

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

FEB. 21, 2024 | UAW LOCAL 3520

Greetings Brothers and Sisters,

Local negotiations produced tentative agreements on the following LOUs: Contract/Grievance Investigation Training, New Technology, Mass Telephone Contacting System, Donning/Doffing, & Lump Sum Payments (Union wants to remove Lump Sum Payments LOU because we plan to propose raises each year when we get to Common language negotiations instead of lump sum payments every other year).

Union counter-proposed using the Membership's demands on Art. 33 Skilled Trades, Article 8 Wage Rates and Overtime, & Article 10 Vacation. We await the company's response.

Union proposed Membership's demands on Article 3 Representation, Article 5 Seniority, & Article 7 Hours of Work. The Article 7 proposal includes the proposal of going to a paid lunch schedule.

In Solidarity,

Local 3520 Bargaining Team
