

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

FEB. 21, 2024 | UAW LOCAL 5286

Greetings Brothers and Sisters,

We have no new updates from the bargaining table today. We are working through Covid testing and Zoom calls with two positive cases on our bargaining committee. We will keep working on negotiating gains for our membership and will not allow this to deter us from our mission.

In Solidarity,

Local 5286 Bargaining Team
