

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

MAR. 31, 2024 | UAW LOCAL 2406

UAW Brother and Sisters,

April 2nd will mark the beginning of main table bargaining with Daimler. These negotiations will be a fight for our livelihoods and our families for years to come.

I am very proud and honored to have been chosen as the elected Chairman to represent my Daimler Memphis Family at our upcoming UAW/Daimler contract negotiations in North Carolina.

My ask of you all is to stand up, be heard, and demand what we all deserve!

Who is Daimler without us? **We are Daimler!**

Not only do **WE** build the best trucks in the world but **WE** keep **ALL** trucks moving. We keep this nation running. Those are the facts!

This will be no easy task, but together, we will persevere and endure.

In Solidarity,

Michael Crowe
