

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

FEB. 28, 2024 | UAW LOCAL 5285

Greetings Brothers and Sisters,

We started the day off waiting to hear back from the company on the proposals we left with them at the end of the previous day. They came in with several counter proposals. We had good discussions on all issues we have remaining. Hopefully with a little more work we will get our demands met.

In Solidarity,

Your Local 5285 Bargaining Team
