

# BARGAINING UPDATE

## ON DAIMLER NEGOTIATIONS

APR. 15, 2024 | UAW LOCAL 5286

### UAW Local 5286 Brothers & Sisters,

The Gastonia Local Bargaining Committee met this evening with the full team of Company representatives and made progress toward securing agreements on your important issues. Continued discussions were had on Article 33 and job security.

We will meet again tomorrow night, and we have some hope that we can come to an agreement on most, if not all, of the remaining issues.

In solidarity,

Your Local 5286 Bargaining Team
