

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

MAR. 12, 2024 | UAW LOCAL 5287

Good evening to all of our Local and Nationwide UAW Family!

Yesterday ended in what looked like a promising agreement between both parties. Today, I will say that a lot of the progress made thus far has been impacted by Article 12 (job posting) and Article 20 (miscellaneous) of the TBB/UAW collective bargaining agreement.

In closing, we continue our plea for your unwavering support and together we will be —without a doubt — the very best bus builders in the world.

Let our Solidarity ring out loud! Wear your red shirt tomorrow!

In Solidarity,

Local 5287 Bargaining Team
