

BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

APR. 11, 2024 | UAW LOCAL 5286

UAW Local 5286 Family,

Your Local Bargaining Committee met this evening with the Company's representatives. What started out as a perfectly pleasant session, with the Union and the Company exchanging a total of eight proposals, went south when Brother Paysor demanded some attention to the big issues within Skilled Trades.

Negotiations broke down when the Company representatives took things too personally. This is not personal, however. We're just trying to have the members' concerns heard and addressed.

While the Company ended the session early, all is not lost. Brother Delinger coaxed them back to the table tomorrow morning at 10 am.

PLEASE MAKE SURE TO SIGN UP FOR THE RALLIES ON MONDAY AND TUESDAY WITH SPECIAL GUEST UAW PRESIDENT SHAWN FAIN:
