

# Why Volkswagen Parents Want a Voice at Work

**“I want to form a union so that I can have emergency time for my children. As a single father, I should be able to care for my kids in the case of an emergency without receiving points at management’s discretion.”**  
- Matthew Wrede, Assembly

**“We need a union so we can build better families. With a better income, we can take care of future generations in VW.”**  
- Ashley and Ryan Suits, Assembly
