

# BARGAINING UPDATE

## ON DAIMLER NEGOTIATIONS

MAR.7, 2024 | UAW LOCAL 5287

**Good evening to our brothers and sisters of UAW Local 5287, DTNA-UAW family, and our UAW family nationwide!**

Today, Local 5287 and Thomas Built Buses made major strides in various articles and letters of understanding which resulted in positive gains across the tentative Local TBB/UAW CBA.

Again, our appreciation goes out to all the aforementioned on their unwavering support, and as we leave the table today, we are very anxious to hit the ground running tomorrow in what have been significant strides in attaining a new agreement.

Remember, solidarity is key.

In Solidarity,

Local 5287 Bargaining Team
