

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

MAR. 2, 2024 | UAW LOCAL 5286

Greetings Brothers and Sisters,

At the end of local negotiations, we had the following articles still open that we didn't come to an agreement on before the deadline. Make no mistake, none of the tentative agreements that we signed nor any of the open articles were concessions, and none will be. If we didn't make gains in an article, we didn't take a loss, and we maintained the present language. All open issues will be addressed during the common negotiations, which start on April 2nd.

Article 3 - Representation

Article 8 - Wage Rates and Overtime

Article 10 - Vacation

Article 11 - Layoff & Recall

Article 19 - Sourcing/Job Security

Article 33 - Skilled Trades

In Solidarity,

Local 5286 Bargaining Team
