

2026 MIOSHA Consultation Education and Training (CET) Program

The UAW Health and Safety Department is offering free workplace health and safety training through grant funding provided by the Michigan Occupational Safety and Health Administration (MIOSHA) Consultation Education and Training (CET) Program. Open to all UAW members, including Local Health and Safety Representatives, International Staff Representatives, local union officers, stewards, and anyone interested in learning more about workplace health and safety, these courses will be offered at Regional 1, 1A, and 1D offices throughout 2026.

TOPICS OF TRAINING INCLUDE:

- Incident/Accident Investigation
- Industrial Emergency Response (IER)
- Lockout/Tagout, Machine Guarding
- Powered Industrial truck
- Practical Ergonomics
- Laser Awareness
- Mental Health/Resiliency
- Fall Hazard
- Confined Space Entry
- CPR/First Aid/Bloodborne Pathogens
- Emergency Preparedness
- Electrical Safe Work Practices.
- 10 and 30 HR OSHA Outreach

These courses are provided at no cost to the region, local union, or employer. Also, Grant funds cannot be used to reimburse lost time or wages of employees attending the training.

**The training will be provided at the main Regional Offices.
