

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

FEB. 29, 2024 | UAW LOCAL 3520

Greetings Brothers and Sisters,

Thursday bargaining started with the Union proposing our 2nd proposal on Article 3 Representation, 4th proposal on Article 10 Vacation, 4th proposal on Article 11 Layoff/Recall, and 4th proposal on Article 12, Job Posting.

Tentative agreements were reached on Article 10, Article 12, LOU Team Leader, LOU Tobacco Free, & LOU QC Inspector, QA Lab, Audit and CAT Selection.

Company proposed Article 8 Wage Rates & Overtime and Article 20 Miscellaneous. Union is evaluating.

Union proposed 4th proposal on CTS. Union also proposed 2nd proposal on Clerical.

Union once again requested the company's FIRST proposal on LOU Job Security in response to the Union's proposal from last week. They again claimed they have not finished preparing their counter-proposal for LOU Job Security.

Friday's negotiations will get interesting. Rest assured your representation at this table will hold the line on our Membership's demands!

In Solidarity,

Your Local 3520 Bargaining Team
