

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

MAR. 13, 2024 | UAW LOCAL 5287

Good evening, UAW Fam!

We reached several tentative agreements today that are designed to secure our future here at TBB. As negotiations go, we are still at a standstill on Article 20, with several sections still outstanding and not yet agreed to.

Robust discussions are ongoing, and rest assured, your bargaining committee is working long hours to ensure that we achieve a fair and equitable contract that we all will be proud of.

Thank you for the sea of red shirts that we've seen throughout TBB facilities today. Stay focused and stand strong — success is close at hand! Solidarity will bring us home.

Stand up — it's our time!

In Solidarity,

Local 5287 Bargaining Team
