

MAIN TABLE BARGAINING UPDATE

ON DAIMLER NEGOTIATIONS

APR. 8, 2024

Greetings DTNA Bargaining Unit Members:

Your DTNA Bargaining Council met this afternoon with the Company and passed a total of 19 detailed demands across a broad scope of your priorities, including wage increases, vacation, shift premium, foul weather, jury duty, paid time off, and sick time, and improving the process to correct paycheck errors.

The Company, now with a full complement of overpaid mid-level managers sitting across the table from us, said virtually nothing in response, asked no questions and sat stone-faced. **Tick Tock...**

We did score one minor achievement, with the Company agreeing to our proposal that there will no longer be a requirement to return to work from early-release jury duty.

The Health & Safety and Benefits Committees had their opening bargaining sessions and exchanged initial proposals.
