

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

MAR. 14, 2024 | UAW LOCAL 5287

Good evening UAW brothers and sisters!

Foremost, our Bargaining Committee and I want to thank every last one of you for your unwavering support. It has been paramount to the milestones we've gained during the 2024 Local Bargaining process.

We ended tonight on a positive note, securing a fruitful Article 20 (Miscellaneous), but still find ourselves miles apart on Article 8, Article 11 and LOU ACP.

There is still hope that a win-win resolution can be agreed upon tomorrow, and no matter tomorrow's outcome, solidarity will always prevail.

In Solidarity,

Your Local 5287 Bargaining Team
