

# BARGAINING UPDATE

## ON DAIMLER NEGOTIATIONS

MAR. 6, 2024 | UAW LOCAL 5287

**Good evening, UAW Family!**

Today, UAW Local 5287 fought hard and secured a few milestones with Letters of Understanding, but ended with much discussion concerning Article 12.

On behalf of all of us involved with this Local Bargaining process, we'd like to express our thanks for all the support we have received from our membership and our DTNA-UAW sisters and brothers. We also can't emphasize enough how you all sent a resounding message of Solidarity by donning your red shirts today.

Last but not least, a special shoutout to Locals 10 and 2406 (Atlanta and Memphis).

In Solidarity,

Local 5287 Bargaining Team
