

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

MAR. 20, 2024 | UAW LOCAL 2406

UAW Brother and Sisters,

Day 2 of negotiating was a very long day and went well into the night with very little movement at the local bargaining table.

Day 3 was another long day with an expected late night to come. However, we are glad to say we have made some progress along the way.

We are keeping our heads up and staying positive. The local 2406 bargaining team will not lay down. We will only stand up for our brothers and sisters!

In Solidarity,

Your Local 2406 Bargaining Team
