with five or more years of seniority whose vacation entitlement has been reduced because he has been enrolled on the active employment rolls of the Company for less than thirty-two (32) weeks shall not have his vacation entitlement further reduced because of the fact that he shall have exceeded thirty-five (35) days of absence.
- (c) **Less Than One-Year Employees**
- (1) An employee with less than one year of seniority on his eligibility date
 - (i) who has seniority as of his first eligibility date, and
 - (ii) who is enrolled on the active employment rolls of the Company sixteen (16) or more weeks in the period from date of hire until his first eligibility date, and
 - (iii) whose absences in the period from date of hire until his first eligibility date have not aggregated more than seventeen (17) days, shall be entitled to a vacation of one (1) week during the vacation period with pay for forty (40) hours and two days Excused Absence Allowance (subject to the provisions of Article IX, Section 25 (c)) with pay for sixteen (16) hours.
 - (2) With the above rules of this Subsection (c) for vacation eligibility otherwise applicable, an employee who is enrolled on the active employment rolls less than

sixteen (16) weeks shall be entitled to one-half week vacation with pay for twenty (20) hours and two days Excused Absence Allowance (subject to the provisions of Article IX, Section 25 (c)) with pay for sixteen (16) hours.

(d) Effect of Workers' Compensation Payments and of Holiday Pay

- (1) A seniority employee who receives workers' compensation payments while on an approved medical leave of absence will be credited with one week on the active employment roll for each week they are on medical leave of absence and receive workers' compensation payments if:
 - (i) The employee would have otherwise been scheduled to work during such week, and
 - (ii) The employee worked at least three (3) days in a work week during the employee's eligibility year.
- (2) A laid off employee who receives holiday pay will be credited with one week on the active employment roll for the week in which the holiday falls.

(e) Equivalence of Active Employment

(1) Military Service

Solely for the purpose of applying Subsections (a) through (c) of this Section, the time during which an employee was not on the active employment rolls of the Company by reason of service with the Armed Forces of the United States will be deemed equivalent to enrollment on the active employment rolls of the Company following his reinstatement on such rolls after such service in determining the amount of vacation for which he is eligible.

(2) Union Leave of Absence

Solely for the purpose of applying Subsections (a) and (b) of this Section, entire year periods during which an employee with one or more years of seniority was not on the active employment rolls of the Company due to

a Union leave of absence pursuant to Article VIII, Section 31(a) will be deemed equivalent to years of enrollment on the active employment rolls of the Company following his reinstatement on such rolls in determining the amount of vacation for which he is eligible.

(f) Employees Off Rolls on Eligibility Date

(1) Reinstated in Following Year

Employees who are off the employment rolls on their eligibility date and who are reinstated during the ensuing year will be entitled to a vacation provided they are eligible for vacation benefits in conformity with the rules described in Subsections (a) through (c) of this Section.

(2) Not Reinstated in Following Year

Except as otherwise provided in the next paragraph, employees who are off the employment rolls due to (i) a reduction in force, or (ii) being placed on medical leave expired or medical layoff on their eligibility date and who are not recalled or who do not return to work from such medical absence during the ensuing year, will be entitled at the end of such ensuing year to a proportional amount of vacation benefits. Such employees' vacation will be based upon their employment during the vacation period in which they were laid off or placed on medical leave expired or medical layoff. Payment to such employees will be equivalent to one-twelfth of the full vacation benefits they would have been entitled to if they had continued to be enrolled on the active employment rolls until their next eligibility date for each full calendar month they were on the active employment rolls since their last previous vacation eligibility date.

Seniority employees covered by Subsection (c) of this Section who are off the rolls due to (i) a reduction in force, or (ii) being placed on medical leave expired or medical layoff on their eligibility date and who are not recalled or who do not return to work from such

medical absence during the ensuing year, will be entitled at the end of such ensuing year to a proportional amount of vacation benefits. Such employees' vacation will be based upon their employment during the vacation period in which they were laid off or placed on medical leave expired or medical layoff. Payment to such employees will be equivalent to one-sixth of the full vacation benefits which they would have been entitled to if they had continued to be enrolled on the active employment rolls until their next eligibility date for each full calendar month they were on the active employment rolls since their dates of hire.

(3) Reinstatement Following Military Service

Any employee who by reason of service with the Armed Forces of the United States is not on the active employment rolls of the Company in the year immediately prior to his vacation eligibility date, but is reinstated on such records as a full-time employee during the ensuing year, shall be entitled to vacation benefits for the vacation period during which he is reinstated in accordance with the following:

- (i) If he is reinstated during the first half of such ensuing year, he shall be entitled to the full amount of such vacation benefits as he would have been entitled to had he been enrolled as a full-time employee on his eligibility date for such vacation period.
- (ii) If he is reinstated during the last half of such ensuing year, he shall be entitled to one-half of the amount of vacation benefits he would have been entitled to had he been enrolled as a full-time employee on his eligibility date for such vacation period.

(g) Retiring Employees; Employees Laid Off in Plant Closing; Employees Entering Armed Forces; Deceased Employees

- (1) In the case of a seniority employee covered under Subsections (a) and (b) of this Section, who (i) is retired under the provisions of Section 3 of the Retirement Agreement or retires under the normal or early retirement provisions of the Retirement Plan, or (ii) is laid off as a result of the closing of the plant at which he worked, or who, after his vacation eligibility date on or after October 25, 1967, either (iii) enters the Armed Forces of the United States or (iv) dies, a vacation benefit shall be paid upon his retirement, layoff, entering the Armed Forces, or death in a proportional amount based upon his employment during the vacation period in which he is so retired or so laid off or enters the Armed Forces or dies, equivalent to one-twelfth of the full vacation benefits which he would have been entitled to if he had continued to be enrolled on the active employment rolls until his next eligibility date for each full calendar month he has been on the active employment rolls since his last previous vacation eligibility date.
- (2) Vacation payments on the same basis as set forth in Paragraph (1) of this Subsection shall be made to any employee retired for total and permanent disability under the provisions of Article IV, Section 3, of the Retirement Plan, except that eligibility for, and computation of the vacation benefit provided for in this paragraph shall be determined on the basis of his last day worked, rather than his retirement date.
- (3) In the case of a seniority employee covered under Subsection (c) of this Section whose hire date is after December 1, 1967, a vacation benefit shall be paid upon his layoff as a result of the closing of the plant at which he worked, his entering the Armed Forces of the United States or his death in a proportional amount based upon his employment during the vacation period in which he is so laid off, entered the Armed Forces or

died, equivalent to one-sixth of the full vacation benefits he would have been entitled to if he had continued to be enrolled on the active employment rolls until his first eligibility date for each full calendar month he has been on the active employment rolls since his date of hire.

- (4) In the case of a deceased employee, the vacation benefits provided under this Subsection shall be paid to the estate or, if permitted by local law, to the next of kin.
 - (5) Payments under this Subsection shall be computed as of the employee's last day worked in the manner set forth under Subsection (i)(1) or (2) of this Section.
 - (6) If a retired employee, such laid off employee, or an employee entering the Armed Forces who has received a vacation benefit pursuant to this Subsection is re-employed and becomes eligible for vacation under the other provisions of this Section, on the eligibility date following his retirement, layoff, or entering the Armed Forces, such vacation shall be reduced by the amount of the vacation benefit received under this Subsection.
- (h) **Time Excluded from Absence Count**
- (1) When employees are absent from their regularly scheduled work because of work injury, occupational disease, leave of absence for reserve military training, Union Leave of Absence pursuant to Article VIII, Section 31(a), or Family and Medical Leave Act leave to care for the employee's qualified family members with a serious health condition, or because of the birth of an employee's child or placement of a child with the employee for adoption or foster care, such absent time will not be counted in computing the thirty-five (35) days of absence.
 - (2) When employees are absent from their regularly scheduled work because of sickness three (3) consecutive working days or more, but not to exceed ninety (90) accumulated days in one year, and who furnish acceptable proof of such sickness to the

Company Medical Department within two (2) weeks following their return to work, such absent time will not be counted in computing the thirty-five (35) days of absence.

Unless the Company Medical Department rejects the submitted proof of illness within two (2) weeks following its submission by employees, it will automatically be considered valid.

Disputes as to validity may be subject to the Grievance Procedure.

- (3) In the case of any employee who is a veteran by reason of service with the Armed Forces of the United States, whether reinstated or hired by the Company, absences from work by reason of either

- (i) hospitalization at Government expense for a service-connected disability, or
- (ii) treatment as an out-patient by a hospital at Government expense for a service-connected disability,

will be regarded as sickness under the provisions of Paragraph (2) of this Subsection, provided, however, that such absence need not be for three (3) consecutive working days.

(i) **Vacation Rate of Pay**

- (1) Except as otherwise provided in this Subsection, vacation pay will be computed at the employee's regular straight-time hourly rate, inclusive of shift premium and seven-day operations bonus, where applicable, but exclusive of overtime and any other premiums, on the date the vacation begins.
- (2) For employees under an incentive plan, the hourly rate to be used will be their average straight-time hourly earnings, including incentive earnings, shift premium and seven-day operations bonus where applicable, but excluding all other premiums, for the last four pay periods worked immediately preceding the week prior to the week in which the vacation commences.

- (3) If on the date an employee's vacation pay is computed, the employee is temporarily employed at a wage rate lower than that at which the employee is regularly employed and which the employee received during the major portion of the preceding year, the hourly rate for the computation of vacation pay shall be the latter rather than the former.

Disputes under this Subsection may be considered under the Grievance Procedure of the Agreement.

Section 25. Vacations - Scheduling

(a) Vacation Period

- (1) The vacation period for an employee with a December 1 eligibility date shall begin on December 1 and end on November 30 of the next year.
- (2) The vacation period for an employee with a June 1 eligibility date shall begin on June 1 and end on May 31 of the next year.

(b) Vacation Time Off Procedure

Management recognizes the importance of providing vacation time off, in a manner that maintains efficiency of operations while giving due consideration to the desires of employees.

Management will discuss with the Local Union representatives no later than February 1 Management's decision that: (i) employees will be given vacation time off from the job through a normal vacation scheduling program consistent with the need for maintaining efficient operations or (ii) a plant vacation shutdown will be scheduled during prime vacation time. If subsequent to February 1, Management decides that a plant vacation shutdown should be scheduled, such shutdown can be scheduled only by mutual agreement between the local Management and the Local Union.

In the event Management selects the option of a plant vacation shutdown, the Union will be advised no later than April 1 as to the specific shutdown period and also which employees have been selected to work during the shutdown

period consistent with good employee relations and efficiency of operations. Employees selected to work during such shutdown will be given vacation time off from the job through a normal vacation scheduling program during periods other than the shutdown period.

Separate and apart from the vacation shutdown, the practice for granting vacation requests, using Form 2611 (Vacation/Excused Absence Pay Requests), will remain unchanged. Approved vacation time off will not be canceled or changed without the consent of the employee.

(c) Excused Absence Allowance

An employee may use up to one (1) week (40 hours) of his vacation provided under Subsection (b) of Section 24, as limited below, in units of no less than one-half day periods (4 hours), with pay at his basic hourly rate, as specified in Article IX, Section 24(i), on the date each such period of vacation shall begin, for any of the following purposes:

- (1) Excused absences because of his illness for which he does not receive accident and sickness insurance benefits,
- (2) Absences excused by the Company because of any personal reason, or
- (3) Additional scheduled vacation time immediately prior to or following his other vacation time.

Absences under (2) above will be excused provided that: (a) the employee makes written request on a form provided by the Company at least one week in advance of the requested day; (b) there will be no adverse impact on the operations involved and if more than one employee is requesting the same day this will be taken into consideration in determining the operational impact; and (c) if more employees working for the same supervisor request the same day off than can be accommodated, the employee(s) who requested first will be granted the day off.

The part of his vacation that an employee may use for excused absences under purposes (1) and (2) above shall not exceed one week (40 hours). In the event his absences

exceed 35 days or his weeks of enrollment are less than 32 as used for determining vacation eligibility, the part of his vacation that he may so use shall not exceed one-half week (20 hours).

(d) Right to Deny Vacation

Management shall have the right to deny vacation, upon payment of vacation pay as provided in Section 26 of this Article, if in its judgment the exigencies of production so require.

Section 26. Pay in Lieu of Vacation

(a) Employee Denied Vacation

If by the last day of any vacation period an eligible employee has not received his proper vacation, the Company shall pay him a lump sum as vacation pay in lieu of such vacation, the sum to be computed as the amount to which the employee would be entitled if his vacation were to begin on the last day of vacation period.

(b) Terminated Employee

An employee whose services are terminated for any reason on or after the date upon which he becomes entitled to a vacation and before he has received a vacation shall be paid a lump sum in lieu of vacation computed as the amount to which he would be entitled if his vacation were to begin on the day on which his employment was terminated.

Section 27. Insurance

(a) The Insurance Program

For the duration of this Agreement, the Insurance Program shall be that which is attached hereto, hereinafter referred to as the "Program."* It consists of two parts, each negotiated by the Company and the Union and made a part of this Agreement, one known as "Group Life and Disability Insurance" and one known as "Hospital-Surgical- Medical- Drug-Dental-Vision Expense Coverages" or "H-S-M-D-D-V Program."

* The Insurance Program has been reproduced in a separate booklet.

(b) **Financing**

The Company will make the payments or contributions (collectively “contributions”) due from it for the Program in respect to insurance premiums, subscription rates, administrative services only arrangements or other arrangements, in accordance with the terms of the Program. The Company by payment of its contributions shall be relieved of any further liability with respect to the benefits of the Program, except as otherwise may be required by the Employee Retirement Income Security Act of 1974 (ERISA). The Company shall receive and retain any divisible surplus, credits or refunds or reimbursements under whatever name arising out of the Program.

(c) **Administration**

The Company shall arrange for the administration of the Program, subject to its provisions. The Company shall be under no obligation by reason of the Program except in good faith to endeavor to obtain its coverages and to fulfill any other obligations specifically required in this Section 27 or in the Program.

(d) **Named Fiduciary and Allocation of Responsibilities**

Pursuant to ERISA, the Company (except where an insurer or third party contractor must be treated as a fiduciary to process claims or hear appeals from benefit denials) shall be the sole named fiduciary with respect to the Program and, except as otherwise specifically provided in this Program, shall have authority to control and manage the operation and administration of the Program.

The Board of Directors of the Company shall have the authority on behalf of the Company to approve Program amendments except that the Group Vice President and General Counsel, Group Vice President-Human Resources and Corporate Services and Executive Vice President and Chief Financial Officer are designated to approve Program additions, deletions and modifications on behalf of the Company to the extent deemed necessary or appropriate under ERISA, HIPAA, the Affordable Care Act and such

other laws as may contain requirements for the Insurance Program in effect from time to time.

Except as otherwise provided in this Section or in the Program, the Group Vice President-Human Resources and Corporate Services and Executive Vice President and Chief Financial Officer are designated to carry out the Company's responsibilities with respect to the Program. The Group Vice President Human Resources and Corporate Services and Executive Vice President and Chief Financial Officer may allocate responsibilities between themselves and may designate other persons to carry out specific responsibilities on behalf of the Company.

In the event of a change in a designed officer's title, the officer or officers with functional responsibility for the Program shall have the authority to the extent described in this subsection.

Any Company director, officer or employee who shall have been expressly designated pursuant to the Program to carry out specific Company responsibilities shall be acting on behalf of the Company. Any person or group of persons may serve in more than one capacity with respect to the Program and may employ one or more persons to render advice with regard to any responsibility such director, officer or employee has under the Program.

(e) **Exclusion from Umpire's Powers**

The Umpire shall have no jurisdiction over any matter arising under this Section 27 or under the Program.

(f) **Effective Dates**

- (1) Except as otherwise specifically provided in the Program, its H-S-M-D-D-V Program provisions shall become effective **November 23, 2015**.
- (2) Except as otherwise specifically provided in the Program, its Group Life and Disability Insurance provisions shall become effective **November 23, 2015**, with respect to employees then at work, and on the first day worked there-after with respect to other employees. Group Life and Disability Insurance for

employees for whom the provisions of the Program shall not have become effective shall be governed by the provisions, conditions, and limitations of the Program as constituted on the date each such employee was last actively at work.

- (3) For those to whom they become applicable, the provisions of the Program shall be used in lieu of the provisions of the previous programs, and benefits under the Program shall be reduced where benefits received under the previous programs would reduce benefits if they had been received under this Program.

Section 28. Moving Allowances

(a) Eligibility

An employee who is on the active employment roll on or after September 1, 1961, shall be eligible for a Moving Allowance if **the employee** is thereafter offered and accepts a transfer from one Plant of the Company (hereinafter called the original Plant) to another Plant of the Company (hereinafter called the new Plant) if:

- (i) the new Plant is at least fifty (50) miles distant from the original Plant and
 - (ii) **an employee** files an application for a Moving Allowance not later than six months after the first day **an employee** worked at the new Plant and has not applied for a Separation Payment under the Supplemental Unemployment Benefit Plan.
- (b) When employees are relocated, they will be given a choice from the following Relocation Packages:
- (1) Option 1-Enhanced Relocation:

Employees will receive a Relocation Allowance up to a maximum of \$30,000, \$6,000 of which will be provided as a signing bonus to cover miscellaneous up-front cash expenditures. An additional amount of \$16,000 will be paid to the employee at the new location.

In addition, spousal relocation assistance will be provided.

After one (1) year of employment, employees may receive \$8,000 if they continue to be employees of the new location. **If an employee is not employed by the new location after one (1) year of employment solely due to a subsequent mandatory in-zone placement under Appendix N, the employee shall receive \$8,000 as if the employee were employed by the new location after one (1) year.**

Employees who are placed in accordance with Appendix N and accept the Enhanced Relocation Allowance will not be eligible to initiate another in zone or out of zone transfer as an active employee for a period of 36 months unless the employee's status changes to laid off or Protected. In the event the plant has employees on permanent indefinite layoff with no likelihood of recall into the active workforce, the 36 month period will be eliminated.

Employees receiving the Enhanced Relocation Allowance will terminate their seniority at all other Ford locations and, therefore, not be eligible for recall/rehire or Return to Basic Unit.

Detailed information regarding payments and other Relocation Help Services regarding the Enhanced Relocation Allowance will be made available to employees.

(2) Option 2-Modified Enhanced Relocation:

The Modified Enhanced Relocation Option is available only to an Employee transferred involuntarily under the provisions of Appendix N.

An Employee will receive a Relocation Allowance up to a maximum of \$30,000, \$4,800 of which will be provided as a signing bonus to cover miscellaneous up-front cash expenditures. **An additional amount of \$5,200 will be paid to the employee at the new location.**

In addition, spousal relocation assistance will be provided.

If an Employee continues to be an active Employee at the new location, the following schedule of additional payments shall be made on the anniversary of the Employee's start date at the new location:

After one (1) year: **\$10,000**

After two (2) years: \$10,000

An Employee choosing the Modified Enhanced Relocation is eligible to exercise their recall and Return to Basic Unit rights after six (6) months of employment at the new location should an opening at their Basic Unit become available.

An Employee who chooses to Return to their Basic Unit **will be entitled to receive a maximum amount of \$5,000 which will be provided as an up-front lump sum to cover miscellaneous expenses. An Employee choosing to return home, will terminate their seniority at all other Ford locations.**

(3) Option 3-Basic Relocation:

An Employee will receive Relocation Allowance in the amount of \$5,000.

The employee who accepts the Basic Relocation Option will be eligible to apply for return to Basic Unit as provided in Article VIII, Section 1(b)(ii), after working at the plant of relocation for a period of six (6) months or upon indefinite layoff from the plant of relocation.

ARTICLE X**MISCELLANEOUS****Section 1. Union Bulletin Boards**

In plants or Units covered by this Agreement the Company will erect bulletin boards in suitable places mutually agreed upon, to be used solely by the Union for posting the following notices, except that additional notices may be posted by mutual consent.

Notices shall be restricted to the following types:

1. Notices of Union recreational and social affairs.
2. Notices of Union elections, appointments and results of Union elections pertaining to the local plant.
3. Notices of Union meetings and educational classes.

The bulletin board shall not be used by the Union or its members for disseminating propaganda of any kind whatsoever; and among other things shall not be used by the Union for posting or distributing pamphlets or political matter of any kind whatsoever, or for advertising.

Section 2. Badges and Insignia**(a) Plant Protection Employees**

All Plant Protection employees shall conspicuously wear insignia to clearly distinguish them from other employees.

(b) Hourly-Rated Employees

All hourly-rated employees shall wear their badges conspicuously displayed on their outer clothing while on Company premises.

Section 3. Use of Supervisors on Development Work

Whenever it becomes necessary to develop or perfect a new mechanical process or job, it is agreed that the Company may use Supervisor or Assistant Supervisor for such purpose if a regular employee is not displaced thereby.

Section 4. Health and Safety

The Company shall have the obligation to continue to make reasonable provisions for the safety and health of its

employees during the hours of their employment. Local Management is responsible for implementing these provisions at each location with the objective of maintaining a safe and healthy work environment. The Union shall cooperate with the Company's efforts to carry out its obligations.

The Company shall provide protective devices, including gloves, wristlets, pads, mitts or other special kind of wearing apparel which it requires employees to wear as a safety measure, and any other equipment necessary to protect the employees from injury and sickness.

Section 5. Smoking

Areas which the Company considers as unsafe for smoking will be so designated and smoking will not be permitted in such areas.

In undesignated areas smoking on the job will be permitted.

Section 6. Lunch Periods

(a) Length of Period

A lunch period of thirty (30) minutes shall be allowed to employees not eating on Company time, except where different periods may now be in effect or may hereafter be agreed to locally, and provided that the Company may reasonably alter the length of this period in abnormal or unusual situations.

(b) Scheduling

The Company shall schedule each employee's lunch period at a regular time except on operations where it finds that regular scheduling is not feasible, and will avoid requiring an employee to take his lunch period at another time except where it has a particular need for the employee's services during that period. Where time permits, the employees affected will be notified well in advance of such change.

Except in emergencies, an employee's regular lunch period shall not be advanced or delayed by more than one hour unless the employee agrees to such change.

Section 7. Reporting Absences

A system shall be established which will permit an employee to verify the fact that he has notified the Company by telephone of his inability to report for work.

Section 8. Local and Supplementary Agreements

All local, supplementary or other agreements which were not covered by the notice of desire to amend, modify or terminate given by either party, or any Local Union Unit or Management are reinstated and such reinstated agreements and all new local, supplementary or other agreements which were reached during the negotiations immediately preceding the date of this Agreement shall continue in effect subject to the terms thereof for the duration of this Agreement.

It is agreed that it may be beneficial for Local Unions and local Managements to consider and implement innovative programs, pilot projects, experiments or other changes to promote human resources development, enhance competitiveness, improve job security and related matters at selected Company locations. It is further agreed that, in order to facilitate and encourage such changes, it may be necessary to change or waive certain provisions of this Agreement, supplemental agreements and appropriate local agreements at such locations. It is understood that any such changes or waivers would not be effective unless agreed to by the local parties involved and approved in writing both by Labor Affairs of the Company and the National Ford Department of the Union. Such changes would be effective only at the location(s) specifically designated.

Section 9. Equal Application of Agreement

- (a) In continuance of the policy established and maintained since the inception of their collective bargaining relationship, the Company and the Union agree that the provisions of this Agreement shall apply to all employees covered by the Agreement without discrimination, and in carrying out their respective obligations under this Agreement neither will discriminate against any employee on account of race, color, national origin, age, sex, sexual

orientation, **gender identity/expression**, union activity, religion, or against any employee with disabilities.

- (b) In an effort to make the Grievance Procedure a more effective instrument for the handling of any claims of discrimination, special effort shall be made by the representatives of each party to raise such claims where they exist, and at as early a stage in the Grievance Procedure as possible. If not earlier, a claim of discrimination shall be stated at least in the Third Stage Grievance, as provided in Article VII, Section 4 of this Agreement. The Bargaining Chairperson or his designated representative, before deciding whether to take the grievance to the Plant Review Board, may refer the grievance to the Chairperson of the Civil Rights Committee of the Local Union for a factual investigation and report. The member of the Civil Rights Committee designated by the Chairperson to investigate the grievance shall not receive pay from the Company for time spent on such activity. The grievance and arbitration procedure shall be the exclusive contractual procedure for remedying such discrimination claims.

Section 10. Waiver of Bargaining During Contract Term

The Company and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to, or covered in this Agreement, even though such subjects or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

Section 11. Partial Invalidity of Agreement

- (a) In the event that any of the provisions of this Agreement shall be or become legally invalid or unenforceable, such invalidity or unenforceability shall not affect the remainder of the provisions hereof.
- (b) If any legal proceeding to which Ford Motor Company or the Union is a party invalidates or makes unenforceable any

provision of this Agreement, and either party believes that revision of the provision to conform to legal requirements would be preferable to having it remain invalid or unenforceable, the National Ford Department and Labor Affairs shall discuss such possible revisions. If, as a result of these discussions, any revisions are made to this Agreement, such revisions will become effective immediately and be in effect for the duration of the Agreement without being conditioned upon ratification by the Union.

Section 12. Recasting of Agreement

The National Ford Department of the Union and Labor Affairs of the Company shall be authorized to rearrange, simplify, and clarify the language of the present Agreement to facilitate its use as a working document; but not to change in any way its substance or meaning.

When both the National Ford Department and Labor Affairs are satisfied that they have a revised version of the Agreement which meets the foregoing standards, they are authorized to substitute the revised form of the Agreement for this present form of the Agreement, but only upon the understanding that if any disputes should develop later concerning the meaning or intent of any of the terms of such revised Agreement, reference shall be made back to the Agreement in its present form for the purpose of resolving such disputes.*

* This Agreement in its present form represents a rearrangement, without substantial revision in language, developed and approved pursuant to this Section.

ARTICLE XI**DURATION OF AGREEMENT****Section 1. Ratification of Agreement**

This Agreement shall become effective on the first Monday after receipt by the Company from the Union of written notice that this Agreement and the other agreements executed by the parties as of the date thereof have been ratified by the Union. Said other agreements executed by the parties as of the date thereof, which must be ratified and become effective as a condition of this Agreement becoming effective, are the following:

Skilled Trades Supplemental Agreement, Agreement Concerning Retirement Plan, Agreement Concerning Supplemental Unemployment Benefit Plan, Agreement Concerning Profit Sharing Plan, Agreement Concerning Tax-Efficient Savings Plan for Hourly Employees, and the UAW-Ford **New** Legal Services Plan for UAW-Represented Hourly Employees.

Section 2. Expiration Date

This Agreement and related supplemental agreements shall continue in full force and effect until 11:59 p.m. September 14, **2019**.

Section 3. Notice to Modify or Terminate; Automatic Renewal

This Agreement shall continue in effect for successive yearly periods after September 14, **2019**, unless notice is given in writing by either party at least sixty (60) days prior to September 14, **2019**, or any anniversary date thereafter, of its desire to modify, amend or terminate this Agreement.

If such notice is given, this Agreement shall be open to modification, amendment or termination, as such notice may indicate, on September 14, **2019**, or the subsequent anniversary date, as the case may be.

Section 4. Addressing of Notices

Notices shall be in writing and shall be sufficient if sent by mail addressed, if to the Union, to International Union, United Automobile Workers of America, 8000 East Jefferson Avenue, Detroit, Michigan, 48214, or to such other address as the Union shall furnish to the Company, in writing; and, if to the Company, to Ford Motor Company, Dearborn, Michigan, 48126 - 2701, or to such other address as the Company shall furnish to the Union, in writing.

★ ★ ★ ★ ★

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the date first above written.

APPENDIX A**ASSIGNMENT & AUTHORIZATION
FOR CHECKOFF OF MEMBERSHIP DUES***

INTERNATIONAL UNION, UNITED AUTOMOBILE,
AEROSPACE AND AGRICULTURAL IMPLEMENT WORKERS
OF AMERICA (UAW)

To my employer:

I hereby assign to that Local Union of the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America (UAW), designated by the International Union to the Company, in writing, as having jurisdiction over the Unit where I am employed, from any wages earned or to be earned by me as your employee, or from any Regular Supplemental Unemployment Benefits to be paid to me, such amount as may be in effect, from time to time, during the effective period of this assignment and authorization, and due from me to the Union as my monthly membership dues in said Union, and (if owing by me) any initiation fee. I authorize and direct you or the Trustee of the Ford-UAW Supplemental Unemployment Benefit Plan Fund to deduct such amounts from my pay or from any Regular Supplemental Unemployment Benefits payable to me during each calendar month in accordance with such arrangements as may be agreed to between the Company and the Union, and to remit the same to the above Local Union.

This assignment and authorization may be revoked by me only at the times and in the manner hereinafter provided. I may revoke this assignment as of any anniversary date hereof by written notice, signed by me, of such revocation received by the Company by registered mail, return receipt requested, not more than twenty (20) days and not less than ten (10) days before any such anniversary date. I may also revoke this assignment by written notice, signed by me, of such revocation received by the Company by registered mail, return receipt requested, at any time when there is not in effect between the Company and the Union an agreement that the Company will check off membership dues in behalf of the Union.

Signed: _____

Note: Other information, including name, date, location and social security number may be on the form in such manner as to facilitate record keeping.

* This form will be utilized commencing January 1, 1980.

APPENDIX B

FIVE-DAY NOTICE

Our records show that it has been five or more working days since you last worked. If you do not, within 5 working days (excluding Saturdays, Sundays and Holidays) from the above date, either report to the Employment Office for work or give a satisfactory reason for your absence to the Employment Office in writing or by telephone*, your employment will be terminated and you will lose your seniority (unless it is impossible for you to comply with the above). If you are unable to work because of illness or injury, and so report to the Employment Office within the time stated above, you will be granted a sick leave of absence to cover the period of your disability upon presenting satisfactory evidence thereof.

To telephone, call _____ Ext. _____

*Request call-in code number.

APPENDIX G**MERIT INCREASE AGREEMENT**

Ford Motor Company, hereinafter referred to as the "Company," and the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America, hereinafter referred to as the "Union," enter into this Agreement superseding the Agreement on the same subject entered into in February, 1944:

- (1) This Agreement embodies the plan for making merit increases and the procedures which shall govern the making of merit increases in all of the United States plants and branches of the Company and covers all classifications and occupations carrying spread rates. It does not apply to increases which are the result of reclassifications.
- (2) Increases between the minimum and maximum rate for any occupation or classification shall be based upon the merit and ability of the employee involved.
- (3) Except as provided in the next paragraph, a merit increase shall be in the amount equal to one increment between the minimum and maximum of the spread rates. An increase is defined for purposes of this Agreement as 5¢ per hour or such other amount as results from the application to base hourly rates of percentage increases, whichever is greater.
- (4) An employee having special merit and ability may receive special consideration for a merit increase in the amount of two increments. In determining whether an employee merits special consideration, the Company shall take into account the employee's background in the occupation at which he is working.
- (5) No employee shall receive a merit increase before the expiration of at least sixty days from the date his last preceding merit increase went into effect.
- (6) Merit increases will be considered upon recommendation by the employee's Supervisor on a form to be provided for such purpose. Such form shall be presented to a Wage Analyst or individual assigned a Wage Analyst's duties. All copies of the

form shall be initialed by the Wage Analyst, or person acting as Wage Analyst, and be dated by him when he is presented with such form. Two copies of the form shall be retained at the Supervisor's desk, one of which shall be available to the Unit or Building Chairperson, as the case may be, and shall be for the information of the Committeepersons. The effective date of increase, if finally approved, will be a date no later than the first day of the second pay period following the Wage Analyst's initialed date shown on the form.

- (7) The Wage Analyst shall have no authority to review the merit of any employee for whom a merit increase has been recommended and approved, but shall have the right to determine whether or not the employee for whom an increase has been recommended is actually working in the classification concerned and that the recommended increase meets the other eligibility requirements. Determination by the Wage Analyst under this paragraph shall be subject to the Grievance Procedure provided in the Collective Bargaining Agreement.

This Agreement shall become effective concurrently with the new Collective Bargaining Agreement which replaced the Collective Bargaining Agreement dated September 20, 1958.

APPENDIX H**MEMORANDUM OF UNDERSTANDING
VOLUNTARY OVERTIME****Introduction**

The parties recognize that the operations of the Company are highly integrated. An interruption at one stage of the production process, whether during the regular workday, workweek, or overtime or other premium hours, can cause costly interruptions of the process. Thus regular attendance not only on straight-time, but during overtime periods as well is essential.

It is recognized that employees should be able to exercise discretion concerning the acceptance of certain overtime assignments consistent with the needs of the Company. It is also recognized that Management needs sufficient notice of employee availability to work in order to plan efficient operations.

The provisions of this Memorandum of Understanding represent an accommodation between the needs of the Company and the desire of individual employees for an option to decline overtime work assignments.

**PART A. RIGHT TO DECLINE CERTAIN OVERTIME
ASSIGNMENTS**

Except as otherwise provided in Part B hereof:

1. Daily Overtime

Hours in excess of nine (9) hours worked per shift shall be voluntary, except as otherwise provided in this Memorandum of Understanding, for an employee who shall have notified the Company in accordance with Paragraph 16.

2. Saturday Overtime

Employees may be required to work Saturdays; however, except as otherwise provided in this Memorandum of Understanding, an employee who has worked two or more consecutive Saturdays may decline to work the following (third) Saturday provided (a) the employee shall have notified the Company in accordance with Paragraph 16, and (b) the employee has not been absent for any reason (excluding

absences for which pay is received under Article IX, Sections 18, 19, 22 and 25(c)) on any day during the week preceding the Saturday. Absences excluded under 25(c) above must be approved in advance. For purposes of this Paragraph, Saturday work shall not include hours worked on Saturday by employees regularly scheduled to work Saturday or any portion thereof as the normal fifth day worked such as (i) an employee whose shift starts Friday and continues into Saturday, or (ii) an employee who is assigned to work on No. 1 Shift (midnight) operations regularly scheduled to start with the No. 1 Shift (midnight) Tuesday.

3. **Sunday Overtime**

Except as otherwise provided in this Memorandum of Understanding, overtime work on Sundays shall be voluntary and employees may decline to work Sunday; provided that (a) the employee shall have notified the Company in accordance with Paragraph 16, and (b) the employee has not been absent for any reason (excluding absences for which pay is received under Article IX, Sections 18, 19, 22 and 25(c)) on any day during the week preceding such Sunday, except for a Saturday which the employee declined to work pursuant to Paragraph 2 above. Absences excluded under 25(c) above must be approved in advance. For purposes of this Paragraph, Sunday work shall not include those hours worked on Sunday which are part of an employee's normal five-day workweek (Sunday P.M. through Friday A.M.).

4. **Daily and Saturday Overtime - Car and Truck Assembly Plants and Tractor Assembly Operations**

Notwithstanding Paragraphs 1 and 2, above, the following procedure shall govern employees in the car and truck assembly plants and in the tractor assembly operations, except as otherwise provided in this Memorandum of Understanding.

- (a) Management shall have the right to designate, during a model year period, beginning at the completion of the model launch exemption period stated in Paragraph 9, below, and ending two weeks preceding the announced model build-out date, **nine** Saturdays as nonvoluntary overtime workdays. All other Saturdays are voluntary,

except as otherwise provided in this Memorandum of Understanding, and employees may decline to work any other Saturday during such model year, provided (a) he shall have notified the Company in accordance with Paragraph 16 and (b) he has not been absent for any reason on any day during the week preceding any Saturday which he elects not to work.

- (b) In such plants or operations, daily hours in excess of ten hours worked per shift and Saturday hours in excess of eight hours per shift shall be voluntary, except as otherwise provided in this Memorandum of Understanding.

5. Employees Working on Necessary, Continuous Seven-Day Operations

Notwithstanding Paragraphs 1 through 3 inclusive, employees on necessary, continuous seven-day operations shall be governed by the following:

- (a) Daily Overtime - Hours in excess of nine (9) hours worked per shift shall be voluntary except as otherwise provided in this Memorandum of Understanding for an employee who shall have notified the Company in accordance with Paragraph 16.
- (b) First Regularly Scheduled Day Off in the Workweek - Employees may be required to work one of their regular days off in a workweek; however, except as otherwise provided in this Memorandum of Understanding, an employee who has worked one regular day off in two (2) or more consecutive weeks may decline to work one regular days off in the following (third) week provided (1) the employee shall have notified the Company in accordance with Paragraph 16, and (2) the employee has not been absent for any reason (excluding absences for which pay is received under Article IX, Sections 18, 19, 22 and 25(c)) on any of the five preceding regularly scheduled days of work. Absences excluded under 25(c) above must be approved in advance.

- (c) Second Regularly Scheduled Day Off in the Workweek - Except as otherwise provided in this Memorandum of Understanding, an employee may not be required to work a second regularly scheduled day off in a workweek; provided, however, that (1) the employee shall have notified the Company in accordance with Paragraph 16, and (2) the employee has not been absent for any reason (excluding absences for which pay is received under Articles IX, Sections 18, 19, 22 and 25(c) on any of the five preceding regularly scheduled days of work. Absences excluded under 25(c) above must be approved in advance.

6. Exempt Operations

Employees on the following operations shall be exempt from the provisions of this Memorandum of Understanding: (a) railroad operations and (b) over-the-road trucking operations.

7. Emergencies

The provisions of this Memorandum of Understanding that limit or restrict the right of the Company to require employees to work daily overtime or Saturdays or Sundays shall be suspended in any plant whose operations are interrupted by emergency situations, such as single breakdowns of four hours or more,* government mandated work, power shortages, strike, fire, tornado, flood or acts of God, for a period of time necessary to overcome such emergencies.

8. Critical Plants

- (a) Critical plants or parts of plants are those that are crucial to the integrated supply system of the Company and whose output is essential to meeting the scheduled production of one or more other plants or of customers, and as a result, must operate, in whole or in part, seven (7) days a week.

* Any breakdown is to be considered justification for suspending the limitations on the Company's right to require overtime work for purposes of correcting the breakdown itself; the Company's right to suspend such limitations for the purpose of making up lost production is, however, in the case of breakdowns, limited to production lost as the result of single breakdowns of four or more hours.

- (b) The Company may, from time to time, designate plants or parts of plants as critical, provided, however, that fifteen (15) days prior to making such designations, it will inform the National Ford Department of the International Union, which will indicate its objections, if any, to a plant or plants being so designated.
- (c) Any plants or part thereof that the Company designates as critical, shall, for a period of ninety (90) days after it is so designated, be exempt from the provisions of this Memorandum of Understanding that limit or restrict the right of the Company to require employees to work daily overtime or on Saturdays or Sundays or entitle employees to decline to work at such times.

9. **Changeover or Model Change**

- (a) The provisions of this Memorandum of Understanding that limit or restrict the right of the Company to require employees to work daily overtime or Saturdays or Sundays shall be ineffective in each of the car and truck assembly plants, and tractor assembly operations (a) beginning on a date two (2) weeks preceding the announced build-out date and ending on the build-out date, i.e., when the plant produces for sale the last unit of the model it has been producing; provided, however, the above mentioned provisions may be ineffective for up to two (2) additional weeks, provided the Company gives advance notice of supply or other problems which would interfere with the build-out, and (b) for the week in which it launches, i.e., after the build-out, frames the first unit of a new model, and for three (3) weeks thereafter or until the line speed reaches scheduled production, whichever is later.
- (b) Said provisions shall likewise be ineffective during model change time each year in plants other than car and truck assembly plants, or tractor assembly operations for periods to be designated by plant Management that shall not exceed, in the aggregate, four (4) weeks. Local Unions will be advised in advance of such designated periods.

10. New Plants, New Car or Truck Line Programs or New Shifts

The provisions of this Memorandum of Understanding that limit or restrict the right of the Company to require daily overtime work or work on Saturdays or Sundays shall be ineffective:

- (a) at any plant the Company builds or buys and remodels for a period of one year after regular production in such plant starts;
- (b) at any car and truck assembly plant at which the Company launches a new car line or new truck line or a car or truck line that is new to that plant for a period of one year after regular production starts in such plant and ending with that model year build-out, i.e., when the plant produces for sale the last unit of the model it has been producing, except an employee who has worked two or more consecutive Saturdays may decline to work the following (third) Saturday provided (1) the employee shall have notified the Company in accordance with Paragraph 16; and (2) the employee has not been absent for any reason (excluding absences for which pay is received under Article IX, Sections 18, 19, 22 and 25(c)) on any day during the week preceding the Saturday. Absences excluded under 25(c) above must be approved in advance. For purposes of this Paragraph, Saturday work shall not include hours worked on Saturday by employees regularly scheduled to work Saturday or any portion thereof as the normal fifth day worked such as (i) an employee whose shift starts Friday and continues into Saturday, or (ii) an employee who is assigned to work on No. 1 Shift (midnight) operations regularly scheduled to start with the No. 1 Shift (midnight) Tuesday; provided, however, that in such a plant, a model change period specified in Paragraph 9(a) shall not be applicable at such plant at the beginning of the following model year.
- (c) at any car and truck assembly plant for a period of six months from the time a production shift is added or restored at such plant.

11. Concerted Activity

- (a) Any right to decline daily overtime or Saturday or Sunday work that this Memorandum of Understanding confers on any employee may be exercised only by each employee acting separately and individually, without collusion, conspiracy or agreement with, or the influence of, any other employee or employees or the Union or pursuant to any other concerted action or decision. No employee shall seek by any means to cause or influence any other employee to decline to work overtime. Violation by any employee of the terms, purpose or intent of this Paragraph shall, in addition to subjecting him to discipline, nullify for one month (not including the periods mentioned in Paragraph 9, above) his right to decline overtime.
- (b) The Company shall have the right to suspend for a period of two weeks (not including the periods mentioned in Paragraph 9, above) as to an affected plant the provisions of this Memorandum of Understanding that entitle employees to decline to work daily overtime or Saturdays or Sundays in each event employees collusively, concertedly or in response to the influence of any employee, or group of employees, or the Union (i) fail or refuse to report for daily overtime work or work on Saturdays or Sundays that they have not declined as herein provided or (ii) decline, as so provided, daily overtime work or work on Saturday or Sunday. If employees who are scheduled to work daily overtime in a plant or department or on a Saturday or Sunday fail or refuse to work as scheduled in significantly greater numbers than the Company's experience under this Memorandum of Understanding can reasonably lead it to expect, such evidence should be carefully considered by the impartial Umpire in any decision involving the question of whether their failing or refusing to work the scheduled hours was collusive, concerted or influenced by other persons. The Union shall have the right to specially submit to the impartial Umpire pursuant to Article VII, Section 9 any claim that the Company has acted wrongly in suspending the provisions of this

Memorandum of Understanding as to employees or a plant. If the Umpire sustains the Union's claim, the Company shall, within 60 days of the date of the Umpire's award, give each affected employee the right to decline overtime work on as many daily overtime days or Saturdays or Sundays as such right was suspended.

12. Local Option

Nothing in this Memorandum of Understanding shall make ineffective any local past practice or agreement concerning voluntary overtime that is mutually satisfactory to the Local Union and the plant Management. Local Unions and plant Managements may (i) continue in effect such practices or agreements as are now in effect, or (ii) comply with the terms of this Memorandum of Understanding, or (iii) agree from time to time to suspend the terms of this Memorandum for a fixed period of time during which period production employees (non-Appendix F) shall be governed solely by the provisions of Article IV, Section 6, excluding any reference therein to Appendix H, except for this sub-paragraph.

13. Work Force Supplementation

In order to implement this Memorandum of Understanding, the Company may supplement the work force. The following are illustrative of actions which the Company may take to do so:

- (a) Temporary part-time employees may be hired in accordance with the terms of the Memorandum of Understanding - Temporary Part-Time Employees, but shall not be entitled to Saturday or Sunday premium pay, except as required by law, until they are qualified to perform the work to which they are assigned, or for fifteen (15) working days, whichever is sooner.
- (b) Nothing herein shall preclude a plant from expanding its work force beyond the normal requirements of its operations by hiring new employees and adopting a program pursuant to which employees of said plant may have one (1) or two (2) days off per week (which days need not be Saturdays or Sundays); provided, however, that work performed on Saturday or Sunday shall be at

present premium rates. Plans for such a program shall be discussed in advance with the National Ford Department of the International Union, and any system of rotating days off among some or all of the employees shall be by mutual agreement between the Local Union and the plant Management.

14. Legal Prohibitions

The optional overtime provisions in this Memorandum of Understanding shall not apply in any instance in which they would make it impossible to run an operation without violating a federal, state or local law or ordinance.

15. SUB

Daily overtime hours or Saturday or Sunday work that an employee declines under the terms of this Memorandum of Understanding shall be deemed "Compensated or Available Hours" within the meaning of the Supplemental Unemployment Benefit Plan.

16. Notice

With respect to all voluntary hours provided for in this Memorandum of Understanding in a given week, the employee may decline to work such hours if he notifies his supervisor on a form to be provided by the Company before the end of the shift on the preceding Wednesday provided he has been notified of the overtime schedules for such week not later than the preceding day. If the employee is not so notified, he shall give such notice to his supervisor before the end of the shift following the day of such notice, provided that if he is not so notified until the week in which the overtime is scheduled, he shall give such notice by the end of the shift in which he receives such notice from the Company.

PART B. SKILLED TRADES (APPENDIX F) EMPLOYEES

Appendix F (Skilled Trades) employees in any bargaining Unit may elect, as a group, to have their overtime assignments governed by one of the following four mutually exclusive optional provisions.

1. Continuation of Current Overtime Provisions

Overtime assignments shall be governed solely by (a) Article IV, Section 6, excluding any reference to Appendix H except

for this paragraph, (b) the Sunday Work Assignment (“13-day”) letter dated October 21, 1967, and (c) existing local agreements and practices governing the administration of overtime.

2. **Overtime Bypass**

Overtime assignments shall be governed as set forth in the first option above, however, employees would be bypassed on weekend overtime under the following conditions:

When less than a full complement is required on a trade to work an overtime period, employees who would normally be assigned to work such overtime may elect to be bypassed if they so state at the time they are notified of the overtime opportunity, provided a sufficient number of employees on the same trade and shift are available to perform scheduled overtime work.

In the event an insufficient number of employees accept such overtime assignments, the Company may schedule necessary manpower by requiring employees on the same trade and shift to work on the basis of low overtime hours or seniority on the trade, as agreed upon locally.

The manner in which this option shall be applied in the Rouge Area and at the Cleveland Engine and Casting complex is set forth in Exhibits 1 and 2, respectively.

3. **Appendix H - Local Negotiations**

A Local Union may elect to have Appendix F (Skilled Trades) employees in any bargaining Unit as a group covered by the provisions of Part A hereof provided that prior to its implementation but following completion of 1996 local negotiations, including ratification thereof, the local parties negotiate mutually satisfactory arrangements, selected from among one or more of those enumerated in (a) through (c) below, to provide the means and method for assuring the availability of sufficient manpower for the performance of all overtime work normally assigned to skilled trades employees which the Company deems necessary. Such local negotiations are authorized only on the method and procedure for covering skilled trades work on overtime, shall not be related to or

contingent upon resolution of any other issues and are not covered by the exception to Article V of the Collective Bargaining Agreement provided for in Paragraph 10 of the 1996 Settlement Agreement. Except to the extent permitted under Alternative (a) below, the local parties may not in any way modify or agree to arrangements which are inconsistent with or interfere with the implementation of any of the provisions of Part A hereof. Local agreements negotiated pursuant to this option shall be subject to the approval of Labor Affairs and the National Ford Department, and shall not be approved if they exceed or are in any way inconsistent with the provisions stated herein.

If this option is selected by the Local Union, overtime assignments for skilled tradesmen shall continue to be governed by the provisions of Article IV, Section 6 excluding Part A hereof, the Sunday Work Assignment ("13-day") letter dated October 21, 1967 and existing local overtime agreements until satisfactory local arrangements are negotiated and approved and until the beginning of the week next following 45 days from the date of such approval.

a. **Revised Work Schedules**

Regular skilled trades employees assigned to five-day operations may be placed on a schedule pursuant to which enough employees would be scheduled with one or two designated days off other than Saturday or Sunday to assure that such employees could be required to work Saturdays and Sundays as needed. Preference may be granted to employees desiring particular days off during the week by mutual agreement on a seniority basis on the same shift. (Work performed on Saturdays and Sundays on such operations would be at premium rates as provided in Article IX, Section 9 and 10.) The need for continuing such schedules will be reviewed semiannually.

b. **Journeyman-Apprentice Supplementation-Related Trades**

A need for supplementation on a particular trade may be filled by assignment of available journeymen and

apprentices from other related trades, designated locally, at that location within the bargaining Unit.

Journeyman and apprentices supplementing on another trade will be regarded as “temporary” employees on that trade and shall be subject to all local agreements and local work assignment guidelines applicable to the trade they are supplementing, for all hours worked thereon. They shall be paid the rate of their permanent classification.

c. **Temporary-Changeover Pool**

Local agreements may be negotiated to permit the establishment of a skilled trades supplementation pool consisting of temporary changeover employees selected from within the plant to help meet skilled manpower needs during overtime periods resulting from skilled tradesmen declining overtime opportunities under Appendix H.

4. **Appendix H - October 26, 1973 and Related Letters**

A Local Union may elect to have Appendix F (Skilled Trades) employees as a group governed on overtime by the provisions of Appendix H, Part A and by the letter from Mr. Bannon to Mr. Denise dated October 26, 1973, acknowledging certain Company rights that might be invoked if too many skilled trades employees were to decline optional work assignments.

A request to elect options 2, 3 or 4 set forth above for all skilled tradesmen at any location must be submitted in writing by the Local Union to local plant Management no later than 30 days following the completion of 1996 local negotiations, including ratification thereof. Where neither option 2, 3 or 4 is thus invoked, option 1 shall be deemed elected. Any such election will be effective for the duration of the 1996 Collective Bargaining Agreement.

The provision of options 2, 3 or 4 set forth above, where adopted, shall supersede any conflicting provisions of local overtime agreements.

APPENDIX H**EXHIBIT 1**

November 29, 1973

Mr. Ken Bannon, Vice President
Director - Ford Department
International Union, UAW
8000 East Jefferson Avenue
Detroit, Michigan 48214

Dear Mr. Bannon:

This letter supersedes the letter to you dated November 6 concerning supplementation of the skilled trades force in Rouge Area locations. It is our understanding that skilled tradesmen in each of the Rouge Plant-Wide units, as a group, have opted to have their overtime arrangements governed by the provisions set forth in Appendix H, Part B, Paragraph 2.

In implementing these arrangements in the Rouge Area, the Company is willing to work out practical procedures so that skilled tradesmen in the same classification assigned to Department 9961 and other plants in the Rouge Area would be afforded an opportunity to work such overtime before requiring skilled tradesmen in the Rouge Area plant in which the overtime need has arisen to work as provided in Appendix H, Part B, Paragraph 2.

Among the considerations of practicality in connection with such procedures are these:

- (a) They would be utilized only if there is an insufficient number of skilled tradesmen from among those who normally would be assigned the overtime.
- (b) There would have to be an identified group of qualified employees within the classification known in advance who are willing to work the required overtime and whose availability for particular overtime needs could be quickly ascertained so that the Company's selection could be made in a timely manner.

- (c) There would be no new or added overtime equalization or rotation obligations with respect to these supplemental overtime assignments. Nothing in these new arrangements would alter existing Rouge Area overtime equalization or rotation agreements.
- (d) Complaints about the operation of the new procedures could be taken up with Management, but could not be subject to the Grievance Procedures provided in Article VII of the Collective Bargaining Agreement.

Procedures necessary to accomplish the basic purpose will be reviewed with representatives of the National Ford Department and/or Local 600 as appropriate. Such procedures will be effective with the effective date of the application of Appendix H to the skilled Unit involved.

Very truly yours,

MALCOLM L. DENISE
Vice President - Labor Relations

APPENDIX H**EXHIBIT 2**

November 29, 1973

Mr. Ken Bannon, Vice President
Director-Ford Department
International Union, UAW
8000 East Jefferson Avenue
Detroit, Michigan 48214

Dear Mr. Bannon:

This letter supersedes the letter to you dated November 7 concerning supplementation of the skilled trades work forces in the Cleveland Engine and Casting complex. It is our understanding that skilled tradesmen at this location, as a group, have opted to have their overtime arrangements governed by the provisions set forth in Appendix H, Part B, Paragraph 2.

In implementing these arrangements the Company is willing to work out practical procedures so that skilled tradesmen in the same classification assigned to other plants in the Cleveland Engine and Casting complex would be afforded an opportunity to work such overtime before requiring skilled tradesmen in the plant in which the overtime need has arisen to work as provided in Appendix H, Part B, Paragraph 2.

Among the considerations of practicality in connection with such procedures are these:

- (a) They would be utilized only if there is an insufficient number of skilled tradesmen from among those who normally would be assigned the overtime.
- (b) There would have to be an identified group of qualified employees within the classification known in advance who are willing to work the required overtime and whose availability for particular overtime needs could be quickly ascertained so that the Company's selection could be made in a timely manner.

- (c) There would be no new or added overtime equalization or rotation obligations with respect to these supplemental overtime assignments. Nothing in these new arrangements would alter existing overtime equalization or rotation agreements.
- (d) Complaints about the operation of the new procedures could be taken up with Management but could not be subject to the Grievance Procedures provided in Article VII of the Collective Bargaining Agreement.

Procedures necessary to accomplish the basic purpose will be reviewed with representatives of the National Ford Department and/or Local 1250 as appropriate. Such procedures will be effective with the effective date of the application of Appendix H to the skilled tradesmen at the Cleveland Engine and Casting Plants.

Very truly yours,

MALCOLM L. DENISE
Vice President - Labor Relations

APPENDIX J

**MEMORANDUM OF UNDERSTANDING
CONTINUOUS IMPROVEMENT FORUM**

The Company and the Union recognize the interdependent relationship of quality, operating efficiency, employee empowerment, and job security. Furthermore, the concepts of employee empowerment, work groups and teams and “continuous improvement” are supported fully by the leadership of the UAW National Ford Department and the Company. For Ford to remain a viable competitor and provide the opportunity for employee job security, every location must improve continuously to enable the Company to achieve its objective of being the “One Manufacturing – Best in World”. Each location must strive to meet and beat the competition. The support of and dedication to the work force are essential. Accordingly, the parties pledge to work together on continuous improvement initiatives at every organizational level to improve quality, operating efficiency including plant cost performance, work relationships, work group/team effectiveness, job security, and quality of work life.

During these negotiations, the parties agreed this Memorandum is an on-going agreement, “living document”, permitting the parties to positively evolve and work towards continuous improvement outside the normal collective bargaining process. **As such, the national parties are empowered to review this Memorandum of Understanding to identify improvement opportunities and make adjustments to the provisions during the term of this agreement. The National Continuous Improvement Forum will communicate any such changes to the Local Continuous Improvement Forum.**

To implement these goals and objectives, Ford and the UAW agree that the following committee structures will be the focus of cooperative efforts toward our common goal to improve the effectiveness of our operations, drive standardization and remove barriers to improvement and teamwork, increase job opportunities and fully utilize the work force.

A. Senior Advisory Continuous Improvement Forum

To provide an operational focus on continuous improvement, a Senior Advisory Forum is established comprised of senior Company Manufacturing Operating Management, senior members of the Labor Affairs Office and senior leadership of the UAW National Ford Department.

The Senior Advisory Forum's role is to provide leadership by:

- giving direction to the National and Operations Continuous Improvement Forums;
- inspiring a strong bond among all levels of the organization to empower employees to meet the Company's competitive challenges;
- energizing the entire organization to move toward achieving stated objectives and driving standardization with steadfast determination;
- providing direction for work group/team implementation and the Continuous Improvement Charter. The Continuous Improvement Charter, **as mutually agreed upon**, will contain operational standards and processes required for work group/team implementation; **such as but not limited to:**
 - **Work group/team structure,**
 - **Team implementation flow chart,**
 - **Team leader roles and responsibilities,**
 - **Team leader (de-)/selection process,**
 - **Team related training,**
 - **Use of Visual Job Plan (VJP),**
 - **Team related wage material,**
 - **Charter change management process;**

The Continuous Improvement Charter will be maintained by the National Continuous Improvement Forum (NCIF) and will be provided to the Local Continuous Improvement Forum (LCIF), including the Employee Resource Coordinator (ERC);

- helping open communication channels to share information;
- discussing the Company's general operations, business developments and savings opportunities at each location;
- strongly encouraging the local parties to work together to implement continuous improvement initiatives, including the delivery of plant total cost objectives;
- jointly providing recognition of local continuous improvement successes (e.g., joint recognition letters, joint plant visits, and related activities); discussing the importance of job preservation and job creation;
- jointly studying hourly human resources needs, trends, developments, concepts, etc., in industry and elsewhere; and
- meeting semi-annually (in the first and third quarters) to review continuous improvement progress including local improvement plans, and to discuss new continuous improvement initiatives that may have an impact on a significant number of hourly employees.

B. National Continuous Improvement Forum

To provide a working level focus on continuous improvement, a National Continuous Improvement Forum is established to focus on continuous improvement efforts under the provisions of this Appendix, including Exhibit 1 and Exhibit 2, and Appendix M. This forum will consist of members from the Company designated by the Company's Vice President – Labor Affairs, and from the Union designated by the Vice President and Director of the UAW- Ford Department.

The role of the National Continuous Improvement Forum is to:

- report progress to the Senior Advisory Continuous Improvement Forum, share successes and discuss areas requiring reinforcement;
- support and encourage the local parties to make improvements on a continuous basis;

- encourage and support the concept of team work as a fundamental principle of doing business;
- oversee the implementation of work groups/teams and govern the Joint Continuous Improvement Charter;
- **encourage the progression of work groups/teams; in support of this, the parties will develop an assessment tool that incorporates employee feedback on the health and maturity of the work groups/teams that can be utilized on an as needed basis; results of the assessment will be shared with the National Continuous Improvement Forum, the Plant Manager, Human Resource Manager, and Chairperson;**
- serve as a depository for collecting “success stories” and information and disseminating them to locations that need examples of how problems have been resolved successfully;
- visit locations upon request and offer on-site assistance by meeting jointly with local committees, in conjunction with the UAW National Ford Department Servicing Representatives and Plant Operations Managers or equivalent, to discuss the importance of job preservation and job creation and the reasons for the commitment to increase operational efficiency, suggest possible topics for consideration, and encourage good-faith efforts to develop and implement meaningful local change;
- provide coaching, mentoring and support to local forums as appropriate;
- encourage local efforts to benchmark operations and practices of key “best-in-class” competitors and pursue mutually acceptable methods of closing the competitive gap;
- schedule periodic meetings between members of the UAW-Ford Department and the senior operating management of Ford Motor Company to provide greater information sharing and discussion with members of Management involved in important Company decisions;

- monitor and provide support as required for implementation of competitive local operating agreements; and
- train the local parties on the aspects of this agreement provision.

C. Operations Continuous Improvement Forum

To further continuous improvement efforts at all levels of both the Union and Company organizations, the parties have agreed to implement Operations Continuous Improvement Forums. The Operations Continuous Improvement Forums will include key representatives of Manufacturing Operating Management and Human Resources, designated by the Company's Vice President of Manufacturing, and Union representatives designated by the Vice President and Director of the UAW-Ford Department. These forums will meet semi-annually (second and fourth quarters) at a minimum to discuss and review operation-wide matters and should function in alignment with the local, senior and national forums.

The role of the Operations Continuous Improvement Forum is to:

- report progress to the National Continuous Improvement Forum, share successes and discuss areas requiring reinforcement;
- strongly encourage the local parties to work together to implement continuous improvement initiatives including the delivery of plant total cost objectives;
- provide support, direction and encouragement for the local parties to make improvements on a continuous basis;
- encourage and support the concept of team work, including work group/team standardization, as a fundamental principle of doing business;
- drive implementation of work groups/teams and the Continuous Improvement Charter;
- maintain liaison with local forums and assist and encourage them as appropriate;

- encourage local efforts to benchmark operations and practices of key “best-in-class” competitors and pursue mutually acceptable methods of closing the competitive gap;
- discuss and review progress on implementing competitive local operating agreements from the local level; and
- review continuous improvement progress, including local improvement plans, and discuss new continuous improvement initiatives that may have an impact on hourly employees.

D. Local Continuous Improvement Forum

At the local level, the joint forum will meet at least monthly and as often as necessary throughout implementation of the work groups/teams. Forum members will consist of equal Company and Union members, including the Plant Manager and other members of the Management operating committee selected by the Company, the Unit Chairperson, the Local Union President, if he/she so elects, and the Unit Bargaining Committee.

The Local Continuous Improvement Forums will review operational efficiency, consistent with this Appendix, including Exhibit 1 and Exhibit 2, and jointly develop and introduce continuous improvement initiatives. Elements in local continuous improvement initiatives can include:

- identification of investments in plant improvements or equipment needed to improve product quality or operational effectiveness;
- implementation of work groups/teams throughout the facility following the standards contained within the Continuous Improvement Charter that support teamwork and result in operational efficiencies;
- discuss the quality of the plant’s products and other general indicators of performance as well as UAW Quality Representative issues of concern;
- review opportunities for Local Continuous Improvement Forum team building, which would energize, sustain and

support ongoing Continuous Improvement efforts, provide for further skill development and enhance the working relationship;

- identification of total cost saving initiatives and efficiencies;
- discuss and review progress on implementing competitive local operating agreements ;
- exploration of new forms of work organization that support and can be integrated into manufacturing systems;
- **monitor and communicate ongoing work group/team staffing, and associated managerial support requirements; concerns may be elevated to the National Continuous Improvement Forum for review and resolution;**
- local initiatives to promote employee attendance;
- procedures for improved access by the Local Continuous Improvement Forum to product plans and other information affecting employment security and operational effectiveness, assuring confidential treatment of such information;
- procedures and plans to review past outsourcing and outside contracting decisions, and identify opportunities for insourcing and new business;
- exploration of initiatives to pursue job preservation and job creation;
- implementation of work team concepts that fully utilize all employees;
- the examination of alternative work schedules which provide greater employment opportunities;
- discussion of the use of non-Company employees who would be contracted to provide development, training, and/or implementation toward continuous improvement which will be subject to prior approval of the National Continuous Improvement Forum;

- understand the competitive gap to “best-in-class” competitors and pursue mutually acceptable methods of closing the gap;
- provide a forum for discussion on the viability of the operations and means to implement necessary changes to allow Ford North America to create a competitive platform to be considered for future business versus the global alternatives;
- address other matters that enhance continuous improvement initiatives that the local parties agree are appropriate for discussion.

Efforts of the local parties to improve operational effectiveness may require change or waiver of certain agreements or practices. It is understood that any such changes or waivers would not be effective unless agreed to by the local parties involved and approved in writing by the Labor Affairs Office of the Company and the National Ford Department of the Union. Such changes would be effective only at the location(s) specifically designated.

E. Principles/Process for Effecting Change

The parties agree that there are principles for effecting change to provide standardization across operations, without restricting local Management and the Union from designing alternative solutions for the location’s competitive challenges, with endorsement from the National Continuous Improvement Forum.

Conditioning the Environment

- The support, empowerment and dedication of the hourly work force are critical factors to achieving continuous improvement. The Company’s most important resource and the source of its strength are its employees, who must be trained, trusted, relied upon, and given an ever-increasing role in making decisions to meet the Company’s and Union’s goals and objectives as part of a standardized work group/team structure.
- The work force’s sentiments and beliefs are vitally important and should be secured and understood. Employees’ trust and

support can be gained by involving them in defining, participating in, and influencing decisions for the implementation of the assignment for which they are responsible. The way employees feel about management and each other, the things they focus attention on, their decision-making methods, and the expectations they establish for themselves directly influence the work they perform.

Effective Communications

- Employee awareness of the Company and Union goals and their strategic plans for achieving those goals is important. Therefore, it is strongly recommended that Management at each facility share data relative to how the facility contributes to the Company's overall success. These data should identify positive and negative aspects of each location's performance, and should be shared on a regular basis.
- Sharing data between the parties, open communications, and sensitivity to the concerns of each other are critical to building and maintaining trust. The local parties should collectively work to gain the work force's commitment to higher involvement and excellence.
- The Plant Manager and Plant Controller will share with the Union Chairperson the total budget task that the plant is being assigned.
- As each plant determines how to manage its task, plans will be shared with the Plant Chairperson. The Union's input will be invited, especially as to additional or alternative ways the task can be met.
- Workgroups will be encouraged to identify total cost savings and waste elimination ideas that may contribute to the plant's task achievement.

Identification of Issues

When requesting changes in existing agreements and practices, the problem, process, or system needing improvement should be clearly identified and its adverse impact on quality, customer satisfaction, job security, total cost or future business decisions should be

understood. Data specific to the issue(s) being addressed should be shared and, if possible, the potential improvement quantified.

Guidelines

- Having the work force participate in continuous improvement using teamwork is a fundamental principle for improving the entire operation and achieving the objectives of the business. Management and local Union leadership should actively support the principles of employees working together, as well as being involved in identifying concerns and their resolutions. To this end, the local parties will commit to afford the opportunity for employees to participate and share their ideas in the plant's continuous improvement process.
- The structure and support of continuous improvement initiatives (e.g., forums) may vary by location and will be discussed on a regular basis by the local parties in the Local Continuous Improvement Forum or in other meetings as appropriate.
- The parties may, in certain cases, jointly set goals and objectives, strategically plan, measure the progress regularly, and communicate the results to the work force.
- There should not be any intra- nor inter-plant competition for progress, but all locations should strive to improve their operation using appropriate benchmarking in order to determine opportunities for ongoing improvements. Resolutions of concerns addressed should be subject to change as business conditions change.
- Local management and Union leadership must be involved personally and committed to bringing any agreed upon change to fruition.

Training

- Before training is conducted, the training need and resources required to conduct the training should be clearly identified. The resources should not be reallocated without prior discussions between the local parties. The Company will ensure that necessary training, such as group problem solving, facilitation and instructional skills, effective listening and

feedback, assertive communication, interpersonal skills, managing conflict, and diversity is provided on a timely basis to hourly employees, including team leaders, group members, Union and management leadership and others involved in the participative process. The local parties should jointly select trainers or consultants based upon their proven track record. These trainers or consultants could prove to be a valuable asset in starting the improvement process. Any non-Company employees who will be contracted to provide training will be subject to prior approval of the National Continuous Improvement Forum. The approval will be based on the contractor's credentials and proven track record.

- Because of the changing work force, the traditional role of the supervisor may change in the future to that of coach, innovator, educator and resource person; this transition will take time. Therefore, training members of supervision for this new role is important. All levels (supervisors, superintendents, area managers, union leadership and employees) need to participate in training and retraining to implement the "new ways" of operating.
- If required, training should be provided for newly appointed supervisors, union leadership and managers to ensure that progress is not affected by leadership changes.
- Utilize the skills, talents, and abilities of the skilled work force as an integral part of the production process. As such, they are a valuable resource to the continuous improvement work groups. Further training to enhance the abilities of the skilled work force will enable those employees to make an even greater contribution to these efforts.

APPENDIX J**EXHIBIT 1****Mr. Jimmy Settles**

Vice President and Director
UAW-Ford Department
8000 East Jefferson Avenue
Detroit, Michigan 48214

Dear Mr. **Settles**:

Subject: Skilled Trades Operational Effectiveness

During these negotiations, the parties discussed the nature of the automotive industry and the need to continuously evaluate competitive gaps and make appropriate adjustments to achieve sustainable competitive advantages. The parties agree that a process must be established to facilitate a more efficient use of skilled trades if the Company is to provide the long-term job and income security that all our employees value.

This letter serves to acknowledge that the parties are aligned and committed to fully utilize the skills, talents, and abilities of the skilled work force. The parties recognize that effective teams must be empowered, supported and coached toward delivering the business metrics for which they are accountable, with particular focus on improving safety, quality, productivity and cost reduction.

It is envisioned that the role of the skilled trades employees will grow as new technologies **evolve** and the Maintenance **Operating System matures within** our manufacturing and assembly processes.

It is also recognized that a fully participative skilled trades workforce within the manufacturing process is a critical component of operational effectiveness. As such, we need to improve the manner in which we use the varied skills and talents of our skilled trades workforce. Skilled trades expertise and versatility should be leveraged to improve competitiveness by focusing on the elimination of waste, which includes, but is not limited to:

- Reducing equipment downtime
- Improving production yields
- Eliminating process defects
- Reducing set-up and adjustment time
- Eliminating unnecessary costs
- Driving standardization

Further, the parties agree that **all skilled trades associated within Maintenance Work Teams (MWT)/Manufacturing Work Groups (MWG) will work to their full capabilities to increase equipment uptime. Maintenance Work Teams will operate consistently with the principles outlined in the letter titled “Maintenance Work Teams”. Team Leaders will work with management to coordinate/allocate work assignments.** Consistent with the principles of continuous improvement, the parties also reinforced that the purpose of implementing **Maintenance Work Teams** is to optimize manufacturing efficiency and not to result in immediate, non- attrition related, reductions in the skilled trades work force. If either party believes the implementation of these actions are inconsistent with the intent of this provision the matter may be taken to the National Joint Skilled Trades Governance Team for resolution.

In areas where MWT’s/MWG’s have not been implemented, the parties remain committed to fully utilizing the skills, talents, and abilities of the skilled trades workforce through continued use of work practices identified in Exhibit 2 of the Skilled Trades Supplemental Agreement.

Additionally, the National Parties agree to encourage the local parties, including the plant chairperson and skilled trades representative, where appropriate, to explore other areas that will improve operating efficiencies and continuous improvement initiatives. Elements to consider locally would include:

- Implementation of **Maintenance Work Teams** with the objective of accomplishing assignments **made by the Team Leader** up to the teams’ level of capability.
- Identification of additional training, including on-the-job training, as required for the introduction of new technologies or the need for upgraded skills. Further training to enhance the

abilities of the skilled trades work force will enable those employees to make an even greater contribution to these efforts.

- When considering training that is intended to upgrade the skills of the basic trades, local parties may submit funding proposals to the **National Joint Skilled Trades Governance Team** to underwrite a variety of costs associated with implementing these team concepts, including course materials, instructor fees, train-the-trainer sessions, and in some instances, payment of wages for trainees or their replacements. Such funding proposals are subject to the approval of the UAW-Ford Education, Development and Training Program Joint Governing Body.

Minor maintenance actions will be performed by production employees to improve overall equipment effectiveness. **Production employees currently performing minor maintenance tasks will continue to perform those tasks. Production employees will be assigned minor or preventive maintenance tasks as identified on the visual job plan. Visual job plans will be jointly approved by the local parties. If required, the national parties will review any discrepancies and provide guidance to the local parties on resolution.** These actions include, **but are not limited to:**

- Maintain proper fluid and lubrication levels in the operator's immediate work station machinery.
- Clearing of loose debris within fixtures and equipment (e.g., weld slag, machine chips).
- Inspection and tightening of loose, non-critical components not directly related to locating pins, blocks, and shims.
- Inspection and tightening of loose, leaking coolant, air, and dispensed product fittings.

The parties acknowledge that adoption of these concepts would result in greater job security for the basic skilled trades workforce and increase the potential for growth as the Company becomes better positioned to meet future competitive challenges.

These efforts may require change or waiver of certain agreements or practices. **The local parties will meet regularly to review,**

discuss and proactively address concerns. In such cases, proposed changes to agreements or practices must be communicated to and approved by the National Joint Skilled Trades Governance Team.

Very truly yours,

**Stacey Allerton,
Director
U.S. Labor Affairs**

Concur: _____
Jimmy Settles

APPENDIX J**EXHIBIT 2****November 5, 2015**

Mr. Jimmy Settles
Vice President and Director
UAW, National Ford Department
8000 East Jefferson Avenue
Detroit, Michigan 48214

Dear Mr. Settles:

Subject: Work Groups/Teams

During the 2015 negotiations the Union and Company had extensive discussions regarding the need to partner to deliver engaged and aligned work groups/teams to a consistent standard, in all **divisions (Vehicle Operations Assembly and Stamping, and Powertrain)**, supporting the global manufacturing strategy.

The parties recognize the contributions of our hourly workforce and a vision for fully integrated, motivated teams who work together to drive operational excellence and continuous improvement in support of “One Manufacturing – Best in the World”. All work groups/teams will maintain and improve the business against key objectives, within their span of control, and with the appropriate structure to support them.

The mapping process outlined in the Continuous Improvement charter is utilized to identify work group/team size using factors such as manufacturing processes, geography, complexity, and plant uniqueness. The NCIF will continue to monitor the average work group/team size to ensure work group/teams remain manageable. While individual work group/team size will vary, the mapping process and operating conditions have yielded an average work group/team member to team leader ratio of 10 to one in vehicle operations assembly departments (excluding support departments such as MP&L, Pre-Delivery, etc.). Local concerns regarding work group/team size may be elevated to the National Continuous Improvement Forum for resolution.

The team leader role is critical to each work group/team. ¹**A single, trained team leader whose primary function is to perform the standard roles and responsibilities contained in the Continuous Improvement charter will lead the team and continually improve the business. This team leader classification has an established wage rate of “\$1.50 above” as outlined in the Continuous Improvement charter. They will be selected for this position through a jointly established process. Upon local agreement, the joint parties may submit a request to deviate from the selection process to the NCIF for review and approval. As necessary, the local parties shall establish a process to identify an alternate Team Leader using work group/team versatility.**

To provide team leaders an opportunity to meet, discuss issues, review solutions, and share processes to improve the business, the parties agree to establish regular team leader meeting forums. Team Leaders must submit meeting requests and agendas to the Local Continuous Improvement Forum for review and approval.

For more automated areas, the parties agreed to the implementation of effective Manufacturing Work Groups (MWGs) comprised of production and skilled trade employees working together to support improving flow in production systems. The parties agree the MWG work group/team will function as follows:

- **Skilled trade team members will utilize their skills, talents and abilities to be an integral part and valuable resource to the work group,**
- **Skilled trade team members will work to their full capabilities to increase equipment uptime as outlined in Appendix J, Exhibit 1 Skilled Trades Operational Effectiveness,**
- **The team leader position for certain MWG teams may be required to periodically backfill production operators as part of their standardized roles and responsibilities (e.g. press room, cam cap assembly in head machining, etc.). Where this is applicable, skilled trade team members will not be eligible to apply for the team leader position.**

Further, skilled MWG team leaders will not be used for production absentee coverage,

- The Company will not assign skilled trade team members to production work, **excluding equipment validation, troubleshooting and tryout,**
- **Production team members will have upgraded skills. Operators will perform minor or preventative maintenance tasks as outlined in Appendix J, Exhibit 1 Skilled Trades Operational Effectiveness.**

To ensure the success of manufacturing work groups, a strong commitment to training is required by the employee, the Union, and the Company. **Training will be delivered in an efficient and cost effective manner utilizing on-the-job, web-based, and/or classroom training. Local training options include working with a participating college that may result in accreditation, utilizing UAW-Ford resources to train internally, or other options approved by the National Continuous Improvement Forum.**

The Manufacturing Work Group training program may include elements such as work group effectiveness, improving business results, technical skills including equipment operation and other subjects deemed necessary. **This classroom training will provide production team members with upgraded skills to identify issues and abnormalities. The MWG training is not an attempt to train production employees to replace skilled trades employees.** Training required to support manufacturing work groups will be **monitored by the NCIF.**

Production employees assigned to an MWG must reach specific milestones and complete the joint training program in order to receive the incremental wage rate. With the exception of promotional opportunities, production employees will be expected to remain in the workgroup for a minimum of 12 months after MWG training completion, not to exceed a total of 15 months.

All plants will adopt the work group/team standard as expeditiously as possible. Plants receiving new investment will have a natural opportunity to lead the way.

The local parties may need to adjust local agreements in support of work group/team implementation with approval by National Ford Department and Labor Affairs. This approach will encompass all elements of Exhibit 1 contained within this Appendix. The National Continuous Improvement Forum will oversee the implementation of work groups/teams and standards governed by the Joint Continuous Improvement Charter.

Efficiencies achieved as a direct result of implementation of the teams will not result in an indefinite layoff of work group/team members. Any reduction within the work group/team would be due to other efficiencies, volume-related actions or attrition.

Recognizing the business value of the team leader role, it is not the Company's intention to use annual productivity efforts to target team leader reductions; however, team leader reductions may be necessary based on other business conditions. The local parties will review these reductions in advance. Remaining disputes may be escalated to the NCIF for review and resolution.

This partnership and employee commitment to personal development and continuous improvement will improve employee engagement, competitive work practices and long-term job security.

Very truly yours,

**John Fleming,
Executive Vice President
Global Manufacturing and
Labor Affairs**

**Concur: _____
Jimmy Settles**

APPENDIX J

EXHIBIT 2

ATTACHMENT A

UAW-FORD

**NATIONAL CONTINUOUS
IMPROVEMENT CHARTER**

WORK GROUPS/TEAMS

This is a living document that may only be changed under the guidance and direction of the National Continuous Improvement Forum. The national parties are empowered to identify improvement opportunities and make adjustments to these provisions outside the normal collective bargaining process.

**UAW-FORD NATIONAL
CONTINUOUS IMPROVEMENT CHARTER
WORK GROUPS/TEAMS**

MISSION:

The joint parties are committed to implementing work groups/teams to a consistent standard supporting the global manufacturing strategy as defined in Appendix J. Our beliefs and behaviors must honor standardization and continuous improvement to enable our work groups/teams to deliver "One Manufacturing – Best in the World".

GUIDING PRINCIPLE:

The parties pledge to work together on continuous improvement initiatives at every organizational level to improve quality, operating efficiency including plant cost performance, work relationships, work group/team effectiveness, job security, and quality of work life.

CONTENTS:

- *Aligned & Capable Organization - Work Group/Team Structure*
- *Work Group/Team Implementation Flow Chart*
- *Standard Team Leader Roles & Responsibilities*
- *A standardized Team Leader selection / de-selection process*
- *Team Related Training*
- *Visual Job Plan (VJP)*
- *Team Related Wage Material*
- *Charter Change Management Process*

UAW-FORD NATIONAL CONTINUOUS IMPROVEMENT CHARTER:

WORK GROUP/TEAM STRUCTURE

PURPOSE:

Aligned & capable work group/team structure enabling self-managed work groups/teams, to improve the business against key objectives within their span of control.

The Global Ford Production System Aligned and Capable Organization

In the Desired State, our Manufacturing facilities will have any combination of the following Work Groups / Teams:

Each team has skill and capability to run and maintain their area

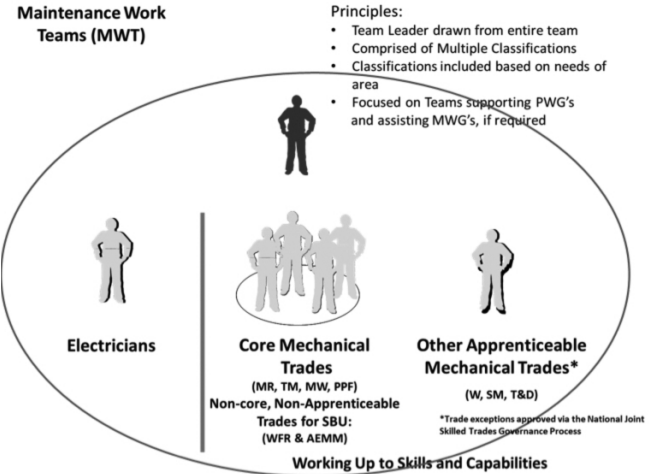

Work is completed by team members to improve the business against key objectives within their span of control. They are self managed. They apply specific processes and methods, make structured improvements, monitor and manage work processes.

**UAW-FORD NATIONAL CONTINUOUS
IMPROVEMENT CHARTER:**

MAINTENANCE WORK TEAMS

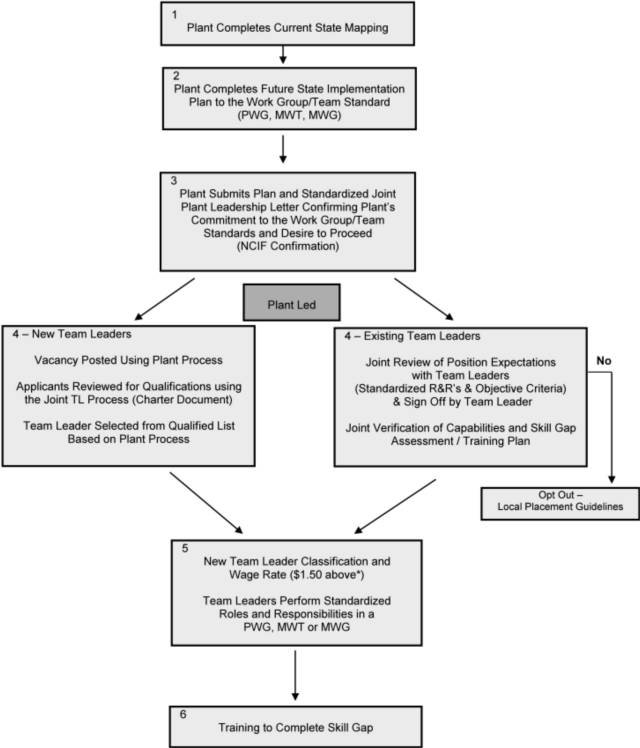

The Mechanical Work Team (MWT) was revised to Maintenance Work Team (MWT) with the addition of Electricians as part of the team structure.

In addition, other apprenticeable Mechanical Trade classifications (W, SM, T&D) may be included based on area needs and with National Joint Skilled Trades Governance approval.

**UAW-FORD NATIONAL CONTINUOUS
IMPROVEMENT CHARTER:**

TEAM LEADER IMPLEMENTATION FLOW CHART

**Wage rates administered per Wage Administration Policy*

UAW-FORD NATIONAL CONTINUOUS IMPROVEMENT CHARTER:

TEAM LEADER ROLES & RESPONSIBILITIES

ALIGNED ROLES AND RESPONSIBILITIES AND PRIMARY TASKS OF A TEAM LEADER

Hourly Team Leader		
<i>Key Role(s)</i>		
<i>Prioritize & Support</i>		
Responsibilities	Elements Of Work	
	Primary Tasks	
Monitor Safety, Quality and Delivery objectives through standardized work. Keep production running safely and smoothly with quality parts	1	Perform Startup & Close-out verification / confirmation tasks
	2	Conduct daily SQDCPME verifications / confirmations
	3	Complete daily Standardized Work observation. Monitor compliance with OIS/JSA and correct any non-conformities.
	4	Review quality and operations for defects or operators for issues
	5	Understand and adhere to the Quality Operating System and utilize provided tools to improve product and process quality
	6	Monitor work areas adherence to 5S standards of workplace organization, and ensure workstations are free of debris and contamination
	7	Monitor work areas adherence to EOS requirements including complying with environmental regulations and conserving natural resources (energy, water, materials)
Respond to ANDON	8	React, Resolve, Track abnormalities (ANDON), and confirm closure of concerns
	9	Assist production operators as required to maintain production flow consistent with cycle time requirements
	10	Verify / Confirm maintenance tasks (Crisis, Predictive and Preventive) are completed by the appropriate people
	11	Obtain materials and supplies for the team. Coordinate appropriate corrective actions to ensure line is properly stocked.
Continuous Improvement	12	Adhere to Time & Data Management to promote and support continuous improvement activities in the team
	13	Lead FTPM actions to improve job / station performance
	14	Coordinate activities with Team Members to constructively utilize down time to continuously improve
Communication & Recognition	15	Communicate as required to perform job functions (such as safety, quality and productivity concerns that the Team cannot address)
	16	Respect and encourage respect of all team members by my actions
Training	17	Responsible for ensuring required training is met within the team, including classroom and on the job
	18	Learn all operations within area of responsibility and maintain all versatility training records within the team to verify each job has appropriate number of trained operators

Primary tasks may be broken down into secondary tasks for further definition of roles and responsibilities. Examples may be provided upon request of the Joint Parties.

**UAW-FORD NATIONAL CONTINUOUS
IMPROVEMENT CHARTER:****TEAM LEADER (DE-)/SELECTION PROCESS****PURPOSE:**

The purpose of the Team Leader selection/de-selection process is to reliably select qualified Team Leaders willing and able to fulfill the specific Team Leader roles and responsibilities by utilizing a standardized process.

The joint parties agree that this standardized Team Leader selection / de-selection process can:

- Increase productivity of team leaders by selecting those most committed to the work group/team model
- Support work group/team effectiveness
- Foster better teamwork between production and skilled trades
- Increase morale of all employees through better involvement in the business
- Ensure Ford Motor Company's ongoing competitiveness versus the competition

ACTIVE MEMBERS:

The active members in the selection and de-selection of Team Leaders are the Team Manager and the designated UAW Representative. The Local Continuous Improvement Forum (LCIF) will have responsibility for process oversight.

Team Leader Selection Process:

The selection process was developed to ensure:

- A common process is used to interview and evaluate all candidates
- Evaluation criteria are consistent and based on skills and competencies that would be required on the position
- Team Leaders selected for the position will have the opportunity to grow their skills and contribute positively to the business

Upon local agreement, the joint parties may submit a request to deviate from the selection process to the NCIF for review and approval.

**UAW-FORD NATIONAL CONTINUOUS
IMPROVEMENT CHARTER:****TEAM LEADER SELECTION PROCESS****New Team Leader process:**

- Plants will use their local posting procedure and include the standard Team Leader roles and responsibilities document, plus a listing of specific job requirements
- Candidates will be selected from within the workgroup where the opening exists (if an acceptable candidate is not found within the work group, the scope can be expanded to include additional areas)
- Equipment complexity will determine the level of technical skills required, and whether a Production or Tradesperson will fill the position.
- Initial screening will be based on the following criteria*:
 - Disciplinary record – No active discipline on record
 - Attendance record – No active attendance discipline on record
 - Willingness to remain in the Team Leader position and workgroup for a minimum of 12 months
- All qualified candidates who have met the objective criteria above, will be granted an interview
- A formal interview conducted by a joint Union / Management team

- **Candidates will be scored using a standard set of questions (a total of 100 points possible):**
 - 1) Experience and versatility (25 points)**
 - 2) SQDCPME knowledge and work habits (40 points)**
 - 3) People and leadership skills (35 points)**
 - 4) Bonus Attendance Points (2 points maximum)**

Based on the scoring of the questions above, candidates receiving a threshold score of 70% will be considered qualified and capable of fulfilling the standardized Team Leader roles and responsibilities. Team Leaders will be selected from the qualified candidate list.

Once selected, the Team Leader will sign off on the Joint Team Leader Verification acknowledging they understand the standardized roles and responsibilities and attend the required training program for the New Team Leaders.

** The Joint Leadership team of the Local Continuous Improvement Forum (LCIF) will be responsible for monitoring objective criteria contained within the initial screening.*

**UAW-FORD NATIONAL CONTINUOUS
IMPROVEMENT CHARTER:****EXISTING TEAM LEADER VERIFICATION PROCESS****Existing Team Leaders:**

During the transition from current state to future Work Group/Team state, there will be a joint review of position expectations with Existing Team Leaders. The review will consist of the position expectations and standardized roles and responsibilities in the new Workgroups/Teams. It is important to ensure Team Leaders understand the requirements of the position and complete the tasks as required to the standard. Additionally, a joint verification of capabilities and the training necessary to carry out his or her job effectively will be identified.

If an existing team leader decides they do not want to remain a Team Leader, they can choose to “Opt out” and be placed in a different position following the Local Placement Guidelines. If they want to continue as a Team Leader, then a “Joint Team Leader Verification” is completed, a skill gap assessed and the Team Leader signs-off on the standardized roles and responsibilities.

APPENDIX J

(EXHIBIT 2 ATTACHMENT A NATIONAL
CONTINUOUS IMPROVEMENT CHARTER)

Team Leader Verification

	Primary Tasks	Able to perform Y/N	Training Solution	Comments
1	Perform Startup & Close-out verification / confirmation tasks			
2	Conduct daily SQDCPME verifications / confirmations			
3	Complete daily Standardized Work observation. Monitor compliance with OIS/JSA and correct any non-conformities.			
4	Review quality and operations for defects or operators for issues			
5	Understand and adhere to the Quality Operating System and utilize provided tools to improve product and process quality			
6	Monitor work areas adherence to 5S standard's of workplace organization, and workstations are free of debris and contamination			
7	Monitor work areas adherence to EOS requirements including complying with environmental regulations and conserving natural resources (energy, water, materials)			
8	React, Resolve, Track abnormalities (ANDON), and confirm closure of concerns			
8	Understand plant policy and reaction to stopping the line. Train Work Group Members on the correct use of the ANDON system, especially when the ANDON is to be activated.			
8	Input daily ANDON issues, ie, Downtime, quality, safety, etc... into FIS and tools			
9	Assist production operators as required to maintain production flow consistent with cycle time requirements			
	Reset faults to equipment as required and as capable to perform			
	Report down time as quickly as possible and coordinate the other Team Members to focus efforts on eliminating waste and promoting continuous flow.			
	Perform operational and administrative tasks of Work Group including progress toward Quality and Productivity goals.			
	Perform other tasks as required per the Supervisor including tasks not specifically identified to maintain production of team as well as assisting other Work Group Leaders			
	Stop work immediately if unsafe or unplanned situations occur & revise work method (including Planned/Unplanned Non Production Work/Event).			
10	Verify / Confirm maintenance tasks (Crisis, Predictive and Preventive) are completed by the appropriate people			
	Help Supervisor establish maintenance priorities based on data, PM effectiveness and potential impact to the manufacturing production process. Assist to coordinate daily and weekend support plans with the maintenance organization resulting in daily interface with outpost personnel			
	Input Maintenance tickets into system as required.			
	Perform minor maintenance (defined locally) as required to keep the line running.			
11	Obtain materials and supplies for the team. Coordinate appropriate corrective actions to ensure line is properly stocked.			
	Input Shop Floor Requisition (SFR) items and follow SMART System and Material flow guidelines to maintain established material minimum and maximum inventory levels.			
12	Adhere to Time & Data Management to promote and support continuous improvement activities in the team			
13	Lead FTPM actions to improve job / station performance			
14	Coordinate activities with Team Members to constructively utilize down time to continuously improve			
15	Communicate as required to perform job functions (such as safety, quality and productivity concerns that the Team cannot address)			
16	Respect and encourage respect of all team members by my actions			
17	Responsible for ensuring required training is met within the team, including classroom and on the job			
18	Learn all operations within area of responsibility and maintain all versatility training records within the team to verify each job has appropriate number of trained operators			

I understand and acknowledge that I will adhere to the standard 18 Roles & Responsibilities and adhere to my individual training plan.

Signature / Date

**UAW-FORD NATIONAL CONTINUOUS
IMPROVEMENT CHARTER:****TEAM LEADER DE-SELECTION PROCESS****Team Leader De-Selection Process**

The objective of the Team Leader de-selection process is to provide a consistent and uniform process for the local UAW / Management team to identify and correct valid concerns. The process is designed to provide opportunities for coaching and performance improvement, and to provide Team Leader process stability.

There are four possible ways in which a Team Leader can be de-selected. Concerns regarding Team Leaders will be jointly investigated by the Team Manager and district or other union representative with the Team Leader prior to removing the Leader from their position.

- 1) The Leader asks to be removed. (It is understood that the Leader concerns should be discussed and resolved during the ongoing development process and that this formal request represents a last opportunity to keep a valued Leader on the job)
 - a) Determine reasons for the Leader's request for removal, and as appropriate, plan and adjust the development process and/or the system to provide needed and expected support for the leader
 - If the Leader is satisfied with the adjustment plan, review progress during the next scheduled development meeting
 - If not, (and Leader has fulfilled their 12-month commitment) the Leader will be removed/disqualified per Local process*

**In the event all parties agree that the Leader position is not working for the employee, the Leader can be disqualified during the 12-month window*

- 2) The Leader has exceeded the minimum attendance or disciplinary criteria. In this situation, the leader will be disqualified. Disagreements regarding disqualification can be escalated to the Joint National Parties for review and/or resolution.**
- 3) The Leader is not fulfilling the Leader roles and responsibilities, and not making reasonable progress with their development plans.**
 - a) Provide the Leader an opportunity to discuss reasons for failing to fulfill the specific roles and responsibilities**
 - b) As needed, investigate potential shortfalls in the organization's support of the Leader**
 - c) If the system support is adequate, the employee is directed to present a corrective action plan (within three days), and is provided 30 days to implement their plan**
 - d) Notify the employee that failure to implement the corrective actions, within the 30 day timeframe, will result in disqualification**
- 4) The Work Group members have submitted a "petition for leader development" (Cannot be initiated within the first six months).**
 - a) Review the work group members' petition process and the work group's specific concerns with the Leader**
 - b) Follow steps (a through c) outlined in item #3 above**
 - c) After the 30 day implementation period, resurvey work group members to verify corrective actions have been implemented**
 - d) If the work group is still dissatisfied, the Leader will be removed***
 - e) Repeated petitions for the same concerns may be cause for immediate removal**

**The Joint Leadership team of the Local Continuous Improvement Forum (LCIF) will be responsible for the oversight of this process.*

**UAW-FORD NATIONAL CONTINUOUS
IMPROVEMENT CHARTER:****TEAM RELATED TRAINING****PURPOSE:**

Proactive Training which provides knowledge on manufacturing and skills development, enabling teams to deliver safety, quality and delivery metrics at world-class levels.

MWG Training

To ensure the success of manufacturing work groups, a strong commitment to training is required by the employee, the Union, and the Company. Training will be delivered in an efficient and cost effective manner utilizing on-the-job, web-based, and/or classroom training. Local training options include working with a participating college that may result in accreditation, utilizing UAW-Ford resources to train internally, or other options approved by the National Continuous Improvement Forum.

The Manufacturing Work Group training program may include elements such as work group effectiveness, improving business results, technical skills including equipment operation and other subjects deemed necessary. This classroom training will provide production team members with upgraded skills to identify issues and abnormalities. The MWG training is not an attempt to train production employees to replace skilled trades employees. Training required to support manufacturing work groups will be monitored by the NCIF.

- Module 1 - Introduction to MWG Training**
- Module 2 - Safety Fundamentals**
- Module 3 – Measurement**
- Module 4 – Fasteners**
- Module 5 - Balancer/Hoist Safety**
- Module 6 - Visual Job Plans**
- Module 7 - Mechanical Safety**

- **Module 8 - Lubrication Systems**
- **Module 9 - Mechanical Principles**
- **Module 10 - Electrical Safety**
- **Module 11 - Electrical Principles**
- **Module 12 - Electrical Systems and Components**
- **Module 13 - Hydraulic and Pneumatic Principles**
- **Module 14 – Fluids**
- **Module 15 - Accessories**

**UAW-FORD NATIONAL CONTINUOUS
IMPROVEMENT CHARTER:****MWG TRAINING****Fundamentals:**

Introduction to MWG Training #1 Estimated Contact Hours: 1

Module 1 of Fundamentals, Introduction to MWG Training, starts the sequence of MWG Training. Included in this module are a:

- **Brief description of class logistics**
- **Participant Introduction**
- **Brief discussion on perspectives**
- **Management and UAW Support**
- **An overview of the program**
- **Purpose of the program including:**
 - o **Improvement of base line knowledge**
 - o **Improve communications**
 - o **Additional skills and capability**
- **Goals**
 - o **Production engaged in minor maintenance activities**
 - o **Communication with skilled trades**
 - o **Continue to develop skills and capability**
- **A discussion of the Module structure**

Fundamentals:

Safety Fundamentals #2 Estimated Contact Hours: 7

Module 2 of Fundamentals, Safety Fundamentals, is a reinforcement of various areas of safety. The intent is to remind the participants that while they are performing the new autonomous and minor maintenance tasks, they are to exercise the expected safety precautions, wear the proper protection, and identify safety issues for corrective maintenance if they are unable or do not possess the skills and capability to correct the issue.

At the conclusion of this overview, participants are reminded of various safety precautions and actions and understand that they

must follow government, corporate and facility safety rules while performing autonomous and minor maintenance activities

Fundamentals:

Measurement

#3 Estimated Contact Hours: 5

Module 3 of Fundamentals, Measurement, is a review, and in other cases a deep dive into measurement.

Participants come to the program with varying degrees of insight into measurement and how to read the related measuring devices found in the manufacturing environment. During this module, they learn to recognize measurement systems (English and Metric) and how to identify and properly write values as it relates to production and maintenance activities. Participants are taught how to accurately communicate values to interested parties including Skilled Employees, Process Coaches, and Engineers.

At the conclusion of this module, participants understand how to read and communicate the readings from a scale, production gauges, calipers and micrometers, in English and Metric. They demonstrate how to correctly convert measurements from one system to another, and interpret measurement to confirm or correct quality concerns or communicate to others in Metric and English.

Fundamentals:

Fasteners

#4 Estimated Contact Hours: 4

Module 4 of Fundamentals, Fasteners, is a module that describes the different types of fasteners, their characteristics, how to define their size, recognize, inspect, and safely tighten fasteners.

The intent of this module is to define fasteners use/application across production and maintenance. At the conclusion of this module, participants understand:

- Basics about bolt measurement, strength, torque, finish, tensile strength, thread pitch, classification.
- Metric, English, and Acme Threads
- Types of bolts, screws, nuts, washers, set screws, and keys.
- How to use a thread gauge

- The function and how to use a Torque Wrench
- Adhesives and Sealants

Fundamentals:

Balancer/Hoist Safety #5 Estimated Contact Hours: 4

Module 5 of Fundamentals, Balancer/Hoist Safety, is a module that was totally re-written and concentrates on identification of safety related opportunities for balancers and lift equipment.

The intent of this module is to increase awareness of balancer and lift equipment, the essentials of safety, and what to look for while inspecting and operating these pieces of equipment for production/engineered lifts. It also addresses that “free-lifts” should be handled by a skilled employee.

The module starts with Balancers and what types of failures are associated with this equipment. Participants are instructed what to look for in Lift Equipment including the lift fixtures. The participant is provided multiple failure modes for slings, hooks, shackles, and eye bolts.

Fundamentals:

Visual Job Plans #6 Estimated Contact Hours: 1

Module 6 of Fundamentals, Visual Job Plans, introduces the Visual Job Plan format. The intent is to walk participants through the content of a Visual Job Plan.

Mechanical:

Mechanical Safety #7 Estimated Contact Hours: 4

Module 7 of Mechanical, Mechanical Safety, addresses safety when working with Mechanical Systems. The intent is to remind the participants that while they are performing the new autonomous and minor maintenance tasks, they are to exercise the expected safety precautions, wear the proper protection, and identify safety issues for corrective maintenance.

Participants are introduced to safety as it relates to power transmission, mechanical devices and mechanical systems. Items such as gravity, stored energy, and mechanical advantage are addressed.

Time is spent on Energy Control for Setup and Permitted Minor Tasks (ECSPMT) and describes the minor maintenance actions that are permitted with the “lock-key” system.

Mechanical:

Lubrication Systems

#8 Estimated Contact Hours: 4

Module 8 of Mechanical, Lubrication Systems, is intended as a deep dive into centralized lubrication systems used on manufacturing equipment. These oil systems include drip, wiper, and mist systems. The module then goes on to discuss the application of solid film lubricants and grease. Completing this module, participants should be able to replace lubricants, fill reservoirs, and complete greasing activities. As a result of this module and related modules the participant will:

- Identify and describe fault conditions to Team Members, Skilled Employees, or the Process Coach.
- Demonstrate an understanding of the various types of lubrication systems used on the production equipment.
- Apply knowledge of various valves, fittings, and components used on lubrication systems.
- Identify and in some cases correct issues with lubrication systems

Mechanical:

Mechanical Principles

#9 Estimated Contact Hours:4

Module 9 of Mechanical, Mechanical Principles, utilizes the same steps as previously reviewed by participants in Introduction to Principles in the Fundamentals Section. This module provides participants with an efficient and logical sequence of activities to make decisions based on the input they absorb through the four senses. Senses include seeing, hearing, smelling and touching.

- Investigate
- Analyze
- Act
- Verify Results
- Standardize

This module concentrates on principles of mechanical elements of production equipment and asks specific questions related to the 4 senses to assist the production participant in completing standardized steps in troubleshooting.

At the conclusion of the module it identifies expectations based on the 4 senses. (sight, hearing, smelling and touching)

Electrical:

Electrical Safety

#10 Estimated Contact Hours: 8

Module 10 of Electrical, Electrical Safety, addresses safety when working with Electrical Systems. The intent is to remind the participants that while they are performing the new autonomous and minor maintenance tasks, they are to exercise the expected safety precautions, wear the proper protection, and identify safety issues for corrective maintenance. Other objectives for this module include the participant:

- Interpreting the information on the Arc Flash labels and following all safety precautions as prescribed.**
- Understanding the use of a GFCI and demonstrating the proper application of the GFCI.**
- Following 5 S's for work place organization and keeping areas in front of electrical panels clear.**

Participants are introduced to safety as it relates to electrical systems, electrical devices and electrical components. Items included in this safety section are.

- ECPL Review**
- ECSPMT Review**
- Proper method to operate an electrical disconnect**
- Arc Flash – Arc Blast - Boundary**
- How Electricity is conducted**
- Grounding**
- GFCI**
- Overview of NFPA 7E of the National Electric Code**
- Precautions to prevent injury**

Electrical:**Electrical Principles****#11 Estimated Contact Hours: 5**

Module 11 of Electrical, Electrical Principles, is intended to provide basic information to the participant starting at AC and DC current, basic electrical principles, understanding the types of circuits through conditional inputs and outputs. It addresses how a participant's actions, can create conditions/movement in equipment. The participant will:

- **Understand conditional inputs and outputs and how they apply to the function of your production equipment.**
- **Perform minor maintenance inspections.**
- **Safely verify conditional inputs and outputs as required in order to verify machine operations.**
- **Understanding when a conditional input(s) is satisfied, an output(s) will result as the consequence of that input(s).**

Electrical:**Electrical Systems and
Components****#12 Estimated Contact Hours: 5**

Module 12 of Electrical, Electrical Systems and Components, is intended to provide participants with the basic theory of process control and the skills to identify the various plugs, receptacles, sensors, switches and other components used on production equipment.

At the conclusion of this module, participants again work through the steps as they relate to electrical components.

This module is unique because it continues the discussion of process control, and addresses complementary components concurrent to the operation.

Fluid Power**Hydraulic and
Pneumatic Principles****#13 Estimated Contact Hours: 5**

Module 13 of Fluid Power, Hydraulic and Pneumatic Principles, is intended to provide participants with the basic theory of

hydraulics and pneumatics. It provides participants with an understanding of the components of the system, how they work together and how pressure is created. Pascal's law is addressed as well as safety as it relates to Hydraulic and Pneumatic systems.

Fluid Power

Fluids

#14 Estimated Contact Hours: 5

Module 14 of Fluid Power, **Fluids**, is intended to provide participants with information to assist them in Identifying and correcting issues with hydraulic fluids. Participants are aware of the characteristics of fluids based on machine requirements so when faced with filling the tank they are able to read the Ford identification tags for fluid replenishment. After this module, participants are aware of contamination and breakdown of hydraulic fluids and are able, with some OJT to replace filters that do not require special tools or procedures.

Fluid Power

Accessories

#15 Estimated Contact Hours: 2

Module 15 of Fluid Power, **Accessories**, is intended to provide participants with information so that they can recognize different accessories associated with hydraulic and pneumatic systems. Accessories covered in this module include:

- **Heat Exchangers**
- **Accumulators**
- **Intensifiers**
- **Pressure Gauges**
- **Flow Meters**
- **Sound Dampening materials**

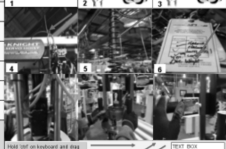

Participants are introduced to each of these accessories and are instructed on how they work in the system, safety precautions when working around these accessories, and associated issues that may cause a reduction in efficiency for these components.

UAW-FORD NATIONAL CONTINUOUS IMPROVEMENT CHARTER:

VISUAL JOB PLANS AND MINOR MAINTENANCE

Supporting MOS, the Visual Job Plan (VJP) is a standard method for formalizing job steps for tasks performed by production employees within a Production Work Group (PWG) and Manufacturing Work Group (MWG). Visual Job Plans also ensure appropriate methods are utilized within the team to maintain safety and quality. Training for a specific plan will be provided through on-the-job training (OJT).

Example of a generic VJP

MAINTENANCE VISUAL JOB PLAN		Title: Visual Hoist inspection		CREATION DATE: 11/28/2012

- Production employees will be assigned minor or preventative maintenance tasks as identified on the visual job plan (VJP)
- Production employees currently performing minor maintenance tasks will continue to perform those tasks
- Visual job plans will be jointly approved by the local parties
- If required, the national parties will review any discrepancies and provide guidance to the local parties on resolution

UAW-FORD NATIONAL CONTINUOUS IMPROVEMENT CHARTER:

APPENDIX J AND MAINTENANCE WORK TEAM WAGE RELATED MATERIAL*

Name	Group	Description	Rate Impact	Classification / Rate Examples
Production Work Group (includes all full and part-time team)	PWG	Production Operator	Rate remains the same	Paid the production rate of assigned classification
		Production Team Leader	Increase in rate	Employee receives up to \$1.50 over the highest rated classification on team (or above present level in ARP if coming from an ARP) to perform standardized Team Leader Roles & Responsibilities Example: Existing Team Leaders who have received \$0.645 will receive an additional \$0.855 to reach \$1.50
		In Progress Team Leader	Increase in rate	Classified as In Progress on (Adjusted Rate) employee. Will be paid \$1.50 per hour above the In Progress on (Adjusted Rate) of the highest rated classification on team or above present level in ARP if coming from an ARP.
Maintenance Work Team	MWT	Skilled Trade Team Leader	Increase in rate	Employee receives \$1.50 above established MWT rate (\$33.825)
		Trades Assigned to Team - (EL, MR, TM, PF, MW) SBU only - (WFR & ABMM) Additional trades approved per the NUSTGT	Rate remains the same for trades making the MWT rate of \$33.825 Increase in rate for approved mechanical trades to the MWT rate of \$33.825	Employees assigned to the team making less than the MWT rate of \$33.825 receive an increase in pay to \$33.825 to work up to their skill and capability Example: MW, PF and other apprenticeship mechanical classifications approved by NUSTGT
Manufacturing Work Group	MWG	Upskilled Production Operator	Increase in rate - \$0.50/hr	Upon certification of successful completion of 50% of training, employee receives \$0.25/hr increase above highest hourly production rate on the team (ARP will receive the increase above their present ARP level). Upon certification of successful completion of 100% of training, employee receives additional \$0.25/hr increase above highest hourly production rate on the team (ARP will receive the increase above their present ARP level). In Progress on or In Progress on (Adjusted Rate) employees are eligible to be an upskilled production operator. However, they are classified In Progress on (Adjusted Rate) and paid accordingly. Upon certification of successful completion of 100% of training, employee will receive a one-time lump sum payment of \$600.
		Production / Skilled Trade Team Leader	Increase in rate	Team Leader receives up to \$1.50 above highest rated production rate if Team Leader is production employee or \$1.50 above base skilled classification wage on team if Team Leader is skilled trade to perform standardized Team Leader Roles & Responsibilities. Production Team Leader also eligible to receive \$0.50 upskilled increment only upon completion of training. Existing Team Leader - up to \$1.50 increase, (ex., existing Team Leaders who have received \$0.645 receives an additional \$0.855 to reach \$1.50)
		In Progress Team Leader	Increase in rate	Classified as In Progress on (Adjusted Rate) employee. Will be paid \$1.50 per hour above the In Progress on (Adjusted Rate) of the highest rated classification on team or above present level in ARP if coming from an ARP.
		Skilled Trade Assigned to Team	Rate remains the same if making \$33.825 Increase in rate for trades making less than hourly rate of \$33.825	Employees assigned to the team making less than the MWT rate of \$33.825 receive an increase in pay to work up to their skill and capability

*Wage rates are as of the 2015 General Wage Increase and do not reflect the 2017 General Wage Increase

APPENDIX K**MEMORANDUM OF UNDERSTANDING – TEMPORARY
EMPLOYEES**

During these negotiations the parties held lengthy discussions regarding the use of temporary employees. The parties agreed that in certain circumstances, it may be necessary to utilize temporary employees to supplement the full-time work force. To that end, the parties recognize the following two categories of temporary employees:

- Temporary Part-Time Employees (TPT)
- Short-Term Supplemental Employees (STS)

The following paragraphs set forth the terms and conditions for use of the aforementioned temporary employees, as well as the wages, benefits and other provisions.

- I. Temporary Part-Time Employees (TPT) shall be employed in accordance with the following provisions:
 - a. TPTs are employees hired by the company who shall be normally scheduled to work a maximum of three days per week. TPTs may be utilized any day of the week and at any Ford U.S. facility to replace hourly employees not at work for certain absence codes, specifically, unexcused absences, Intermittent Family Medical Leave Act (FMLA) leaves/absences, or sick leaves of absence of less than twelve (12) months.
 - b. The Company and the UAW National Ford Department shall meet annually to determine the maximum allowable number of TPTs to be used at each facility in each of the four subsequent quarters. The first such meeting will take place within 30 days of ratification of the agreement. The parties will meet in advance of each quarter to mutually agree that the calculation is still applicable.

- i. Such determination will be made by examining unplanned absence data from the previous calendar year. The number of TPTs allowed at each facility will be based on that facility's quarterly average of the aforementioned absences calculated as a percentage of total absenteeism multiplied by the number of full time employees (active on roll plus temporarily inactive). This will represent the full-time equivalent or percent of labor hours that may be worked by TPTs.
 - ii. The parties recognize there may be a need to utilize a mutually agreed upon higher number of TPTs (than the calculated allowance) on Mondays, Fridays, other "book end days", Saturdays, Sundays, Holidays, and the days preceding and following Holidays to accommodate the greater number of absences that occur on those days.
 - iii. If a facility is unable to obtain a sufficient number of TPTs based on candidate work preferences, the parties will meet to discuss suitable alternatives.
- c. The National parties will monitor the use of TPT employees in the weekly NFD/Labor Affairs Manpower meeting. Should the UAW-National Ford Department determine that TPTs are being scheduled for hours or for reasons beyond those allowed, it will bring it to the attention of the Director of U.S. Labor Affairs and the Vice President of North America Manufacturing. Violations will be corrected within 2 weeks of such notice or the use of these temps will be subject to cancellation by the National Ford Department.
- d. For purposes of determining Union representation, TPT employees will be counted only on days for which they are scheduled to work. Representation will be determined by accumulating the number of TPT

employees utilized each day until the number reaches 200 at which time the Union will be authorized an additional representative for one day.

II. Short-Term Supplemental Employees (STS) shall be employed in accordance with the following provisions:

- a. STSs are employees hired by the Company who shall be normally scheduled to work any five days per week for a period not to exceed twelve (12) calendar months.**
- b. In all instances where STS employees are to be utilized, the Company shall canvass existing TPT employees at the requesting facility for their interest to become an STS employee.**
- c. The Company may hire, rehire or reinstate STS employees for the purpose of summer vacation replacements for the period beginning the first Monday in May and ending no later than the first Saturday following the Labor Day Holiday to supplement seniority employees who take vacation. The Company will review the vacation coverage plans with the National Ford Department prior to May 1st and will address any concerns to the mutual agreement of both parties prior to employees being placed on roll.**
 - i. The National Parties will continue to monitor the use of STS employees as vacation replacements in the weekly NFD/Labor Affairs Manpower meeting. Issues regarding the use of these employees will be brought to the attention of the Director of U.S. Labor Affairs and the Vice President of North America Manufacturing. These issues will be resolved within 2 weeks or the use of these temps will be subject to cancellation by the National Ford Department.**
- d. The Company shall review with the National Ford Department other situations requiring STS employees such as, but not limited to: product launches, attrition**

program transition, periods of high vacation (outside of the summer vacation replacement period), placeholders awaiting transfer of laid off employees from other locations, or other similar supplemental manpower needs.

- i. Requests for STS employees in such cases shall be made in writing to the National parties for mutual agreement.
- ii. If there are no existing TPT employees at the requesting facility, the Company may hire, rehire or reinstate STS employees for a period of up to one year. If a STS employee works for a continuous period of more than one year, they will gain seniority as an In-Progression employee with a seniority date equal to the most recent hire, rehire or reinstatement date as an STS employee. However, if the most recent hire, rehire, or reinstatement date as an STS employee was prior to November 23, 2015, the STS employee will establish a seniority date of November 23, 2015.
- iii. The UAW-National Ford Department may cancel the use of STS employees following two weeks advanced written notice of termination to the Company.
- e. STS employees will not be hired or rehired at a plant when there are laid off seniority employees from that plant or laid off seniority employees within the same zone, until the laid off seniority employees have been canvassed to work as a Short-Term Supplemental employee and the need still remains.
- f. For purposes of determining Union representation, STS employees on roll will be counted as part of the Unit.
- g. The National parties will continue to review the use of STS employees on an on-going basis. STS employees

are not to be employed to avoid hiring to fill permanent positions.

III. The following provisions will apply to both Temporary Part-Time and Short-Term Supplemental employees:

- a. On days they are scheduled to work, temporary employees may be scheduled for all or any part of the hours posted for the department to which they are assigned.
- b. Temporary employees may be scheduled to work daily overtime or on days for which full-time employees receive premium pay as such if they do not displace eligible full-time employees.
- c. Temporary employees will not be assigned to an operation expressly for the purpose of establishing a production standard on that operation; nor will his/her performance be considered either in establishing a production standard or in a dispute over the production standard.
- d. The utilization of temporary employees shall not be considered as an infringement of the rights of full-time seniority employees.
 - i. Seniority employees who are laid off or who are to be laid off may request to displace temporary employees.
 - ii. Seniority employees who are utilized as temporary employees will be required to comply with the work schedule for temporary employees.
 - iii. Seniority employees who are utilized as temporary employees shall continue to accumulate seniority and shall be entitled to all the benefits of seniority employees except as provided in paragraph iv.
 - iv. Seniority employees who are utilized as TPT employees shall not be entitled to Supplemental Unemployment Benefits (SUB). Seniority

employees who are utilized as STS employees shall be entitled to SUB.

- v. A seniority employee who is affected by a reduction in force and becomes a temporary employee will be eligible for a scheduled vacation and paid excused absence with respect to any unused vacation/excused absence hours at the time of the reduction in force. Further, in computing the number of weeks of enrollment and absences for purposes of determining vacation eligibility for the succeeding year, the period of employment as a temporary employee will be counted.**
- vi. A seniority employee who becomes a temporary employee will be entitled, if otherwise eligible, to receive payment for the wage benefit payments in the following provisions of the UAW-Ford Collective Bargaining Agreement for the days the employee would have been scheduled to work:**
 - Article IX, Section 18 – Jury Duty Pay**
 - Article IX, Section 19 – Bereavement Pay**
 - Article IX, Section 20 – Short-term Military Duty Pay**
- e. Temporary employees will be considered for full-time job openings in a fair and equitable manner, giving due consideration to the length of employment with the Company. Additionally, the Company will consider temporary employees for full-time job opportunities prior to hiring from the street and in the following order:**
 - i. Temporary employees currently working and/or laid off from the requesting facility.**
 - ii. Temporary employees currently working and/or laid off within the same zone of the requesting facility, except when the requesting facility is within the Rouge Site. After the requesting**

facility within the Rouge Site has exhausted its list of temporary employees at that facility, working and/or laid off temporary employees from the Rouge Site shall be given consideration prior to hiring from the zone.

- f. Temporary employees will be laid off and recalled in a fair and equitable manner, giving due consideration to the length of employment with the Company. Recall will follow the order from above.
- g. Temporary employees shall accrue no credit towards acquiring seniority. In the event such employees become full-time employees, they shall be considered as rehires and shall receive no credit towards acquiring seniority for time they were employed as temporary employees. Temporary employees shall, however, receive credit for time worked as a temporary employee for all eligibility of benefits as an In-Progression employee.
- h. The Company may discharge or terminate temporary employees, in which case the employees shall have access to the Grievance Procedure in cases of claimed discrimination on account of any race, religion, color, religion, age, sex, sexual orientation, gender identity, union activity, national origin, disability and veteran status
- i. Temporary employees shall be entitled to Union representation, including access to the regular Grievance Procedure, in cases of alleged violation of rights arising out of this Agreement.
- j. Temporary employees will be subject to the provisions of Article II and III of the UAW-Ford Collective Bargaining Agreement. Monthly dues for temporary employees will be as determined by the National Ford Department, UAW.
- k. Wages beginning on the Effective Date of the Agreement:

- i. Temporary employees hired or rehired prior to November 23, 2015 will have their wage rate and progression determined as follows:

Table 1:

Weeks Worked	Current Wage	Wage Effective 11/23/2015
Less than 52 weeks worked	\$15.78	\$17.00
52 – 104 weeks worked	\$16.66	\$18.00
105 – 156 weeks worked	\$17.53	\$19.50
157 – 208 weeks worked	\$18.41	\$21.00
After 208 weeks worked	\$19.28	\$22.00
Maximum Rate	\$19.28	\$22.00

- ii. Temporary employees hired or rehired after November 23, 2015 will have their initial wage rate and subsequent wage progression determined as follows:

Table 2:

Weeks Worked	Wage Progression
At Hire	\$15.78
52 – 104 weeks worked	\$16.66
105 – 156 weeks worked	\$17.53
157 – 208 weeks worked	\$18.41
After 208 weeks worked	\$19.28

- i. Such employees shall have only such rights, privileges, compensation or benefits as are expressly provided by the following provisions of the UAW-Ford Collective Bargaining Agreements:

Article IX, Section 5 – Call-In Pay

Article IX, Section 6 – Shift Premiums

Article IX, Section 11 – Holiday Premium

Article IX, Section 15 – Medical Treatment During Working Hours – Time Allowance

Article X, Section 6 – Lunch Periods

m. Holiday Pay:

- i. A temporary employee will be eligible for holiday pay as set forth in Article IX, Section 22(a) of the UAW-Ford Collective Bargaining Agreement provided:**
 - 1. The employee has actually worked at least 90 days prior to the holiday(s);**
 - 2. The employee worked the same day(s) as the holiday in the week prior to the week in which the holiday(s) falls and the employee would otherwise have been scheduled to work on such day if it had not been observed as a holiday; and**
 - 3. The employee has worked the last scheduled working day prior to and the next scheduled working day after such holiday(s) within the employee's scheduled workweek. In the case of the Christmas holiday period, as defined in Article IX, Section 22(a) (3) (i) of the UAW-Ford Collective Bargaining Agreement, a temporary employee absent without excuse on both the last scheduled working day prior to and the next scheduled working day after such Christmas holiday period shall be ineligible for pay for all of the holidays within the Christmas holiday period. An otherwise eligible temporary employee absent without excuse on either the last scheduled working day prior to or the next scheduled working day after a Christmas holiday period shall be eligible to receive holiday pay for all but one of the holidays for which he would otherwise be eligible in the Christmas holiday period.**
- ii. A seniority employee who is laid off in a reduction in force and becomes a temporary employee will be entitled to holiday pay provided the employee**

meets the eligibility requirements outlined in A (2) and (3) of this paragraph; except that, if the employee is eligible for holiday pay under Article IX, Section 22(d) of the UAW-Ford Collective Bargaining Agreement the eligibility rules in Subparagraph A of this paragraph shall not apply. However, should the employee qualify for Christmas holiday pay as provided in this Memorandum and Article IX, Section 22(d), the employee will be provided the greater of the two Christmas holiday pay entitlements but not both.

- iii. A probationary employee who is laid off in a reduction in force and is utilized as a temporary employee will be considered for holiday pay purposes as though hired originally as a temporary employee with the number of days actually worked as a full-time employee counted toward the 90 days required for holiday pay eligibility in Subparagraph A of this paragraph.
- n. Benefits for temporary employees are provided as indicated in Attachment A of this Appendix.

ATTACHMENT A

TEMPORARY EMPLOYEES

- A. Temporary part-time employees and **Short Term Supplemental employees** shall be provided hospital-surgical-medical **H-S-M** coverages commencing as of the **90th** day following hire or rehire. **In addition, Short Term Supplemental employees shall be provided with drug coverage commencing on the same date.** The Company shall pay the full amount of the monthly premium for the following month's coverages for each month an eligible employee receives pay from the Company for any time during such month. These coverages shall cease, if otherwise in effect, as of the last day of the month in which employment is terminated. It is understood there shall be no duplication of benefits because of coverages provided under Company **H-S-M** programs.

Temporary **Part Time and Short Term Supplemental** employees will not be able to enroll sponsored dependents.

H-S-M enrollment is limited to the National Preferred Provider Organization (NPPO) Option, modified to include the cost-sharing requirements shown below:

Annual Deductible

In-Network

Single	\$300
Family	\$600

Out-of-Network

Single	\$1,200
Family	\$2,100

Co-Insurance

In-Network	10%
Out-of-Network	35%

Out-of-Pocket Maximum

In-Network

Single	\$1,000
Family	\$2,000

Out-of-Network

Single	No Limit
Family	No Limit

Drug coverage for Short Term Supplemental employees will be limited to the NPPO Option, modified to include the cost-sharing requirements shown below:

Prescription Drugs – Retail

Generic	\$ 7.50 co-pay
Brand	\$15.00 co-pay

Prescription Drugs - Mail Order

Generic	\$15.00 co-pay
Brand	\$30.00 co-pay

The opportunity for survivors **of Temporary Part Time and Short Term Supplemental employees** to continue coverage, or for the subject employees to continue coverage post-employment or for periods not in active service will be limited to self-pay continuation that may be available under federal law.

ATTACHMENT A**Savings**

- B. Temporary employees are eligible to participate in the Tax-Efficient Savings Plan for Hourly Employees (TESPHE); however, they are not eligible for the Supplemental Contribution of an amount equal to \$1.00 for every compensated hour into the TESPHE in lieu of Company contributions for health care coverage in retirement or Retirement Contributions.

Retirement Plan

- C. Temporary employees shall not accrue pension benefits under any Company-sponsored qualified defined benefit pension plan. However, service earned from date of hire by such employee as a temporary employee shall be recognized under such plan solely for eligibility, vesting and participation with respect to any benefit **they accrued while a seniority employee.**

ATTACHMENT A**Life Insurance**

- D. Temporary employees shall be provided life insurance coverage in the amount of \$3,000 and accidental death and dismemberment insurance coverage in the amount of \$1,500. An employee shall become eligible for such coverages commencing as of the first of the month following the month of hire or rehire. The Company shall pay the full premium for these coverages for any month in which an eligible employee receives pay from the Company for any time during such month. These coverages shall cease, if otherwise in effect, as of the day employment is terminated.

APPENDIX M**MEMORANDUM OF UNDERSTANDING
JOB SECURITY PROGRAM (JSP)**

The Company and the Union are committed to enhancing the job security of Ford Motor Company employees. The parties also recognize that such job security can only be realized within a work environment which promotes operational effectiveness, continuous improvement, and competitiveness.

Accordingly, the parties have agreed to this Job Security Program (JSP), and have pledged to work together, consistent with this Program and other provisions of the Collective Bargaining Agreement, to enhance the Company's competitive position.

The cornerstone of the Program is a set of provisions – including job placement and temporary income security – to assist employees who are impacted by Indefinite Layoff or who are otherwise defined as surplus.

Nothing in this Agreement is meant to alter the placement practices at Multi-Plant Employment Locations, as defined in Appendix N, Attachment B.

I. JOB SECURITY ELIGIBILITY

- A. All seniority employees as of the Effective Date of the 2015 UAW-Ford National Agreement are covered by this Memorandum. Such employees are considered “JSP-eligible” in that they are covered by the job security provisions of this Memorandum.

A plant by plant listing of the number of skilled and non-skilled employees covered by this Memorandum will be provided to the National Job Security, Operational Effectiveness, and Sourcing Committee (NJSOESC) and Local Job Security, Operational Effectiveness, and Sourcing Committees (LJSOESCs). This report will be updated monthly.

- B. Discharged employees who are JSP-eligible will maintain their eligibility upon reinstatement.

II. JOB SECURITY PROVISIONS FOR JSP-ELIGIBLE EMPLOYEES

A. The parties recognize that actions may occur during the course of this Agreement that will cause the number of JSP-eligible employees to exceed the Company's production requirements. The following provisions shall apply to JSP-eligible employees who are placed on Indefinite Layoff or who are otherwise defined as surplus.

B. In-Zone/Out-of-Zone Placements

1. Placement of JSP-eligible employees will be in accordance with the provisions of Appendix N and associated Letters of Understanding.
2. Notwithstanding the above, available JSP-eligible employees will be placed on a combined list of JSP-eligible employees in the same Preferential Placement Zone who are on Indefinite Layoff or who are otherwise defined as surplus (the in-zone list). JSP-eligible employees will be made available for in-zone placement in inverse seniority order.
3. For placement purposes, employees on the combined in-zone list will be offered the opportunity to volunteer for openings; volunteers will be placed in seniority order. Absent volunteers, the junior employee on the combined in-zone Preferential Placement list must transfer to the new location.

An available JSP-eligible employee mandatorily transferred to another location may remain at the secondary location until afforded an opportunity to "return home" in accordance with Appendix O or until the employee is laid off from that location, at which time the employee may elect options available under Article VIII, Section 1(b) of the Collective Bargaining Agreement.

4. Available JSP-eligible employees on Indefinite Layoff or who are otherwise defined as surplus will be offered the opportunity to volunteer for out-of-zone opportunities.

- C. A JSP-eligible employee who is permanently transferred to another location in accordance with this Program, or if so transferred and upon later layoff elects to return to a former location under Article VIII, Section 1(b) of the Collective Bargaining Agreement, will be eligible to receive a moving allowance as provided in Article IX, Section 28 of the Collective Bargaining Agreement. Applicants may receive a maximum of two (2) such relocation allowance payments during the term of the then applicable UAW-Ford Collective Bargaining Agreement. Any problems connected with the above may be raised with the National Committee.
- D. A JSP-eligible employee on a Qualifying Layoff will be eligible for benefits under the Supplemental Unemployment Benefit (SUB) Plan. A Qualifying Layoff is either of the following:
- Indefinite Layoff;
 - temporary layoff in an instance, as jointly identified by the parties, in which the Company modifies shifts or work schedules to enhance operating performance and continues to actively employ employees who otherwise would be placed on Indefinite Layoff.
- E. A JSP-eligible employee on a Qualifying Layoff who exhausts his or her maximum eligibility for SUB Regular Benefit payments shall be eligible for subsequent benefits under the Transition Assistance Plan (TAP).
- F. JSP-eligible employees placed on Indefinite Layoff shall maintain their recall rights in accordance with applicable provisions of the Collective Bargaining Agreement, with the exception of employees who elect to opt out of TAP benefit eligibility.
- G. JSP-eligible employees on Indefinite Layoff or who are otherwise defined as surplus will be placed into available jobs in accordance with the provisions of Appendix N and related Letters of Understanding.
- H. In the event the Local and National Committees determine that the number of JSP-eligible employees

exceeds the number of expected openings at the facility and within its area within the next succeeding twelve (12) months, Special Programs as set forth in the Attachment to this Memorandum may be considered. Local management must obtain Finance approval before submitting a request to the National Committee. Thereafter, to the extent JSP-eligible employees still exceed expected openings, such employees, under the direction of the National Committee, may be transferred out of the zone area pursuant to Section II, B., above.

III. ADMINISTRATION OF THE JOB SECURITY PROGRAM

The Company and the Union agree that:

- A. At each bargaining Unit covered by the 2015 Collective Bargaining Agreement, a Local Job Security, Operational Effectiveness, and Sourcing Committee (Local Committee) will be established to administer the Program.
- B. The parties have agreed that a Local Job Security, Operational Effectiveness, and Sourcing Committee (Local Committee) will consist of equal members of Company and Union representatives including, for the Company, the Plant Manager or Parts Distribution Center Manager, Controller or Office Operations Manager, Human Resources Manager or Labor Relations Supervisor, and other management representatives as designated by the Plant Manager or Parts Distribution Center Manager; and, for the Union, the Plant Chairperson, the Local Union President, (if he/she so elects), Bargaining Committee persons, the local UAW Job Security Representative, and other local Union representatives as designated by the Plant Chairperson.
- C. The duties of the Local Committee will be to:
 - 1. Review the number and status of employees on a monthly basis.
 - 2. Coordinate with the National Committee (Section III., D., below) the placement of an employee outside the zone area. As used in this Memorandum,

zone area means an area as specified under Appendix N of the Collective Bargaining Agreement pertaining to Preferential Placement for Laid-Off Employees.

3. Monitor indefinite layoffs of JSP-eligible employees.
4. Participate in discussions regarding sourcing decisions as outlined in Appendix P of the 2015 Collective Bargaining Agreement on the subject of sourcing.
5. Participate in discussions regarding the introduction of new or advanced technology as provided in the Letter of Understanding regarding New Technology dated September 15, 2003.
6. Review manpower changes in the workplace. As required, assist in developing plans to replace attrition, including the use of hires or rehires, to meet operational needs when other appropriate placement sources have been exhausted.
7. Review the manpower requirements of forward product, facility, and business plans, maintaining the confidentiality of the material being evaluated.
8. Assist in planning and coordinating the relocation of Indefinitely Laid-Off and/or otherwise surplus JSP-eligible employees to other Units in or outside the zone area, and the application of special programs to such employees and active workforce employees as described in this Memorandum of Understanding.
9. Review any complaint regarding the administration of the Program. Refer unresolved complaints to the National Committee (Section III., D., below). The national parties will limit the review of complaints to those raised, in writing, within 60 days of the monthly LJSOESC meeting giving rise to the complaint unless the time limit is waived by the National Committee. If disputes cannot be resolved by the National Committee, only those matters governing the treatment of JSP-eligible employees

will be subject to the Grievance Procedure. Such grievances will be filed at the Second Stage of the Grievance Procedure. All other unresolved complaints will be settled expeditiously between the parties at the national level. Disputes arising from layoffs may be submitted within thirty (30) days of the monthly LJSOESC meeting, in writing, to the Vice President and Director of the UAW, National Ford Department and the Director, Labor Affairs, Ford Motor Company. If unresolved, the dispute must be appealed to the umpire in accordance with Article VII, Section 9 of the Agreement within thirty (30) days of receipt of the appeal. The umpire's decision shall be final and binding on the parties and the umpire shall have the authority to enforce such decision.

10. Jointly coordinate appropriate local training activities, working closely with the joint local Education, Development and Training Program Committee and the UAW-Ford National Education, Development and Training Center to ensure that quality, cost-efficient training is provided and appropriate funds are secured from both within Ford and from external sources.
11. Jointly develop and initiate proposals to improve operational effectiveness to secure existing jobs and to attract customers and additional business, thus providing additional job opportunities. When required, secure necessary approvals from the bargaining Unit membership and the national parties.
12. Make recommendations to the National Committee, as appropriate, regarding any aspect of the Program. This may include any aspect of the contractual relationship between the Company and the Union that is relevant to the duties of the Local Committee.
13. Efforts of the local parties to improve operational effectiveness will be encouraged and supported by

the national parties including, as may be appropriate, approval of requests to waive, modify, or change the Collective Bargaining Agreement.

- D. A National Job Security, Operational Effectiveness, and Sourcing Committee will be established at the Company-International Union level consisting of representatives selected by the Vice President, Labor Affairs, Ford Motor Company and representatives selected by the Vice President and Director of the UAW, National Ford Department. Funding for the activities of the National JSOES Committee will be provided from the Education, Development and Training Program fund upon approval by the Joint Governing Body — UAW-Ford National Education, Development and Training Center.
- E. The National Committee will be responsible to the Vice President, Labor Affairs, Ford Motor Company and the Vice President and Director of the UAW, National Ford Department, and will meet periodically as required to:
 - 1. Monitor the efforts of the Local Committees.
 - 2. Maintain liaison with the Joint Governing Body - UAW-Ford National Education, Development and Training Center to coordinate (a) assessment and training programs, and (b) funding through Local Training Funds and, (c) if appropriate, the Education, Development and Training Program.
 - 3. Approve Local Committee efforts to improve operational effectiveness and coordinate these actions when appropriate.
 - 4. Coordinate, where applicable, the execution of Special Programs described above and in the Attachment, as well as the movement of JSP-eligible employees within or between zone areas. For example, where a permanent loss of jobs has occurred or is scheduled for a location, the parties may discuss transfer of employees to other locations; such a transfer could be in advance of the scheduled

job loss, if it could be accomplished without adversely affecting quality or operating efficiency.

5. Act on requests from Local Committees to waive, modify, or change the Collective Bargaining Agreement provisions when such action would result in the preservation of or increase in job opportunities. Approval of such requests will be countersigned by the Vice President and Director of the UAW, National Ford Department, and the Vice President, Labor Affairs, Ford Motor Company, regarding the operation of the Program.
 6. Make periodic reports to the Vice President and Director of the UAW, National Ford Department, and the Vice President, Labor Affairs, Ford Motor Company, regarding the operation of the Program.
- F. The National Committee is specifically empowered to review periodically and evaluate the operation of this Memorandum of Understanding and mutually make satisfactory adjustments to its provisions during the term of this Memorandum.

IV. EFFECTIVE DATE - TERMINATION DATE

The Company and International Union agree that:

- A. Unless indicated otherwise, the Effective Date of this Memorandum means the Effective Date of the 2015 Collective Bargaining Agreement.
- B. This Memorandum of Understanding shall expire with the expiration of the 2015 Collective Bargaining Agreement.

APPENDIX M

ATTACHMENT A

The National Job Security, Operational Effectiveness, and Sourcing Committee (NJSOESC) may recommend the following Special Programs for designated eligible JSP-eligible employees or may approve requests from Local Job Security, Operational Effectiveness, and Sourcing Committees for implementation of such programs. Details of any Special Programs offerings will be jointly agreed upon and presented to all eligible JSP-eligible employees.

The Special Programs offerings may include the following options:

- Special Retirement Incentive (SRI)
- Special Termination of Employment Program (STEP)
- Mandatory Decision Making

In addition to the Special Programs options above, eligible JSP-eligible employees may be offered job placement opportunities, if available (with relocation benefits as applicable).

The National Parties may expand or limit these Special Programs options and job opportunity offerings, based on mutual agreement.

The NJSOESC is empowered to offer STEP and SRI at Ford Motor Company locations where UAW represented JSP-eligible Ford surplus employees exist. The decision of the NJSOESC to offer STEP and SRI may be based upon either (a) a written joint request from the Company and UAW leadership at the location, submitted to the NJSOESC, or (b) a determination by the NJSOESC that the STEP and SRI offerings are warranted at the location.

APPENDIX N**MEMORANDUM OF UNDERSTANDING
PREFERENTIAL PLACEMENT ARRANGEMENTS**

This memorandum explains arrangements under which employees laid off on or after October 22, 1979 as a result of a permanent discontinuance of operations or other reduction in force where the Company and the Union agree there is no reasonable likelihood of recall will be eligible for preferential placement opportunities. Otherwise eligible skilled tradespersons laid off from their trade, but employed by the Company on production work, may apply for preferential placement opportunities in their trade.

**NON-SKILLED PREFERENTIAL
PLACEMENT HIERARCHY**

Step 1 After being placed on the preferential placement list(s) in accordance with procedures established by the Company, those employees retaining seniority recall rights shall be given preference for placement on available work, or if none is available, the opportunity to displace probationary employees, on jobs for which they are qualified or could qualify within a reasonable period of time in other plants covered by the Agreement in the same zone, as defined by the parties, or in plants covered by the Agreement in different zones as might be specified by mutual agreement between the Company's Labor Affairs Office and the UAW's National Ford Department. An in-zone area is comprised of all plants listed under a specified zone number as described in Appendix N, Attachment A. Attachment A includes zone definitions for all Company locations. It is understood that these zone definitions may be modified by mutual agreement between the Company's Labor Affairs Office and the UAW's National Ford Department.

- a) When a non-skilled manpower need is identified at a facility, a combined list of employees with rights to that facility will be developed and include:
 - Employees on Indefinite Layoff

- Employees on no-pay/no-benefits status
- **Legacy employees (hired or rehired prior to November 19, 2007) who bumped In-Progression employees in-zone as a result of a workforce reduction**

Employees on the list will be canvassed for placement in seniority order.

- b) **If openings still exist, employees who have Return to Basic Unit (RTBU) rights to the hiring facility will be advised of available opportunities via RTBU canvass for voluntary transfer. Once authorized by the Company's Labor Affairs Office, Local Hourly Personnel Offices at the impacted locations will begin the canvass opportunities for the eligible employees.**

Step 2 If openings still exist, in-zone employees who are on Indefinite Layoff and/or defined as surplus will be advised of available in-zone posting opportunities for voluntary transfer. Once authorized by the Company's Labor Affairs Office, Local Hourly Personnel Offices at the in-zone location(s) will post a notice:

- Employees on Indefinite Layoff
- Employees defined as surplus
- Employees on active rolls and are currently working at a facility with employees on Indefinite Layoff or defined as surplus
- **Closed Plant Return to Area**

All active volunteer transfers will be limited to the number of non-skilled employees on Indefinite Layoff or defined as surplus at that location.

If the in-zone opportunities have not been filled, the openings will be filled through the mandatory transfer of in-zone employees on Indefinite Layoff or those defined as surplus.

Mandatory placement of these employees will be from lowest-to-highest seniority order:

- **Non-Skilled employees on Indefinite Layoff**
- **Non-Skilled employees on temporary loans**
- **Those defined as surplus**

Step 3 If openings still exist, out-of-zone employees who are on Indefinite Layoff and/or defined as surplus, **and “active” employees at out-of-zone facilities with employees on indefinite layoff** will be advised of available out-of-zone posting opportunities for voluntary transfer. Once authorized by the Company’s Labor Affairs Office, Local Hourly Personnel Offices at the out-of-zone location(s) will post a notice for volunteers. Eligible volunteers are employees on Indefinite Layoff, those defined as surplus, **and employees who are on active rolls and are currently working at the eligible facility.** Volunteers will be limited to the number of non-skilled employees on Indefinite Layoff or defined as surplus at that location.

Step 4 If openings still exist, **active and surplus** skilled trade persons with or without production service may volunteer for the available opportunities. **Volunteers will be limited to the number of surplus in the identified trade(s) at that location.**

Step 5 If openings still exist, employees will be extended a job offer according to the provisions outlined below:

The intent of this provision is to ensure that the mandatory decision regarding out-of-zone transfers is presented to the lowest-seniority JSP-eligible employee - active or on Indefinite Layoff – in a zone with surplus. To simplify administration of this provision, out-of-zone offers are to be extended by lowest to highest seniority in zones with surplus until the openings are filled or the surplus is exhausted. In-zone backfills resulting from this process are to be filled by placing the lowest seniority surplus in-zone employees in openings. If there are multiple openings in zone, the surplus employees will be canvassed for their preference in placement opportunities.

- If an employee is extended any job offer at an out-of-zone facility, the employee must elect one of the following options:
 - 1) Accept the job offer and report to work at the out-of-zone facility
 - 2) Decline the job offer and be placed on inactive status with no Company-provided income or benefits (but remain eligible for additional job opportunities for a period of time not to extend beyond the employee's seniority or 18 months, whichever is greater)
 - 3) **Decline the job offer and bump the lowest service temporary employee in the zone as long as there are still temporary employees working in the zone, if all temporary assignments in zone are exhausted employee will be placed on inactive status with no Company-provided income or benefits (but remain eligible for additional job opportunities for a period of time not to extend beyond the employee's seniority or 18 months, whichever is greater)**
- If an employee fails to respond to notification of a job offer at an out-of-zone facility or fails to elect one of the three options above, the employee will be terminated, the employee's seniority will be broken, and the employee's recall rights shall cease.
- To the extent practicable, employees on Indefinite Layoff shall be provided early indications of potential job openings, in order to provide reasonable time for their consideration of such potential job opportunities

- Step 6** If openings still exist, the Company may place, at its option, surplus skilled trade persons into production jobs at facilities where production openings exist. Placement of surplus skilled trade persons into production jobs under these circumstances shall be accomplished in lowest-to-highest Company seniority order. Skilled trade persons may be placed into production jobs regardless of whether or not they have previously held production jobs within the Company. A skilled trade person placed into a production job shall be paid at the applicable wage rate for the production classification. Skilled trade persons thus placed in production jobs shall retain their applicable rights to return to skilled trade jobs for which they are qualified (by previously held skilled classifications and/or UAW-Ford sponsored reskilling efforts).
- Step 7** An applicant availability list shall continue to be maintained monthly for each plant. A plant after exhausting its recall list (or in the case of a multi-plant location, a common recall list if one exists) shall fill its hiring requirements as determined by the National Job Security, Operational Effectiveness and Sourcing Committee.

**NON-SKILLED PREFERENTIAL PLACEMENT
HIERARCHY ADMINISTRATION:**

1. It is recognized that the Company has to maintain ability to promptly fill employment requirements and assure that personnel are capable of performing jobs. Accordingly, the Company shall endeavor to place applicants in seniority order, consistent with their prior job experience. It is understood that placement on the basis of seniority will not be feasible in every instance. However, where deviations are contemplated, particularly with respect to evaluation of employment records, the circumstances shall be discussed in advance with the Local Union and disputes shall be subject to immediate appeal to the Company's Labor Affairs Office and the UAW's National Ford Department for resolution. In those instances where preferential placement applicants are not offered employment opportunities, in line with their seniority, based on an

evaluation of their employment records, the parties have agreed to a process which provides for a joint review of such cases, by representatives of the Company's Labor Affairs Office and the UAW's National Ford Department, to determine the appropriate remedial action. This process is intended to provide a fair evaluation to employees, while concurrently recognizing the parties' joint commitment to quality and efficiency of operations. It is further understood that when preferential placement applicants are available for placement, the Company will not hire new employees for either temporary or permanent positions, without the approval of the UAW's National Ford Department.

2. If employees, who are selected for preferential placement opportunities outside of their zone, are given a re-employment physical examination, such examination shall be given at the plant in which they have basic Unit seniority or if such plant is closed, at another designated plant within the same zone. In cases where this procedure is impractical because of unusual circumstances, alternative procedures may be established to cover such cases by mutual agreement between the Company's Labor Affairs Office and the UAW's National Ford Department.
3. Employees placed in a new plant shall have seniority in that plant in accordance with Article VIII, Section 1(c) of the Agreement. In the event of a subsequent layoff, such employees shall be covered by the terms of Article VIII, Section 1(b) of the Agreement.
4. Employees that voluntarily apply for available in-zone or out-of-zone opportunities will be considered in seniority order.
5. Ford Service Date will be used to determine placement for employees in production classifications. In the case of a tie, the employee whose last four digits of their social security number is the greatest will be determined to have the greater seniority.
6. In a zone in which **In-Progression** employees are employed and a workforce reduction occurs within that zone, which could result in the layoff of **Legacy** employees, the Company will place those surplus **Legacy** employees into jobs held

by **In-Progression** employees; thus bumping those **In-Progression** employees to layoff. **If there are multiple openings in zone, the surplus employees will be canvassed for their preference in placement opportunities.**

SKILLED PREFERENTIAL PLACEMENT HIERARCHY

Step 1 When a skilled manpower need is identified at a facility;

- a) A combined list of employees with rights to that facility will be developed and include:
- Employees in the requested trade on Indefinite Layoff
 - Employees in the requested trade on temporary assignment
 - Employees in the requested trade working in production
 - Employees in the requested trade on no-pay/no-benefits status

Employees on this list will be considered in seniority order (Date of Entry), and then will be canvassed for placement in seniority order (Date of Entry).

- b) **If openings still exist, employees who have Return to Basic Unit (RTBU) rights to the hiring facility in the requested trade will be advised of available opportunities via RTBU canvass for voluntary transfer. Once authorized by the Company's Labor Affairs Office, Local Hourly Personnel Offices at the impacted locations will begin the canvass opportunities for the eligible employees.**

Step 2 If openings still exist, skilled trade persons with recall rights to the requested trade working in production at the hiring facility with recall rights to another facility, will be recalled in Date of Entry order until the need is filled.

Step 3 If openings still exist, in-zone employees who are on Indefinite Layoff and/or defined as surplus will be advised of available in-zone posting opportunities for voluntary transfer. Once authorized by the Company's Labor Affairs Office, Local Hourly Personnel Offices at the in-zone location(s) will post a notice for volunteers. Eligible volunteers are:

- Employees in the requested trade on Indefinite Layoff
- Employees in the requested trade defined as surplus
- Employees on active rolls in the requested trade and are currently working at a facility with employees on Indefinite Layoff or defined as surplus
- **Closed Plant Return to Area**

All active volunteer transfers will be limited to the number of skilled employees in the requested trade on Indefinite Layoff or defined as surplus at that location.

If the in-zone opportunities have not been filled, the openings will be filled through the mandatory transfer of in-zone employees on Indefinite Layoff or those defined as surplus.

Mandatory placement of these employees will be accomplished according to lowest-to-highest seniority order (Date of Entry):

- **Skilled Trade employees on Indefinite Layoff**
- **Skilled Trade employees on temporary loans**
- **Skilled Trade employees working in production**

Step 4 If openings still exist, out-of-zone employees in the requested trade who are on Indefinite Layoff and/or defined as surplus, and **“active” employees in the requested trade at out-of-zone facilities with employees on indefinite layoff** will be advised of available out-of-zone posting opportunities for voluntary transfer. Once authorized by the Company's Labor Affairs Office, Local Hourly Personnel Offices at the out-of-zone location(s) will post a notice for volunteers. Eligible volunteers are employees on Indefinite Layoff, those defined as surplus, and **employees who are on active rolls and are currently**

working in the requested trade at the eligible facility. Volunteers will be limited to the number of skilled employees in the requested trade on Indefinite Layoff or defined as surplus at that location.

Step 5 If openings still exist, employees in the requested trade will be extended a job offer according to the provisions outlined below:

The intent of this provision is to ensure that the mandatory decision regarding out-of-zone transfers is presented to the lowest-seniority JSP-eligible employee in the requested trade -- active or on Indefinite Layoff -- in a zone with surplus. To simplify administration of this provision, out-of-zone offers are to be extended by lowest to highest seniority in zones with surplus until the openings are filled or the surplus is exhausted. In-zone backfills resulting from this process are to be filled by placing the lowest seniority surplus in-zone employees in openings. If there are multiple openings in zone, the surplus employees will be canvassed for their preference in placement opportunities.

- **If an employee in the requested trade, with the exception of skilled trades working in production, is extended any job offer at an out-of-zone facility, the employee must elect one of the following options:**
 - 1) **Accept the job offer and report to work at the out-of-zone facility**
 - 2) **Decline the job offer; active Skilled Trade employees who decline the job offer may elect to transfer to a production (non-skilled) classification and maintain their Date of Entry with recall rights to their skilled classification; active, declared surplus, or laid off Skilled Trade employees who decline the**

job offer will be placed on inactive status with no Company-provided income or benefits (but remain eligible for additional job opportunities for a period of time not to extend beyond the employee's seniority or 18 months, whichever is greater)

- If an employee fails to respond to notification of a job offer at an out-of-zone facility or fails to elect one of the **two** options above, the employee will be terminated, the employee's seniority will be broken, and the employee's recall rights shall cease.
- To the extent practicable, employees on Indefinite Layoff shall be provided early indications of potential job openings, in order to provide reasonable time for their consideration of such potential job opportunities

Step 6 If openings still exist, the Company will discuss with the UAW the feasibility of **reskilling** surplus trades or utilizing apprentices. If it is not feasible, the Company will proceed with direct hiring.

Step 7 An applicant availability list shall continue to be maintained monthly for each plant. A plant after exhausting its recall list (or in the case of a multi-plant location, a common recall list if one exists) shall fill its hiring requirements as determined by the National Job Security, Operational Effectiveness and Sourcing Committee.

SKILLED PREFERENTIAL PLACEMENT HIERARCHY ADMINISTRATION:

1. It is recognized that the Company has to maintain ability to promptly fill employment requirements and assure that personnel are capable of performing jobs. Accordingly, the Company shall endeavor to place applicants in seniority order, consistent with their prior job experience. It is understood that placement on the basis of seniority will not be feasible in every

instance. However, where deviations are contemplated, particularly with respect to evaluation of employment records, the circumstances shall be discussed in advance with the Local Union and disputes shall be subject to immediate appeal to the Company's Labor Affairs Office and the UAW's National Ford Department for resolution. In those instances where preferential placement applicants are not offered employment opportunities, in line with their seniority, based on an evaluation of their employment records, the parties have agreed to a process which provides for a joint review of such cases, by representatives of the Company's Labor Affairs Office and the UAW's National Ford Department, to determine the appropriate remedial action. This process is intended to provide a fair evaluation to employees, while concurrently recognizing the parties' joint commitment to quality and efficiency of operations. It is further understood that when preferential placement applicants are available for placement, the Company will not hire new employees for either temporary or permanent positions, without the approval of the UAW's National Ford Department.

2. If employees, who are selected for preferential placement opportunities outside of their zone, are given a re-employment physical examination, such examination shall be given at the plant in which they have basic Unit seniority or if such plant is closed, at another designated plant within the same zone. In cases where this procedure is impractical because of unusual circumstances, alternative procedures may be established to cover such cases by mutual agreement between the Company's Labor Affairs Office and the UAW's National Ford Department.
3. Employees placed in a new plant shall have seniority in that plant in accordance with Article VIII, Section 1(c) of the Agreement. In the event of a subsequent layoff, such employees shall be covered by the terms of Article VIII, Section 1(b) of the Agreement.
4. In instances where it is determined that these arrangements are subject to being utilized for purposes beyond the intent of the parties, modifications may be made by mutual agreement

between the Company's Labor Affairs Office and the UAW's National Ford Department.

The preferential placement arrangements covered by this appendix have potentially complex administrative implications. The Company at times may not be able to fully conform with these provisions, and accordingly, shall not be liable for back pay on any claims arising from their administration with the remedy for any violation limited to future placement opportunities for aggrieved employees. It is understood that if the aggrieved employee is adjudged by the Committee to have a valid claim for in-zone consideration, he/she will be offered an available opening within two weeks of such decision; if no such opening develops, he/she will be offered the opportunity to bump a junior employee in-zone, as determined by the Committee.

STEP 6 CONSIDER RESKILLING SURPLUS TRADES OR
UTILIZING APPRENTICES

STEP 7 REHIRE-NEW HIRE

APPENDIX O**MEMORANDUM OF UNDERSTANDING
RETURN TO BASIC UNIT**

The parties recognize that some employees placed in a plant may have the desire to return to their “home” plant or Basic Unit or, in the case of employees from closed locations, to return to other plants in the same zone as their Basic Unit. The parties recognize also that, in affording such employees the opportunity to return, it is necessary to do so in a manner consistent with the maintenance of quality and efficiency in both the releasing and accepting plants. Accordingly, the purpose of this Agreement is to provide methods and procedures and to detail the circumstance whereby eligible employees will be offered the opportunity to return to their Basic Unit or, in the case of employees from closed locations, to return to other plants in the same zone as their Basic Unit.

1. Eligible employees are those active employees who have been assigned, subsequent to October 24, 2011, to a plant other than their Basic Unit pursuant to the provisions of Appendix N, or other special placement programs. Employees who have transferred among plants where local agreements allow employees to be placed in a plant other than their Basic Unit are not eligible for transfer under this provision. Active Employees who have voluntarily transferred to a permanent job opportunity within the same zone terminate their seniority to all other facilities. Employees who transfer to a permanent job opportunity outside of their current zone will maintain their Basic Unit so long as they do not take the enhanced relocation moving allowance.
2. **In-Progression employees will be eligible for Return to Basic Unit (RTBU) rights under Appendix O upon transferring to an out-of-zone location so long as they do not take the enhanced relocation moving allowance. Additionally, after four years of seniority; they will become eligible for in-zone RTBU rights under Appendix O.**
3. Eligible employees will automatically be considered to return to the plant which is their Basic Unit or, in the case of

employees from closed locations, to return to other plants in the same zone as their Basic Unit. Local management is responsible for communicating this process to employees. Copies of acceptances and declines will be forwarded to the National Ford Department.

4. Employees placed in-zone or out-of-zone subsequent to the Effective Date of the Agreement will be eligible to return to their Basic Unit as set forth below. Such employees shall be placed (in seniority order) on a “return home” list at the plant which is their Basic Unit. Employees will be surveyed for Return to Basic Unit opportunities in seniority order. An employee (in-zone and out-of-zone transfers) will not be eligible for Return to Basic Unit opportunities prior to six months from the date on which the employee is transferred to a plant other than their Basic Unit. A separate list of employees from closed locations who have applied to return to the zone of their Basic Unit will be maintained by the Labor Affairs Office and the National Ford Department.
5. Each facility will maintain an applicant listing for use by the local parties.
6. Should a Ford Motor Company plant with a “return home” list have employment requirements, it will combine its “return home” list and recall list (if any) in seniority order and recall from such combined list until its needs are met or such combined list is exhausted. Should the combined list be exhausted and additional employment required, it will fill further openings in accordance with the provisions of this memorandum and other applicable agreements between the parties and then by hire or rehire. However, employees from closed locations will be returned to available work at other plants in the same zone as their Basic Unit in accordance with the Placement Hierarchy, Appendix N, Attachment C.
7. Should an employee return to their Basic Unit or, in the case of employees from closed locations, to a plant in the same zone as the employee’s Basic Unit, under the provisions of paragraph 5 above, the employee will retain no seniority rights at the “releasing” plant. Should an employee on the Return to Basic Unit list, as described under paragraph 3

above, subsequently refuse an offer of return, the employee shall be offered no other rights under this Memorandum.

8. The provisions of this Memorandum will have no impact on the application of Article VIII, Section 1(b) of the Collective Bargaining Agreement. 8.
9. It is recognized that the plant from which the eligible employee is released must do so in a manner consistent with the maintenance of quality and efficiency. Accordingly, no eligible employee will be released until a fully trained replacement is available. Consistent with these principles, it is recognized that the rate at which employees are released may vary due to the types of jobs held by “returnees”, the availability of replacement personnel, product or new model launch, releasing plant staffing requirements, etc. Where possible, Management will endeavor to release employees within 30 days provided the location has the flexibility to employ a provisional workforce. Disputes regarding this issue may be immediately referred to the Company’s Labor Affairs Office and the UAW’s National Ford Department for resolution. Division and Operations Labor Relations personnel will be re-advised of the importance of prompt release of returning employees.
10. Employees transferring pursuant to the provisions of this Memorandum will be eligible for moving allowances provided by Article IX, Section 28(b) of the Collective Bargaining Agreement on the same basis as a laid off employee. Such employee also, upon acceding to their home plant will be placed on available work and will not be eligible to alter the vacation schedules in effect at the time of their return.
11. The parties recognize that the provisions of this Memorandum have complex administrative implications. Accordingly, claims of violation are not subject to the Grievance Procedure (Article VII of the Collective Bargaining Agreement) but instead may be resolved through the Appeal Procedure to the National Job Security, Operational Effectiveness and Sourcing Committee.

APPENDIX P

**UAW-FORD MEMORANDUM OF UNDERSTANDING
ADVANCED MANUFACTURING/PRODUCT
INTELLIGENCE AND SOURCING**

The Company will work with and assist the Union at both the Local and International levels to preserve jobs, replace jobs which may be lost by outsourcing action, and to create jobs for Protected employees in the Job Security Program (JSP) and laid off employees. It is an objective of the Union and the Company to grow the business and to continue to rely upon its employees and facilities as the source of its products. In order to achieve such an objective, however, it is imperative that the parties mutually embrace and continually enhance the precepts long established by other joint forums, such as Continuous Improvement and Quality. Only through the exhaustive efforts of both parties will the Union and the Company be able to establish and sustain the highest levels of efficiency, productivity, and quality that are necessary to remain truly competitive in the automotive marketplace and provide the level of job security that both parties desire.

During the term of the **2015** Agreement, the Company will advise, in writing, the Union members of the Sourcing group of the monthly Sourcing Council meeting results, including the number of potential jobs affected. Additionally, data regarding work brought in-house and work outsourced will be given to the International Union in a monthly meeting. (The Company will provide this data to the International Union via email or on a computer disk, and to the impacted local parties, via email, reflecting their individual plant status). In this manner, the parties can judge the success of mutual efforts toward improved job security. The Company further agrees to address its sourcing during the **2015** Agreement, in accordance with the guidelines herein.

The rationale for sourcing actions will consider the criteria of quality, technology, cost, timing, statutory requirements, occupational and related environmental health and safety issues, the impact on long-term job stability, the degree to which the Company's resources can be allocated to further capital

expenditures, the overall financial stability of affected facilities, and the impact on related **UAW-Ford** facilities. Other factors considered by the Company before a final sourcing decision is made will include the effect on employment, job and income security costs, on both a short and long-term basis, and Company assets and their utilization (see Volume IV, Sourcing – Standardized Financial Form). The National parties will jointly further develop the above criteria to be used to address sourcing issues. In developing financial criteria appropriate Corporate return on investment and burden will be considered. Pertinent criteria will be applied consistently in comparisons of internal and external supply capability.

In addition, the following specific commitments have been made to address sourcing-related job security concerns of UAW members:

1. Implementation of Appendix P
 - a. National Job Security, Operational Effectiveness and Sourcing Committee (NJSOESC)

The parties have agreed to create a National Job Security, Operational Effectiveness and Sourcing Committee (NJSOESC), comprised of Company and Union representatives including the Vice President and Director of the National Ford Department and a senior member of Labor Affairs. With respect to sourcing, the NJSOESC will be responsible to implement any training during the term of the **2015 Agreement**. **The parties agreed to joint training on an annual basis and will work collaboratively to develop such training as warranted. Expenses will be paid by Joint Funds. The parties recognize the value of materials available on the sourcing website and agreed that modifications may be made to the website by mutual agreement between the parties during the term of the Agreement.** The NJSOESC is responsible for maintaining and updating the Sourcing Process Flow Charts. The NJSOESC also will monitor sourcing at the national level and address sourcing concerns and their impact on the workforce. The International Union and, where appropriate, the Local Union, will be provided full and timely access to all

appropriate data, including financial information, that is pertinent to evaluate product competitiveness and contemplated sourcing.

The appropriate member(s) of the NJSOESC will oversee and assist the Local Job Security, Operational Effectiveness and Sourcing Committee (LJSOESC) in implementing the parties' objectives. If the parties cannot resolve a sourcing issue, the Local Union may file a grievance at the second step of the regular Grievance Procedure.

b. Local Job Security, Operational Effectiveness and Sourcing Committee (LJSOESC)

The parties have agreed that a Local Job Security, Operational Effectiveness and Sourcing Committee (LJSOESC), will consist of equal members of Company and Union representatives including, for the Company, the Plant Manager/Parts Distribution Center Manager, Controller/Office Operations Manager, Human Resources Manager or Labor Relations Supervisor, and other management representatives as designated by the Plant Manager/Parts Distribution Center Manager; and, for the Union, the Plant Chairperson, the Local Union President, if he/she so elects, Bargaining Committee persons, the local UAW Job Security Representative, and other local Union representatives as designated by the Plant Chairperson. **A regular meeting will be scheduled and both parties may agree to withdraw the meeting if there are no topics for discussion.** With respect to sourcing, the LJSOESC will monitor sourcing at the local level, including review of all market test and outsourcing notices, and address sourcing concerns and their impact on the workforce utilizing the Sourcing Process Flow Charts provided by the NJSOESC.

2. Insourcing

The NJSOESC and, where appropriate the LJSOESC, will discuss the practicality of insourcing, in whole or in part, work previously outsourced or new work which the Union identifies

as that which might be performed competitively within the location based on the criteria outlined above.

To assist in this process, the Company will provide, on an annual basis, an electronic file of current information related to the vehicle sourcing patterns for the assembly and components of vehicles manufactured and sold in North America, and will update the information as changes occur to the make/buy pattern. The file will be delivered electronically to the UAW National Ford Department Advanced Manufacturing/**Product Intelligence** and Sourcing Coordinator(s).

Upon request of the Union, the assessment of the cancellation cost associated with discontinuing a sourcing agreement with an outside supplier will be provided to the Union as soon as practicable, but in no event later than 30 days from the initial date of request.

If the Union, at either the Local or National level, identifies work that it believes it can perform competitively in accordance with the criteria outlined above, it may utilize available resources to submit a business case in writing to the Company on a template to be agreed upon by the parties. If the business case is based upon cost, the Union is to complete and attach the Standardized Financial Form. The business case is to be signed by the LJSOESC and the UAW National Ford Department Sourcing Coordinator(s). The Union, thereafter, will present its proposal to the applicable Company decision-making party/parties.

If it is established that certain work can be performed competitively, judged by the above criteria, Management will adopt the Committee's proposal and, barring unique or unforeseen circumstances, bring the work in-house. The Union shall thereafter obtain any necessary approval or ratification within 30 days of the decision to bring the work in-house.

3. Temporary Insourcing

When temporary insourcing from an outside supplier is being considered, the Company will provide to the Chairperson of the Local Union a written notice containing the reason(s) for the temporary action and the length of time that the work is

estimated to remain inside. A copy of the notice will be provided to the National Ford Department and Labor Affairs. A temporary insourcing action is not to exceed 12 months, unless agreed upon by the parties, and will not require written market test or outsourcing notification when the Company subsequently moves the work to an outside supplier. In the unlikely event that a temporary action exceeds 12 months, or the extension to the 12-month period as agreed upon by the parties, the work will be subject to written outsourcing notification as contained in the provisions of this memorandum.

4. Outsourcing

Outsourcing as used herein means the Company's sourcing of work from UAW employees covered by this Agreement, including work connected with current, new or redesigned vehicles, fabricated parts, powertrain, and component products.

The Company will establish fair and consistent guidelines for conducting market tests to allow both internal and external organizations to bid on work. Such guidelines will be published and communicated to Company Buyers and the International Union. Prior to a market test being initiated, the International Union and the Local Union at the affected location(s) will be notified in writing by the Company. At such time, the LJSOESC will meet to discuss the reason(s) for the market test. The written notification letter, among other things, will identify the sponsoring activity and the potential suppliers being asked to participate in the market test. Copies of the Request for Quotation package, along with a list of the suppliers that have been identified to participate in the market test, will be sent to the Local Job Security Representative of the affected location(s) four days in advance of copies being sent to external supplier(s). The Local Job Security Representative will have the responsibility to share the package with the other members of the LJSOESC. Following receipt of the request for quotation package (or written notification in the rare case where a quotation package is not utilized), the LJSOESC will have the opportunity to jointly

develop a plan to perform the work competitively, judged by the criteria listed earlier in this Appendix. As required, the Sourcing Authority, or other Company activities involved in the sourcing decision-making process, will assist and support the LJSOESC. The LJSOESC should utilize the Standardized Financial Form to jointly calculate the cost associated with the component(s) being market tested. The local Union will be provided full and timely access to all appropriate data, including financial information that is pertinent to evaluate product competitiveness and the potential effect of the sourcing action. The Company will complete the market test within six months from the initial notice to the Union. When this six-month period expires, the market test will be considered closed and no further activity related to the product(s) covered by the notice will occur unless the Union has been notified by way of a re-issued market test letter.

In circumstances where early supplier involvement is necessary because there is insufficient information to conduct a market test or make a sourcing decision based on traditional selection criteria, a non-traditional selection process, e.g., design competition, may be utilized. When this process is used, the Company will discuss such process in advance with NFD-UAW representatives.

At such time as the sponsoring activity has received the results of a market test (or a similar point in the sourcing process when a market test is not applicable, e.g., design competition) and an outsourcing decision is contemplated, the International Union and the Local Union will be given written notice. The notice shall be provided to the Union as far in advance as possible or promptly following Sourcing Council approval, and consistent with the timing requirements of the Global Product Development System (GPDS). The notice will provide, on a confidential basis, the reason for the outsourcing, a description of the work involved, the impact on the workforce including identification of any offsetting insourced work, when applicable, the identification of the sourcing authority, the quality status of the recommended supplier, and a copy of all data contained in the financial analysis submitted

to the Sourcing Council. The financial analysis should incorporate the costs jointly calculated by the LJSOESC, and the other applicable Company activities, during the market test process.

- a. When such an outsourcing decision is contemplated at any level of the Company, the written notice will be given to the Vice President and Director of the National Ford Department. A copy of such notice will be given to the Chairperson of the Unit Committee at the same time.
- b. When such a contemplated outsourcing decision is initiated by the Company at a level external to the affected location(s), the Company will provide sufficient advance written notice to allow the designated Management representative at the affected location(s) to comply with the notification procedure.
- c. Additionally, International Union and Local Union input will be sought by the Company as early as possible in the outsourcing decision-making process. The intent of the evaluation period and Union input being sought as early as possible is to allow for more thorough discussion and to permit the parties to assess better the impact of outsourcing on the long-term job stability of employees and the financial viability of given Company locations.
- d. The Company will not enter into a contractual relationship with a non-UAW-Ford supplier until such time as the designated Management representative of the affected location provides written verification that the above notification procedure and discussion by the LJSOESC has taken place.

A proposal to keep the work in-house will be made by the Union within 90 days of the receipt of the written notice. Such proposal shall be in the form of a written business case and be signed by the LJSOESC and the UAW National Ford Sourcing Coordinator(s). If the business case is based upon cost, the Union is to complete and attach the Standardized Financial Form. During such time, if the LJSOESC agrees, resources will be provided

to jointly study the feasibility of reducing internal operating costs in an attempt to keep the work in-house. The Union, thereafter, will present its proposal to the applicable Company decision-making party/parties. If it is established that the work can be performed competitively, judged by the criteria listed earlier in this Appendix, Management will, barring unique and unforeseen circumstances, keep the work in-house. The Union shall thereafter obtain any necessary approvals or ratification within 30 days of the decision to keep the work in-house.

- e. In cases where the Union believes that the decision by the Company to outsource is improper, the Union may appeal to the Executive Committee of the sourcing authority's Sourcing Council for further consideration. The appeal shall be made by the Vice President and Director of the UAW National Ford Department through the Company's Executive Director of U.S. Labor Affairs. The Union's appeal shall be made within the 90-day period described in paragraph 4d above, and the Sourcing Council shall hear the appeal as soon as practicable.

Thereafter, if the Union so decides, it may appeal its case directly to the Umpire, in accordance with the Sourcing – Grievances letter of understanding.

- f. The Company agrees to a full disclosure to the International Union of the procedures utilized in the sourcing decision-making process.

When a temporary outsourcing action is being considered, the Company will **meet with** the Chairperson of the Local Union **and provide** written notice containing the reasons it is considering the temporary outsourcing at that facility, an estimated date the work will be returned, **and provide status updates as required**. The notice of the outsourcing action will be given as soon as practicable, consistent with the reasons such outsourcing becomes necessary. Copies of this notice also will be provided to the National Ford Department. **Labor Affairs**

and the National Ford Department will work together to improve compliance to the notification process.

5. Advanced Manufacturing/**Product Intelligence**

a. Quarterly Meetings

Quarterly UAW-Ford Meetings will be continued **with the V.P. of Manufacturing to review Sourcing and Advanced Manufacturing/Product Intelligence topics. Attendees will include UAW Assistant Director of Sourcing, UAW Assistant Director of Advanced Manufacturing/Product Intelligence, Director-Labor Affairs, Labor Affairs Sourcing Manager, and others as deemed necessary. These reviews will include discussions about insourcing plans, job creation, and operational effectiveness opportunities at U.S. assembly, stamping, and powertrain plants. In addition, separate meetings will be scheduled to include twice per year reviews (by July 1st and January 1st) of the 5 year global cycle plans as they relate to U.S. plans for assembly, stamping and powertrain. A confidential summary of these plans which identify new or redesigned vehicles, subsystems or component parts will be provided to the Vice President and Director of the UAW National Ford Department or their designee.**

b. Early UAW Involvement/Meetings

To provide the Union full involvement at the earliest stages of the decision-making process, the applicable

Company Vehicle Line Director, or his/her designated representative, at the Pre-Program Start (PPS) Milestone Meeting, will inform the respective UAW Advanced Manufacturing/**Product Intelligence** Representative of New Major Vehicle Programs or Major Redesigned Vehicles. Information discussed at this meeting will typically include program objectives, major program milestone dates, marketing objectives and customer requirements, and potential assembly plant loading. **Additionally, to provide access to the Powertrain decision-making process, the applicable Powertrain Director, or his/her designated representative, will**

inform the respective UAW Advanced Manufacturing/Product Intelligence Representative of New Major Powertrain Programs or Major Redesigned Powertrains.

- c. **Vehicle Program Overview**
Following the Pre-Program Start Milestone Meeting for New Major Vehicle Programs/Major Redesigned Vehicles, subsequent meetings (Program Overviews) will be scheduled by the Company to review specific vehicle, subsystem or component plans. Chief Nameplate Engineers will conduct such meetings. Typically, such meetings will cover vehicle objectives and targets, processes and timing, the sourcing pattern for assembly and major components (including known or anticipated changes to existing sourcing patterns) and plans for prototypes.
- d. **Powertrain Plans Review Meeting**
Senior management from Powertrain Operations will meet twice per year with the leadership of the UAW National Ford Department to review 5 year global Powertrain cycle plans as they relate to Powertrain plants.
- e. **Product Development**
It is imperative that sourcing discussions and notification become an effective and trusted tool. It is recognized that early involvement by the UAW will greatly enhance the chances for mutual success and will not jeopardize the product development objectives of quality, speed to market, product innovation, and lower total cost.

The Company's continuing objective is to further compress product development time frames and improve speed to market. The timing for achieving product development milestone events will fluctuate depending on the risk inherent in each product program. Therefore, future sourcing notification timing will vary uniquely with each program on a case-by-case basis. Specific product development target dates will be disclosed at the Program Start Milestone Meeting. The reality of variable program timing and ongoing system change dictates

frequent and structured communication for effective sourcing discussion and notification.

The product development cycle for New Major Vehicle Programs or Major Redesigned Vehicles will generally range from approximately 50 months before Job 1 for Program Start, to approximately **36** months before Job 1 for Program Overviews, to approximately **18** months before Job 1 for Program Approval. In the case of niche vehicles, it is understood that the product development cycle time could be condensed.

f. Meetings with Operations

Upon the request of the Union **and submission of a related agenda provided by the Union**, the Company will schedule subsequent meetings with Program Management, the Manufacturing Business Office, Purchasing, Engineering and/or Operations Managers or their designated representatives to discuss issues of concern to the Union.

Further follow-up meetings will be scheduled as required at the request of either party.

The implementation of this process should provide the parties the mechanism to take advantage of every opportunity to use internal resources.

The commitments expressed in this Memorandum of Understanding are intended to contribute significantly to our cooperatively working together to provide Ford Motor Company employees in the United States improved job security by expanding the business.

APPENDIX Q**MEMORANDUM OF UNDERSTANDING
"BEST-IN-CLASS" QUALITY PROGRAM**

The parties recognize that continuous improvement in the quality of the Company's products and services to meet customer needs and values is essential to securing Ford's long term success in the global marketplace and real job security for its UAW represented employees.

For a number of years, the UAW, Ford Motor Company, and its employees, including those represented by the UAW, have worked together in a spirit of teamwork, cooperation and mutual interest to improve product quality. These efforts have produced substantial results. Ford and the UAW further recognize that local union and employee support and involvement have been key elements of the progress that has been achieved.

From the time the "Best-In-Class" Quality Program was established in 1987, the parties have worked toward achieving mutual goals and have demonstrated the ability to take a problem solving approach to issues. The strengthening of this joint relationship has created a highly successful program based upon a foundation of mutual trust and respect that assures all issues can be resolved on a day-to-day basis. Therefore, this Memorandum and the "Local Quality Representative" Letter of Understanding are "living documents" permitting the parties to continuously improve, support and expand the UAW-Ford "Best-In- Class" Quality Program outside the normal collective bargaining process.

This Memorandum is an on-going agreement which will not expire concurrently with the Collective Bargaining Agreement. Accordingly, the provisions of Article X, Section 10 and Article XI, Sections 2, 3 and 4 will not apply to this Memorandum of Understanding or the "Local Quality Representative" Letter of Understanding. The UAW-Ford National Quality Committee will provide the overall coordination for the continuous improvement of this Program. The Committee will continually review and update the direction of the parties' joint quality efforts, including internal Program processes, and will make recommendations to the UAW-

Ford Quality Improvement Steering Committee on a periodic basis. The Committee also will be responsible for communicating any changes in the Program to Ford-UAW locations. Should either party believe it would be more appropriate for the "Best-In-Class" Quality Program to have an expiration date that coincides with the present Collective Bargaining Agreement, the party may submit this request to the Vice President and Director of the UAW-Ford Department and the Company's Vice President Labor Affairs for review and approval.

The structure and responsibilities within the "Best-In-Class" Quality Program are set forth below.

I. UAW-Ford Quality Improvement Steering Committee

The joint UAW-Ford Quality Improvement Steering Committee will continue to direct and expand the quality improvement activities of the UAW-Ford "Best-In-Class" Quality Program to support continuous improvement in the Company's products, services and processes, including:

- Review annual quality objectives, strategies, and indicators for the UAW-Ford "Best-In-Class" Quality Program and for the Company Quality Operating System (QOS). The Committee will jointly develop measurables to support the annual objectives and the QOS.
- Drive joint actions to improve quality of products, processes, and services.
- Conduct discussions concerning the Company's manufacturing, assembly, and parts distribution facilities, as well as suppliers and dealers.
- Review and support joint exploration (including consideration of pilot efforts) of new and enhanced processes to improve quality of components and vehicles produced by Ford.
- Support the Company objective of producing "Best-In-Class" vehicles that meet or exceed expectations of present and future customers.
- Create a work environment which allows the full contribution of each employee toward the achievement of quality leadership by Ford.

The Steering Committee will:

- Be co-chaired by the Vice President, Manufacturing and by the Vice President and Director of the UAW-Ford Department and include an equal number of Union and Company representatives designated by the respective co-chairpersons.
- Be supported by a full-time UAW-Ford National Quality Committee to implement the provisions of the UAW-Ford "Best-In-Class" Quality Program and maintain liaison with operations working quality committees and local quality committees guided by a **chartering** process recognizing that program design may vary among the organizations involved.
- Review and have access to the Ford Motor Company Global Quality website for quality data and metric reports including but not limited to: J.D. Powers, Global Quality Research System (GQRS), Consumer's Report, Analytical Warranty System (AWS), US Market Research Schedule, and The Customer Speaks.
- Oversee and provide for development of new UAW-Ford "Best-In-Class" Quality Program education and training through the Targeted Training process based upon specific business needs.
- Review the activities and recommendations of the National Quality Committee, plans for operations and facility quality initiatives, and the results of local and national quality actions.

II. **UAW-Ford National Quality Committee**

A full time UAW-Ford National Quality Committee will continue to develop and recommend programs to the Steering Committee, provide feedback to that Committee, transform Steering Committee strategies into actions for implementation by the local quality committees, participate on operations working quality committees and assist local facility quality committees.

The National Quality Committee will be co-chaired by an appointed representative of the Vice President and Director of

the UAW-Ford Department and an appointed representative of the Global Vice President of Quality. The National Quality Committee shall continue to be comprised of equal numbers of representatives from the Union and the Company. The Union's representatives on the National Quality Committee will be appointed by the Vice President and Director of the UAW-Ford Department.

The committee will support the chartering process by reviewing, updating, and cascading the annual charters through each level of the Quality Governance Structure. The Quality charters will contain agreed to, enforceable elements required to support a "Best in Class" Quality program such as a mission statement, roles and responsibilities and quality operations and procedures.

III. UAW-Ford Operations Quality Committees

Presently established operations quality committees will continue to function and their application and activities will be on a uniform basis to all operations with employees covered by this Agreement.

These operations quality committees will continue to include representatives of operating Management, the UAW-Ford National Quality Committee, and other Company and UAW representatives as appropriate.

These committees will meet at least semi-annually, or more frequently as they determine necessary, to discuss and review quality performance objectives and indicators concerning the operations' products and services and joint actions that could be taken to drive and support improvement. Other topics of discussion or activities include:

- Transform the strategies from the UAW-Ford Quality Improvement Steering Committee into a roadmap and actions for implementation by the UAW-Ford Local Quality Committees.
- Discuss quality matters in Vehicle Quality Reviews / Product Commodity Team Meetings, weekly operations meetings, and monthly Quality conference-calls.

- Assure the Company and Union leadership's commitment to driving customer satisfaction, continuous improvement, and full workforce involvement in achieving Best-In-Class Quality.
- Emphasize the importance of customer satisfaction in the quality improvement process.
- Review specific operations and local education and training needs to support continuous quality improvement, including specific tracking and monitoring of such training.
- Share information on Company, operations and facility competitive quality positions including future goals for continuous improvement.
- Emphasize the importance of total involvement and commitment of the entire workforce in quality improvement.
- Provide recognition and positive reinforcement for the quality improvement process.

IV. UAW-Ford Local Quality Committees

Facility committees will be co-chaired by the facility manager and the unit chairperson. Other committee members will include the Facility Operating Committee, to include the Product Vehicle Team (PVT) Manager or Product Resident Engineer and Supplier Technical Assistance (STA) Resident and other representatives of local management as appropriate, the local union president (if he or she so elects), the Local Unit Quality Representative, the Employee Resource Coordinator, and other members of the unit committee designated by the unit chairperson.

These local committees will continue to meet at least monthly, or more frequently as they determine necessary. They may agree to meet consistent with local Time and Data Management processes. The unit quality representative and facility quality manager will be responsible for coordinating the resolution of local quality committee matters and reporting the results to the co-chairs of the local quality committee between scheduled meetings.

The focus of these committees is to discuss and review quality information and indicators concerning the facility's products and services and joint actions that could be taken to drive improvement. Additionally, local committees will:

- Develop and implement local plans for quality improvement consistent with the objectives and strategies designated by the UAW-Ford Quality Improvement Steering Committee and the Operations Quality Committees.
- Provide direction and support for the unit quality representative in the quality improvement process, including supporting the principle that all employees have responsibility for quality in their work.
- Assure that the quality representative has regular access to the quality operating system management including weekly meetings with the facility quality manager, or a designated representative in that manager's absence.
- Review internal processes and establish a system locally to address vehicle concerns, with a goal of minimizing the quality representative's involvement in this area.
- Assure that a process is in place to advise the quality representative of reworks and campaigns and to ensure proper communication with the affected employees.
- Establish a process locally that allows employees to raise product quality concerns, make the necessary corrections, and stop the operation, when necessary. This process must ensure that the concerns are immediately addressed, appropriate containment measures implemented, and the operation restarted.
- Ensure the quality system addresses the hourly and salaried employees' role in the containment of non-conforming parts. The system will incorporate the responsibility of these employees to contain non-conforming parts, the process for rejecting/releasing the parts and the communication plan to provide feedback to the affected employees.

- Monitor performance against quality objectives to support and maintain a continuous quality improvement process.
- Establish a mutually acceptable process for the unit chairperson and facility management to identify hourly employees to visit other facilities or suppliers, as appropriate, to resolve quality concerns.
- Establish teams of hourly and salaried employees, including the Local Unit Quality Representative, to work with and visit outside suppliers to identify and resolve quality issues and concerns, as appropriate.
- Review local education and training needs to support quality improvements.
- Integrate "Best-In-Class" Quality Program and other quality improvement activities with employee participation and other joint activities to address common areas of interest and assure mutually supportive relationships.
- Oversee the process to ensure that all scrap materials are purged from the facility in an expeditious fashion.
- Review product launch progress and other engineering changes and ensure timely communication of appropriate information to affected facility employees. Explore opportunities for greater hourly employee involvement in the product launch process.
- Facilitate communication between product engineering and work groups, ensuring necessary engineering assistance as appropriate.

V. Local Unit Quality Representative

Provisions for a local unit quality representative, including such topics as number, appointment, functions, training requirements and other matters, are set forth in a separate letter of understanding.

The functions and responsibilities of the quality representative include the following:

- Participate on the local joint quality committee to handle joint quality initiatives.
- Coordinate the resolution of local quality committee matters and reporting the results to the facility manager and building chairperson between scheduled meetings.
- Participate in product launch quality reviews.
- Investigate and close Quality Hot Line calls and Quality Concern Resolution cases.
- Participate in the development and implementation of local strategies to achieve facility internal and external quality performance objectives.
- Participate on the facility team completing quality self-assessments.
- Participate in local Incoming Quality meetings, and on facility teams of hourly and salaried employees to identify and resolve quality issues and concerns with outside suppliers.
- Assist in the preparation of quality performance information and related material to be shared with UAW represented employees to enhance their understanding and support of facility quality initiatives.
- Verify compliance with QPS sheets when investigating a quality issue or customer concern.
- Participate in the development and implementation of job related quality training.
- Maintain communication with the UAW-Ford National Quality Committee, and attend meetings as required by the UAW-Ford National Quality Committee.
- Perform other functions associated with joint quality initiatives as may be required from time to time by mutual agreement of the Company and the Union.

VI. Quality Concern Resolution Process

- The Company and Union recognize that it is in the best interests of both parties to resolve employees' product quality concerns as soon as possible, at the facility where

they originate. This quality concern review process will originate at the location and may include review by the operations quality committees and, if required, the UAW-Ford National Quality Committee.

- The UAW-Ford National Quality Committee will provide ongoing coordination of this process, which will be independent of the grievance procedure provided in the Collective Bargaining Agreement.

VII. Supplier Relationships

- It is recognized the "Best-In-Class" quality principle of "Working Together for Quality" includes the employees' relationships with all suppliers, both external and internal. It is the hourly and salaried employees' responsibility to ensure quality parts are used in the production of Ford vehicles, regardless of their manufacturing source.
- Accordingly, all suppliers will be responsible for their quality performance (consistent with the Supplier Corporate Citizenship letter dated November 03, 2007). Additionally, the Company is responsible for the administration of policies consistent with the provisions set forth in the Q1 2nd Edition. The National Quality Committee will have timely access to the list of suppliers that have been placed on Q1 probation or had their Q1 status revoked and may visit outside supplier locations in conjunction with the Ford on-site Supplier Technical Assistance Engineer. If issues arise with the ability to access an outside supplier facility, the National Quality Committee will work through the Supplier Technical Assistance Manager to address the concern. Further, the UAW-Ford National Quality Committee shall be afforded periodic meetings as needed with Supplier Technical Assistance/Purchasing and the various operations to obtain information on supplier improvement processes and discuss outside supplier concerns.

VIII. Customer Satisfaction Activities

- Building upon our significant long-term efforts and progress in improving product quality, the UAW and the Company agree to discuss alternative means of utilizing

consumer insights and feedback to improve customer satisfaction. Joint activities to support this objective will be the subject of ongoing discussion between the Union and the Company.

- The parties agree to continue to utilize local dealer panels where mutually agreeable, whereby, after appropriate orientation and training, the National Ford Department and local union offices may communicate with the Company's customer services activities on customer concerns and other quality matters. Such local Vehicle Concern Service Resolution Process/dealer panels will be affiliated with and under the jurisdiction of the UAW-Ford National Quality Committee. In addition, the UAW-Ford National Quality Committee will utilize a multi-step procedure for Company locations to follow to resolve employee vehicle complaints, where no dealer panels exist. Members of the UAW-Ford National Quality Committee will visit each facility to communicate the new procedure, and make recommendations, as appropriate.
- The parties also agree that it continues to be important to improve communication among representatives of the Union, the Company, and the dealers on issues of common concern regarding the achievement of their respective quality objectives. As a key step in achieving and maintaining this level of communication, the parties agree that Ford Motor Company will continue to seek to have the Vice President and Director of the UAW-Ford Department invited to meet with the officers of the Ford and Lincoln Dealer Councils. The Steering Committee may develop other appropriate quality related communications or actions for discussion with the Dealer Councils.

IX. Other Matters

- The Company and the UAW **reaffirms** support of certain quality promotional activities to increase employee and consumer quality awareness and recognize employee contributions in product and service quality

improvements. Opportunities could include auto shows, certain sporting venues, community activities, and charitable events where mutually agreeable and beneficial to UAW-Ford employees, subject to verification by appropriate market research in those cases where customer contact and other marketing and advertising considerations are involved.

- Further, the Company **continues to** acknowledge the support of the UAW National Ford Department, local unions and UAW represented employees in various ways in advertising campaigns, the introduction of certain new products, and other similar activities which likewise have proven to be mutually beneficial. Accordingly, the Company intends to continue to provide similar opportunities in the future.
- A generic Joint quality decal or sticker will be affixed to UAW built vehicles indicating that these products were proudly built by UAW-Ford members. This decal signifies the UAW's commitment to the improvement of Ford Motor Company product quality. The UAW-FORD National Quality Committee will continue to be the provider of these decals/stickers.
- The UAW-Ford National Quality Committee will use an assessment tool, including a coaching document, to assess the effectiveness of Local Quality Committees for conformance to Appendix Q. Self assessments will be conducted in conjunction with the QOS assessment process.
- The UAW-Ford National Quality Committee will designate Targeted Training Single-Point Lessons to be included in the New Employee Orientation Program for new employees.
- The UAW-Ford National Quality Committee will develop Train-the-Trainer Modules for QOS updates as required.
- The UAW-Ford National Quality Committee, the respective Operations Quality Offices, and the Local

Quality Committees will conduct Quality communication and training based on resource specific business needs.

- The UAW-Ford National Quality Committee shall receive advance notification of field service actions.

X. Funding

- Funding for program development and agreed upon training programs in support of this Memorandum of Understanding and the UAW-Ford "Best-In-Class" Quality Program will continue to be provided by the UAW-Ford Education, Development and Training Program, in accordance with provisions governing that Program. Local initiatives will be charged to local training funds.

APPENDIX S

UAW-FORD MEMORANDUM OF UNDERSTANDING FOR
THE HEALTH AND SAFETY OF EMPLOYEES

The UAW and Ford are proud of their accomplishments and long standing dedication to education, training, a positive safety culture and the resolution of employee health and safety concerns. Jointly, the parties will continue to strive for a lasting culture where health and safety is an integral part of how we do business. This Memorandum of Understanding reinforces this commitment by the UAW and Ford to build an environment that continues to embrace every aspect of workplace health and safety as a way of life and **uncompromised core value in everyday activities at every level of the organization**. Jointly, the parties will continue to strive for a healthier and safer workplace through the involvement of all employees.

The UAW and Ford leadership are dedicated to continuously improving the health and safety culture through employee engagement, awareness, and accountability at all levels. This dedication builds upon the long standing commitments of the UAW and Ford to health and safety and Best-In-Class joint training programs. With a goal of zero fatalities and serious injuries, the leadership of the UAW and Ford will continue to jointly sponsor activities that support a relentless daily focus on health and safety that protects employees, prevents accidents and injuries, and provides a safe workplace. The UAW and Ford leadership will strive to achieve a safety culture in which everyone looks out for one another. Our efforts will continue to focus on:

- improving the health and safety culture **and engagement** for all employees;
- enforcing and complying with health and safety programs, procedures, and safe work practices;
- protecting all employees when performing non-standard, non-routine, and high risk work;
- improving the Pre-Task Analysis process to ensure high-risks are addressed;

- maintaining adherence to the company's safety operating system;
- improving the effectiveness of the ergonomics process;
- supporting effective and efficient NJCHS best-in-class training;
- expanding upstream pro-active engineering and design, including new technologies, for health and safety;
- conducting effective joint Safety Process Review Boards;
- exploring methods to enhance safe PMHV/pedestrian movement;
- inspecting and maintaining combustion equipment;
- emphasizing energy control and power lockout, electrical safe work practices and walking and working surface safety;
- expanding the involvement of employees, team leaders/coordinators, supervisors, and work teams in the overall safety process;
- using joint health and safety audits of all plants and facilities to achieve continuous improvement;
- **support the development of determining a set of leading metrics for proactive injury prevention; and**
- ensuring necessary personal protective equipment is available to and worn by employees.

The parties have worked together to improve the UAW-Ford joint health & safety program and have demonstrated the ability to take a joint problem solving approach to issues. This relationship continues to build a highly successful program based upon a foundation of mutual trust, respect and the desire to ensure all employees are provided a safe working environment.

The NJCHS is specifically empowered to periodically jointly review and evaluate this Memorandum of Understanding to identify improvement opportunities to the provisions during the term of this agreement.

The NJCHS will jointly provide the direction of the continuous improvement of this program. Any changes or variations to the program for any reason must be jointly agreed to by the co- chairs of the NJCHS with a final approval by **the Vice President and Director UAW, National Ford Department and the Vice**

President of Labor Affairs or their designees. The NJCHS will be responsible for communicating any changes in the program to UAW-Ford locations.

It is expressly understood that this language has no impact on the contractual provisions under Article VI, Section 8; Article VII, Section 23 (b); and Article X, Section 4; or related Letters of Understanding. These provisions will remain in full force and effect.

The Company and the International Union agree that the effective date of this Memorandum means the effective date of **this** Collective Bargaining Agreement and will expire with the expiration of **this** Collective Bargaining Agreement.

The Company shall have the obligation to continue to make reasonable provisions for the health and safety of its employees during the hours of their employment. The Union shall cooperate with the Company's efforts to carry out its obligations. Therefore, the following Memorandum of Understanding for the Health and Safety of Employees is adopted.

1. National Joint Committee on Health and Safety

The parties recognize that efforts directed toward a safe and healthy workplace must represent a fully joint commitment. Therefore, the National Joint Committee on Health and Safety (NJCHS) was established as a mechanism to guide health and safety concerns in the appropriate direction. The National Joint Committee shall continue to be comprised of equal numbers of representatives from the Union and the Company. Union representatives of the Committee will be appointed by the Director of the National Ford Department. Each party will appoint to the Committee at least one member who has professional training in industrial hygiene or safety.

Among those matters that would continue to be appropriate for discussion by the NJCHS would be significant developments of a mutual interest in the health and safety fields, changes in the Company's health and safety programs due to legal requirements or Company policy revisions, review of the meaningful injury and illness experience of the Company's

plants, and procedures to minimize employee exposure to known harmful physical agents or chemicals.

In the course of NJCHS discussions, the Company will continue to disclose the identity of any known harmful physical agents or chemicals to which employees are exposed. In addition, the Company will continue to arrange for surveys of specific plants at the request of the National Ford Department. Results of such surveys, as well as regular plant surveys conducted will be provided to the International Union through its representatives on the NJCHS.

Past arrangements will continue to be made through the NJCHS for professional health and safety representatives of the International Union to visit Company plants in connection with particular health and safety problems.

The NJCHS has access to plant data required on OSHA Form 300A("Summary of Occupational Injuries and Illnesses"), or any successor document, the total manhours worked and the incident rate for each plant for the comparable period. Also, the Company will continue to provide to the International Union through the NJCHS prompt notification of fatalities and serious injuries resulting from work-related accidents.

Additional National Joint Committee functions are as follows:

- **Sponsor joint conferences that provide training and education, and stimulate interest in health and safety programs and procedures.**

Conferences/meetings sponsored by the NJCHS for Company and Union Health and Safety Representatives will be held no less than annually or as deemed necessary by the NJCHS to provide required training and education and to stimulate renewed interest in health and safety programs and procedures to further improve the workplace for all employees. Conference expenses, including wage payments for lost time, will be paid with joint funds. Joint funds will pay for lost time (eight hours per day) for Unit Health and Safety Representatives who participate in these conferences. The Company will recognize and compensate properly appointed alternates

when the Unit Health and Safety Representative is out of the plant to attend such training. The NJCHS will consider appropriate requests to provide financial support for periodic Operations meetings of safety professionals to share best practices and receive current health and safety information. **The parties will develop a strategy to ensure Union and Company health and safety professionals attend joint health and safety conferences. Unresolved concerns will be elevated through the issue resolution process.**

In addition, the NJCHS supports further development of safety professionals through their participation in state and national health and safety conferences.

- **Oversee joint training and education.**

The Company will continue to provide additional joint health and safety training to enhance safety awareness, hazard recognition, and technical skills of employees covered under the terms of this agreement. To provide for consistency and uniformity, the NJCHS will continue to consider joint funding requests from the plants to enable them to design training programs to meet local needs (for example, specialized training to address unique health and safety concerns of electric vehicle batteries). After submission to the NJCHS for review, funding requests covering projects which are consistent with NJCHS objectives will be referred to the Joint Governing Body of the Education, Development and Training Program for approval.

- **Evaluate health and safety research needs and recommend appropriate research projects.**

The parties recognize that certain health and safety matters require thorough study and appropriate analysis and research to identify and address the issues. The NJCHS will continue to evaluate health and safety research needs, recommend appropriate research projects and communicate the findings to affected employees. The NJCHS will make recommendations to the Joint Governing Body for funding of the specific project(s)

under consideration as described in Section III of this Appendix S. The results of research conducted within Company facilities will only be used for purposes specifically authorized by the NJCHS.

- **Participate in Manufacturing Safety Council (MSC) and Operations Safety Process Review Boards (SPRB).**

These meetings, co-chaired by a senior member of Operations management and a member of the National Ford Department Health and Safety Staff (or other similar arrangement approved by the Company and the UAW National Ford Department) has been established in each Operations having employees covered by this agreement. The NJCHS will continue to participate in activities of these forums which are expected to meet monthly or otherwise by mutual agreement to proactively review and resolve health and safety issues and to disseminate corrective actions and information throughout their respective Operations.

- **Conduct joint health and safety reviews of plant facilities.**

The NJCHS will continue to sponsor and oversee a national joint team of Company and Union representatives to review Company facilities and activities with regard to NJCHS programs, federal and state regulations and Company health and safety policies and procedures. The NJCHS will develop specific training requirements for review-team members. The team's principal functions will continue to be to encourage Local Union and Management cooperation concerning continuous improvement in health and safety matters, and to highlight strengths and assist in identifying areas where improvements are needed. Joint reviews will be conducted as deemed necessary by the NJCHS, but in no case less frequently than once every 18 months for manufacturing and parts distribution locations. The NJCHS joint audit process will include both scheduled and unscheduled facility audits. In

addition, facilities are required to conduct quarterly self assessments using the Company's current safety operating system. Joint Leadership at the facility are responsible for ensuring the accuracy of the facility's self-assessment. Results, action plans, and status are to be reviewed quarterly at the Plant Safety Process Review Board Meetings. **The NJCHS will continue to provide input into the development of the SOS and engage in the implementation, monitoring, and measuring of it.** As part of our overall efforts for continuous improvement, the Union and Company agree to the joint selection and appropriate use of third parties for certain aspects of joint health and safety audits.

II. Existing Provisions

The following separate contractual provisions are reaffirmed as being in full force and effect in conjunction with this Memorandum of Understanding.

Article VI, Section 8;

Unit Health and Safety Representative

Article VII, Section 23(b);

Special Procedures - Health and Safety

Article X, Section 4;

Health and Safety

Letters of Understanding:

The following letters of understanding are unpublished.

- Additional Health and Safety Representatives (10-31-73)
- Limitations on the Addition of a Health and Safety Representative and Benefits Representative for Units between 600 and 1,000 Employees Already Having Such Representation (10-4-79)

III. Ongoing Research

The Company and Union agree to examine and conduct research projects on subjects that address immediate health and safety needs such as ergonomics or serious acute injury prevention. The NJCHS, where appropriate, will meet, share information and coordinate research agendas with UAW-

General Motors and UAW-Chrysler with respect to future projects.

IV. **Training and Education**

The parties recognize the desirability of wide dissemination of information concerning the causes of illness and accidents and preventive measures which can be implemented and, therefore, are continuing to address the need for health and safety education and training through ongoing programs and projects listed below.

Orientation training is acknowledged as an important step in providing a new employee's understanding of health and safety procedures. The NJCHS will provide input to update health and safety related training material.

Evaluation of training programs, including monitoring post-training awareness and understanding, will be conducted as determined by the NJCHS.

Existing programs and those developed and rolled-out by the NJCHS will be reviewed by the NJCHS co-chairs and added to the Regional OHS Training matrix.

The NJCHS will create a process flow diagram for local access of employee safety training records.

Chemical Safety Training

The Hazard Communication Program, first initiated in 1984 to address federal OSHA requirements, is an ongoing program to satisfy requirements relative to recognizing and avoiding chemical hazards.

The Hazard Communication training program was updated, renamed (Chemical Safety Training Program), and redesigned in 1997. In 2011, the program was updated and redesigned following the format of more recently developed NJCHS programs. The frequency of refresher Chemical-Safety Training will be determined by the NJCHS.

- **Energy Control and Power Lockout (ECPL)**
In 2015, the NJCHS revised the ECPL training program to include ECPL Awareness and ECPL

Authorized Person training. ECPL Awareness training was developed in both web-based and instructor-lead format. The ECPL Authorized training was developed as web-based only. The updated training which included significant updates reflecting advancements in safety technology and processes was delivered to all affected employees. In this regard, it is understood that local Management and the Unit Health and Safety Representative will review periodically the machinery and equipment lockout program currently in effect. UAW Health and Safety Representatives and Plant Safety Engineers will conduct sample follow-ups with employees to verify competency. Necessary modifications to the local implementation of the ECPL program will be documented and supplied to the Unit Health and Safety Representatives with the understanding that they will have an opportunity to discuss the local implementation of the program and make recommendations. To maintain the effectiveness of the ECPL program **standard (FAS08-100)**, including placarding **standard (FAS08-102) Energy Control and Power Lockout Placard**, the rules regarding annual refresher training must be strictly followed.

The Energy Control and Power Lockout Standard (FAS08-100) and the Energy Control and Power Lockout Placard Standard (FAS08-102) outlines criteria and presents a method that will satisfy the identification and specific written procedures requirements of 29 CFR 1910.147 for the control of hazardous energy during servicing and maintenance of production machines and equipment with multiple energy sources.

For single energy source equipment where the energy disconnect is not evident at the operation, the location of the disconnect will be identified.

The placarding teams established in the 1993 Collective Bargaining Agreement remain in effect to ensure the accuracy of all placards.

A committee which includes the Plant Safety Engineer, UAW Health and Safety Representative (or a Plant Chairperson who functions as a Health and Safety Representative), a facility engineer and an experienced skilled tradesperson has been established and meets on an as needed basis. This committee will determine placarding needs and ensure compliance with the placarding process. The Committee's functions include, but are not limited to developing and implementing a process for:

- **ECPL training that addresses advancements or changes in safety technology and lockout procedures shall be provided as part of the launch process.**
- Installation and verification of placarding on new equipment.
- Updating of existing placards during local engineering changes (scheduled or unscheduled).
- **Replacement of damaged or missing placards, and**
- Immediate identification and rectification of inaccurate placards.

The committee will report the placarding status to the Plant Safety Process Review Board.

- **Guidelines, Responsibilities, and Safe Practices (GRASP)**

The NJCHS will **update** the GRASP training program designed to train: (1) committeepersons, **team leaders, process coaches/supervisors, and team managers/superintendents** on their health and safety roles and responsibilities; and (2) all employees on job hazard recognition. The program requires an Operator Instruction Sheet/Job Safety Analysis (OIS/JSA) for each production job or group of jobs in a specific work area. Reinforcement videos to aid supervisors in the delivery of safety talks also will continue to be provided. **The NJCHS will update the GRASP refresher. The recipients and frequency will be determined by the NJCHS.**

In the case of skilled trades and other non-production employees, the NJCHS developed, and launched a new GRASP application, which includes a process to identify high risk tasks associated with machines and equipment, describes the hazards involved with such tasks, and determines appropriate health and safety controls. The basis for determination of appropriate controls will be the hierarchy, which gives preference to engineering solutions over procedures or personal protective equipment. Additional methods of describing and placarding off standard tasks will be reviewed and implemented for recurring jobs that are performed by employees.

- **Die Handling**

In 2014, the NJCHS jointly developed safe die handling training. The training was designed to reaffirm safe practices for routine die handling operations.

- **Arc Flash Web-based**

Arc flash refresher training for electrically qualified personnel was developed and launched during the 2011 contract period.

- **Lifting & Rigging Refresher**

Refresher training was initiated in 2015 to reinforce safe lifting and rigging practices to all affected employees.

- **Skilled Trades and Apprenticeship Training**

Accidents involving skilled employees continue to be a major concern of the UAW and Ford. Safety training will continue to be provided, consistent with the requirements of each plant, to all Appendix F employees including apprentices. Training programs have been developed covering lifting and rigging, working at heights, electrical safe work practices, skilled trades chemical safety, troubleshooting, maintenance vehicles, mobile crane and overhead gantry crane (which included additional lifting and rigging training). Where appropriate, future training projects will be developed, piloted, and delivered for

specific skilled trades classifications or groups. The NJCHS will explore alternative methods of delivery to enhance training effectiveness and minimize disruption to operations. In addition, the NJCHS will work with the Joint Apprenticeship Committee to ensure apprentices are adequately evaluated on safe work practices.

- **Air Sampling/Industrial Hygiene Workshops**

Periodic Industrial Hygiene Workshops have been conducted by the Union and the Company. These workshops will be scheduled as needed to train Unit Health and Safety Representatives and Company Safety Engineers.

- **Powered Material Handling Vehicle (PMHV)**

Powered Material Handling Vehicle (PMHV) Program training has been designed and conducted to instruct operators of material handling industrial trucks in the safe operation of their vehicles. The parties agree that prospective operators will receive the appropriate UAW-Ford PMHV training, properly satisfy certification requirements prior to operation of powered material handling vehicles and receive refresher training in conjunction with license renewal. The parties also recognize that “pedestrian” training is an essential element of the PMHV effort and agree that employees who work and walk around powered material handling vehicles will receive such training.

The parties recognize that loading dock safety training is an essential element of the PMHV effort. Videos, single point lessons, and other methods, are currently used to provide training to appropriate personnel who are involved in the process of loading and unloading trailers, railroad boxcars and using column load dividers.

The Company has established a PMHV/Pedestrian Safety Core Team which develops strategies to prevent PMHV and pedestrian incidents. The NJCHS and Company leadership jointly participate on this team. New procedures and equipment being considered will be jointly reviewed in this forum.

- **Confined Space Entry (CSE)**

In 2010, the confined space entry training program was updated and redesigned following the format of recently developed NJCHS programs. Work assignments that involve entry into confined spaces are a concern of the NJCHS because of the potential for serious injury or death if proper procedures are not followed. The Company has conducted and continues to conduct surveys at each location to identify confined spaces and the NJCHS developed and implemented a comprehensive training program on this subject for permit issuers, rescue team members and entrants/attendants. Rescue teams will receive refresher training annually on practice rescues from typical confined spaces, basic first aid, and CPR. The frequency of future confined space entrant and attendant refresher training will be determined by the NJCHS.

- **Shiftwork**

In 1995, the UAW-Ford NJCHS and ESSP jointly developed a training program to assist employees and their families to make healthy lifestyle adjustments to rotating shifts and non-traditional hours. The Program has been made available to all locations for use as determined by the local parties.

- **Safety Talks**

The parties continue to agree that effective safety talks conducted at least monthly by members of plant supervision and/or team leaders/coordinators will be conducted to review near-miss incidents and injuries, remind employees of the importance of work rules and safe practices, and encourage awareness of potential hazards in the workplace. The parties recognize the benefit of prompt sharing of near-miss or serious incidents with affected employees in a safety talk format in order to alert employees in the immediate area(s) of potential hazards, appropriate safe work practices, and/or corrective actions to prevent recurrence. The parties continue to agree that conditions, equipment and

processes differ by plant and, therefore, the safety talks are best handled on a plant-by-plant basis. The review of these programs is a proper subject for discussion by the NJCHS. Safety Stand-downs are considered a positive way to communicate special health and safety messages. The practice will be utilized as appropriate, for example in conjunction with, vacation shutdown, Christmas holiday period, or extended plant-wide shutdowns of at least two weeks. GRASP reinforcement videos have been produced and will continue to be available to serve as potential safety talk topics.

- **Health and Safety Training for Supervisors and Committeepersons**

The NJCHS has developed comprehensive training for supervisors and committeepersons on health and safety fundamentals, accident investigations, communications, and ergonomics.

- **Web Conferencing and Teleconferences**

The parties agree that web conferencing and teleconferences are effective tools in education and training. The NJCHS will continue to utilize web conferencing and teleconference facilities at the National Programs Center for these purposes.

- **Representative Training**

NJCHS sponsored training will be conducted periodically for full- and part-time elected Union representatives and **properly appointed** alternate Unit Health and Safety Representatives. **Alternate H & S representative training will be identified by the NJCHS and facilitated locally.**

- **Train-The-Trainer Certification**

The NJCHS has implemented a system for competency of health and safety trainers through in-plant certification. In addition, train-the-trainer sessions will continue to be conducted, as required, during the term of this Agreement. The NJCHS will develop replacement criteria to maintain best-in-class trainers.

- **Orientation for new Unit Health and Safety Representatives, Alternates and Company Safety Engineers**

The NJCHS will continue to provide orientation for new Unit Health and Safety Representatives and Safety Engineers. Properly appointed alternate Unit Health and Safety Representatives appointed after the effective date of the Agreement will receive a comprehensive in-plant orientation with plant safety professionals based on criteria developed by the NJCHS. In addition, new safety professionals and alternates will be provided study material on all three levels of core competency as soon as practical after appointment. Should an alternate subsequently be appointed as a full-time Unit Health and Safety Representative, they must commence the assessment process to become certified as described below.

- **Training for Health and Safety Representatives/Safety Engineers**

Present and newly appointed Unit Health and Safety Representatives (UHSR) and Company Safety Engineers will be required to be certified to a level of core competency which satisfies the disciplines for health and safety personnel in industrial hygiene, ergonomics and safety. An educational curriculum, appropriate competency criteria, and an assessment process, has been developed by the NJCHS. Safety professionals (both UAW and Ford) who fail to achieve core certification within an appropriate period will be counseled by the NJCHS co-chairs and required to take supplemental training provided by the NJCHS with the intent to achieve certification. Experienced UHSRs, and Company Safety Engineers may elect to take a proficiency assessment in lieu of attending the specific training. When all competencies are demonstrated, a certificate will be issued by the NJCHS. In addition to the NJCHS certification, present and newly appointed Unit Health and Safety Representatives (UHSR) and Company Safety

Engineers will be required to complete the OSHA 30 hour General Industry Outreach Course or equivalent. All costs associated with the delivery of the internal certification program and OSHA course will be covered by the NJCHS. All health and safety personnel are encouraged to pursue additional educational opportunities and certification such as, Certified Safety Professional or Occupational Health and Safety Technologist. The NJCHS will identify and **implement** relevant courses that will more closely align the UAW Health and Safety Representative (**both full and part-time**) and Plant Safety Engineer knowledge bases, **as well as improving overall competency for both.**

V. **Other Important Matters**

- **Issue Resolution Process**

The parties agree that health and safety issues will be **promptly** resolved at the base level of the organization. If necessary, the matter may be addressed at the local Plant Safety Process Review Board or with assistance from the Chairperson and Plant / Facility Manager. If the matter cannot be resolved locally, the item may be referred through Operations to the NJCHS for review and resolution.

The NJCHS will create/maintain a flowchart specific to the Issue Resolution Process.

- **Combustion Safety**

A Combustion Safety Core Team, consisting of the NJCHS and Company leadership, has been established to provide strategic oversight for all issues related to gas-fired equipment (e.g. standards and procedures, safety training resources, process verification reviews, and maintenance procedures). Also, the Combustion Safety Team will jointly review proposed new equipment and procedures.

- **Hazardous Materials and Environmental Control**

Company and Union Health and Safety Representatives will continue to monitor hazardous materials and environmental control activities (including review of

materials for local use, toxic waste handling or disposal) having a direct bearing on employee occupational health and safety. Hazardous materials and environmental controls affecting employee health and safety will be recognized as appropriate subjects for discussion by the NJCHS.

- **Review of Technology and Launch**

Launch is an additional and separate activity in our facilities. The Company may submit a request with supported business rationale for the request to Labor Affairs to approve additional hours for safety activities based on local needs.

The UAW Health and Safety Representatives will continue to participate in change management **for new equipment and processes**, which **could** include reviews of:

- new plant layouts
- **machine and equipment buy-offs,**
- PMHV applications **and associated equipment,**
- new **and retooled** work stations,
- major process changes where employee health and/or safety may be affected,
- **material flow,**
- **part racks (in process or shipping), and**
- **PROTAG.**

The NJCHS will be provided the opportunity to evaluate new technologies to the company and review the associated risk assessments.

The parties agree that focus should be given to upstream pro-active engineering and design, and reviews should be conducted in the planning or tryout stages and prior to the time that new equipment or processes are released to regular production operations. **In addition, pro-active consideration should be taken during rebalances.** Where appropriate, other hourly employees, such as skilled tradesperson(s) and/or member(s) of the Local Ergonomics Committee, may be involved in this process.

The Company will provide additional training for launch support activities as needed. Any issues that cannot be resolved locally regarding review of technology and launch should follow the Issue Resolution Process. The Issue Resolution Process provides a method to resolve concerns related to equipment review and buy-off.

To improve the launch buy-off process, a focus group will be jointly assembled to review things-gone-right and things-gone-wrong, and may include VO, PTO, and SBU. This information will be used to develop best practices and share lessons learned with all facilities.

- **Ergonomics (Fitting Jobs to People)**

The Union and the Company recognize that musculoskeletal disorders (MSDs) are occupational illnesses that are prevalent and preventable in the automobile industry worldwide. The Union and the Company established the UAW-Ford ergonomics process, “Fitting Jobs to People” in 1989. The Union and the Company are committed to continually improving the efficiency and effectiveness of the ergonomic process through:

- (1) proper application of ergonomic principles to the work environment, and
- (2) increased emphasis on upstream, proactive analysis through advanced ergonomics training for engineers and Local Ergonomics Committee (LEC) members selected by those LECs and the continued development and implementation of ergonomic analysis tools and processes with the Manufacturing Engineering Departments,
- (3) **Triannual Joint Ergonomic Summit with PTME, VOME, SBU, Corporate Ergonomics, Manufacturing Safety, and others identified by the NJCHS. Collaborative focus will be placed on upstream engineering, analysis, tools, training, and cross functional best practice sharing.**

The Union and the Company have increased awareness of ergonomic principles and practices by jointly developing and implementing education and training programs for:

- employees and their supervisors;
- Company Safety Engineers;
- **UAW** Health and Safety Representatives;
- other Union representatives as jointly appointed by the Co-chairs of the NJCHS;
- certain plant engineers; and
- appropriate Medical personnel.

These efforts will continue as required to maintain such awareness, including appropriate refresher training with an ergonomics handbook for employees. The NJCHS will continue to conduct classes annually for LEC members as appropriate.

Each manufacturing location of 125 or more employees has established a Local Ergonomic Committee (LEC) to review and analyze jobs for the purpose of identifying ergonomic stressors and recommending solutions. At manufacturing locations, the bargaining unit members of the LEC will be allocated, as a group, time consistent with the requirements of the planned ergonomics activities, up to a total of forty straight time hours per week as the LEC Ex-officio Co-chairs so determine to conduct LEC functions outside of normal LEC meeting time, such as:

- Conducting current state mapping using the Ergonomic Surveillance Tool after program launch and rebalance;
- Conducting investigations of reports of ergonomic illnesses and injuries;
- Conducting job analyses using approved tools to evaluate ergonomic risk;
- Managing the implementation and verification of ergonomic solutions;
- Maintaining required documentation;
- Participating in ergonomic reviews and sign-offs for new tooling and equipment; and

- Providing “high-hurt” data to new model program teams

At locations where a LEC bargaining unit member is afforded time in accordance with the above provisions, such member will be designated by the Vice President and Director, UAW, National Ford Department.

The Ex-officio Co-chairs may submit a joint request to the NJCHS Co-chairs for approval to temporarily authorize additional hours to the LEC, as a group, based on local needs.

Any issues regarding the release of employees to conduct their ergonomic duties will be referred through the Issue Resolution Process.

Should problems arise concerning the proper functioning of the local ergonomic process, including availability of appropriate engineering or technical resources, the issue should be referred through the Issue Resolution Process.

The Company will continue its ergonomic activities at the corporate level including training for hourly and salaried employees. The NJCHS may review the LEC activity by generating the semi-annual report using ErgoRx.

One hourly and one salaried member of the LEC, at each manufacturing location, will be required to be certified to a level of core competency in ergonomics. This process will be developed and administered by the NJCHS.

In addition, the NJCHS sponsors an annual training conference for LEC co-chairs and designated members of their committees to review project funding procedures and other ergonomic administrative matters and to share information on successful ergonomic projects. Additional content will be added as jointly decided by the NJCHS to maximize the effectiveness of the members of the committee. The NJCHS will continue to sponsor joint ergonomic meetings with Manufacturing Engineering to facilitate issue resolution, information sharing, and steering functions as needed.

The Union and the Company recognize that “area ergonomic committees” are a natural evolution of the UAW-Ford Ergonomics Process in certain large manufacturing operations and locations that

have distinct areas each with unique problems and solutions. Area committees, where mutually agreed to, will meet on a regular basis and report to the central LEC for direction, support and coordination of ergonomic activities. The local parties should decide if the function of these committees can be included with that of other established teams or committees. Problems that arise concerning the establishment or functioning of area ergonomic committees will be referred through the Issue Resolution Process.

The Company will encourage representatives of major suppliers of production machinery and equipment to attend appropriate ergonomic training. Company Ergonomics Technical Bulletin 1.0 and subsequent documents were developed describing the UAW-Ford Ergonomics Process. These documents outline the use of Design for Ergonomics concepts as design specifications for new and retrofitted machinery and equipment and the development of standards or best practices for specific types of machinery and equipment.

The parties understand the importance of implementing sound ergonomic guidelines at the earliest stages of the product/process development cycle. In that context, the Company has allocated resources in VO and PTO Manufacturing Engineering to manage the design for ergonomics process. This process includes ergonomic principles in product/process design, identifies procedures/guidelines and best practices, and establishes a review procedure for appropriate machines, equipment and workstations. Engineers review the principles, procedures/guidelines, and best practices outlined in the Design for Ergonomics process. Lessons learned from past programs are identified by LECs in ErgoRx and are taken into account.

An ergonomic training strategy has been developed by the NJCHS that addresses appropriate methods, contents, participants, procedures and resources to deliver the training, including advanced courses.

The Company and the Union recognize the benefits of guidelines to identify ergonomic risk factors, to prioritize jobs needing ergonomic improvements and to establish measurables with timing and progressive checkpoints for review with Company management and the NJCHS. The development of these standard methods has

been provided to NJCHS through such mechanisms as semi- annual reports and ErgoRx.

Ergonomic issues are identified through employee medical reports of injury and illness, employee complaints and reports, and through the use of risk analysis. A good faith effort shall be made to conduct an initial job analysis within two weeks after a concern is placed on the concern log. Appropriate ergonomic job analysis will be performed and documented within one month after a concern is entered onto the LEC Concern Log. Each facility will use ErgoRx to record progress with ergonomic modification efforts. A good faith effort will be made to implement permanent ergonomic solutions within a six (6) month time frame after the LEC determines that corrective action is required and has prioritized the remediation. The parties acknowledge that there may be times when it may take longer than six (6) months to make the proper correction, and the reasons need to be documented in ErgoRx. Formal follow-up on improvement actions should be completed within one (1) month after the final solution is in place to confirm its effectiveness.

The Company agrees that it will not remove ergonomic support equipment, job aides (such as ergonomic chairs, mats, and tools) and mechanical assists, that are currently in use for ergonomic reasons without mutual agreement of the LEC co-chairs.

Ergonomic analysis tools are an appropriate approach to resolve ergonomic problems. Tools that will be used by the LEC for evaluating risk factors are documented in FAS08-402 and Ergonomics Surveillance Tool (EST) that was developed through the NJCHS Ergo research project, or other approved ergonomic analysis tools.

- **No Hands in Dies**

Almost all stamping operations utilize automatic feeding equipment. However, the parties continue to recognize the potential danger of employees placing their hands into the point-of-operation of mechanical power presses. The Company's policy in this regard is restated as follows: "Company policy has been and continues to be 'No Hands in Dies.' Implementation of 'No Hands in Dies' in the plant requires provision for appropriate hand feeding

tools, slide feeds, sliding bolsters, automatic or semi-automatic operation, die cutouts or other means and procedures whereby the operators are not required to place their hands into the point of operation. In addition, well defined procedures for use of press slide locks, safety blocks and lockout points for maintenance and setup personnel are imperative.”

- **Communications**

The Company and the UAW agree to continue to explore methods to further improve communications between the parties on health and safety matters. In this regard, the NJCHS will be given advance notice of proposed and updated Company standards and standards deviations.

The NJCHS will be made aware of significant events as part of the initial communication. UAW Health and Safety representatives will continue to receive copies of Industrial Hygiene Reports, Company standards, single point lessons, and significant incident reports. The UAW Health and Safety Representative(s) are provided computer access to MATS, OHSIM, and the Company’s email system. In addition, computer access to Safety Talks is provided. The NJCHS will be given access to injury investigation data upon request. The NJCHS and UAW Health and Safety Representatives will be given access to ISN or equivalent upon request to review contractor safety related records.

- **Preventive and Environmental Maintenance and Plant Housekeeping**

An important element of the Company’s preventive maintenance program is to conduct regularly-scheduled preventive maintenance on safety-related items requiring periodic inspections. The Unit Health and Safety Representative will be permitted to review preventive maintenance records upon request.

- **Industrial Hygiene/Occupational Health**

The Company continues to recognize its obligation to provide a safe and healthy working environment. Accordingly, the Company is committed to the continued

improvement of the services provided by its industrial hygiene staff.

As part of the improvement effort, the Company recognizes the need for establishing periodic surveillance programs designed to monitor unique health concerns and associated abatement procedures. The Company will continue to utilize professionally accredited hygiene laboratory services. The Company also will continue to provide employees who are exposed to known harmful physical agents or chemicals, at no cost to them, those medical services, physical examinations, and other appropriate tests, including lung function at a frequency and extent necessary to determine whether the health of such employees is being adversely affected. In addition, the Company will continue to administer to employees in jobs with special physical requirements the specific tests as required by state or federal regulations. A written report of the results of such examinations or tests which are related to occupational exposure will be provided to an employee upon the employee's request.

These results, and those instances where a breathing zone air sample is collected, as well as instances where the Industrial Hygiene section determines that an employee has had a personal exposure exceeding the permissible levels as set forth in 29 CFR 1910.1000, Air Contaminants or other applicable standards adopted by the Company, will be entered on the employee's medical record and will be provided to the employee. Also, upon the employee's written request, copies of such information will be forwarded to the employee's personal physician.

The NJCHS and the Company's Industrial Hygiene staff will regularly review established permissible exposure limits in light of available scientific evidence to determine if change is required. The Company will continue to use the American Conference of Governmental Industrial Hygienists chemical Threshold Limit Values as guidelines to control health hazards.

Exposures exceeding 50% of the TLV shall result in additional monitoring and corrective actions if warranted. The Company will advise the NJCHS of TLVs that are not feasible. The Company agrees to discuss limits lower than OSHA Permissible Exposure Limits, where necessary, taking into consideration such things as OSHA proposals, NIOSH recommendations, consensus standard recommendations and other validated and consensus scientific evidence.

Additionally, the Unit Health and Safety Representative may continue to use technologically current direct reading equipment, such as for measuring noise, air contaminants and air flow, which is provided to local Company Safety Representatives or is specifically authorized by the Company's Occupational Health and Safety Department for use by the local Company Safety Representative.

Finally, during plant industrial hygiene reviews, the Company will survey facility ventilation systems for proper application and function. Significant occupational health concerns related to ventilation will be referred to the NJCHS for review and subsequent discussion, if considered necessary by that committee, with the appropriate Operations SPRB. In reviewing such occupational health concerns, the NJCHS will consider the need for further study, including the possibility of a pilot research project as warranted.

When outside industrial hygiene services are used, the Company will, in advance of the services being performed, notify the Local Union of the identity of the supplier. The results of any such services will be provided to the UAW Health and Safety Representatives.

The Company will ensure that NA Construction Specification 15500 for ventilation is followed during major facility and process changes. Unresolved concerns to this process will be escalated through the Issue Resolution Process.

The NJCHS will facilitate a periodic meeting, or upon request, with Industrial Hygiene to review sampling work plans, results from sampling done, work plans initiated from sampling and proactive measures, and collaborative opportunities to improve the process or potential exposures in our facilities.

To continue improvement in the overall working conditions of employees in machining operations, the Company will strive to continue as the industry benchmark.

The OSHA Standard presently has set an oil mist personal Occupational Exposure Limit (OEL) of 5.0 mg/m³. The Company has established an internal employee exposure level of 1.0 mg/m³ and will continue to strive toward reducing employee oil mist exposures. Personal exposures of 50% or more of the Company's internal employee exposure level will be treated the same as our approach stated above to TLV's. The Company will collect enough personal samples to identify employees exposed above 0.5 mg/m³. When an employee's exposure in a similar exposure group (SEG) is found to be greater than 0.5 mg/m³, personal sampling for the SEG will be conducted annually to identify opportunities and to take appropriate steps to improve.

The Company will specify that new equipment be engineered and designed to attain a level of 0.5 mg/m³ for initial start-up and efforts will be made to maintain this level after start-up.

Each applicable facility will have oil mist levels mapped once per year during the winter and more frequently if required in areas identified over 0.5 mg/m³ to identify exposure sources. Data collection for the mist mapping will be conducted by PTO Manufacturing Engineering. The Unit H&S representative will be trained and must accompany engineering personnel during mist mapping.

Progress on the overall topic will be discussed annually with the NJCHS including the status and progress on personal exposures above 0.5 mg/m³.

Medical Surveillance (consisting of a standardized respiratory symptoms questionnaire) for respiratory effects of machining fluids will be offered to employees who regularly work in operations with machining fluids. Records of laboratory testing on coolant systems and coolant additions will be maintained and, upon request, made available to the Unit Health and Safety Representative(s).

The NJCHS will meet periodically or as needed upon request with Corporate Medical to discuss concerns, trends, improvements, best practices and other collaborative topics as jointly agreed to.

To assist in educating employees on heat stress symptoms, precautions, and procedures, the Company Heat Stress letter will be distributed annually to **facility joint leadership. The contents of the annual heat stress letter will be shared, in advance, with the NJCHS for review and input. Information on heat stress will also be provided annually to all employees.** Local heat stress plans will be forwarded to the NJCHS for review. **Modifications to the heat stress program will be completed jointly by the NJCHS and Corporate Health and Safety to ensure the effectiveness, viability, and adherence of the program.**

To ensure appropriate preparations are taken prior to the onset of cold weather, the Company will issue an annual Cold Weather Preparedness letter to be distributed to facility joint leadership. The contents of the annual Cold Weather Preparedness letter will be shared, in advance, with the NJCHS for review and input. Modification to the cold weather preparedness plan will be completed jointly by the NJCHS and Corporate Health and Safety to ensure effectiveness, viability, and adherence of the program.

- **Noise Control and Hearing Conservation**

The Company will continue to administer a noise control and hearing conservation program which emphasizes the reduction of noise exposure to employees. This program

will continue to provide for periodic employee noise exposure studies to determine the need for noise abatement actions, employee hearing protection, employee hearing conservation training, and employee audiometric examinations. The Plant Noise Engineering Control Coordinator will review local noise control and hearing conservation efforts with the Unit Health and Safety Representatives to provide ample opportunity to discuss efforts and provide input into noise control and hearing conservation plans. The Company will provide appropriate training to the plant noise engineering control coordinator to support the following:

- ensure audiometric testing is performed for employees exposed above 85 dBA (8 hour TWA),
- perform an annual evaluation of the noise abatement plan and provide recommendations for improvement to the Plant Safety Process Review Board,
- provide annual reports to show the effectiveness of the noise control and hearing conservation process,
- ensure provisions of Ford Manufacturing Standard SX1(Noise Control) are met, and **the NJCHS will be notified of deviations to the noise standard prior to its approval, and**
- identify planned maintenance items related to noise control.

Noise control and hearing conservation will be reviewed at the PSPRB. The NJCHS will review the plant's noise control and hearing conservation process during joint health and safety audits.

The Company will make periodic reports on noise control to the NJCHS upon request, including data on noise exposure levels and the number of employees by location: given audiometric tests, (2) required to wear hearing protection, and (3) having hearing loss. The NJCHS will continue to explore methods for reporting the number of jobs where noise improvements have been accomplished.

- **Radon Gas**

The Company agrees to continue to conduct tests at Company facilities where significant levels of radon emissions are suspected.

- **Tasks in Isolated Locations**

When assignments involve what are locally recognized as work situations hazardous to an employee, including tasks in isolated locations; **basements/roofs; waste treatment; powerhouses and** confined, closed-entry spaces; appropriate precautions will continue to be taken in accordance with safe work practices, including air sampling and ventilation when necessary, provision of necessary protective equipment, communications systems, personnel surveillance arrangements, and, as required, adequate support personnel.

Individual work assignments that require adequate support personnel because of the hazards involved should be reviewed at the Plant Safety Process Review Board Meetings. If not resolved at the PSPRB, the matter will be referred for discussion with appropriate management personnel. If still unresolved, the matter may be referred through the Issue Resolution Process.

The NJCHS will develop guidelines to assist locations in the risk assessment of these assignments.

- **Tag Procedures**

Each plant has described to the NJCHS its process for maintaining: (1) the Company leak-tag program, and (2) Form 1249 Danger Tag process for removing containers, tools, ladders, and equipment from service, and (3) responses to imminent danger situations. These descriptions were prepared jointly and included the use of process flow charts.

- **Plant Safety Process Review Boards**

Operations Safety Process Review Boards have been an important pro-active forum to resolve health and safety issues, disseminate corrective actions and to communicate health and safety events such as training

programs, conferences and future programs. The Company and Union agree that joint Safety Process Review (SPR) Boards at the plant level will meet at least once a month to discuss: plant injury and illness incidents/investigations, status of incident investigations, quarterly self assessments on health and safety, status of health and safety training initiatives, action plans based on analysis of injury data, ECPL placarding, preventive maintenance, ergonomics and safety teams, noise control programs, near-miss incident reporting process, outside contractor safety requirements, the status of daily GRASP work area checklists, focused audit findings, **heat stress and cold weather preparation plans, parking lot and roof repair, snow and ice plans** and issues regarding reviews of new technology and other appropriate health and safety matters.

If problems arise concerning the availability of funding or other resources to resolve health and safety issues, the issues will be referred through the Issue Resolution Process.

Suggested agendas and attendees for these meetings have been developed by the NJCHS. Each SPR Board will be co-chaired by the Plant Manager and UAW Chairperson or, if a co-chair is unable to attend, by a designated representative.

- **Safety/Work Teams**

The utilization of safety/work teams can be an essential tool to improve each plant's health and safety performance. A safety/work team would consist of employees who undertake a team approach to improve specific health and safety performance in their respective work area. The establishment and utilization of these safety teams will be determined by the Plant Safety Process Review Board. The NJCHS has developed a GRASP reinforcement video and guidelines to define the functions and selection process of safety/work teams. Problems that arise concerning the establishment and proper functioning of safety/work teams may be referred through the Issue Resolution Process.

The NJCHS will continue to utilize worker engagement and team building tools as opportunities are identified during the course of this agreement.

Emergency Response and Notification

The Company will ensure that each manufacturing and parts distribution facility has an effective emergency response plan and a notification system which, as appropriate, includes trained and properly equipped personnel and simultaneous notification or alarm system. Periodic drills will be conducted to test the notification system and achieve the best possible response time for the emergency involved. Where Emergency Response Teams (ERT) are established, the Company will train the ERT to the prescribed levels of response as identified in the local Emergency Response Plan. **Sites will establish their monthly drills and practice sessions locally.** The Company will ensure there is a plan to release ERT members to fulfill their training requirements.

Each manufacturing facility will select an ERT coordinator (hourly, salaried, or co-lead) in writing and shall allocate the appropriate training and time to perform the designated duties as outlined in the ERT coordinator training program. Local Leadership will monitor effectiveness of the ERT coordinator.

PS&L warehouse locations not required to maintain an ERT will have a maximum of two volunteers (in addition to the UAW Health and Safety / Ergonomics Representative) as First Aid/CPR/AED trained responders. There will be an annual review and drill of site specific medical response at each of these locations. These first aid responders will be allowed to participate in emergency medical situations at the facility and allowed access to the appropriate medical equipment.

There will be an emergency response focus group made up jointly of key UAW and Company personnel. This group will develop a charter including meeting cadence, ERT recognition and standing agenda items

with the NJCHS. The NJCHS will pursue opportunities to hold the ERT challenge or equivalent activity once during the term of this contract.

Each location is required to conduct an annual departmental stand down to address severe weather / natural disaster preparedness. Severe weather and natural disaster preparedness messages should be based upon the local Emergency Response Plan risk assessment.

- **Near-miss Reporting**

Fostering a near miss reporting process that is a valued cultural principle is crucial to injury prevention.

Each location will establish a near-miss reporting process **with an option of reporting anonymously. The reporting process must** ensure that employees **clearly understand and** are encouraged to report near-miss incidents without fear of reprisal. This process will include a provision for feedback to the originator. Near miss information will be shared with workgroups as appropriate.

The NJCHS will help define the scope of near-misses and develop a communication strategy to refresh key components of the near-miss reporting process.

- **Worker Memorial Day**

In remembrance of workers who have lost their lives while on the job, the parties agree to pause for a moment of silence annually, on a date specified by the National Ford Department. Each location will receive instructions prior to the specified date.

The parties recognize the uniqueness of non-manufacturing locations with regard to training programs and other health and safety issues. The NJCHS will work with these locations to identify the appropriateness of programs and processes to meet the intent of the joint health and safety initiatives.

Finally, it continues to be understood that, with respect to the parties' joint health and safety initiatives, nothing in the agreements, booklets, manuals, or joint programs is intended to make, and should not be construed as making, the International Union, Local

APPENDIX S MEMORANDUM OF UNDERSTANDING FOR
THE HEALTH AND SAFETY OF EMPLOYEES

Unions, Union Health and Safety Committees and Union officials, employees or agents legally or financially responsible for either the health and safety of Company employees or for any job-related injury, illness, death or related losses incurred by employees of the Company or its subsidiaries or by third parties while on property of the Company or its subsidiaries.

This Memorandum supersedes and supplants the **2011** Memorandum set forth in Appendix S.

APPENDIX T**MEMORANDUM OF UNDERSTANDING
NATIONAL PROGRAMS CENTER;
EDUCATION, DEVELOPMENT AND
TRAINING PROGRAM****INTRODUCTION**

The UAW and Ford Motor Company have partnered to develop one of the most comprehensive and far-reaching education and training programs in either the private or the public sector. The parties' relationship has produced significant breakthroughs in health and safety, quality, efficiency, customer satisfaction, and employee work life improvements that have been important to Ford's competitiveness and its ability to provide job security for UAW-represented Ford employees.

To function successfully in the 21st Century, additional skills requiring greater competencies and technological expertise are required to meet future safety, quality, productivity and job security goals, as well as, the challenge of future competition.

The parties must jointly improve their capabilities to match the power of the advanced technologies that are reaching every corner of the plants. The parties must jointly provide the training that will give UAW-represented Ford employees the capacity to solve difficult problems and achieve creative solutions.

The Company and the UAW reaffirm their commitment to the principles and objectives of the UAW-Ford Education, Development and Training Program and to the various Joint Programs and activities, the parties have established or have supported thereunder. In addition, the parties agree that new programs and activities may be funded when authorized by the Joint Governing Body.

JOINT GOVERNING BODY (JGB)

A Joint Governing Body, consisting of an equal number of representatives of the UAW and the Company, selected from within or outside their respective organizations by the Vice

President and Director of the UAW National Ford Department and the Vice President, Labor Affairs, Ford Motor Company, will provide general direction and guidance to establish policy and provide funding for the UAW-Ford National Programs Center; Education, Development and Training Program; and other agreed upon activities.

The Company and/or the UAW will provide a reasonable amount of legal, accounting and other professional services to assist the JGB. The Company will endeavor to provide these and appropriate other services that the Company has or can readily obtain, on a reasonable, mutually agreed-upon cost basis.

Members of the JGB will meet annually to assess programs and to determine if progress is being made toward accomplishing their principal objectives and if the needs of the parties are being met. In light of these considerations, the JGB may decide whether the joint programs should be continued, reinstated, modified, realigned or discontinued. The JGB may at such time or at any time thereafter as mutually agreed upon take such action as provided in the Collective Bargaining Agreement (Agreement) or the Settlement Agreement.

UAW-FORD NATIONAL PROGRAMS CENTER (NPC)

A UAW-Ford NPC has been established as a separate and distinct entity to provide a focal point for the parties' efforts. The NPC is under the general direction and guidance of the JGB. Staffing of the NPC is subject to approval of the JGB. It is understood that the Company and the UAW jointly, through the NPC, will continue to make available a wide range of educational, training and retraining services and activities, as well as support other joint activities as agreed by the parties consistent with the intent of this Memorandum of Understanding and the level of funding as provided in the Settlement Agreement.

Principal Objectives

- Provide individual and group training, retraining and developmental opportunities to enhance the dignity and on-the-job skills and abilities of employees, which can lead to greater job security and personal development.

- Seek ways of arranging (and, in some cases, providing) for training, retraining and development assistance for employees displaced by new technologies, new production techniques and shifts in customer product preference. Similar efforts would be undertaken for employees displaced as a result of facility closings or discontinuances of operations.
- Energize, sustain and support local and national efforts under the UAW-Ford “Best-In-Class” Quality processes, employee participation and other joint activities. Provide research and studies in new techniques and methods to further employee participation, “Best-In-Class” Quality and other joint activities and cooperative efforts between the Company and the UAW.
- Provide opportunities for the exchange of ideas and innovations with respect to employee development and training needs within the framework of job requirements and Union/Management relations.
- Support national and local initiatives dedicated to the expansion of developmental activities for hourly employees, which would include continuous improvement training, generic technical literacy applications, technical readiness training, versatility training, and training in support of activities to maximize employee capabilities;
- Coordinate use of existing resources within the Company and the UAW to assist, where feasible, in meeting employee educational/training needs;
- Promote and publicize the parties’ training/educational activities to encourage similar constructive undertakings that are clearly in the interest of the private sector as well as the public sector;
- Invite high-level academic, professional, government, labor and industry representatives to conduct/participate in national and local conferences for Union, Management and employees related to the NPC’s objectives;

- Commission studies and research activities (both internally and by outsiders) on topics of mutual interest and importance to the parties;
- Sponsor international, national, regional and local conferences, workshops, meetings and seminars to promote joint cooperative efforts and related subjects;
- Serve in an advisory capacity to those locations which may be interested in setting up their own training centers; and
- Establish public advisory committees to provide assistance and counsel to the JGB.

Education, Development and Training Program (EDTP)

Education, Development and Training Program (EDTP)
Establishment of the EDTP has provided the parties with unusual opportunities to develop and implement a wide variety of mutually agreeable training and education programs and services, as well as support other joint activities. These activities focus on the needs of all employees and include specific efforts to assure Union and Management representatives are trained in participative, cooperative techniques and concepts. Additionally, **In-Progression employees** will be covered by the joint activities as outlined in Appendix V, Section V.

The parties recognize the EDTP: provides added impetus and ongoing resources to involve employees to a greater degree in relevant workplace matters and to improve worklife; enhances occupational and work group skills, thereby contributing to greater job security and competitiveness; provides employees affected by plant closings or other major capacity restructuring events the opportunities for career and/or personal development; stimulates and sustains employee contributions through communication, motivation, changes in attendance and work habits and inter-group relationships; supports mutual goals of achieving the highest product quality and operational competitiveness; supports and encourages displaced employees; and, finally, contributes in a focal way to the parties' endeavors and goals.

The parties reaffirm that training/educational courses can be made available to upgrade/sharpen present job skills, provide updating on the state-of-the-art technology for skilled and semiskilled employees based on present and anticipated job requirements and improve the job satisfaction and performance of all employees.

The EDTP is not intended to replace the Company's obligation to provide the training specified in the Agreement and letters of understanding (e.g., apprentice training, skilled trades training, etc.); however, notwithstanding this intent, the parties agree that EDTP funds may be used for joint endeavors in support of such programs, projects and activities newly specified in the Agreement, or as subsequently agreed by the JGB, as eligible for EDTP funding. In this regard, the parties agree that it would be inappropriate to use EDTP funds to train employees who will be required to service newly introduced technology. However, use of these funds, when agreed by the parties, to provide subsequent general training of other tradespersons on this equipment to broaden their skills is appropriate. Further, EDTP funds should not be used for training of skilled tradespersons to implement a newly negotiated change in classifications, but the use of EDTP funds to freshen or update generally the skills of tradespersons is appropriate.

A. Principal Objectives of the EDTP

A major objective of the EDTP is to recognize the significant progress of UAW-represented Ford employees in the area of formal educational development and also to develop a program vehicle that will prepare the organization and its people for the work environment of the 21st Century. This can only be done by creating a learning organization that involves its employees at every level of training, education and all facets of program administration. This new learning organization should encompass all educational experiences undertaken by employees both inside and outside of the workplace.

Therefore, under the direction of the UAW-Ford JGB, the EDTP principal objective shall be the continuation of a

program dedicated to a university-style approach to workplace education and training: one that recognizes and rewards group and individual achievement, provides research and development on advanced education, training and communication technologies and helps prepare UAW-represented Ford employees for the workplace of the future.

Responsibilities and Functions of the EDTP

While various administrative, procedural and eligibility details of the EDTP will be resolved by the JGB, the EDTP's efforts and resources should take into consideration:

- Identifying education, training and retraining needs (including updating on state-of-the-art technology for skilled and semiskilled employees) for both active and displaced employees by utilizing various sources such as operating components, Local Unions, studies, surveys, research and employees themselves;
- Identifying existing educational resources, publicizing them to meet employee needs and encouraging employee participation;
- Providing local on-site classroom training and outside consulting services (where needs cannot be met through existing internal resources), and training trainers, etc., to deliver required training;
- Determining the level and type of educational, training and retraining assistance that is available and may be provided to displaced employees, including pre-layoff counseling in the event of indefinite layoff without the prospect of recall or future Ford placement and financial aid to cover in whole or in part tuition costs and fees for courses/classes that contribute directly to enhancing the employability of such employees;

- Maintaining contact with Company and UAW field organizations to provide visibility for the EDTP and promote participation.

Employee Tuition Plans

Employee Tuition Plans for active and inactive UAW-represented seniority Ford employees will be continued and funded under the EDTP. **In-Progression employees** will be entitled to Tuition Assistance – Active workers **and Tuition Assistance – Inactive workers**; as it relates to the guidelines established below.

The Employee Tuition Plans will continue to be administered by the UAW-Ford NPC under the general guidance of the JGB and in accordance with the terms and conditions established by that Body from time to time.

The NPC has the authority and discretion to interpret the terms of the Employee Tuition Plans, including but not limited to the authority and discretion to approve schools and courses and to issue guidelines interpreting the Employee Tuition Plans.

Courses taken under the Employee Tuition Plans will be subject to applicable federal, state, and local income tax provisions, **(current 2015 federal non-taxable limit is \$5,250).**

Tuition Assistance - Active Workers

Education Training Assistance Plan (ETAP) ETAP, the basic education and training assistance feature of the Employee Tuition Plans provides for prepayment of tuition, and approved fees **and books** up to **\$6,000** per calendar year for approved courses leading to GED, Associates Degree, Bachelor's Degree, Master's degree or Ph.D. **and approved Certificate/Diploma Programs from regionally accredited educational institutions**; up to **\$400** of the **\$6,000** may be used for the purchase of books. ETAP generally covers:

- all courses required for high school completion (or high school equivalency certificate);
 - university, college, business, trade, or vocational school courses or adult education classes.
- **Personal Development Assistance (PDA)**

The PDA feature of the Employee Tuition Plans provides for prepayment of tuition and approved fees **included but not limited to testing and licensing fees and books** up to **\$2,700** per calendar year upon approval of the Joint Governing Body. The focus of this program will include job related education and training for active employees; job related courses in the areas of technical skills, communication skills, and computer application courses that may prepare active employees for future job opportunities; and career related training for employees affected by announced plant closings or other major capacity restructuring events. Examples of this would include certifications or licenses required for certain occupations, **targeted training, piloted courses and others approved by the JGB.**

 - o **Educational Enrichment Courses - \$500 of the \$2,700 PDA allotment may be used for Educational Enrichment Courses, including tuition, approved fees and books. These courses are to be taken at approved educational institutions.**

Active employees participating in both the ETAP and PDA features of the Employee Tuition Plans will not be eligible to receive more than an aggregate of **\$6,000** of assistance for tuition, approved fees and books (up to **\$400** may be used for the purchase of books for approved ETAP/**PDA** courses) during any one calendar year. Similarly, any tuition assistance received by a recalled employee while on layoff

during that calendar year would be counted against this **\$6,000** aggregate limit.

- **Deceased Employee - Spouse/Dependent Eligibility**

The spouse or dependent child(ren) of an employee who dies while on the active rolls, **or while on a medical leave (active or inactive)**, will be entitled to utilize the remaining balance of the employee's tuition assistance eligibility **plus one additional year**, excluding any advance payment, for college or educational pursuits during a period equal to the length of the present Agreement following the date of the employee's death. The spouse or dependent child(ren) will receive information about ETAP benefits **related to approved tuition, books and fees from the EDTP Department of the UAW-Ford National Programs Center** in the letter mailed to the surviving spouse or dependent child(ren).

Tuition Assistance - Inactive Workers

- **National Vocational Retraining Assistance Plan (NVRAP)**

The maximum amount of tuition, **books** and approved fee assistance under the NVRAP feature of the Employee Tuition Plans will be **\$9,400** while an employee is on indefinite layoff.

Eligibility for such assistance is established by seniority as of the last day worked prior to layoff as follows:

Years of Company Seniority	Total Maximum Amount
1 to less than 3 Years	\$7,400
3 to less than 4 Years	\$8,400
4 or more Years	\$9,400

The above specified amounts will constitute individual accounts upon which employees may draw so long as they retain recall rights while on

indefinite layoff. In no event will total assistance to an employee exceed **\$6,000** per calendar year and the total maximum amount specified above in any four consecutive calendar year period of indefinite layoff, which period begins on the date the employee begins to draw on the Employee Tuition Plans.

- **Tuition Assistance - Employees on Certain Leaves of Absence**

Seniority employees on approved leaves of absence under Article VIII, Section 31 of the Agreement, provisions a, b, c and d are eligible to participate in the Employee Tuition Plans of the EDTP consistent with all other provisions of the Employee Tuition Plans.

- **Education or Training Recall Deferral**

Laid-off seniority employees recalled to their basic seniority unit, who are engaged in education or training courses under the Employee Tuition Plans will, upon notice and subsequent presentation of satisfactory evidence of course enrollment to the Company, be permitted to defer their return to work to complete the courses in which they are then enrolled.

Those employees electing to defer their return to work under these circumstances will remain on layoff status until their completion of or discontinued participation in the courses in which they were enrolled at the time of recall.

If such employees apply for reinstatement within five days of the date their courses are completed or participation is discontinued, and satisfactory evidence of continuous participation in the courses is presented by the employees, they will be reinstated at work in line with their seniority status at their basic seniority unit; otherwise they will be deemed to have voluntarily quit.

- **Daily Allowance for Laid-Off Employees Utilizing Certain Features of the Employee Tuition Plans**

A daily allowance of \$20.00 may be established through the Employee Tuition Plans to help offset expenses incurred by seniority employees on layoff who are not receiving Supplemental Unemployment Benefits or Guaranteed Income Stream benefits while participating in full-time targeted vocational retraining programs, job seeking skills workshops, or other formal job placement counseling or related services arranged or approved by the UAW-Ford NPC.

Such allowance would be reduced by any other allowance or similar payment displaced workers would be eligible to receive from other sources, including federal, state or local government programs.

Enhanced Apprenticeship Training

Enhanced apprenticeship training may be considered for potential funding. In addition to present education and training efforts, the following apprentice program concepts will remain as follows.

- Develop the means to deliver more uniform apprenticeship-related instruction at all locations having an apprenticeship program.
- Conduct task analyses of the various apprenticeable trades so that shop area learning and performance objectives can be expanded to all locations as conditions permit.
- Adopt as standard elements of the apprentice program the highly successful core skills training for new apprentices and in-course progress assessment of participants mid-way through the program.
- Pilot a graduation requirement and assessment to verify delivery of appropriate shop training and related instruction, and to ensure the successful job performance of apprentice program graduates.

- Conduct a benchmarking study of exemplary apprenticeship programs to further continuous improvement in all aspects of the Apprentice Program. The benchmarking would focus on industrial trades within and outside the United States.

Establishment of the EDTP Programs will not limit the right of either party to provide educational and training programs on the same, similar or other subjects, as each may deem appropriate. Finally, the Grievance Procedure set forth in Article VII of the Agreement has no application to, or jurisdiction over, any matter relating to this Memorandum of Understanding.

APPENDIX U**MEMORANDUM OF UNDERSTANDING
EMPLOYEE SUPPORT SERVICES PROGRAM****I. INTRODUCTION**

Ford Motor Company and the UAW reaffirm their commitment to the principles and objectives of the UAW-Ford Employee Support Services Program (ESSP). In addition, the parties recognize that balancing the competing demands of the workplace with personal and family responsibilities presents challenges to working men and women as they strive to reach their potential both on and off the job. ESSP has evolved over the past decade to encompass a broad range of programs well beyond the original Employee Assistance Plan (EAP) to effectively address emerging societal changes and the accompanying needs of employees and their families to adapt to these changes.

II. PROGRAM STRUCTURE**A. Funding**

The Education, Development and Training Program (EDTP) will fund the development, central administration, and arrangement of necessary services, regarding delivery of the Employee Support Services Program. The Program and the **National Program Center (NPC)** professional staff will assist locations in implementing the Program as well as arrange for necessary promotional, training, professional, referral, and other support services from appropriate national and local Company and external resources.

B. National Joint Employee Support Services Program Committee

A joint ESSP Committee established by the National Programs Center Joint Governing Body will direct and guide the Program's development, administration, and delivery at the national level. The Committee will be comprised of representatives of the UAW appointed by the UAW Vice President and Director of the National Ford Department and Company representatives appointed by the Company's Vice President of Labor Affairs. Under the sponsorship of the Joint

Governing Body, the effectiveness of these programs will be evaluated periodically by an outside third party.

The UAW-Ford National Employee Support Services Program is committed to building better, more effective relationships through the common chartering process. This creates a culture that makes it a common practice to share business goals and objectives and discuss openly and honestly how we will accomplish these goals. The ESSP Charter will be reviewed and updated annually with monthly working matrix meetings discussing the objectives, goals, and contractual commitments of Appendix U.

C. Local Committees

Joint local ESSP committees established by local Managements and local Unions will coordinate Program functions and activities at their locations, consistent with the provisions of this appendix and the guidelines established by the National ESSP Committee. The local Union and Company ESSP representatives, local medical activity, as appropriate, and other local program support services are recognized as resources which can assist the local committee in performing its responsibilities. The parties recognize that alternative counseling techniques provided by a UAW Chaplain will be useful during certain situations.

Proposals and requests for funding concerning delivery of local programs and related services under the ESSP are reviewed and subject to approval by the National ESSP Committee as authorized by the National Joint Governing Body.

**D. Local Employee Support Services
Program Representatives**

- Article VI, Section 10 is reaffirmed as being in full force and effect in conjunction with this Memorandum of Understanding.
- The locations and setup of the local ESSP office will provide a safe, secure working environment. Approved safety measures such as panic buttons and fish eyes will

be determined locally with the appropriate parties. The National ESSP Committee will work with the locations that do not have panic buttons, to ensure they are provided locally as required.

- **In order to protect the privacy of the employees utilizing ESSP services, the ESSP office will include secure printing, copying, fax, and cross cut shredding capabilities as determined locally with the appropriate parties. Equipment requests will be reviewed by the National ESSP Committee and funded through EDTP. The funding will be limited to \$25,000 for the duration of the 2015 contract. The equipment will be provided within six months of contract ratification, on an as needed basis.**
- Employee Support Services Representatives may utilize Pool vehicles that are Company-owned during working hours, if available, for Company business transportation. They are assigned to organizational components according to their transportation needs for business use only. Personal use of pool vehicles is prohibited.
- Efforts will continue toward facilitating the professional development of local ESSP representatives. In this regard, access to and request for materials, appropriate training, and the use of professional, developmental resources, including materials and resources related to work/family issues, will be supported.
- To enhance and strengthen the skills of local ESSP representatives, the parties have also agreed:
- The UAW-Ford National ESSP Committee will provide training for local ESSP representatives in use of national ESSP standards, and how to coordinate these standards with current UAW-Ford ESSP Committee guidelines for the implementation of local program services. Training in the use of these standards and guidelines will be provided annually for local ESSP representatives.
- Newly appointed local ESSP representatives will, after their initial appointment, be provided a “mentoring”

opportunity by National ESSP representatives at the office of the UAW-Ford National ESSP Committee. It is expected that new representatives will receive a thorough orientation on the background, history, development, and focus of ESSP, as well as methods for coordinating a quality ESSP program during this mentoring period.

- UAW appointed ESSP representatives will be required to earn an EAP Certification, **through the Labor Assistance Professional Association (LAP) and become LAP members** in addition to any other certifications the individual ESSP representatives may hold. UAW appointed Representatives will be given up to (3) three years, upon its availability, to attain certification. Those representatives who fail to achieve certification will be counseled by the National ESSP Committee Co-Chairs and will be required to take supplemental training with the intent to achieve certification.
- ESSP Representatives will be required to furnish the National Committee for ESSP a quarterly report on activities at their location, and any additional information which might be requested.

III. EMPLOYEE ASSISTANCE PLAN

The UAW and Ford recognize it is of mutual interest to provide a framework within which UAW-represented Ford employees voluntarily and confidentially may seek professional counseling, treatment, or other assistance to address personal and family concerns. Similarly, it is in the parties' interests to generally encourage, educate and otherwise help employees pursue more healthful life styles, and to remind employees of these resources during demonstrated times of need. Working together, the Union and the Company can achieve common goals in these areas.

The parties recognize that alcoholism and drug dependency are health concerns which may be successfully treated, given early identification and appropriate rehabilitation therapy. Furthermore, alcoholism, drug dependency, emotional disorders and serious personal or family issues can adversely affect job performance.

The EAP provides for: (1) early identification, intervention and voluntary assessment of employees demonstrating alcoholism or other drug dependency concerns as well as emotional disorders or other serious personal or family issues; (2) referral of such employees for professional diagnostic evaluation, counseling or treatment through the services of a Central Diagnostic and Referral (CDR) Agency; and (3) appropriate follow-up on their counseling or rehabilitation progress.

While the Plan's primary purpose is to assist employees demonstrating such concerns and help Union and Company representatives deal effectively with such situations, it also allows employees to obtain information about available counseling or treatment referral services for immediate family members having such concerns.

Employees demonstrating alcoholism, drug dependency, emotional, personal or family concerns will be able to seek help voluntarily without having to be worried that their employment status will be affected because they have sought help for such concerns. Such employees, however, would continue to be subject to the same standards of performance and conduct expected of any other employee, irrespective of participation in the EAP. Employees requiring a leave of absence for the treatment of health issues will be provided such leave in accordance with the provisions of the Collective Bargaining Agreement. Insurance benefits, if any, for treatment and absence will be determined in accordance with the Agreement.

A. Supervisor, Committeeperson, and Labor Relations Representative Training

An integral part of a successful EAP is training. In this regard, the parties reaffirmed that early intervention by supervisors, committeepersons, **team leaders** and/or labor relations representatives, to assist employees in obtaining quality, confidential EAP support is an important element in the recovery process. Early intervention is key to helping employees understand how abuse of alcohol and drugs can lead to excessive

absenteeism and declining job performance. Supervisors, committeepersons, **team leaders** and labor relations representatives must be aware of available ESSP resources as tools for early intervention.

To facilitate understanding of their critical roles in the intervention process, the parties agreed to keep updated, with the help of outside technical experts as necessary, the EAP related training module directed toward local supervision, Management, and Union leadership. The training will focus on providing supervisors, committeepersons, **team leaders** and labor relations representatives with basic awareness of their role in Early Intervention with employees, the negative impact of enabling, refresher information on Behavioral Emergency/Critical Incident Stress Debriefing Procedures (BE/CISD), and the impact of work/family issues on employee productivity.

Additionally, information on resources available through ESSP will be provided to employees as a means to emphasize Early Intervention and the availability of ESSP services.

B. Central Diagnostic and Referral Agency

The role of the Central Diagnostic and Referral (CDR) Agency is acknowledged as being critical in the EAP. In that regard, the parties recognize that the CDRs play a key role in: the professional, accurate assessment of an individual employee's concern, those of the employee's family members, and/or those of an organization needing assistance, and in developing and implementing strategies to address those concerns. As a result, the parties agree that the Central Diagnostic Referral Agency will function as the professional resource and primary service provider for the EAP-related components of the Employee Support Services Program. The CDR also acts as the Case Manager under the Mental Health and Substance Use Disorder Managed Care Program, which is part of the Ford health plan, (offering assessment, differential

diagnosis, treatment plans, and referral services) for all UAW represented employees and their eligible dependents covered under traditional health care plans.

C. **Behavioral Emergency/Critical Incident Stress Debriefing Procedures**

It is important to recognize the value of conducting critical incident “stress debriefings” after a trauma, such as an employee suicide, a major injury accident, violence or death at the work site, etc. Appropriate debriefings for employees traumatized by such events are in the best interest of the Union and the Company. In this regard, the parties developed and established a national and local critical incident stress debriefing procedure and national and local procedures dealing with behavioral emergencies which may occur in the work place.

The parties updated the BE/CISD procedures on workplace violence, and **agree to survey Local Response Teams (LRT) to determine the need for additional awareness, education and training on the BE/CISD procedures. Additional refresher training will be offered as required.**

D. **Support Groups**

It is mutually agreed that there is value in providing social support to employees making positive life style changes. Where the local parties jointly agree, on-site support group meetings coordinated by a trained CDR or other professional provider(s) retained by UAW-Ford will be permitted for employees, on their own time with appropriate meeting space available.

IV. **FITNESS CENTERS**

Fitness Centers

National fitness center guidelines have been established to provide locations with the necessary criteria for the safe and effective fitness center operation. These guidelines will be revised in a timely manner whenever there are changes to the criteria and/or support documents as jointly agreed upon by the National ESSP Committee. Space allocation will be considered for any newly

constructed facility with over 200 employees for establishment of an on-site fitness center. **Existing facilities that do not have an on-site fitness center may submit a proposal for review to the National ESSP Committee to secure equipment to furnish one. Fitness center approval is subject to space allocation and must be previously approved by local Company leadership.**

Existing Fitness Centers

Locations will be responsible for facility and other necessary costs that do not qualify for support under the national guidelines. Certain local costs pertaining to facility enhancements, including equipment, may appropriately be charged to Local Training Funds. In this regard, it is understood that such local costs will be consistent with provisions of the Letters of Understanding on Local Training Funds and related guidelines.

The Company and Union recognize the importance of maintaining viable equipment in the UAW-Ford sanctioned Fitness Centers. Consistent with new and ongoing wellness initiatives, the parties have agreed to establish a process assisting locations in the **maintenance, repair, and** replacement of specific fitness center equipment, primarily **cardio, strength, and group exercise equipment**. The UAW-Ford Fitness Center guidelines will be updated detailing the equipment replacement, **repair and maintenance** process and the steps necessary to apply for central funds, including a professional equipment evaluation.

The parties have discussed the concerns of Parts Supply and Logistics (PS&L) location employees that do not have access to onsite or near-site UAW-Ford Fitness Centers. The parties have agreed to provide employees in designated PS&L locations, up to **\$200** per year at an approved provider. The UAW-Ford Fitness Center Guidelines will be updated to detail the eligibility and individual fitness center membership application process. Requests for fitness center equipment **maintenance, repair, replacement**, and individual membership will be

reviewed by the National ESSP Committee and funded through the Education, Development and Training Program (EDTP). The funding will be limited to **\$2,000,000** for the duration of the 2015 contract, **for existing and newly approved facilities.**

Retiree Use of Fitness Centers

Retirees will be eligible to utilize in-plant fitness centers on a space available basis, at non-peak usage periods, when the local fitness center is in operation. The schedule of usage will be determined by the local joint parties based on factors such as location of the fitness center, present hours of operation, present plant membership usage, and other locally determined criteria.

Retirees will be required to present proof of retirement, and complete a liability waiver.

V. CHILD CARE/ELDER CARE/PARENTING

A. Family Consultation and Referral Services

The Family Consultation and Referral Services were established to provide employees with a greater understanding of services available for themselves and family members. The Family Consultation and Referral Services include Child Care Consultation and Referral and Elder Care Consultation and Referral.

The parties explored options for web-based information to identify resources to assist in child care, adoption assistance, education assistance, elder care and parenting education. In addition, a committee comprised of representatives from the National ESSP Committee and local ESSP Representatives explored and identified community resources to assist in these areas. Information gathered by the committee will be updated and shared with all local ESSP Representatives.

Child Care Consultation and Referral Program

For employees with child care needs, a consultation and referral service is available. The service assists employees in finding and selecting quality child care suited to their individual needs and requirements and provides

information intended to make them more informed consumers of child care.

In many locations, community based child care resources and options available to employees are limited, especially for those employees working different shift patterns. In an effort to increase these resources, the UAW-Ford National ESSP Committee will provide assistance to meet the needs of employees, especially those working different shift patterns. **These efforts may include but are not limited to identifying and influencing child and elder care providers where markets are large enough to encourage leverage (i.e. discounts and extended hours).**

Adoption Assistance

The Adoption Assistance service helps employees who are contemplating or pursuing the adoption of a child, domestically or internationally, with finding information on the process of adoption in order to make a well informed decision.

Education Assistance

The Education Assistance service helps employees who are planning for their children's education beyond high school select a college, university or vocational school appropriate to the interest and talents of the child. The service can also help parents locate sources of financial assistance, if available.

Elder Care Consultation and Referral Program

For employees having responsibility for the care of elder relatives, a consultation and referral service is available. The service acts as a liaison by providing information about the programs and services available. It helps the employee make an informed decision in locating appropriate care.

Funding of the Family Consultation and Referral Services will be provided by the EDTP. Employees will pay the direct cost of care.

B. Parenting Education

Resources and information on parenting will continue to be provided to requesting locations by the National Joint ESSP Committee. Locations also may request funding and design support for special local pilot projects in the area of parenting education.

VI. GENERAL

It is understood that nothing contained herein or in existing or future statements concerning the ESSP or steps taken to implement its programs and related services shall be construed or interpreted as constituting a waiver of either the Company's or the Union's rights or responsibilities under the Collective Bargaining Agreement, nor is the Program intended in any way to create for any employee any enforceable obligation against the Company, the Union, or their representatives.

In addition, it is the parties' intent that any programs, approaches or related services provided under the ESSP are not to be construed as benefits or insurance programs.

Finally, the Grievance Procedure set forth in Article VII of the Collective Bargaining Agreement shall have no application to, or jurisdiction over, any matters related to the Program.

This Memorandum of Understanding supersedes and replaces the following letters:

- Child Development Center, dated (9-16-96)
- Employee Fitness Centers and Rehabilitation Units, dated (9-16-96)
- Employee Support Services Program, dated (9-16-96)
- Joint Child Care Initiative, dated (9-16-96)
- Retiree Use of Plant Employee Fitness Centers, dated (9-16-96)

APPENDIX V**MEMORANDUM OF UNDERSTANDING UAW-FORD
IN-PROGRESSION WAGE & BENEFIT AGREEMENT
FOR EMPLOYEES HIRED ON OR AFTER
NOVEMBER 19, 2007**

During 2007 negotiations, the parties discussed the economic realities associated with the global automotive industry. The parties are acutely aware of the unrelenting competitive pressures that face the U.S. automotive industry and have consistently sought to jointly identify courses of action that would respond to these competitive pressures and help secure the long term viability of the Company for all employees.

Together the parties have recognized through several negotiations and agreements, as well as during the present negotiations, that competitiveness, increasing market share and job security go hand in hand. In addition, the parties discussed obstacles the Company must overcome to close the competitive gap to best-in-class competitors and the need to pursue appropriate adjustments that allow Ford to close the competitive gap and to retain present business.

The parties acknowledged the importance of factors such as cost, quality, and productivity in sustaining and promoting profitable business opportunities at Ford that employ UAW-represented employees. The application and implementation of this Memorandum of Understanding will impact the blended labor cost at all U.S. Ford Motor Company facilities. By taking an Enterprise Wide perspective, the parties can maximize the competitiveness of all functions and facilities while maintaining seniority rights and all current contract provisions for current employees in order to leverage the subsequent positive impact on job security.

Therefore, in accordance with and as part of the 2015 (UAW-Ford National Agreement between the International Union, UAW (hereinafter referred to as UAW) and Ford Motor Company (hereinafter referred to as Ford), the UAW and Ford agree as follows regarding competitive wage and benefit levels, and other matters applicable to certain employees hired or rehired on or after

the Effective Date of the 2007 UAW-Ford National Agreement. Except as otherwise specified in this Memorandum, employees hired or rehired on or after November 19, 2007, will be covered in all respects by the UAW-Ford 2015 National Agreement.

Notwithstanding the foregoing, or anything else to the contrary, this Memorandum applies to all UAW-represented Ford facilities covered by the 2015 UAW-Ford National Agreement.

ARTICLE 1

I. Applicability

The terms of this Memorandum apply to all **regular full-time employees, hired, rehired, or reinstated on or after November 19, 2007** at all Ford Motor Company facilities covered by the UAW-Ford National Agreement **who have not previously converted to non-Entry Level status.**

II. Seniority and Transfers

Employees hired, rehired, **or reinstated** under this Memorandum will be eligible to transfer within classifications in accordance with applicable National or Local Agreement provisions, and may apply and be transferred, if qualified, to the skilled trades, or apprentice classifications. Notwithstanding any such transfer, these employees will continue to be covered in all respects by this Memorandum.

III. Wages and Other Economic Matters

Present and **future** employees covered by this Memorandum will receive rates of pay **in accordance with paragraphs A through C below:**

A. Production Employees (excluding Rawsonville, Sterling and Woodhaven Hot Metal Forming Plant)

- a. Employees hired, rehired, or reinstated on or after November 19, 2007 and prior to the effective date of the 2015 UAW-Ford National Agreement, shall be placed at a rate in accordance with their current rate step effective November 23, 2015 in accordance with the table below. Those employees whose rates are increased to the next step on November 23, 2015 shall maintain those rates until they meet the required timing for subsequent rate step increases. This Section III, A is not applicable to Sterling, Rawsonville or Woodhaven Hot Metal Forming Plant employees.

TABLE 1

Wage increases for this group will be effective upon ratification and then in twelve month intervals thereafter. For clarity, increases occurring for In-Progression employees will be employee specific and will be effective on the Monday following the anniversary of the employees hire date.

Years of Service on the Effective Date	Effective Date	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Legacy Classification Wage Rate*
Less than 1	\$17.00	\$18.00	\$19.50	\$21.00	\$22.50	\$24.00	\$26.00	\$28.00	*
1<2	\$18.00	\$19.50	\$21.00	\$22.50	\$24.00	\$26.00	\$28.00	*	*
2<3	\$19.50	\$21.00	\$22.50	\$24.00	\$26.00	\$28.00	*	*	*
3<4	\$21.00	\$22.50	\$24.00	\$26.00	\$28.00	*	*	*	*
4<5	\$22.50	\$24.00	\$26.00	\$28.00	*	*	*	*	*
5<6	\$24.00	\$26.00	\$28.00	*	*	*	*	*	*
6<7	\$26.00	\$28.00	*	*	*	*	*	*	*
7<8	\$28.00	*	*	*	*	*	*	*	*

* Legacy classification wage rate

- i. **Employees who reach the legacy classification wage rate effective on or before September 18, 2017 will be eligible for the Performance Bonus Payment provided in Article 9. Section 2(b).**
- b. **All regular, non-temporary production employees hired, rehired or reinstated in Assembly, Powertrain, Stamping and PS&L facilities after the Effective Date of the agreement, new hire rates and wage progression rates shall be established as follows:**

TABLE 2

	Rate at Hire and Ongoing
At Hire	\$17.00
After 12 Months	\$18.00
After 24 Months	\$19.50
After 36 Months	\$21.00
After 48 Months	\$22.50
After 60 Months	\$24.00
After 72 Months	\$26.00
After 84 Months	\$28.00

B. Sterling, Rawsonville and Woodhaven Hot Metal Forming Plant

- a. **Employees hired, rehired, or reinstated on or after November 19, 2007 and prior to the effective date of the 2015 UAW-Ford National Agreement shall be placed at a rate in accordance with their current rate step effective November 23, 2015 in accordance with the table below. Those employees whose rates are increased to the next step on November 23, 2015 shall maintain those rates until they meet the required timing for subsequent rate step increases.**

Rawsonville, Sterling and Woodhaven Hot Metal Forming Plant**TABLE 3**

Years of Service on the Effective Date	Rate as of November 23, 2015 and Ongoing
Less than 1	\$16.25
1<2	\$17.16
2<3	\$18.06
3<4	\$18.96
Over 4	\$19.86

Employees who progress to the maximum rate of \$19.86 will receive an annual three percent (3%) increase on the anniversary date of the agreement in 2016, 2017 and 2018 and a 3.7% increase on August 26, 2019.

- b. Employees hired, rehired, or reinstated on or after the effective date of the 2015 UAW-Ford National Agreement shall have the following wage rate and progression:

TABLE 4

	Rate at Hire and Ongoing
At Hire	\$16.25
After 12 Months	\$17.16
After 24 Months	\$18.06
After 36 Months	\$18.96
After 48 Months	\$19.86
Over 48 Months	\$19.86

- C. Employees who convert directly from Temporary **Part-Time or Short-Term Supplemental** employee status to **regular full-time In-Progression** status on or after September 14, 2015 will be **considered new hires and shall be paid** the greater of: a) their present hourly rate at the time of conversion to full-time or b) **the corresponding “at hire” rate for their**

full-time position as provided in the **applicable (based upon work location)** above wage progression tables. In the event their present hourly rate is greater than the “at hire” rate provided for their full-time position, they will remain at that rate until they are eligible to progress to the next higher wage rate as provided in the applicable rate table.

- D. Increases listed in Tables 1 through 5 are effective the Monday following attaining the threshold for a rate step increase.**
- E.** The wage rates for Appendix F skilled trades employees provided in the **2015** UAW-Ford National Agreement will continue to cover Appendix F skilled trades employees, including journeypersons hired or rehired on or after the Effective Date, new apprentices hired directly into an apprentice classification on or after the Effective Date, and non-Appendix F employees hired under this Memorandum who are subsequently promoted to a journeyperson classification, or indentured as an apprentice.

IV. Vacation Entitlement

The maximum annual vacation entitlement for employees covered by this Memorandum shall be 160 hours.

V. Memorandum of Joint Activities and Legal Services

The funding provisions of the Education, Development and Training Program will be applicable for **In-Progression** employees.

In addition, **In-Progression** employees covered by this Memorandum will be included within the scope of the **Memorandum of Understanding concerning legal services benefits provided** in the UAW-Ford 2015 National Agreement.

VI. New Employee Orientation Program

The New Employee Orientation Program will incorporate a thorough understanding of the industry’s need to transform to meet the challenges of the marketplace. The program will include the role of the parties in preserving jobs while still maintaining the core values historically provided in the parties’ bargaining agreements.

VII. Benefit Plans

Except as set forth in this Appendix V Memorandum and its Attachment A, employees covered by this Memorandum will be covered by the benefit plans set forth in the **2015** UAW-Ford National Agreement.

VIII. Scope

Except as specifically provided in this Memorandum, all provisions of the **2015** UAW-Ford National Agreement, Supplementary Agreements and understandings, and local agreements existing as of the Effective Date shall apply to employees covered by this Memorandum.

Any future changes to the UAW-Ford National Agreement, Supplementary Agreements and understandings, and local agreements will apply to employees covered by this Memorandum only by express agreement between the National Parties.

IX. Compliance – Administration and Dispute Resolution

The parties believe that these actions will increase the potential for growth as all locations become better positioned to meet future competitive challenges and for the long-term job and income security that employees value. It is recognized that these efforts may require change or waiver of certain agreements or practices beyond those identified in this Memorandum. In such cases, proposed changes to agreements or practices must be communicated to and approved by the Labor Affairs Office of the Company and the National Ford Department of the Union. The Labor Affairs Office and the National Ford Department will meet, as required, to review proposed changes in this regard and to develop and implement processes to assist and support locations introducing these provisions.

Disputes, local and national, involving the application or interpretation of this Memorandum, including but not limited to the commitments set forth in Article I above, will be reviewed by a Joint Committee consisting of three (3) members appointed by the UAW Vice President and Director of the UAW-Ford Department and three (3) members appointed by the Vice President, Labor Affairs, Ford Motor Company.

The Joint Committee shall meet on an ongoing basis. Ford and the UAW shall advise the Joint Committee at each meeting of any issues surrounding the administration and implementation of this Memorandum. Ford will provide information such as but not limited to seniority lists of both **In-Progression** and non- **In-Progression** employees, of work being insourced and jobs associated with that work, any increase in volumes and new programs as necessary on any issues raised for discussion or resolution. The parties commit to the thorough investigation of and the prompt resolution of all issues discussed relative to this Memorandum.

The Joint Committee will have full authority to settle all matters that are properly before it, recognizing that disputes governed by appeal procedures of the respective Benefit Plans, and other issues consistent with applicable law, are outside the scope of the Committee's authority. If the Joint Committee is unable to resolve a matter properly before it, the matter will be referred directly to arbitration, using the arbitration provisions, including the restrictions on the powers of the Umpire, contained in the UAW-Ford National Agreement (Article VII). Such matters will immediately move to the top of the arbitration docket.

ATTACHMENT A**BENEFIT PLANS AGREEMENT**

This Attachment A supersedes the Entry Level Attachment A as set forth in the **2011** Collective Bargaining Agreement. In general, the terms of the **2015** Collective Bargaining Agreement covering the Benefit Plans between the UAW and Ford are the same for **In-Progression Employees** as they are for Traditional Employees except as noted below. Benefits described herein reflect the general structure agreed upon by the parties.

SECTION I: PENSIONS

In-Progression Employees are not entitled to benefits under the Ford-UAW Retirement Plan.

SECTION II: TAX EFFICIENT SAVINGS PLAN FOR HOURLY EMPLOYEES (TESPHE)

In-Progression Employees are eligible to receive certain Company contributions in TESPHE as reflected in Volume III.

SECTION III: LIFE AND DISABILITY BENEFITS PROGRAM**A. LIFE INSURANCE BENEFITS****Eligibility**

- **In-Progression Employees** shall be eligible for Basic Life Insurance and Accidental Death and Dismemberment (AD&D) on the first day of employment with the Company.
- Basic Life Insurance
 - For active **In-Progression Employees**, the Company shall provide Basic Life Insurance coverage in the amount of \$45,000.
- Accidental Death and Dismemberment (AD&D)
 - The Company shall provide AD&D in the amount of \$22,500.
- Optional Insurance Programs
 - Eligibility, coverage amounts and rates are based on the Optional Insurance Program provisions.

- Continuation of Company Provided Life Insurance Post Employment for **In-Progression Employees**.
 - An insured **In-Progression Employee** with ten (10) or more years of seniority and at least age 55 **or 30 years of seniority at any age** at the time of separation from employment with the Company, will be eligible for continuation of Basic Life Insurance coverage in the amount of \$15,000 and AD&D coverage in the amount of \$7,500. **Continuation of AD&D coverage post employment shall be consistent with eligibility for Retirees as set forth in Volume II.**

B. WORK RELATED DEATH BENEFIT:

The work related death benefit coverage will be based on the amount of Accidental Death and Dismemberment (AD&D) then in force for **In-Progression Employees** of \$22,500.

C. ACCIDENT AND SICKNESS (A&S) BENEFITS:

- Eligibility
 - Accident and Sickness Benefits and Extended Disability Benefits coverage under the Group Life and Disability Insurance Program will apply on the day after the Employee acquires one year of seniority.
- Duration:
 - 1 year seniority but less than 3 years seniority - 26 weeks.
 - 3 or more years seniority - 52 weeks.

D. EXTENDED DISABILITY BENEFITS:

- Duration:
 - 1 year seniority but less than 3 years seniority - 13 weeks
 - 3 years seniority but less than 5 years seniority - 26 weeks
 - 5 years but less than 10 years seniority – time for time

- 10 or more years seniority – maximum 10 years or age 65 whichever comes first
- At the end of the month in which the maximum EDB amount is payable, the Employee's coverage for health care will cease. Life Insurance post employment rules will apply.

SECTION IV: SUPPLEMENTAL UNEMPLOYMENT BENEFIT (SUB) PLAN

- Based on **2015** Plan provisions.

SECTION V: PROFIT SHARING PLAN

- Based on **2015** Plan provisions.

APPENDIX W**MEMORANDUM OF UNDERSTANDING
ALTERNATIVE WORK SCHEDULES**

During 2011 Negotiations, the parties discussed the importance of alternative work schedules (AWS) to meet changing customer demand, maximize the utilization of our facilities, and ensure that we have the flexibility to respond quickly to market fluctuations.

Alternative Work Schedules have a long and successful history at Ford Motor Company. Both parties acknowledge the mutual benefits derived from such schedules. These benefits include but are not limited to increased employment levels and greater job security, improved work-life balance, enhanced plant utilization, expanded production capability, improved asset utilization, increased profitability, and focused responsiveness to customer demand.

The parties also recognize that alternative work schedules must be flexible enough to provide local parties the ability to implement a schedule that meets the requirements of the business and supports the unique operating conditions and workforce makeup of their facility. Consequently, there are key principles that will govern the future establishment and use of alternative work schedules. These principles are as follows:

- Provisions of an alternative work schedule agreement may differ from the provisions of the Master Agreement; however, the agreement as a whole generally should neither advantage nor disadvantage either party as compared to a traditional schedule.
 - Pay and compensation practices for AWS schedules identified in this Appendix should not differ among plants using the same pattern. For example, employees on the same alternative work schedule at two different facilities should be governed by the same overtime premium provisions.
 - Employees will receive premium time when they work on their regular day(s) off (RDO) provided they have first worked and/or been compensated for their base schedule.
- Where an employee's regular day off falls on a Sunday,**

and the employee works, those hours will be compensable per Article IX, Section 10 of the Master Agreement, without meeting the base schedule threshold.

The parties acknowledge alternative work schedules are complex. It is important all employees understand the schedule they may be assigned, including all the provisions associated with that schedule. The information must be clear, concise, and accessible. Thus, the parties have established this Alternative Work Schedule Appendix for the benefit of all employees.

Article 1

I. Effective Date

This Memorandum shall take effect upon ratification of the 2015 UAW-Ford Collective Bargaining Agreement (CBA) ("Effective Date").

II. Applicability

The terms of this Memorandum apply to all employees at all Ford Motor Company facilities covered by the CBA. This Memorandum does not establish or govern wage rates, wage rate increases, overtime equalization, compensable codes, benefits, shift premiums, or vacation eligibility.

III. Right to Establish

When considering an alternative work schedule contained in this Appendix, local management will notify and discuss the business rationale for the change with the local Union leadership, the National Ford Department, and Labor Affairs. Following those discussions, the Company may, with a minimum of fourteen (14) days notice, transition between a traditional work schedule and/or an alternative work schedule selected from the alternative work schedules provided in this Memorandum.

When considering alternative work schedules not contained in this Appendix, Local parties may develop unique alternative work schedules that are different in order to address unique operating issues. Local parties do not have the authority to negotiate compensation or pay rules. Prior to implementation of a unique

alternative work schedule, approval in writing is required from the National Ford Department and Labor Affairs, consistent with Appendix J, Section D of the Collective Bargaining Agreement.

Article 2

I. **Four 10 Hour Shift Agreement**

a. **Schedule**

The AWS shall consist of a regular forty (40) hour weekly work schedule, starting on Monday of each week, based on four (4) ten (10) hour straight-time working days as follows:

Mon 1	Tues 2	Weds 3	Thu 4	Fri (RDO-1)	Sat (RDO-2)	Sun (RDO-3)
10 hours straight time	10 hours straight time	10 hours straight time	10 hours straight time	RDO	RDO	RDO

If production requirements exceed **forty (40)** hours per week, the plant will work the traditional, five (5) day work schedule, and all current provisions of the CBA will apply. The Company will ensure that employees are notified by Thursday of the prior week of the requirement for the additional day of production.

b. **Overtime Premiums**

The base schedule for this pattern is **forty (40)** hours worked and/or compensated; RDO premiums will not apply until this threshold is reached.

Hours worked and/or compensated in excess of **forty (40)** per week will be paid as follows:

- Time and one-half for all hours on the first and second Regular Day Off (RDO)
- Double time for all hours on the third RDO
- RDO Premiums are determined by the RDO day
- Time and one-half is paid for hours worked in excess of ten (10) straight time hours unless the employee qualifies for double time.

c. **Holiday Pay**

- Employees who meet all of the General Eligibility Rules outlined in Article IX, Section 22 of the CBA will be paid ten (10) hours at their regular straight-time hourly rate

including shift premium, but excluding overtime premium for each holiday falling on a day when they otherwise would have been scheduled to work.

- On a holiday when they would not otherwise be scheduled to work, employees will be paid eight (8) hours at their regular straight-time hourly rate.
- All hours worked on the holiday that fall on a regular day of work (RDW) will be paid at double time. In addition, up to ten (10) straight time hours of holiday pay may be paid if eligible.
- All hours worked on the holiday that fall on an RDO will be paid at double time. In addition, up to eight (8) straight time hours of holiday pay may be paid if eligible.
- Holiday hours are midnight to midnight.
- Holiday pay for the full week of holidays between Christmas and New Year's will not exceed forty (40) straight-time hours of pay.

d. **Bereavement Pay**

In situations where bereavement pay is appropriate, the provisions of Article IX, Section 19 of the CBA will be applicable except an eligible employee will receive bereavement pay of up to ten (10) straight-time hours, for each regularly scheduled workday up to three (3) days for a qualifying immediate family member, or five (5) regularly scheduled days of work up to forty (40) hours for the death of a current spouse, parent, child, stepchild, or in the case of multiple deaths of members of the employee's immediate family.

e. **Jury Duty and Short-Term Military Leave**

Jury duty pay and short-term military pay will be compensated on the basis of the amount of wages the employee otherwise would have earned, **ten (10)** hours per day up to forty (40) hours a week less the amount of earnings received from the court, government, or military for that same time period. All other provisions of Article IX, Section 18 and 20 of the CBA apply.

f. **Vacation, Excused Absence Allowance, and Family Days**
Vacation and Excused Absence Allowance days will be paid

based on the regular schedule, up to **forty (40)** straight time hours per week. Half days will be in increments of five (5) hours and full days will be in increments of ten (10) hours. Family days will be based on the regularly scheduled work day, up to **ten (10)** straight time hours. All other provisions of Article IX, Section 24 (i) of the CBA apply.

Article 3

I. Four Crew, Two Shift Agreement

a. Schedule

The AWS shall consist of two **(2)** twelve (12) hour shifts seven **(7)** days a week, using four (4) crews of employees, with each crew working four (4) days one week and three (3) days the next week as follows:

3 Day Work Week

Mon 1	Tues (RDO-1)	Weds (RDO-2)	Thu 2	Fri 3	Sat (RDO-3)	Sun (RDO-4)
12 10 hours straight time, 2 hours at time and one-half	RDO	RDO	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	RDO	RDO

4 Day Work Week

Mon (RDO-1)	Tues 1	Weds 2	Thu (RDO-2)	Fri (RDO-3)	Sat 3	Sun 4
RDO	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	RDO	RDO	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at double time

b. Overtime Premiums

The base schedule for the **three (3)** day work week is **(thirty six)** 36 hours worked and/or compensated. The base schedule for the **four (4)** day work week is **forty**

eight (48) hours worked and/or compensated. RDO premiums will not apply until these thresholds are reached.

Hours worked and/or compensated in excess of the base schedule per week will be paid as follows:

- Time and one-half for all hours on the first and second Regular Day Off (RDO)
- Double time for all hours on the third and fourth RDO
- RDO Premiums are determined by the RDO day
- Time and one-half is paid for hours worked in excess of ten straight time hours unless the employee qualifies for double time.
- Double time is paid for hours worked in excess of ten **(10)** straight time hours on the Sunday in the **four (4)** day week.

c. **Holiday Pay**

- Employees who meet all of the General Eligibility Rules outlined in Article IX, Section 22 of the CBA will be paid twelve (12) hours at their regular straight-time hourly rate including shift premium but excluding overtime premium for each holiday falling on a day when they otherwise would have been scheduled to work.
- On a holiday when they would not otherwise be scheduled to work, such employees will be paid eight (8) hours at their regular straight-time hourly rate.
- All hours worked on the holiday that fall on a regular day of work (RDW) will be paid at double time. In addition, up to twelve (12) straight time hours of holiday pay may be paid if eligible.
- All hours worked on the holiday that fall on an RDO will be paid at double time. In addition, up to eight (8) straight time hours of holiday pay may be paid if eligible.
- Holiday hours are midnight to midnight.

- Holiday pay for the full week of holidays between Christmas and New Year's will not exceed forty (40) straight-time hours of pay.

d. **Bereavement Pay**

In situations where bereavement pay is appropriate, the provisions of Article IX, Section 19 of the CBA will be applicable except an eligible employee will receive bereavement pay of up to twelve (12) straight-time hours, for each regularly scheduled workday up to three (3) days for a qualifying immediate family member, or five (5) regularly scheduled days of work up to forty (40) hours for the death of a current spouse, parent, child, stepchild, or in the case of multiple deaths of members of the employee's immediate family. For purposes of three (3) day bereavement only, if an employee has not received forty (40) hours pay and/or compensated hours, the employee will be offered opportunities which may include overtime to ensure forty (40) hours of pay during the week in which he receives bereavement pay.

e. **Jury Duty and Short-Term Military Leave**

Jury duty pay and short-term military pay will be compensated on the basis of the amount of wages the employee otherwise would have earned, **twelve (12)** hours per day up to forty (40) hours a week less the amount of earnings received from the court, government, or military for that same time period. All other provisions of Article IX, Section 18 and 20 of the CBA apply.

f. **Vacation, Excused Absence Allowance, and Family Days**

Vacation and Excused Absence Allowance days will be paid based on the regular schedule; thirty six (36) straight time hours for each week of vacation on the three (3) day work week and forty (40) or forty eight (48) straight time hours for each week of vacation on the four (4) day week. Half days will be in increments of six (6) hours and full days will be in increments of twelve (12) hours. Family days will be based on the regularly scheduled work day,

up to **twelve (12)** straight time hours. All other provisions of Article IX, Section 24 (i) of the CBA apply.

g. **Other Premiums**

Notwithstanding Article IX, Section 6 of the CBA, employees assigned to the four crew, two shift AWS will be paid a two and one-half percent premium.

Article 4

I. **Seven on Seven Off**

a. **Schedule**

The AWS shall consist of two shifts of between ten (10) and twelve (12) hour shifts seven days a week, using four (4) crews of employees, with each crew working four (4) days or three (3) days a week as follows:

Mon - Thurs

Mon 1	Tues 2	Weds 3	Thu 4	Fri (RDO-1)	Sat (RDO-2)	Sun (RDO-3)
10 hours straight time	10 hours straight time	10 hours straight time	10 hours straight time	RDO	RDO	RDO

Fri, Sat, Sun

Mon (RDO-1)	Tues (RDO-2)	Weds (RDO-3)	Thu (RDO-4)	Fri 1	Sat 2	Sun 3
RDO	RDO	RDO	RDO	10 hours straight time	12 10 hours time and one quarter 2 hours at time and one half	12 10 hours time and one quarter 2 hours at time and one half

b. **Overtime Premiums**

Article IX, Section 12 Overtime Premiums-Seven-Day Operations will apply except as otherwise noted below. The base schedule in the example provided for the **three (3)** day work week is **thirty four (34)** hours worked and/or compensated. The base schedule for the **four (4)** day work week is **forty (40)** hours worked and/or compensated. RDO premiums will not apply until these thresholds are reached. The base schedule threshold will

differ if the regular base schedule hours are less than those provided in the example.

Hours worked and/or compensated in excess of the base schedule per week will be paid as follows:

- Time and one-half for all hours on the first and second Regular Day Off (RDO), double time for all hours on the third and fourth RDO
- RDO Premiums are determined by the RDO day
- Time and one-quarter is paid for the first ten **(10)** hours worked on Saturday and Sunday unless the employee qualifies for time and one-half or double time
- Time and one-half is paid for hours worked in excess of ten **(10)** straight time hours unless the employee qualifies for double time

c. **Holiday Pay**

- Consistent with Article IX, Section 12 and Section 22 (g), Employees who meet all of the General Eligibility Rules outlined in Article IX, Section 22 of the Master Agreement will be paid between ten (10) and twelve (12) hours at their regular straight-time hourly rate including shift premium but excluding overtime premium for each holiday falling on a day when they otherwise would have been scheduled to work. The hours paid will be based on the regular base schedule hours.
- On a holiday when they would not otherwise be scheduled to work, such employees will be paid eight (8) hours at their regular straight-time hourly rate.
- All hours worked on the holiday that falls on a regular day of work (RDW) will be paid at double time. **In addition, straight time hours of holiday pay up to the employee's base hour schedule for the RDW, may be paid if eligible.**
- All hours worked on the holiday that falls on an RDO will be paid at double time. In addition, up to eight (8) straight time hours of holiday pay may be paid if eligible.

- Holiday pay for the full week of holidays between Christmas and New Year's will not exceed forty (40) straight-time hours of pay.

d. **Bereavement Pay**

In situations where bereavement pay is appropriate, the provisions of Article IX, Section 19 of the CBA will be applicable except an eligible employee will receive bereavement pay of up to twelve (12) straight-time hours, for each regularly scheduled workday up to three (3) days for a qualifying immediate family member, or five (5) regularly scheduled days of work up to forty (40) hours for the death of a current spouse, parent, child, stepchild, or in the case of multiple deaths of members of the employee's immediate family. The hours paid will be based on the regular base schedule hours. For purposes of three (3) day bereavement only, if an employee has not received forty (40) hours pay and/or compensated hours, the employee will be offered opportunities which may include overtime to ensure forty (40) hours of pay during the week in which he receives bereavement pay.

e. **Jury Duty and Short-Term Military Leave**

Jury duty pay and short-term military pay will be compensated on the basis of the amount of wages the employee otherwise would have earned, **twelve** (12) hours per day up to forty (40) hours a week less the amount of earnings received from the court, government, or military for that same time period. All other provisions of Article IX, Section 18 and 20 of the CBA apply. The hours paid will be based on the regular base schedule hours.

f. **Vacation, Excused Absence Allowance, and Family Days**

Vacation and Excused Absence Allowance days will be paid based on the regular schedule. Half days will be in increments of six (6) hours and full days will be in increments of **twelve** (12) hours or up to forty (40) straight time hours for each week of vacation. Family days will be based on the regularly scheduled work day,

up to twelve (12) straight time hours. The half day and full day increments will differ if the regular base schedule hours are less than twelve (12) hours (e.g. **ten (10)** hours). All other provisions of Article IX, Section 24 (i) of the CBA apply.

g. **Other Premiums**

Consistent with Article IX, Section 21 of the CBA, employees assigned to the seven on seven off AWS will be paid a seven-day operations bonus.

Article 5

I. Four on Four Off

a. Schedule

The AWS shall consist of two shifts of between eleven and one-half (11.5) and twelve (12) hours seven days a week, using two (2) crews of employees, with each crew working four (4) days or three (3) days a week as follows:

Schedule Runs On An Eight Week Cycle

Mon 1	Tues 2	Weds 3	Thu 4	Fri (RDO-1)	Sat (RDO-2)	Sun (RDO-3)
12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	RDO	RDO	RDO

Mon (RDO-1)	Tues 1	Weds 2	Thu 3	Fri 4	Sat (RDO-2)	Sun (RDO-3)
RDO	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	RDO	RDO

Mon (RDO-1)	Tues (RDO-2)	Weds 1	Thu 2	Fri 3	Sat 4	Sun (RDO-3)
RDO	RDO	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	12 10 hours time and one quarter, 2 hours at time and one-half	RDO
Mon (RDO-1)	Tues (RDO-2)	Weds (RDO-3)	Thu 1	Fri 2	Sat 3	Sun 4

12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	RDO	RDO	RDO	RDO	12 10 hours time and one quarter, 2 hours at time and one-half
Mon 1	Tues 2	Weds 3	Thu (RDO-1)	Fri (RDO-2)	Sat (RDO-3)	Sun (RDO-4)
12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half	RDO	RDO	RDO	RDO

b. **Overtime Premiums**

Article IX, Section 12 Overtime Premiums-Seven-Day Operations will apply except as otherwise noted below. The base schedule in the example provided for the **three (3)** day work week is **thirty six (36)** hours worked and/or compensated. The base schedule for the **four (4)** day work week is **forty eight (48)** hours worked and/or compensated. RDO premiums will not apply until these thresholds are reached. The base schedule threshold will differ if the work hours are less than twelve (12) hours (e.g. **eleven and one-half (11.5)** hours).

Hours worked and/or compensated in excess of the base schedule per week will be paid as follows:

- Time and one-half for all hours on the first and second Regular Day Off (RDO), double time for all hours on the third and fourth RDO.
- RDO Premiums are determined by the RDO day
- Time and one-quarter is paid for the first ten **(10)** hours worked on Saturday and Sunday unless the employee qualifies for time and one-half or double time
- Time and one-half is paid for hours worked in excess of ten **(10)** straight time hours unless the employee qualifies for double time.

c. **Holiday Pay**

- Consistent with Article IX, Section 12 and Section 22 (g), Employees who meet all of the General Eligibility Rules outlined in Article IX, Section 22 of the Master Agreement will be paid twelve (12) hours at their regular straight-time hourly rate including shift premium but excluding overtime premium for each holiday falling on a day when they otherwise would have been scheduled to work. The hours paid will be based on the regular base schedule hours.
- On a holiday when they would not otherwise be scheduled to work, such employees will be paid eight (8) hours at their regular straight-time hourly rate.

- All hours worked on the holiday that falls on a regular day of work (RDW) will be paid at double time. **In addition, up to twelve (12) straight time hours of holiday pay may be paid if eligible.**
- All hours worked on the holiday that falls on an RDO will be paid at double time. In addition, up to eight (8) straight time hours of holiday pay may be paid if eligible.
- Holiday pay for the full week of holidays between Christmas and New Year's will not exceed forty (40) straight-time hours of pay.

d. **Bereavement Pay**

In situations where bereavement pay is appropriate, the provisions of Article IX, Section 19 of the CBA will be applicable except an eligible employee will receive bereavement pay of up to twelve (12) straight-time hours, for each regularly scheduled workday up to three (3) days for a qualifying immediate family member, or five (5) regularly scheduled days of work up to forty (40) hours for the death of a current spouse, parent, child, stepchild, or in the case of multiple deaths of members of the employee's immediate family. The hours paid will be based on the regular base schedule hours. For purposes of three (3) day bereavement only, if an employee has not received forty (40) hours pay and/or compensated hours, the employee will be offered opportunities which may include overtime to ensure forty (40) hours of pay during the week in which he receives bereavement pay.

e. **Jury Duty and Short-Term Military Leave**

Jury duty pay and short-term military pay will be compensated on the basis of the amount of wages the employee otherwise would have earned, **twelve (12)** hours per day up to forty (40) hours a week less the amount of earnings received from the court, government, or military for that same time period. All other provisions of Article IX, Section 18 and 20 of the CBA apply. The hours paid will be based on the regular base schedule hours.

f. **Vacation, Excused Absence Allowance, and Family Days**

Vacation and Excused Absence Allowance days will be paid based on the regular schedule. Half days will be in increments of six (6) hours and full days will be in increments of **twelve** (12) hours or up to forty (40) straight time hours for each week of vacation. Family days will be based on the regularly scheduled work day, up to **twelve** (12) straight time hours. All other provisions of Article IX, Section 24 (i) of the CBA apply.

g. **Other Premiums**

Consistent with Article IX, Section 21 of the CBA, employees assigned to the four on four off AWS will be paid a seven-day operations bonus.

Article 6**I. Three Crew Agreement**a. **Schedule**

The AWS shall consist of a regular forty (40) hour weekly work schedule, with three **(3)** crews, based on four (4) straight-time ten (10) hour working days as follows:

A Crew

Mon 1	Tues 2	Weds 3	Thu 4	Fri (RDO-1)	Sat (RDO-2)	Sun (RDO-3)
10 hours straight time	10 hours straight time	10 hours straight time	10 hours straight time	RDO	RDO	RDO

B Crew

Mon (RDO-1)	Tues 1	Weds 2	Thu 3	Fri 4	Sat (RDO-2)	Sun (RDO-3)
RDO	10 hours straight time	10 hours straight time	10 hours straight time	10 hours straight time	RDO	RDO

C Crew

Mon 1	Tues (RDO-1)	Weds (RDO-2)	Thu (RDO-3)	Fri 2	Sat 3	Sun 4
10 hours straight time	RDO	RDO	RDO	10 hours straight time	10 hours at time and one quarter	10 hours at time and one quarter

b. Overtime Premiums

The base schedule for this pattern is **forty (40)** hours worked and/or compensated; RDO premiums will not apply until this threshold is reached. Hours worked and/or compensated in excess of **forty (40)** per week will be paid as follows:

- Time and one-half for all hours on the first and second Regular Day Off (RDO)
- Double time for all hours on the third RDO
- RDO Premiums are determined by the RDO day
- Time and one-half is paid for hours worked in excess of ten **(10)** straight time hours unless the employee qualifies for double time.

c. Holiday Pay

- Employees who meet all of the General Eligibility Rules outlined in Article IX, Section 22 of the Master Agreement will be paid ten (10) hours at their regular straight-time hourly rate including shift premium, but excluding overtime premium for each holiday falling on a day when they otherwise would have been scheduled to work.
- On a holiday when they would not otherwise be scheduled to work, employees will be paid eight (8) hours at their regular straight-time hourly rate.
- All hours worked on the holiday that fall on a regular day of work (RDW) will be paid at double time. In addition, up to ten (10) straight time hours of holiday pay may be paid if eligible.
- All hours worked on the holiday that fall on an RDO will be paid at double time. In addition, up to eight (8) straight time hours of holiday pay may be paid if eligible.
- Holiday hours are midnight to midnight.
- Holiday pay for the full week of holidays between Christmas and New Year's will not exceed forty (40) straight-time hours of pay.

d. Bereavement Pay

In situations where bereavement pay is appropriate, the provisions of Article IX, Section 19 of the CBA will be

applicable except an eligible employee will receive bereavement pay of up to ten (10) straight-time hours, for each regularly scheduled workday up to three (3) days for a qualifying immediate family member, or five (5) regularly scheduled days of work up to forty (40) hours for the death of a current spouse, parent, child, stepchild, or in the case of multiple deaths of members of the employee's immediate family.

e. **Jury Duty and Short-Term Military Leave**

Jury duty pay and short-term military pay will be compensated on the basis of the amount of wages the employee otherwise would have earned, **ten (10)** hours per day up to forty (40) hours a week less the amount of earnings received from the court, government, or military for that same time period. All other provisions of Article IX, Section 18 and 20 of the CBA apply.

f. **Vacation, Excused Absence Allowance, and Family Days**

Vacation and Excused Absence Allowance days will be paid based on the regular schedule, up to **forty (40)** straight time hours per week. Half days will be in increments of five (5) hours and full days will be in increments of ten (10) hours. Family days will be based on the regularly scheduled work day, up to **ten (10)** straight time hours. All other provisions of Article IX, Section 24 (i) of the CBA apply.

g. **Other Premiums**

Employees assigned to the C Crew will be paid a ten percent premium for all hours worked on regularly scheduled work days regardless of shift, **excluding the Saturday shift and Sunday shift, which will be paid at time and one quarter for all hours worked.**

Article 7

I. Three Twelve Hour Shifts Agreement

a. **Schedule**

The AWS shall consist of two (2) twelve (12) hour shifts with two (2) consecutive days a week and one (1) floating day a week, each crew working three (3) days a week as follows:

Mon (RDO-1)	Tues (RDO-2)	Weds 1	Thu (RDO-3)	Fri (RDO-4)	Sat 2	Sun 3
RDO	RDO	12 10 hours straight time, 2 hours at time and one-half	RDO	RDO	12 10 hours straight time, 2 hours at time and one-half	12 10 hours straight time, 2 hours at time and one-half

b. **Overtime Premiums**

Article IX, Section 12 Overtime Premiums-Seven-Day Operations will apply except as otherwise noted below. The base schedule for the work week is **thirty six (36)** hours worked and/or compensated. RDO premiums will not apply until this threshold is reached.

Hours worked and/or compensated in excess of the base schedule per week will be paid as follows:

- Time and one-half for all hours on the first and second Regular Day Off (RDO), double time for all hours on the third and fourth RDO
- RDO Premiums are determined by the RDO day
- Time and one-quarter is paid for the first ten hours worked on Saturday and Sunday unless the employee qualifies for time and one-half or double time
- Time and one-half is paid for hours worked in excess of ten **(10)** straight time hours unless the employee qualifies for double time.

c. **Holiday Pay**

- Consistent with Article IX, Section 12 and Section 22 (g), Employees who meet all of the General Eligibility Rules outlined in Article IX, Section 22 of the Master Agreement will be paid twelve (12) hours at their regular straight-time hourly rate including shift premium but excluding overtime premium for each holiday falling on a day when they otherwise would have been scheduled to work.
- On a holiday when they would not otherwise be scheduled to work, such employees will be paid eight (8) hours at their regular straight-time hourly rate.

- All hours worked on the holiday that falls on a regular day of work (RDW) will be paid at double time. **In addition, up to twelve (12) straight time hours of holiday pay may be paid if eligible.**
- All hours worked on the holiday that falls on an RDO will be paid at double time. In addition, up to eight (8) straight time hours of holiday pay may be paid if eligible.
- Holiday pay for the full week of holidays between Christmas and New Year's will not exceed forty (40) straight-time hours of pay.

d. **Bereavement Pay**

In situations where bereavement pay is appropriate, the provisions of Article IX, Section 19 of the CBA will be applicable except an eligible employee will receive bereavement pay of up to twelve (12) straight-time hours, for each regularly scheduled workday up to three **(3)** days for a qualifying immediate family member, or five (5) regularly scheduled days of work up to forty (40) hours for the death of a current spouse, parent, child, stepchild, or in the case of multiple deaths of members of the employee's immediate family. For purposes of three **(3)** day bereavement only, if an employee has not received forty (40) hours pay and/or compensated hours, the employee will be offered opportunities which may include overtime to ensure forty (40) hours of pay during the week in which he receives bereavement pay.

e. **Jury Duty and Short-Term Military Leave**

Jury duty pay and short-term military pay will be compensated on the basis of the amount of wages the employee otherwise would have earned, **twelve (12)** hours per day up to forty (40) hours a week less the amount of earnings received from the court, government, or military for that same time period. All other provisions of Article IX, Section 18 and 20 of the CBA apply.

f. **Vacation, Excused Absence Allowance, and Family Days**

Vacation and Excused Absence Allowance days will be paid based on the regular schedule. Half days will be in increments of six (6) hours and full days will be in increments of twelve (12) hours up to forty (40) straight time hours. Family days will be based on the regularly scheduled work day, up to **twelve** (12) straight time hours. All other provisions of Article IX, Section 24 (i) of the CBA apply.

g. **Other Premiums**

Consistent with Article IX, Section 21 of the CBA, employees assigned to the three twelve hour schedule will be paid a seven-day operations bonus.

Article 8

I. Unique Situations

a. **Christmas Holiday Scheduling**

During these negotiations, the parties discussed employees assigned to an alternative work schedule with Saturday and/or Sunday as a regularly scheduled work day. We recognize the impact this will have on the Christmas Holiday period production schedule during the course of this agreement, specifically, the waiver of Article IX, Section 22 (a)(3)(ii) of the CBA. This will result in the plant being scheduled to run and/or support production as follows:

Saturday, December **26, 2015**

Sunday, December **27, 2015**

Saturday, December **24, 2016**

Sunday, December **25, 2016**

Saturday, December **30, 2017**

Sunday, December **31, 2017**

Saturday, December **29, 2018**

Sunday, December **30, 2018**

The Company recognizes the issues inherent with running production on the aforementioned days, and agrees to not schedule production on those days provided the local parties continue to work together, as they have in the past,

to develop and execute a volume recovery plan that makes up the lost units prior to the time off specified above.

For pay periods ending December **27, 2015**, December **25, 2016**, December **24, 2017**, and December **30, 2018**, the Company agrees to pay an employee an amount equal to the difference between the total number of hours paid, including overtime, plus all hours made available to the employee to be paid and forty (40) straight time hours. Should any issues arise surrounding this agreement, they may be referred to the National Ford Department and Labor Affairs.

b. Weekend Shifts

Management shall have the right to designate, during a model year period, Saturday shifts and Sunday shifts as mandatory overtime workdays. Because the open capacity in a three crew operation is on both Saturday and Sunday, the number of mandatory Saturday and Sunday shifts per crew shall be consistent with the number of mandatory Saturday shifts outlined in Appendix H Part A, Section 4 and Appendix H Part A, Section 3 will be waived.

The parties agree that these mandatory Saturday and Sunday shifts shall be up to **ten (10)** hours in length. Local management and the local union will develop a plan to utilize volunteers for mandatory overtime weekend shifts. In the absence of enough qualified volunteers, employees on the B Crew will be mandatorily scheduled on the Saturday shift; employees on the A Crew will be mandatorily scheduled on the Sunday shift.

All other Saturdays and Sundays are voluntary, except as otherwise provided in Appendix H Section 7, and employees may decline to work any other Saturday or Sunday during such model year, provided (i) he shall have notified the Company in accordance with Paragraph 16 and (ii) he has not been absent for any reason on any day during the week preceding any Saturday/Sunday which he elects not to work.

c. **Hours in Excess of Ten Per Shift/Crew**

It was agreed that the Company may schedule mandatory production hours up to 10.7 hours per shift/crew to meet ten **(10)** hour production schedules, **except for the C Crew which may be scheduled mandatory production hours up to 10.5 hours**. It is understood that scheduled production hours beyond 10.7 per shift/crew, **and 10.5 for the C Crew**, require mutual agreement of the local union and management.

Disputes involving the application of this provision will be reviewed by the National Ford Department and Labor Affairs.

d. **Altering the Schedule**

The parties recognize that there may be occasions when it may be beneficial to alter the work schedule at AWS locations, resulting in the movement of a scheduled work day to another more convenient period, particularly surrounding holiday weekends. It is understood that the local parties may jointly agree to such changes, provided they do not result in a decrease in productivity or capacity or increase in costs.

e. **Benefits**

Benefits for employees on an alternative work schedule will continue to be administered by the Memorandum of Understanding entitled, "Handling of Benefits for Alternative Work Schedule Employees".

f. **Changes to Existing Patterns and Future Administration**

The parties recognize that this Appendix has implications to existing alternative work schedules. As soon as practicable after ratification, the National Ford Department and Labor Affairs will review the adjustments to current schedules including overtime premiums and base schedule requirements with the local parties to ensure that employees are compensated consistent with the intent of this Appendix.

Local Labor Relations will continue to be responsible for ensuring that the appropriate departments (i.e. TWOS, Central Timekeeping, and Employee Payments) receive any programming changes to payroll systems in a timely manner.

Except as specifically provided in this Memorandum, all provisions of the **2015** CBA, Supplementary Agreements and understandings, and local agreements existing as of the Effective Date shall apply to employees covered by this Memorandum.

Disputes, local and national, involving the application or interpretation of this Memorandum and/or locally developed alternative work schedules will be reviewed by the National Ford Department and Labor Affairs.

***SETTLEMENT AGREEMENT**

On this 29th day of May, 1949, Ford Motor Company and International Union, United Automobile, Aircraft and Agricultural Implement Workers of America, C.I.O., hereby agree that ...:

No. 1. To meet its daily production schedules, the Company will maintain each line at a constant speed. The Company will space units to provide a uniform flow of work for individual employees. It is recognized that this uniform flow of work contemplates the expected normal ratio of body types upon which the work standards are computed and the regular work assignments are made. On request, local Management will notify the Union of its expected daily production schedules and of the line speeds to achieve such schedules.

No. 2. The following question, with respect to the lines specified in the Union's notices of dispute at the Lincoln and Dearborn Assembly Plants dated March 11 and April 14, 1949 shall be submitted for decision by an arbitrator or arbitration panel as provided below:

"Does the Company under the contract, on the basis of health and safety or otherwise, have the right to require an employee to perform his work assignment on any unit in less time than the Company's time study shows for his assignment, provided the employee is not assigned more than 480 minutes of work as measured by time study in an eight hour shift?"

The decision of the arbitrator or arbitration panel, as the case may be ... shall be in writing, and shall be binding upon both parties.

No. 3. When additional work is required because the mix of body types differs from the expected normal ratio upon which the work standards are computed and the regular work assignments are made, the Company will make adjustments where necessary by one or more of the following means:

- (a) addition of manpower
- (b) greater spacing of units
- (c) reducing speed of line
- (d) stopping line momentarily
- (e) adjusting employee work assignments

No. 4. The normal amount of work required of employees shall not be increased because of absenteeism.

* As amended October 20, 1961.

August 15, 1949

AGREEMENT

Ford Motor Company and International Union, United Automobile, Aircraft and Agricultural Implement Workers of America, agree that where weekly pay periods are presently in effect and as the various plants and branches adopt the weekly pay period, the following rules shall be followed with respect to transfers:

When employees covered under the present (277) "Three Days Transfer Agreement" are reclassified on a Form 277 (Change of Occupation), the resultant change in rate shall take effect the first day of the first pay period following the reclassification date. The reclassification date shall be considered the date the employee started working on the new classification; but this shall not constitute a waiver of Article VII Section 13A.*

Forms 277 shall be processed in each plant in the manner now followed at the Rouge Plant. All 277's where a badge change is not involved will be made in triplicate. The original copy shall be retained by the Rate Adjuster, one duplicate copy shall be made available for the Supervisor and the other duplicate copy shall be made available for the Union representative. In cases where badge changes are involved the 277 will continue to be made up in single copy and presented to the Union representative for his signature, with the understanding he can take from such 277 Form any information he deems necessary. As in the past no 277 will be considered as official until it carries the initial of the Rate Adjuster in plants where Rate Adjusters are employed. In plants where Rate Adjusters are not employed the forms will carry the initials of the employee designated by the manager as having such authority to check such forms. The Union shall be notified promptly of the rejection of any Form 277.

* (The corresponding section of the current Collective Bargaining Agreement, to which this now is deemed to refer, is Article VII, Section 24(a).)

MAINTENANCE AND CONSTRUCTION WORK

This agreement is subject to ratification by the membership of the Union, and shall be submitted for ratification promptly.
