

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

APR. 17, 2024 | UAW LOCAL 3520

Local 3520 Brothers and Sisters,

Local bargaining continued Tuesday and Wednesday, but at a snail's pace. More conversations have been had with the company, and we've been **standing firm** on your demands, especially regarding the importance of **job security**.

No official proposals were made either day.

Tick Tock, Daimler...

In Solidarity,

Your Local 3520 Bargaining Team
