

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

MAR. 6 2024 | UAW LOCAL 3520

Greetings Brothers and Sisters,

We want to update the membership that the Negotiating Team for Local 3520 is still pushing the company to resume local language negotiations. So far, the company has maintained that they want to resume April 2nd, during the common language negotiations timeframe after the common negotiation sessions. The Negotiating Team feels there is no need to wait until then, nor should we. There is too much in our local language that has yet to be tentatively agreed on for us to waste the rest of the month of March and not negotiate during the time we have available. We will continue to try to drag them back to the bargaining table and will update if they agree to do so prior to April 2nd.

We also wanted to give a shout out to our Brothers and Sisters at Local 5287 at Thomas Built Bus. They are negotiating their local language this week and next. They have a strong team up there proposing their members' demands. Local 5287, just know Local 3520 in Cleveland has your back!

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

MAR. 6, 2024 | UAW LOCAL 3520

Local 10 Parts Distribution Center in Atlanta and Local 2406 Parts Distribution Center in Memphis will also be negotiating their local language later this month. They also have strong teams, and we want those locals to know that Cleveland has their back, too!

Let's keep all of these Sisters and Brothers in our thoughts as we join together to fight this company for what we deserve! Please remember to vote on Friday's strike vote. Polls will be open before and after shift, as well as during our unpaid lunch on 1st & 2nd shift. Show them we aren't afraid to **STAND UP!**

The Negotiating Team sees and hears your support from the shop floor and want to thank you for it. A strong and successfully negotiated contract can only be won by the shop floor members. We **CAN'T** do it without **YOU!** Thank you for standing together as a united front in this fight. Cleveland is more united than ever before and we will get what we deserve as long as we maintain our solidarity!

In Solidarity,

Your Local 3520 Bargaining Team
