## ON DAIMLER NEGOTIATIONS

MAR. 6, 2024 | UAW LOCAL 5286

The membership of Local 5286 in Gastonia, NC wants to send our brothers and sisters at Local 5287, Thomas Built Bus in High Point, NC, this message of solidarity and support in your local contract negotiations over the next two weeks. We stand with you in your journey to secure an awesome contract for your membership.

Next up will be the Parts Distribution Centers (PDC), Local 2406 in Memphis, TN and Local 10 in Atlanta, GA. We stand with you also, in your pursuit of an amazing contract for your memberships. You may be small compared to the other plants, but you are a vital component in our overall strategy to make these negotiations historic.

We stand with you, our UAW brothers and sisters, in solidarity. We look forward to common table bargaining together starting April 2, 2024. It's our time, and together we will prevail.

In solidarity,  
The proud members of UAW Local 5286
