

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

APR. 3, 2024 | UAW LOCAL 3520

Local 3520 Family,

The Company finally returned to the bargaining table this evening with your Local 3520 Negotiating Team. For about an hour the Company asked to have their memories refreshed on where things stood – understandable given that the Company has refused to bargain for the last four weeks.

After this refresh time, the Company took a 90-minute break and returned with a single counter proposal on TOS (truck operating system). While the Company appeared to be ready to call it a night after this single pass, your Negotiating Team held them to the table, explaining that we were ready to work all night and asking the Company to put in the effort to answer some of many outstanding proposals. The Company agreed -- took a two-hour break – and returned at 9:30 pm with three counter proposals on Article 3, Article 8, and Article 11.

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

APR. 3, 2024 | UAW LOCAL 3520

While some positive movement was made, not nearly enough. And still not a single proposal from the Company on job security.

Tick Tock indeed.

We will win the fair contract we deserve with your continued attention and action. Here's the link to sign up for a practice picket or rally:
