

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

MAR. 1, 2024 | UAW LOCAL 5285

Greetings Brothers and Sisters,

As the company released the information of their record profits, we're still fighting for our membership to get the best contract.

We met with the company several times today. We made some gains, but we didn't get everything that we demanded. For now, we have a few items that will be sent to the Main Table on April 2, 2024.

Remain strong.

IT'S OUR TIME!!!

In Solidarity,

Your Local 5285 Bargaining Team
