

# BARGAINING UPDATE

## ON DAIMLER NEGOTIATIONS

APR. 15, 2024 | UAW LOCAL 3520

### UAW Local 3520 Family,

Once Common negotiations ended today, your local Negotiating Team met and strategized on our next proposals for Job Security, Hours of Work, Layoff/Recall, Wage Rates, and Overtime. As we said at the Membership meeting on Saturday, these all tie into each other for different reasons. With that in mind, we met with the company and attempted to develop a path to meet the Membership's demands on the open articles during open discussion, not making actual official proposals. You could call it a brainstorming session. We gave them much to consider, and they are evaluating the demands and will get back to us once they've done so.

Remember to go out to the rally in front of the plant **tomorrow (4/16)**, which starts at 3:30 pm. If you are mandated until 4 pm, just walk out there after you clock out. It will still be going on.

**It's our time to show them we mean business!**

In Solidarity,

Your Local 3520 Bargaining Team
