

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

FEB. 26, 2024 | UAW LOCAL 5285

Greetings Brothers and Sisters,

We met with the company several times today. Several proposals were sent back and forth across the table. Getting closer to our goals we have set.

We will be back to work early in the morning to get the contract our membership deserves.

In Solidarity,

Your Local 5285 Bargaining Team
