## ON DAIMLER NEGOTIATIONS

APR. 18, 2024 | UAW LOCAL 5286

### **UAW Local 5286 Brothers and Sisters,**

Your local Gastonia Bargaining Committee wrapped up local bargaining tonight with some major accomplishments in the books.

The Committee secured significant improvements in Article 33, for example, doing away with the 55 work order rule, guaranteed equipment and a more structured and formalized training program.

On the production side, your Bargaining Committee secured tentative agreements on major improvements to overtime rotation of holiday pay, as well as robust advances in the LOU on job security, among other local improvements.

We have a long way to go as none of this is final until the common table finishes their bargaining and as Brother
