

MAIN TABLE BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

MAR. 26, 2024

UAW DAIMLER FAMILY,

Over the last few weeks, your local bargainners have been hard at work, fighting tooth and nail to get you the best contract possible. While we have made significant progress in some areas, the company continues to try and lowball us on a number of your top priority issues.

We've been clear with the company from the very beginning that this contract needs to reflect the immense sacrifices you have made through the years that created the billions of dollars in profits Daimler is now enjoying.

We've spoken with many of you about the conditions on the shop floor. We understand the anger you feel at being underappreciated by management and your willingness to fight to win your fair share.

If the company thinks these negotiations are going to be business as usual, they are sorely mistaken.

MAIN TABLE BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

MAR. 26, 2024

As many of you may know, April 2nd marks the beginning of our main table negotiations with Daimler. To kick off these historic contract talks, we are holding a rally at the Local 3520 Union Hall to show Daimler and the world that we are ready to stand up.

UAW President Shawn Fain, Region 8 Director Tim Smith, and North Carolina State AFL-CIO President MaryBe McMillan will be there, standing with you to show their support in our fight.

A big turnout at this rally will show the company that we are united and ready to do what is necessary to win the contract that you deserve. It's our opportunity to show Daimler that the local community has our back and that they'll be there with us every step of the way.

Now is the time.
