

# WE'RE READY TO VOTE UAW YES!

**After months of building supermajority support for a union at MBUSI, we are ready to vote! Today we asked the federal government to schedule a secret ballot vote as soon as possible.**

**We don't yet have the election date, but we know what it's going to take for us to win our union at Mercedes.**

- 1. Sign the public Vote Yes petition.**
- 2. Make a plan with co-workers to vote Union YES!**
- 3. Don't fall for company disinformation.**

**Mercedes expects the best or nothing. It's time we expect the same from Mercedes.**

**End the Alabama Discount by Voting YES!**
