

# STAND UP DAIMLER

## Greetings Brothers and Sisters,

This is your Daimler Council Bargaining Committee, with the first of many bargaining updates to the membership as we fight for a fair contract at Daimler in 2024.

Your Local Language Bargaining Committees have been hard at work preparing for local language negotiations, **which begin this coming Monday, February 19, 2024.** We are fired up, well prepared, and EXCITED to get to the bargaining table and fight for your demands!

**This is the time for us all to come together and back each other up in SOLIDARITY!** If we hold the line together, we will make gains like never before. EAT THE RICH! LET'S GOOOO!
